**Jenny Pox The Paranormals, Book One JL Bryan** Jenny has a secret: her touch spreads a deadly supernatural plague. She devotes her life to avoiding contact with people, until her senior year of high school, when she meets the one boy she can touch, and she falls in love. But there's a problem--he's under the spell of his devious girlfriend Ashleigh, who secretly wields the most dangerous power of all. Now Jenny must learn to use the "Jenny pox" she's struggled to hide, or be destroyed by Ashleigh's ruthless plans. **Tommy Nightmare (Jenny Pox #2) JL Bryan** While Fallen Oak recovers from the Jenny pox, someone new is hunting Jenny. Like Jenny, Ashleigh Goodling belonged to a pair of opposites with powers that mirror each other. Now Jenny and Seth must face the opposite of love... **Fairy Blues Songs of Magic** The sequel to Fairy Metal Thunder. With their enchanted instruments charming the crowds, the Assorted Zebras attract interest from record producers, and soon they're off to cut their first album and music video. Jason and his friends don't know they've just become pawns in a sinister plot by a cabal of evil fairies... Meanwhile, Aoide and her band pursue a new strategy for regaining their stolen instruments, one that will take them into the most haunted region in Faerie. **Ellie Jordan, Ghost Trapper CreateSpace** Ellie Jordan's job is to catch and remove unwanted ghosts. Part detective, part paranormal exterminator, Ellie operates out of Savannah, Georgia, one of the oldest and most haunted cities in North America. When a family contacts her to deal with a disturbing presence in the old mansion they've recently purchased, Ellie first believes it to be a typical, by-the-book specter, a residual haunting by a restless spirit. Instead, she finds herself confronting an evil older and more powerful than she'd ever expected, rooted in the house's long and sordid history of luxury, sin, and murder. The dangerous entity seems particularly interested in her clients' ten-year-old daughter. Soon her own life is in danger, and Ellie must find a way to exorcise the darkness of the house before it can kill her, her clients, or their frightened young child. **The Ghost Files 4** Sleep, little children, all safe in your beds. But when the boogeyman knocks, if you are up watching... he'll make sure that you wish you were dead! Once every one hundred and fifty years he emerges from the darkest depths to feed. With each soul he takes, he grows stronger. There is but one gift he needs in order to gain the power he seeks. One gift that will allow him to walk amongst all the precious little children. And it's the one gift Mattie Hathaway possesses...the ability to bring images to life with just a drop of her blood. The demon Silas has warned her to never reveal this ability, not even to her father who shares her power to communicate with the dead. She's heeded his warning, but hiding it may no longer be an option. Children are disappearing all over the Charlotte area. When their bodies are recovered, they are always the same--broken, beaten, and bruised. Fear is spiraling out of control in the Queen City as parents glance nervously around each corner, seeing the boogeyman in every shadow. When one little girl goes missing in Mattie's neighborhood, it's up to her and Officer Dan Richards to find the truth. In doing so, she uncovers a far greater evil than she's ever come up against. The one thing she was bred to defeat. Deleriel. A fallen angel...one of the first demons. He is powerful, ambitious, and now that Mattie is on his radar, she's all he needs to complete his arsenal. Amid of whirlwind of secrets coming to light, Mattie is faced with uncovering the truth about her own heritage. She must come to grips with it before she can begin to prepare for the battle of a lifetime...a battle she never asked for but is caught in the middle of. Can she face her own truths before it's too late? **Diary of a Haunting Simon and Schuster** After her parents' high-profile divorce, sixteen-year-old Paige is forced to leave Los Angeles for a rambling Victorian mansion in small-town Idaho where she soon notices strange occurrences that seem to be building toward some unspeakable horror. **The Gate - 13 Tales of Isolation and Despair Tro Publishing** ...a young man tries to build a better life while trapped in a mall after a plague has killed off most of humanity... ...zombies overrun a world gone mad, leaving a boy with no choice but to rely on possibly mystical means of escape... ...Halloween night brings out a darkness so threatening that a young couple's only hope of survival may be a procession of strange, ghostly children... ...when the world is given a brief glimpse of divinity, a formerly disabled man must come to grips with the fact that not everything is as good as it seems... These tales and many more await in *The Gate 2: 13 Tales of Isolation and Despair*, the new collection edited by Robert J. Duperre. Thirteen talented authors have been assembled, bringing with them the best they have to offer in a wide range of horror, be it slice-of-life or paranormal in nature. Also included are two bonus stories by the editor. **TABLE OF CONTENTS** Introduction Plastic by J.L. Bryan The Indian Rope Trick by D.P. Duperre Traipsing Through the Dark: The Stories Behind the Stories **The Ghost Files 4 Part 2 Limitless Publishing, LLC** Hush little children, all snug in your beds, Safe in your dreams, tucked away in your heads. But he is watching and wants to be fed. **Don Weary Warriors Power, Knowledge, and the Invisible Wounds of Soldiers Berghahn Books** As seen in military documents, medical journals, novels, films, television shows, and memoirs, soldiers' invisible wounds are not innate cracks in individual psyches that break under the stress of war. Instead, the generation of weary warriors is caught up in wider social and political networks and institutions—families, activist groups, government bureaucracies, welfare state programs—mediated through a military hierarchy, psychiatry rooted in mind-body sciences, and various cultural constructs of masculinity. This book offers a history of military psychiatry from the American Civil War to the

