KEY=PROKERALA - EUGENE BREWER

ENCYCLOPAEDIA OF HISTORICAL METROLOGY, WEIGHTS, AND MEASURES

VOLUME 1

Birkhäuser This first of three volumes starts with a short introduction to historical metrology as a scientific discipline and goes on with an anthology of ancient and modern measurement systems of all kind, scientific measures, units of time, weights, currencies etc. It concludes with an exhaustive list of references. Units of measurement are of vital importance in every civilization through history. Since the early ages, man has through necessity devised various measures to assist him in everyday life. They have enabled and continue to enable us to trade in commonly and equitably understood amounts, and to investigate, understand, and control the chemical, physical, and biological processes of the natural world. The essence of the work is an alphabetically ordered, comprehensive list of measurement nomenclature, units and scales. It provides an understanding of almost all quantitative expressions observed in all imaginable situations, including spelling variants and the abbreviations and symbols for units, and various acronyms used in metrology. It will be of use not only to historians of science and technology, but also to economic and social historians and should be in every major academic and national library as standard reference work on the topic.

INDEPENDENT KASHMIR

AN INCOMPLETE ASPIRATION

Manchester University Press Many disenchanted Kashmiris continue to demand independence or freedom from India. Written by a leading authority on Kashmir's troubled past, this book revisits the topic of independence for the region (also known as Jammu and Kashmir, or J&K), and explores exactly why this aspiration has never been fulfilled. In a rare India-Pakistan agreement, they concur that neither J&K, nor any part of it, can be independent. Charting a complex history and intense geo-political rivalry from Maharaja Hari Singh's leadership in the mid-1920s to the present, this book offers an essential insight into the disputes that have shaped the region. As tensions continue to rise following government-imposed COVID-19 lockdowns, Snedden asks a vital question: what might independence look like and just how realistic is this aspiration?

LEO HOROSCOPE

ASTROLOGY FOR ALL

Cosimo, Inc. He is considered the father of modern astrology: Alan Leo opened up the secrets of divination by the stars to the general public in the early 20th century with a popular line of astrology manuals that set off a craze for horoscopes that continues to this day. Here, in this replica of the 1910 fourth edition of his essential primer, Leo teaches us . . . the basics of astronomy required for an understanding of astrology . . . the nature and character of the twelve signs of the Zodiac . . . complete breakdowns of the affect of the Sun and the Moon on each house . . . what a horoscope is and how to cast one . . . and more. ALSO FROM COSIMO: Leo's The Key to Your Own Nativity, Symbolism and Astrology: An Introduction to Esoteric Astrology, Horary Astrology, and Mars: The War Lord British astrologer WILLIAM FREDERICK ALLAN (1860-1917), aka Alan Leo, published Astrologer's Magazine as well as a line of astrological materials; he founded the Astrological Lodge of the Theosophical Society in 1915.

HOROSCOPE MATCHING

All India Federation of Astrologers' Societies This book deals with the fundamentals of Horoscope matching. Today "Horoscope matching" has become the indispensable part of Hindu marriage. But it has not been mentioned in any old Jataka scripture of Astrology. However, it has been described in the Muhurta scriptures of the same. In Ramayan, marriage of Rama, Bharata, Lakshmana and Shatrughna has been described elaborately. But, in this great epic also Horoscope matching has not been mentioned. Likewise, in Mahabharata, too, it has not been cited. Therefore, it can be said that Horoscope matching in Astrology was not in practice a few centuries ago. But, the community accepted and made it an indispensable part keeping its usefulness in view. Different systems of Horoscope matching are in practice in different parts of India. In North India, Ashtakuta matching is in practice whereas in South Dasakuta matching is in fashion. But Ashtakuta matching is in vogue in most part of India. This is why the All India Federation of Astrologers' Societies has accepted and prescribed this system of Ashtakuta matching for the courses of its students. The book has been written keeping in view the courses introduced by the All India Federation of Astrologers' Societies, Delhi. The students are advised to study "Kundali Milana-Sukhi Dampatya Jeevana Ka Adhar" because prediction of a happy married life cannot be made by Ashtakuta matching only. This shows only the amity, love and mutual understanding between the two. But to determine the age, health and ups and downs in life of the couple some other aspects such as Period-sub-period, Dosha Samya etc. are also essential to be analyzed. An analysis of long conjugal life is essential for its stability. So, apart from Ashtakuta matching, we should keep in view other aspects also. To know all this, "Kundali Milan - Sukhi Dampatya Jeevana Ka Adhara" is prescribed.

LIBRA HOROSCOPE-2022

Astrotech Lab Libra : The native of Libra zodiac is conscious of his mine and pan rules. They are perfect lovers. They are very sensitive towards their life partner. There are twelve zodiac signs in the zodiac. These twelve signs have certain qualities. Of these, except the Sun and the Moon, the rest of the other Rashtpind have got ownership of each planet. Like Aries-Scorpio is their planet lord Mars. Similarly, others are the owner of the remaining amount. Due to their influence, the person's nature, qualities, demerits show their results in life. According to them, the working style of life is determined.

THE LANGUAGE LOSS OF THE INDIGENOUS

Routledge This volume traces the theme of the loss of language and culture in numerous post-colonial contexts. It establishes that the aphasia imposed on the indigenous is but a visible symptom of a deeper malaise — the mismatch between the symbiotic relation nurtured by the indigenous with their environment and the idea of development put before them as their future. The essays here show how the cultures and the imaginative expressions of indigenous communities all over the world are undergoing a phase of rapid depletion. They unravel the indifference of market forces to diversity and that of the states, unwilling to protect and safeguard these marginalized communities. This book will be useful to scholars and researchers of cultural and literary studies, linguistics, sociology and social anthropology, as well as tribal and indigenous studies.

