Some messages came from ideas I heard during church sermons, Christian broadcasting, crusades, reading books, events that have happened, my own personal experiences, the Bible, and a mission trip to Africa. Key words or phrases would be said or read about during these different settings and then God would inspire me to write about what was heard or read. Some ideas came from personal experiences and then confirmed by other messages that were being preached. I write down almost every message that I hear preached at Church, or at the Crusades. The final inspiration to write this book came from my circumstances at church. I had a lot of messages ready to preach, but was not having an opportunity to preach them. I was starting to get bitter and God inspired me to put these messages in a book and said the messages would reach a lot more people this way. I heard the call and did what God called me to do and now I am better not bitter. I have been a Christian since I was thirteen and a practicing Christian since I was twenty four. Duties in the Church have included: singing in the Choir, leading praise and worship, teaching Junior High and Adult Sunday School, Lay Leader Committee, Finance Committee, Superintendent of Adult Sunday School, Education Chair, Certified Lay Speaker, and Youth Counselor. God has called me to teach, preach, go on a mission trip to Africa, and now write this book. Please help get these messages out to the world. May God richly bless you! Sincerely, Eric England. **Eleven Simple Keys to Being the Best Dad You Can Be** AuthorHouse An adventure that I started in my mid-20s, and my experience of being a single dad into my 30s & as I am about to enter my 40s, this book was written over a course of 7 years and is a culmination based on my observations in my younger years, and what I have been doing to be the best dad I can possibly be for
