POEMS BY CURRER, ELLIS, AND ACTON BELL

POEMS

Everyman's Library **Presents a selection of poems by the nineteenth-century English writer**

POEMS FROM THE MOOR

Alma Classics **"Though Earth and moon were gone, And suns and universes ceased to be, And Thou wert left alone, Every Existence would exist in Thee." From the transcendent beauty of nature observed on the Yorkshire moors to fierce and forceful confrontations of mortality, Emily Brontë's poems are powerful and passionate works that eloquently elaborate upon her sister Charlotte's description of her as ""a solitude-loving raven, no gentle dove". While only twenty-one of Emily Brontë's poems were published in her lifetime, her poetic oeuvre is rich and varied, and not only includes visionary poems such as 'No Coward Soul Is Mine' and 'Remembrance', but also features the poems that describe the imagined realm of Gondal and its inhabitants, which she created with her sister Anne.**

THE COMPLETE POEMS OF EMILY JANE BRONTË

Columbia University Press **In 1846 a small book entitled Poems by Currer, Ellis and Acton Bell appeared on the British Literary scene. The three psuedonymous poets, the Brontë sisters went on to unprecedented success with such novels as Wuthering Heights, Agnes Grey, and Jane Eyre, all published in the following year. As children, these English sisters had begun writing poems and stories abotu an imaginary country named Gondal, yet they never sought to publish any of their work until Charlotte's discovery of Emily's more mature poems in the autumn of 1845. Charlotte later recalled: "I accidentally lighted on a MS. volume of verse in my sister Emily's handwriting....I looked it over, amd something more than surprise seized me -- a deep conviction that these were not common effusions, nor at all like the poetry women generally write. I thought them condensed and terse, vigorous and genuine. To my ear they had also a peculiar music -- wild, melancholy, and elevating." The renowned Hatfield edition of The Complete Poems of Emily Jane Brontë includes the poetry that captivated Charlotte Brontë a century and a half ago, a body of work that continues to resonate today. This incomparable volume includes Emily's verse from Poems by Currer, Ellis and Acton Bell as well as 200 works collected from various manuscript sources after her death in 1848. Some were deited and preserved by Charlotte and Arthur Bell Nichols; still others were discovered years later by Brontë scholars. Originally released in 1923, Hatfield's collection was the result of a remarkable attempt over twenty years to isolate Emily's poems from her sisters' and to achieve chronological order. Accompanied by an interpretive preface on "The Gondal Story" by Miss Fannie E. Ratchford, author of The Brontë's Web of Childhood, the edition is the definitive collection of Emily Brontë's poetical works.**

THE POEMS OF EMILY BRONTE

Rowman & Littlefield **This new edition of Emily Bronte's poetryóthe first for 50 yearsócontains all those poems which she herself chose to keep. It is based on the texts of the three notebooks into which she transcribed her poems supplemented by others on single sheets scattered in various collections, and the versions published in Poems by Currer, Ellis and Acton Bell and in Charlotte's 1850 edition of the novels. Variants between the Notebooks and the latter are listed in the Notes. The majority of the poems stand without need of explanation. However, it is helpful to be aware of the context in which they were written, and especially their relationship to the imaginary world of "gondal" shared by Emily and Anne. This and the history are explained fully in the Introduction and Notes.**

BEST POEMS OF THE BRONTË SISTERS

Courier Dover Publications **Although better known for their novels, the Brontës also wrote intelligent, heartfelt, and highly readable verse. This selection of 47 poems includes 23 by Emily, 14 by Anne, and 10 by Charlotte.**

LAST THINGS

EMILY BRONTË'S POEMS

Oxford University Press **Emily Brontë's poetry is more often celebrated than read. This book seeks to reinstate her poems at the heart of Victorian writing while underlining their relevance. For admirers of 'Wuthering Heights', this work brings the concerns and methods of the novel into focus by relating them to the poems.**

EMILY BRONTE

A LIFE IN 20 POEMS

The History Press Emily Jane Brontë was born in July 1818; along with her sisters Charlotte and Anne, she is famed as a member of the greatest literary family of all time, and helped turn Haworth into a place of literary pilgrimage. Whilst Emily Brontë wrote only one novel, the mysterious and universally acclaimed *Wuthering Heights*, she is widely acknowledged as the best poet of the Brontë sisters - indeed as one of the greatest female poets of all time. Her poems offer insights to her relationships with her family, religion, nature, the world of work, and the shadowy and visionary powers that increasingly dominated her life. Taking twenty of her most revealing poems, Nick Holland creates a unifying impression of Emily Brontë, revealing how this terribly shy young woman could create such wild and powerful writing, and why she turned her back on the outside world for one that existed only in her own mind.

