STEPS TO PERSONAL REVIVAL

Independently Published On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

A COURSE IN MIRICLES

TEXT, WORKBOOK FOR STUDENTS, MANUAL FOR TEACHERS

Courier Dover Publications A Course in Miracles is the acclaimed spiritual guide that teaches the way to universal love and peace is by undoing guilt through forgiving others. The "miracles" of the title refers to shifts in perception from fear to love, which fosters the healing and sanctification of relationships. Although expressed in terms of traditional Christianity, this life-changing work constitutes nonsectarian, universal spiritual teachings. The three-part approach begins with an explanation of the course's theory and the development of the experience of forgiveness. The second consists of a workbook, comprising 365 lessons — an exercise for each day of the year — intended to influence students' perceptions. The third section presents a manual for teachers, in which the question-and-answer format provides responses for likely inquiries as well as definitions for terms used throughout the course. Written by Dr. Helen Schucman, a clinical and research psychologist, and edited by her colleague at Columbia University, Dr. William Thetford, from 1965 to 1970, A Course in Miracles has been translated into more than 20 languages and sold millions of copies around the world.

COMMON CALLING

THE LAITY AND GOVERNANCE OF THE CATHOLIC CHURCH

Georgetown University Press The sexual abuse scandal in the Catholic Church has been exacerbated in the minds of many by the dismal response of church leadership. Uncovered along with the abuse of power were decisions that were not only made in secrecy, but which also magnified the powerlessness of the people of the church to have any say in its governance. Accordingly, many have left the church, many have withheld funding—others have vowed to work for change, as witnessed by the phenomenal growth of Voice of the Faithful. Common Calling is indeed a call—for change, for inclusion, and a place at the table for the laity when it comes to the governance of the church. By first providing compelling historical precedents of the roles and status of the laity as it functioned during the first millennium, Common Calling compares and contrasts those to the place of the laity today. It is this crossroad—between the past and the possible future of the Catholic Church—where the distinguished contributors to this volume gather in the hope and expectation of change. They examine the distinction between laity and clergy in regard to the power of church governance, and explore the theological interpretation of clergy-laity relations and

governance in the teachings of the Second Vatican Council. They look at how church officials interpret the role of the laity today and address the weaknesses in that model. Finally, they speak clearly in outlining the ways governance may be improved, and how—by emphasizing dialogue, participation, gender equality, and loyalty—the role of the laity can be enhanced. Speaking as active believers and academic specialists, all of the contributors assert that the church must evolve in the 21st century. They represent a variety of disciplines, including systematic theology, sacramental theology, canon law, political science, moral theology, pastoral theology, and management. The book also includes an essay by James Post, cofounder of the Catholic lay movement Voice of the Faithful, the organization that was in part responsible for the resignation of Boston's Cardinal Bernard Law. Common Calling looks to a future of transparency in the Catholic Church that, with an invested laity, will help to prevent any further abuse—especially the abuse of power.

COURAGE

A MINISTRY OF HOPE

Dog Ear Publishing "The Church opposes any unjust treatment of homosexual persons, insisting on their equal dignity before God and firmly correcting anyone who in any way ridicules homosexual persons. It is also the duty of the Church in every diocese to provide adequate pastoral programs to help homosexual men and women live the Gospel to the full." Father John F. Harvey Founder of Courage For more than thirty years, Courage has been helping same-sex-attracted Catholic men and women to lead chaste lives. This book will relate not just the history of the apostolate but how and why it was founded. It will introduce readers to the numerous souls whose lives were changed by following the goals of Courage and who found peace, understanding, and joy in choosing a life of chastity. This book is an attempt to tell the story of Courage from the point of view of a member. Founded in 1980 in New York, Courage has grown into an international organization. Yet its very existence seems to defy the tide of the popular culture. In spite of pressure on all sides and even from inside the Church, Courage continues to stress the traditional teachings of the Church. While society's attitudes toward sexuality have changed, the teachings of the Church have not. It is possible that of all the Church's teachings, none has been more distorted and misunderstood than the teaching regarding human sexuality. Yet the Church could not be more clear: all of us, homosexual and heterosexual, are called to be chaste.

TIME FOR GOD

Scepter Publishers Many people today are thirsty for God and feel a desire for an intense, personal prayer life that is deep and ongoing. But they encounter obstacles that prevent them from following the path seriously, and especially from persevering on it. Time for God was written with these desires and difficulties in mind. In Time for God, author Jacques Philippe mainly concentrates on mental prayer: prayer that consists of facing God in solitude and silence for a time in order to enter into intimate, loving communion with him. Practicing this kind of prayer regularly is considered by all spiritual masters to be an indispensable path that gives access to genuine Christian life—a path to knowing and loving God that empowers us to respond to his call to holiness addressed to each individual. Philippe draws on years of experience as a spiritual guide to illuminate the fundamental principles of mental prayer and describes some common mistakes and misconceptions that can lead it astray. With simplicity and clarity he explains the foundational principles for a healthy prayer life and gives advice for overcoming the various obstacles that arise when one sets off on the path of interior prayer.

THE MIRROR OF CHARITY

Aelred of Rievaulx possessed a personal charm which drew friends and disciples naturally to him. His own experience of human weakness in a worldly life at the court of King David of Scotland made him sensitive to the doctrine of charity which he found among cistercian monks. The Mirror of Charity gives us a solid theology of the cistercian life. Aelred's deep knowledge of Scripture, his joy in his brethren, and his love of Christ shine from every page. Because the divine nature is love, as the Bible tells us, directing our love to God-love conforms us to the image of God that has been lost through sin. al love, to Aelred, is a participation in God-love that leads us to union. The Mirror of Charity, written at the beginning of his monastic life, and Spiritual Friendship, written near its end, form a set. Together they demonstrate both the consistency of his teaching and his unswerving love of God in Christ.
