It is a game, however, which cannot be played successfully without the knowledge of spiritual law, and the Old and the New Testaments give the rules of the game with wonderful clearness. Jesus the Christ taught that it was a great game of Giving and Receiving. If we give hate, we will receive hate; if we give love, we will receive love; if we give criticism, we will receive criticism; if we lie we will be lied to; if we cheat we will be cheated. We are taught also, that the imaging faculty plays a leading part in the game of life. Keep thy heart (or imagination) with all diligence, for out of it are the issues of life." (Prov. 4:23.) **The Witch of Portobello** HarperCollins UK From one of the world's best loved storytellers, Paulo Coelho, comes a riveting novel tracing the mysterious life and disappearance of Athena dubbed 'the Witch of Portobello'. **A Zahir El Zahir SPA Una Novela de Obsesion** Harper Collins El narrador de El Zahir es un aclamado autor de renombre internacional que vive en Francia y disfruta de los privilegios que le otorgan su fama y su dinero. Esther, su esposa de hace diez años, es corresponsal de guerra y a pesar de su éxito profesional, y su relativa libertad de los confines tradicionales del matrimonio, se enfrenta a una crisis existencial que la atormenta silenciosamente. Un día, Esther desaparece con su amigo Mikhail -- quien podría o no ser su amante -- y, perplejas ante la ausencia de indicios, las autoridades deciden cuestionar al narrador. Todos se preguntan si Esther fue secuestrada o asesinada, o si fue que simplemente decidió abandonar un matrimonio que la dejaba insatisfecha. El narrador no tiene las respuestas pero poco a poco comienza a interrogarse sobre su propia existencia. Sin embargo un día, Mikhail, el hombre con quien Esther fue visto por última vez, encuentra al narrador y promete llevarlo a donde se encuentra su mujer. Se embarcan un viaje que los lleva del suntuoso glamour de París, a Kazakistan, el lugar de origen de Mikhail. Y es en este misterioso lugar, marcado por una historia a la vez trágica y espiritualmente poderosa, que el narrador comienza a hacer sorprendentes descubrimientos sobre si mismo. An anthology then, should be a sort of reminder of something else, a small token of something much larger. In the case of flowers, they bring with their fragrance and colorfulness the reminder of the fields, of a season. Coelho's anthology, therefore, is not only a collection of texts or poems, but a gift, something arranged according to his sensitivities, to give to others. The selection of books presented in this volume have been chosen as if from a vast field of flowers, stretching infinitely into time's horizon. Coelho's selection is ordered in to the four elements, symbolizing both our world on all its directions, and the way we dwell in this world, the way we say it. In 'Earth' we find writers as diverse as Oscar Wilde and D H Lawrence; in 'Air' Nelson Mandela and Gabriel Garcia Marques; in 'Fire' Rumi and Mary Shelley; in 'Water' Hans Christian Anderson and Machiavelli. **Brida** HarperCollins UK The spellbinding novel from one of the world's best-loved authors, Paulo Coelho, recounting the story of Brida, and her pursuit of wisdom. **At the Edge of the Solid World** Brio Books Pty Ltd In a snowbound village in the heart of the Swiss Alps, a husband and wife find their lives breaking apart in the days and months following the death of their firstborn. Meanwhile, on the far side of the world in the couple's hometown of Sydney, a man on the margins of Australian society commits an act of shocking violence that galvanises international attention. As the husband recognises signs of his own grief in both the survivors and the perpetrator, his fixation on the details of the case feeds into insomnia, trauma, and an obsession with the terms on which we give value to human lives. At the Edge of the Solid World is a compulsive, compelling and lyrical novel, told with extraordinary empathy and emotional intelligence. It is the story of a child's life cut short after just one day. Of a mother and father bereft at the loss of the future they'd imagined. Of an unspeakable crime, public outrage, anguish on the streets and a media frenzy that engineers heroes and villains, martyrs and scapegoats. Most of all, it is a profound meditation on the nature of loss, the resilience and fragility of the family unit and the stories we tell to explain the world. Praise for Blood and Bone by Daniel Davis Wood '[Blood and Bone] fulfils two objectives: shedding light on a dark past, and exploring intellectual and aesthetic problems that the writing of such a story might create. The story is grounded in factual material and Wood has filled the gaps with imagined scenes and conversations, but the tale is made seamless by a tight structure and a hypnotic style that seems to owe something to the work of Gerald Murnane.' —Kerryn Goldsworthy, The Sydney Morning Herald **Aleph** HarperCollins UK The stunningly personal new non-fiction work from one of the world's most inspiring and intuitive authors, Paulo Coelho. **Manuscript Found in Accra** HarperCollins Australia A beautiful book of simple yet powerful wisdom for anyone who loved THE SECRET or THE CELESTINE PROPHECY, by the author of THE ALCHEMIST. 'Only he who gives up is defeated. Everyone else is victorious.' After lying undiscovered for over 700 years, a manuscript holding the answers to a city's final questions is unearthed. Centuries before, on the eve of the invasion of Jerusalem, the citizens gathered. A man stood before them and invited the people share their fears that he might offer hope and comfort. His extraordinary insights on courage, solitude, loyalty and loss were transcribed and passed on. A timeless and powerful exploration of personal growth, everyday wisdom and joy. **A Man of Understanding The Lyrical Novel Studies in Herman Hesse, Andre Gide, and Virginia Woolf** Princeton University Press The author, in defining the genre of "lyrical fiction," separates a type of fiction that can be legitimately viewed as "poetry" from other narrative types. The lyrical novelist uses fictional devices to find an aesthetic expression for experience, achieving an effect most frequently seen in dreams, picaresques, and allegories. Analyzing representative novels by Hermann Hesse, Andre Gide, and Virginia Woolf. Ralph Freedman focuses on the problem of self-consciousness. His findings are directly applicable to much twentieth-century fiction. Originally published in 1963.