EMILY BRONTE

Rowman & Littlefield Publishers Emily Brontë's writings explore, expand, and transgress limited nineteenth-century ideas of the nature of the female lot and of women's creativity. This study offers an extensive rereading of the poems which focuses on Emily Brontë's problematic relationship to the Romantic tradition in which they were produced, and to the critical tradition in which they have been reproduced. Using recent feminist work on gender and genre Lyn Pykett throws fresh light on the complexities of *Wuthering Heights*, and suggests that much of this novel's distinctiveness may be attributed to the particular ways in which it both combines and explores Female Gothic and the emerging realist domestic novel, a genre also widely used and read by women. Contents: Emily Brontë : A Life Hidden from History; The Writings of Ellis Bell; 'Not at all like the poetry women generally write' Emily Brontë and the Problem of the Woman Poet; Death Dreams and Prison Songs; Gender and Genre in *Wuthering Heights*; Changing the Names: The Two Catherines; Nelly Dean: Memoirs of a Survivor; The Male Part of the Poem; Reading Women's Writing: Emily Brontë and the Critics

WUTHERING HEIGHTS

Diamond Pocket Books Pvt Ltd Emily Brontë was an English novelist & poet, who is best known for her only novel, "*Wuthering Heights*: She has written poems also such as - 'Poems by Currer, Ellis and Action Bell', 'A Death Scene', 'To a Wreath of Snow, and lots Many. 'Wuthering Heights' is a highly imaginative work of passion and hate. Author was interested in mysticism and used to enjoy her solitude outdoors. This novel consists of those elements. It is now considered a classic of English literature. It was published under the pseudonym - "Ellis Bell" The story is full of high creativity and very imaginative. It narrates revenge also. It revolves around the main character, Heathcliff. Wuthering Heights is his farmhouse. Heathcliff is a young orphan, who was brought by Earnshaw at Wuthering Heights, 30 years ago. Earnshaw loves him (Heathcliff) so much, even neglects his own children. After death of Earnshaw, his elder son Hindley becomes the new master of Wuthering Heights and he allows Heathcliff to stay there only as a servant. Catherine is in love with Heathcliff, but doesn't show due to her social statue. The story thus seems very interesting and it ends with sights of the ghosts of Catherine and Heathcliff. It consists of many ups and downs Readers will Surely going to enjoy the novel. It's Heartthrobing and it's very difficult to getup without reading the novel - fully.

THE POETIC WORLD OF EMILY BRONTË

POEMS FROM THE AUTHOR OF WUTHERING HEIGHTS

Emily Brontë is known as a novelist, but she was first and equally a poet. Before during and after writing *Wuthering Heights*, she wrote poetry. Indeed, she wrote virtually nothing else for us to read -- no other work of fiction or correspondence. Her poems, however, fill this void. They are varied, lyrical, intriguing, and innovative, yet they are not well known. This book brings an unjustifiably marginalised poet out of the shadows and presents her poetry in a way that enables readers, even those who shy away from poetry, to appreciate her work. Unlike any other collection of Brontës poetry, this volume arranges selected poems by thematic topic: nature, mutability, love, death, captivity and freedom, hope and despair, imagination, and spirituality. It provides literary and biographical information on each topic and interpretations, explanations, and insights into each poem. Fans of *Wuthering Heights* wanting more from Emily Brontë will discover that her poetry is as memorable and powerful as her novel. This book is for all who appreciate poetry, especially from the golden age of 19th century verse. The exploration of Emily Brontës poetic world allows a greater and different understanding of *Wuthering Heights* and insights into Brontës fascinating mind.

THE NIGHT IS DARKENING ROUND ME

Penguin UK '... ever-present, phantom thing; My slave, my comrade, and my king' Some of Emily Brontë's most extraordinary poems Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions. Emily Brontë (1818-1848). Brontë's *Wuthering Heights* and *The Complete Poems* are available in Penguin Classics

BRONTË POEMS

SELECTIONS FROM THE POETRY OF CHARLOTTE, EMILY, ANNE AND BRANWELL BRONTË

COMPLETE POEMS

A comprehensive edition of one of America's greatest poets, this collection draws from her four published volumes, together with 50 uncollected works and translations of Octavio Paz, Max Jacob and others.