latest Afghanistan conflict. The authors trace the effects of power and knowledge in relation to the emotional and psychological trauma that shapes soldiers' bodies, minds, and souls, developing an extensive account of the emergence, diagnosis, and treatment of soldiers' invisible wounds. **Paranormals We Are Not Alone** Book Two in the PARANORMALS series! Six years ago, when the White Flash washed over planet Earth, it left behind an unbelievable legacy: A small number of people changed -- some instantaneously, some months or years later -- giving them superhuman abilities. Sadly, most of these paranormals have chosen to use these gifts for their own selfish goals. Only a handful have joined the Paranormal Control Agency to help stop these rogues, with even fewer choosing the path of the hero. But the Paranormal Effect was not the only astonishing change to take place. Within 24 hours of the White Flash's appearance, SETI detected its first extraterrestrial radio signal ... and then another ... and then another. At any other time in history, this would have been the biggest news of our generation, but for the majority of the global population, the superhumans among us took precedence over voices drifting from light-years away. Except some of those voices are getting closer. A lot closer. Now Vortex, Powerhouse, Lieutenant Takayasu and Shockwave must deal with more than superhuman criminals. They must face the wondrous rewards and the terrible consequences of our learning that We Are Not Alone. **Book of Shadows Simon and Schuster** In a diary, Melanie recounts the strange events that occur in her town--which is dominated by a conservative mega-church--after she and her friends experiment with witchcraft by using a mysterious spell book. **The Ghost Files 5 Limitless Publishing, LLC** Mattie Hathaway has survived everything from insane ghosts to her own mother trying to murder her. But now she's faced with a choice that will cost her everything **Pyrophobia Severn House Publishers Ltd** Jason Evans has a perfect life—until he starts receiving messages that claim he's dead—in this haunting mystery from the bestselling Dutch author of Zone. Despite his fear of fire, life has been smooth sailing for Jason Evans. He has a loving wife, Kayla, a good job, and plenty of friends. There's nothing standing in the way of his happiness, until an unknown enemy starts sending him strange photographs. The chilling images of a graveyard all have ominous and perplexing messages on the back: "You are dead. You think you're alive, but you don't exist." Jason's attempt to find out who's behind the disturbing missives leads him down an increasingly dark and dangerous path—one that leads him to realize his life isn't as picture-perfect as he thinks. Tense and psychologically gripping, Pyrophobia is a horror story that takes one man into the darkest corners of his own mind . . . **Critical Dictionary of Film and Television Theory Routledge** The Critical Dictionary of Film and Television Theory clearly and accessibly explains the major theoretical approaches now deployed in the study of the moving image, as well as defining key theoretical terms. Includes answers. **Material Cultures of Childhood in Second World War Britain Routledge** How do children cope when their world is transformed by war? This book draws on memory narratives to construct an historical anthropology of childhood in Second World Britain, focusing on objects and spaces such as gas masks, air raid shelters and bombed-out buildings. In their struggles to cope with the fears and upheavals of wartime, with families divided and familiar landscapes