HOW TO MESS UP YOUR LIFE WITH ASTROLOGY

Sri Lakshmi

BHṚGU NANDĪ NĀṚĪ

A classical work based on nāḍī technique of prediction.

HANDMADE IN INDIA

A GEOGRAPHIC ENCYCLOPEDIA OF INDIAN HANDICRAFTS

The Indian way of life celebrates products made with the help of simple, indigenous tools by craftspeople from a strong fabric of tradition, aesthetic and artistry. The range of Indian handicrafts is as rich and varied as the country's cultural diversity. A tour of India's craft repertoire, Handmade in India is a guide to the arts that reflects the diversity of the country, its culture and the ways it nurtures creativity and ingenuity. This encyclopedic reference captures the traditions that enrich the day-to-day lives of Indian people, as well as provide a livelihood for generations of craftspeople. Handmade in India explores all aspects of handicrafts-historical, social and cultural influences on crafts; design and craft processes; traditional and new markets; products and tools-revealing a remarkable wealth of knowledge. Handmade in India is the result of extensive field work and research. The authors map out regional craft clusters identified across the country according to the prevailing craft-work patterns. It is closely woven with images to reveal the wide array of crafts in India. Some of these are well known, like the woodwork of Kashmir, blue pottery of Jaipur, embroidery of Lucknow and the bamboo craft of Assam. Other, lesser-known crafts, such as stitched boots from Ladakh and tinsel printing in Ahmedabad, are also described in striking detail. The close study of various crafts enables the reader to discern subtle, sometimes unusual, differences in the same craft practiced by distinct regions or communities-such as tie-resist dyeing, which is called bandhani in Gujarat and Madhya Pradesh, but bandhej in Rajasthan. The first of its kind ever attempted, this beautifully illustrated guide will be a tremendous resource for product and textile designers, artists, architects, interior designers, collectors, development professionals and connoisseurs alike. Handmade in India will also be a useful reference for libraries interested in Indian crafts and culture, and organizations that work with the crafts sector in India.

INTUITIVE ASTROLOGY

FOLLOW YOUR BEST INSTINCTS TO BECOME WHO YOU ALWAYS INTENDED TO BE

Ballantine Books "Intuitive Astrology is simply wonderful. I've used and studied astrology for many years, and this is one of the most accessible and practical guides ever written." — Christiane Northrup, M.D. Author of Women's Bodies, Women's Wisdom and The Wisdom of Menopause "A user-friendly gift of intelligence, accessibility, and depth." —ELIZABETH LESSER Co-founder of Omega Institute and author of The Seeker's Guide Is astrology destiny? Of course not! Your birth chart does not foresee a future written in stone, and predictive astrology is just a parlor game. The original purpose of astrology was to help you tap into your inner wisdom, ask yourself the right questions, and find your own answers to life's challenges. Now this unconventional and refreshing guide helps you reconnect with the sea of intuition that flows through each of us—so you can discover your true purpose. Based upon the author's nearly twenty years of experience as a professional astrologer, this amazing book gives you a secure orientation in the basic principles of astrology and teaches you highly effective techniques for identifying your talent, your passion, your spiritual support, and your connection to community. • Clear instructions on technically reading the planets, signs, and houses in your birth chart as well as a primer on the meaning of each • Easy-to-follow intuitive exercises to connect with your "cosmic database," a wellspring of creativity that encourages you to trust your potential and to love who you are in the present • Helpful ways to trust your own limits and use them as inner teachers • Twelve true life stories that illustrate the inspiring and uniquely brilliant way in which each of us can bring an astrological script to life If you are drawn to astrology but are intimidated by its apparent complexities, this generous, comprehensive book is the book for you. It presents the basics of astrology with crystal clarity and prepares you to use them with a subtle, finely honed precision that no other source provides. Even if you're an experienced astrologer, you'll be enlightened and stimulated by Elizabeth Rose Campbell's affirmation: When you follow your best instincts, you follow the stars.

HINDUISM FOR OUR TIMES

Oxford University Press, USA This book examines the contours of this creative tension in the context of Hinduism in our own times. For Hinduism, a religion of unknown antiquity, is also, in several ways, surprisingly modern. Hinduism for Our Times is an attempt to raise this dimension of Hinduism to an unprecedented level of self-awareness.

THE THINNAI

Hachette UK If there was anything our neighbours envied us, it was our thinnais. The working-class district of Kurusukuppam is not the Pondicherry of tourist brochures. Here, residents are a bewildering mix of Creoles, colonial war veterans, proud communists and French citizens who have never left India's shores. It is a place of everyday tragedies, melodramatic occurrences and stubborn, absurd hope. But life in Kurusukuppam is upturned by the arrival of a curious tramp, Gilbert Thaata, a wizened Frenchman who has clearly seen hard times. Settling down on the narrator's verandah, his thinnai, Gilbert Thaata begins to earn his keep by recounting the tale of the rise and fall of his family's fortunes as the custodians of a mysterious diamond, the Stone of Sita. The fanciful story that unfolds is one that stretches across centuries and encompasses the history of France's colonial legacy in India. As entranced as they are by the raconteur, his listeners cannot help but ask - just who is this old man and how did he fall on such misfortune? Masterfully translated from the French original by Blake Smith, Ari Gautier's The Thinnai offers a panoramic view of Pondicherry's past, the whimsical eccentricities of its present and shines a light on the quirks of history that come to define us.