POEMS OF EMILY BRONTE, A CLASSIC COLLECTION BOOK

Lulu Press, Inc Emily Brontë, (1818 - 1848), was an English novelist and poet. She was born in Yorkshire and was the third of four surviving siblings, Charlotte, Branwell, and Anne. She is known best for her world famous, and only novel, *Wuthering Heights*, a classic of English Literature. Publishing under the names of Currer, Ellis, and Acton Bell, Charlotte, Emily and Anne wrote powerful and passionate poetry. This complete collection of poems, by Emily, emanates her depth of spirit and mirrors her poetic brilliance and descriptive understanding of human nature, the natural world and her vision of the afterlife. From poems describing the mythical country of Gondal, that she and her sister Anne imagined, to thought provoking poetry such as 'No Coward Soul Is Mine' and 'Remembrance', to beautiful descriptive poems such as 'The Bluebell', her unique ability to manipulate language is thoroughly absorbing.

ASPECTS OF LYRIC IN THE POETRY OF EMILY BRONTË

Rodopi

EMILY BRONTË REAPPRAISED

Saraband Emily Brontë occupies a special place in the English literary canon. And rightly so: the incomparable *Wuthering Heights* is a novel that has bewitched us for almost 200 years, and the character of Heathcliff is, perhaps, the ultimate romantic hero - and villain. But Emily herself remains an enigmatic figure, often portrayed as awkward, as a misanthrope, as "no normal being". That's the conventional wisdom on Emily as a person, but is it accurate, is it fair? In this biography with a twist, Claire O'Callaghan conjures a new image of Emily and rehabilitates her reputation by exploring the themes of her life and work - her feminism, her passion for the natural world - as well as the art she has inspired, and even the "fake news" stories about her. What we discover is that she was, in fact, a thoroughly modern woman. And now, in the 21st century, it's time for the real Emily Brontë to please stand up.

SELECTED POEMS

Carcanet Although The Brontës have long fascinated readers of fiction and biography, their poetry was all too little known until this pioneering selection by Stevie Davies, the novelist and critic. Charlotte (1816-1855) is certainly a competent poet, and Anne (1820-1849) developed a distinctive voice, while Emily (1818-1848) is one of great women poets in English. All three sisters, as Stevie Davies remarks in her introduction, were Romantic in inspiration, writing poetry of passionate personal feeling and of pure imagination. They share certain themes - liberty, loneliness, love - and harbour the myth of a lost paradise. Read together with their novels, the poems movingly elucidate the ideas around which the narratives revolve. And they surprise us out of our conventional notions of the sisters' personalities: Emily's rebelliousness, for example, is counterbalanced here by great tenderness. This selection gives an idea of the variety of thought and feeling within each author's work, and of the way in which the poems of these three remarkable writers parallel and reflect each other.

BRONTE SISTER'S POETRY: THE POEMS OF ANNE, CHARLOTTE, AND EMILY BRONTE

The Brontës were a 19th-century literary family associated with the village of Haworth in the West Riding of Yorkshire, England. The sisters, Charlotte, Emily, and Anne, are well known as poets and novelists. They originally published their poems and novels under the masculine pseudonyms Currer, Ellis, and Acton Bell, following the custom of the times practiced by female writers. Their stories immediately attracted attention, although not always the best, for their passion and originality. Charlotte's *Jane Eyre* was the first to know success, while Emily's *Wuthering Heights*, Anne's *The Tenant of Wildfell Hall* and other works were later to be accepted as masterpieces of literature. The three sisters and their brother, Branwell, were very close and during childhood developed their imaginations through the collaborative writing of increasingly complex stories. The effect of the deaths of first their mother, and then of their two older sisters marked them profoundly and influenced their writing. Their fame was due as much to their own tragic destinies as to their precociousness. Since their early deaths they were subject of a following that did not cease to grow. Their home, the parsonage at Haworth in Yorkshire, now the Brontë Parsonage Museum, has become a place of pilgrimage for hundreds of thousands of visitors each year.