lost or transformed, children reimagined and reshaped these material traces of conflict into toys, treasures and playgrounds. This study of the material worlds of wartime childhood offers a unique viewpoint into an extraordinary period in history with powerful resonances across global conflicts into the present day. **A Dictionary of English Folklore Oxford University Press** This dictionary is part of the Oxford Reference Collection: using sustainable print-on-demand technology to make the acclaimed backlist of the Oxford Reference programme perennially available in hardback format. An engrossing guide to English folklore and traditions, with over 1,250 entries. Folklore is connected to virtually every aspect of life, part of the country, age group, and occupation. From the bizarre to the seemingly mundane, it is as much a feature of the modern technological age as of the ancient world. BL Oral and Performance genres-Cheese rolling, Morris dancing, Well-dressingEL BL Superstitions-Charms, Rainbows, WishbonesEL BL Characters-Cinderella, Father Christmas, Robin Hood, Dick WhittingtonEL BL Supernatural Beliefs-Devil's hoofprints, Fairy rings, Frog showersEL BL Calendar Customs-April Fool's Day, Helston Furry Day, Valentine's DayEL **Nights of the Living Dead An Anthology St. Martin's Griffin** In 1968, the world experienced a brand-new kind of terror with the debut of George A. Romero's landmark movie Night of the Living Dead. The newly dead rose to attack the living. Not as vampires or werewolves. This was something new . . . and terrifying. Since then, zombies have invaded every aspect of popular culture. But it all started on that dreadful night in a remote farmhouse. . . . Nights of the Living Dead returns to that night, to the outbreak, to where it all began. New York Times bestselling author Jonathan Maberry teams with the godfather of the living dead himself, George A. Romero, to present a collection of all-new tales set during the forty-eight hours of that legendary outbreak. Nights of the Living Dead includes stories by some of today's most important writers: Brian Keene, Carrie Ryan, Chuck Wendig, Craig E. Engler, David J. Schow, David Wellington, Isaac Marion, Jay Bonansinga, Joe R. Lansdale, John A. Russo, John Skipp, Keith R.A. DeCandido, Max Brallier, Mike Carey, Mira Grant, Neal and Brenda Shusterman, and Ryan Brown. Plus original stories by Romero and Maberry! For anyone who loves scary stories, take a bite out of this! **The Monster Museum Createspace Independent Publishing Platform** Just outside the small but colorful mountain resort town of Foxboro, Tennessee lies Dr. Weirdman's Mountain Museum of Monsters, Curiosities, and Ancient Mysteries. Once a major tourist attraction, it offers travelers the amusement of touring unusual underground caves and pseudo-scientific exhibits ranging from strange creatures to the supposed artifacts of lost civilizations. Now the museum is a crumbling relic of an older age, fallen into disrepair. Its longtime owner has died, leaving it in the hands of a younger distant relative who knows nothing of how to run a failing tourist trap of a museum, but who is desperate to make a living and provide for his own children. The museum has a serious ghost problem, though, and Ellie Jordan is called in from Savannah to help. An unexpected old friend joins Ellie at the last moment so that they can spend a snow-filled Christmas together in the mountains...if the ghosts of the restless dead don't turn the holidays into a horrific tragedy. **Podcasting New Aural Cultures and Digital Media Springer** Podcasting: New Aural Cultures and Digital Media is

