KEY=37 - KRISTA ANNA

Weathered Love

Createspace Independent Publishing Platform **Life doesn't come with a weather forecast. There isn't a report to tell you when a storm is coming. When the dark clouds roll in, you are lost to the depths of your own making. Camaron Willis only had one person he could count on. One person who could always lift him up. After almost destroying their friendship he has to sit back and watch her marry someone else. His world is consumed with darkness as the storm clouds wage on in his life. The only escape he can find is at the bottom of a bottle. He works, he drinks, and he sleeps with any woman who is willing to spread her legs. He doesn't even realize the darkness has consumed him, until he finally catches a break in the clouds and finds a glimpse of light shining through**

Drama and Religion: Volume 5

Cambridge University Press **Themes in Drama is a journal which brings together articles and review about the dramatic and theatrical activity of a wide range of cultures and periods. The articles offer original contributions to their own specialised fields, but are presented in such a way that their significance may be readily appreciated by non-specialists. The review section is especially important since reviewers have more than usual scope to give critical accounts of drama in performance and to discuss the most significant contributions to dramatic scholarship and criticism.**