DARKNESS AND GLORY

SELECTED POEMS

EMILY BRONTE: DARKNESS AND GLORY: SELECTED POEMS This book collects together Emily Bronte's finest poems. Includes an introduction and notes, extra poems for this edition, and a new gallery of images based on Bronte's work. **EXTRACT FROM THE INTRODUCTION** EMILY BRONTE as a poet is still neglected today. Her novel *Wuthering Heights*, however, remains one of the great English novels. It continues to sell, continues to be adapted for radio, theatre, film and television, continues to inspire readers and be cited by critics. *Wuthering Heights* has entered British culture as both a serious work in academic circles and a series of clichés in popular culture. For scholars, *Wuthering Heights* is a superbly crafted and atmospheric piece of fiction which takes its place beside the great works of the 19th century (*Tess of the d'Urbervilles*, *Middlemarch*, *Great Expectations*, *Pride and Prejudice*). For feminists, Emily Bronte has been appropriated as a proto-feminist, working largely in isolation in patriarchal Yorkshire, away from the metropolitan centres of culture, yet producing fiery fiction and poetry. For the general reader, *Wuthering Heights* is a fabulously moody, passionate and romantic book, with a powerful sense of pace, fully rounded characters and a thrill of mystery about it. The wind whistling through the heather in *Winter* is indeed the atmosphere of *Wuthering Heights*, and also of Bronte's poetry. In poem after poem we find loving evocations of the moors: we hear of 'the breezy moor' (in "The starry night shall tidings bring"), the 'flowerless moors' (in "How still, how happy! Those are words"), and of 'the moors where the linnet was trilling/ Its song on the old granite stone' (in "Loud without the wind was roaring," the most powerful of Bronte's moor-poems). The key element of the moors is the expanse of sky and the wind that rages across it: the wind is without doubt Bronte's favourite element, and is the sound that accompanies the clichéd adaptations of *Wuthering Heights*. In the poetry we hear of 'The wind in its glory and pride!' ("Loud without the wind was roaring"), 'the life-giving wind' ("High waving heather 'neath stormy blasts bending"), 'That wind, I used to hear it swelling/ With joy divinely deep' ("That wind, I used to hear it swelling"), 'the wailing wind' ("All hushed and still within the house"), 'And winds shall wage a wilder war' ("How still, how happy!"), and 'The wild winds coldly blow' ("The night is darkening round me"). These simple, elemental facts - the heather, the moor, the wind, the night - are what recur in Emily Bronte's poems, time after time. Dells, snow, linnets, rocky crags, greyness, darkness, graves; one can practically see her composing her lines as she sits in a darkened house at night, with the wind whistling outside. The text has been revised for this edition. It includes new poems. Includes new illustrations of Bronte and her works, a full bibliography and notes. www.crmoon.com

POEMS OF SOLITUDE

Hesperus Press A new collection of Emily Brontë's poetry, exploring the themes of home, love, time, death, memory and hope.

THE COMPLETE POEMS OF ANNE BRONTE

Createspace Independent Publishing Platform From the INTRODUCTION by Charlotte Brontë. In looking over my sister Anne's papers, I find mournful evidence that religious feeling had been to her but too much like what it was to Cowper; I mean, of course, in a far milder form. Without rendering her a prey to those horrors that defy concealment, it subdued her mood and bearing to a perpetual pensiveness; the pillar of a cloud glided constantly before her eyes; she ever waited at the foot of a secret Sinai, listening in her heart to the voice of a trumpet sounding long and waxing louder. Some, perhaps, would rejoice over these tokens of sincere though sorrowing piety in a deceased relative: I own, to me they seem sad, as if her whole innocent life had been passed under the martyrdom of an unconfessed physical pain: their effect, indeed, would be too distressing, were it not combated by the certain knowledge that in her last moments this tyranny of a too tender conscience was overcome; this pomp of terrors broke up, and, passing away, left her dying hour unclouded. Her belief in God did not then bring to her dread, as of a stern Judge -- but hope, as in a Creator and Saviour: and no faltering hope was it, but a sure and steadfast conviction, on which, in the rude passage from Time to Eternity, she threw the weight of her human weakness, and by which she was enabled to bear what was to be borne, patiently -- serenely -- victoriously....

Lulu.com

THE WORKS OF CHARLOTTE, EMILY, AND ANNE BRONTË: POEMS OF CHARLOTTE, EMILY, & ANNE BRONTË, WITH COTTAGE POEMS BY PATRICK BRONTË

THE POEMS OF EMILY BRONTË

Oxford University Press on Demand Emily Bronte's achievement as a poet has been in part eclipsed by that of her masterpiece, *Wuthering Heights*, yet the poems reveal a powerful and highly individual imagination and poetic voice. The *Poems of Emily Bronte* is the first edition of the poetry to appear with full scholarly apparatus: based wherever possible on manuscripts, it preserves Bronte's original (sometimes unorthodox) presentation, and records the stages of her revisions. The lack of any surviving manuscript of the novel makes this policy particularly valuable, since it offers the reader the rare chance of watching the writer's creative mind at work. Returning to the original manuscripts has achieved a more accurate text than in any previous edition, resulting in a substantial number of new readings. Derek Roper records everything that could be deciphered from these difficult manuscripts, including Emily Bronte's spelling and punctuation, and numerous variants, cancellations, and revisions. The enlightening introduction and commentary place the poems in their literary context, and a large number of echoes and parallels from Scott, Byron, Moore, and other authors are identified. The 'Gondal' poems are related to what is known of that imaginary world and which many poems are set, and a fresh attempt is made to relate these to Emily Bronte's other poems.