the first comprehensive interdisciplinary collection of academic research exploring the definition, status, practices and implications of podcasting through a Media and Cultural Studies lens. By bringing together research from experienced and early career academics alongside audio and creative practitioners, the chapters in this volume span a range of approaches in a timely reaction to podcasting's zeitgeist moment. In conceptualizing the podcast, the contributors examine its liminal status between the mechanics of 'old' and 'new' media and between differing production contexts, in addition to podcasting's reliance on mainstream industrial structures whilst retaining an alternative, even outsider, sensibility. In the present tumult of online media discourse, the contributors frame podcasting as indicative of a 'new aural culture' emerging from an identifiable set of industrial, technological and cultural circumstances. The analyses in this collection offer a range of interpretations which begin to open avenues for further research into a distinct Podcast Studies.

**Jenny Plague-Bringer (Jenny Pox #4)** The fourth book in the Paranormals series, following Jenny Pox, Tommy Nightmare, and Alexander Death. Jenny has survived in seclusion for the past year, but her peace is about to be shattered by two new paranormals, each of them with unknown intentions, both of them searching for Jenny and Seth. The nightmares of Jenny's most recent past life in the 1930's erupt into the present, and she will face enemies old and new. Jenny is more vulnerable than ever, because she can't use her pox without risking the small life now growing inside her. Jenny's entire life has led up to the challenge she must now face, one that will endanger her life, her unborn child, and her own soul.

**Fairy Metal Thunder (Songs of Magic, Book 1)** Jason, Erin, Mitch and Mildred ("Dred") are the Assorted Zebras, a teenage garage band in Wisconsin with no fans and no gigs. Then Jason sneaks into the fairy world and steals four magic-fueled musical instruments, the kind fairies use to enchant and trick humans. The new instruments make the band a huge overnight success, on their way to rock stardom. But the band members aren't exactly ready for fame, fortune, or the supernatural creatures sent by the fairies to track them down.

**Vampires in the Lemon Grove Random House** An awkward teen with a terrible haircut has a reversal of fortune when he finds artefacts from the future lining a seagulls' nest. In a godforsaken barn, Presidents Eisenhower, John Adams and Rutherford B. Hayes are bemused to find themselves reincarnated as horses. Clyde and Magreb - he a traditional capes-and-coffins vampire, she the more progressive variety - settle in an Italian lemon grove in the hope that its ripe fruit will keep their thirst for blood at bay. 'Russell can take Antarctic tailgaters, an army of seagulls or simply a window and twist a tale that explodes on the page and lingers in the mind' The Times

**The Last Kids on Earth and the Midnight Blade Viking Adult** Surviving their first winter after the Monster Apocalypse was no easy feat, yet Jack and his buddies waste no time springing to action against some of the nastiest, most evil monsters around. When Jack discovers his Louisville Slicer has new, otherworldly powers, he's thrown into epic training to find out what kind of destruction the blade can wield. But between fighting off zombies, fleeing from strange, glowy Vine-Thingies erupting from the ground, and squeezing in a video game session or two, there's barely time left to figure out what's wrong with their buddy, Dirk, who's been acting weird any time he's around the undead. When an unexpected villain appears, can Jack and his friends save themselves--and the rest of the world--from cosmic domination?

**William Shakespeare's Star Wars Verily, A New Hope Quirk Books** The New York Times Best Seller Experience the Star Wars saga reimagined as an Elizabethan drama penned by William Shakespeare himself, complete with authentic meter and verse, and theatrical monologues and dialogue by everyone from Darth Vader to R2D2. Return once more to a galaxy far, far away with this sublime retelling of George Lucas's epic Star Wars in the style of the immortal Bard of Avon. The saga of a wise (Jedi) knight and an evil (Sith) lord, of a beautiful princess held captive and a young hero coming of age, Star Wars abounds with all the valor and villainy of Shakespeare's greatest plays. Authentic meter, stage directions, reimagined movie scenes and dialogue, and hidden Easter eggs throughout will entertain and impress fans of Star Wars and Shakespeare alike. Every scene and character from the film appears in the play, along with twenty woodcut-style illustrations that depict an Elizabethan version of the Star Wars galaxy. Zounds! This is the book you're looking for.

**How God Changes Your Brain Breakthrough Findings from a Leading Neuroscientist Ballantine Books** God is great—for your mental, physical, and spiritual health. Based on new evidence culled from brain-scan studies, a wide-reaching survey of people's religious and spiritual experiences, and the authors' analyses of adult drawings of God, neuroscientist Andrew Newberg and therapist Mark Robert Waldman offer the following breakthrough discoveries:

- Not only do prayer and spiritual practice reduce stress, but just twelve minutes of meditation per day may slow down the aging process.
- Contemplating a loving God rather than a punitive God reduces anxiety and depression and increases feelings of security, compassion, and love.
- Fundamentalism, in and of itself, can be personally beneficial, but the prejudice generated by extreme beliefs can permanently damage your brain.
- Intense prayer and meditation permanently change numerous structures and functions in the brain, altering your values and the way you perceive reality.

