## Immunisation against infectious diseases

**The Stationery Office** *This is the third edition of this publication which contains the latest information on vaccines and vaccination procedures for all the vaccine preventable infectious diseases that may occur in the UK or in travellers going outside of the UK, particularly those immunisations that comprise the routine immunisation programme for all children from birth to adolescence. It is divided into two sections: the first section covers principles, practices and procedures, including issues of consent, contraindications, storage, distribution and disposal of vaccines, surveillance and monitoring, and the Vaccine Damage Payment Scheme; the second section covers the range of different diseases and vaccines.*

# Annual Report on Exchange Arrangements and Exchange Restrictions 1996

**International Monetary Fund** *Published since 1950, this authoritative annual reference is based upon a unique IMF database that tracks exchange and trade arrangements for the 187 IMF member countries, along with Hong Kong SAR, Aruba, and Curaçao and St Maarten. The Annual Report on Exchange Arrangements and Exchange Restrictions (AREAER) draws together information on exchange measures in place, the structure and setting of exchange rates, arrangements for payments and receipts, procedures for resident and nonresident accounts, controls on capital transactions, and provisions specific to the financial sector. The data are presented in a clear, easy-to-read tabular format. A summary table allows for simple cross-country comparisons of key features of their exchange and trade regimes. The report's introduction summarizes recent global trends and developments.*

Final Report of the National  
Commission on Terrorist Attacks  
Upon the United States

**Createspace Independent Publishing Platform** *Nearly three thousand people died in the terrorist attacks of September 11, 2001. In Lower Manhattan, on a field in Pennsylvania, and along the banks of the Potomac, the United States suffered the single largest loss of life from an enemy attack on its soil. In November 2002 the United States Congress and President George W. Bush established by law the National Commission on Terrorist Attacks Upon the United States, also known as the 9/11 Commission. This independent, bipartisan panel was directed to examine the facts and circumstances surrounding the September 11 attacks, identify lessons learned, and provide recommendations to safeguard against future acts of terrorism.*