Both a revelatory work of modern science and a practical guide for readers to enhance their physical and emotional health, How God Changes Your Brain is a first-of-a-kind book about faith that is as credible as it is inspiring.

**The Friday Book Essays and Other Nonfiction** "...The Friday Book was the first work of nonfiction by novelist John Barth, author of The Sot-Weed Factor, Giles Goat-Boy, and Chimera. Taking its title from the day of the week Barth would devote to nonfiction, the three dozen essays discuss a wide range of topics from the blue crabs of Barth's beloved Chesapeake Bay to weighty literary subjects such as Borges, Homer, and semiotics..."--www.amazon.com.

**The Devouring Little, Brown Books for Young Readers** When Reggie finds an old journal and reads about the Vours, supernatural creatures who feast on fear and attack on the eve of the winter solstice, she assumes they are just the musings of some lunatic author. But soon, they become a terrifying reality when

she begins to suspect that her timid younger brother might be one of their victims. Risking her life and her sanity, Reggie enters a living nightmare to save the people she loves. Can she devour own her fears before they devour her? Bone-chilling, terrifying, thrilling...what are you waiting for? **Managing Death Investigations The Modernist Papers Verso Books** Cultural critic Fredric Jameson, renowned for his incisive studies of the passage of modernism to postmodernism, returns to the movement that dramatically broke with all tradition in search of progress for the first time since his acclaimed *A Singular Modernity*. *The Modernist Papers* is a tour de force of analysis and criticism, in which Jameson brings his dynamic and acute thought to bear on the modernist literature of the nineteenth and twentieth centuries. Jameson discusses modernist poetics, including intensive discussions of the work of Baudelaire, Rimbaud, Mallarmé, Wallace Stevens, Joyce, Proust, and Thomas Mann. He explores the peculiarities of the American literary field, taking in William Carlos Williams and the American epic, and examines the language theories of Gertrude Stein. Refusing to see modernism as simply a Western phenomenon he also pays close attention to its Japanese expression; while the complexities of a late modernist representation of twentieth-century politics are articulated in a concluding section on Peter Weiss's novel *The Aesthetics of Resistance*. Challenging our previous understanding of the literature of this period, this monumental work will come to be regarded as the classic study of modernism. **The World Looking Over Their Shoulders Australian Strategic Corporals on Operations in Somalia and East Timor** "This monograph is about Australian corporals at the cutting edge of Australian peace enforcement operations in Somalia and East Timor at the end of the 20th Century. It describes and analyses their experiences in order to educate for military operations in the 21st Century."--Provided by publisher. **City of Thorns** I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem-- he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-check. Romance-check. And there's spice! If you love my books, you definitely want to read this one." -Laura Thalassa **Reading Lessons from the Eighteenth Century Mothers, Children and Texts** Covers the history of reading and children's literature in the eighteenth century. Drawing upon the Jane Johnson (1706-1759) archives in the Bodleian Library, Oxford and the Lilly Library, University of Indiana, it is able to document the typical reading practices of an upper middle class family in this period. More particularly, it draws on these unique collections to throw light on a series of questions currently preoccupying scholars in the fields of the history of reading, the history of children's literature, and the history of women. At the same time, the human presence of Jane Johnson and her children gives this book a wide appeal to non-specialist readers through its thorough use of the Johnson archives. **The Ampleforth Journal Exit Lines HarperCollins UK** The deaths of three elderly men bring the forward-thinking Pascoe and the cynical, irreverent Dalziel into investigative action and, when Dalziel falls under suspicion, Pascoe proceeds on his own. **The Crawling Darkness CreateSpace** Paranormal investigator Ellie Jordan faces a new case in an apartment building where a twisted, dangerous entity emerges from closets and doorways to terrorize the residents at night. A powerful spirit, it feeds on fear and takes the shape of its victims' worst nightmares. Ellie and her mentor Calvin have tried to capture the same entity before, in a different house nearby, an attempt that ended in disaster. Now, with the help of her apprentice Stacey, Ellie must try again to capture the elusive shapeshifting ghost before it can claim another soul as its own.
