KEY=DAY - LIA HURLEY

The Eighth Day [Harper Collins](#) Fans of Percy Jackson will devour this first book in Dianne K. Salerni's time-bending series that combines exciting magic and pulse-pounding suspense. In this riveting fantasy adventure, thirteen-year-old Jax Aubrey discovers a secret eighth day with roots tracing back to Arthurian legend. When Jax wakes up to a world without any people in it, he assumes it's the zombie apocalypse. But when he runs into his eighteen-year-old guardian, Riley Pendare, he learns that he's really in the eighth day—an extra day sandwiched between Wednesday and Thursday. Some people—like Jax and Riley—are Transitioners, able to live in all eight days, while others, including Evangeline, the elusive teenage girl who's been hiding in the house next door, exist only on this special day. And there's a reason Evangeline's hiding. She is a descendant of the powerful wizard Merlin, and there is a group of people who wish to use her in order to destroy the normal seven-day world and all who live in it. Torn between protecting his new friend and saving the entire human race from complete destruction, Jax is faced with an impossible choice. Even with an eighth day, time is running out. Stay tuned for *The Inquisitor's Mark*, the spellbinding second novel in the Eighth Day series! **The Eighth Day** [Joseph John](#) 2016 National Indie Excellence Award Finalist. "Five compelling stars. An impressive debut novel that mixes action, adventure, mystery, police procedural, and science fiction. If you enjoy Michael Crichton, Philip K. Dick, or Robert Ludlum, you need to read this book." "A warning from a stranger." "Nothing you know is real. Your name isn't Shawn Jaffe, you're not an investment broker, and you're not from Ohio." But the stranger is murdered before he can explain. Now Shawn isn't sure who he can trust. Even his own memories are suspect. Someone is watching him, controlling him, using him. To survive, he'll need to find out who and why. But the stakes are much higher than one man. Our humanity is on the line, and on the eighth day, it could be the beginning of the end. **Decameron Eighth Day in Perspective** [University of Toronto Press](#) Stories about pranks figure prominently in Boccaccio's Decameron. This book explores Boccaccio's poetics of repetition, accumulation, and contiguity in **Day Eight**, a day rich in tales of practical jokes. **The Book of Mysteries** [Charisma Media](#) Day by day throughout the calendar year, "takes the readers on a journey of divine revelation through ancient scriptures, the laws of creation, the deep of God's word, the hidden streams of history, the most important keys of spiritual truth, end-time mysteries, and the secrets of life"—Amazon.com. **The Eighth Day of Creation Makers of the Revolution in Biology** **The Eighth Day** [M. M. DOS Santos](#) **The Eight Day Vol.1** is a gripping but disturbing journey through the dark side of humanity via several different characters who are all affected by an insidious demonic force. It unflinchingly explores the weaknesses of good people and the strengths of horrible people. **The Inquisitor's Mark** [Harper Collins](#) The sequel to *The Eighth Day*, a fantasy adventure that VOYA called "unparalleled" and "absolutely necessary for middle grades," continues with higher stakes, greater world building, and more pulse-pounding action. With suspense, danger, and new discoveries around every corner, this fast-paced fantasy series that Kirkus Reviews raved was an exciting blend of "modern intrigue and ancient magic" will be a welcome addition for fans of Percy Jackson and Harry Potter. After an all-out battle in Mexico, Jax, Riley, and Evangeline have gone into hiding. There are still rogue Transitioners and evil Kin lords on the hunt for Riley, a descendant of King Arthur, and Evangeline, a powerful wizard with bloodlines to Merlin, in order to gain control over the Eighth Day. So when Finn Ambrose, a mysterious stranger, contacts Jax claiming to be his uncle, Jax's defenses go up—especially after Jax learns that he's holding Jax's best friend, Billy, hostage. To rescue Billy and keep Riley and Evangeline out of the fray, Jax sneaks off to New York City on his own. But once there, he discovers a surprising truth: Finn is his uncle, and Jax comes from a long line of Dulacs—a notoriously corrupt and dangerous Transitioner clan who want Riley dead and Evangeline as their prisoner. And family or not, the Dulacs will stop at nothing to get what they want. **The Eighth Day A Novel** [Harper Collins](#) "[Wilder's] finest and most beautiful novel. . . . Spanning two continents and several generations, it begins as a murder mystery and goes on to tell a story, at once dramatic and philosophical, about the range of human courage, aspirations, steadfastness, weakness, defeat and victory." — New York Post This beautiful edition of Thornton Wilder's renowned National Book Award-winning novel features a foreword by John Updike and an afterword by Tappan Wilder, who draws on unique sources as Wilder's unpublished letters, handwritten annotations, and other illuminating documentary material. At once a murder mystery and a philosophical tale, *The Eighth Day* is a "suspenseful and deeply moving" (New York Times) work of classic stature that has been hailed as a great American epic. Set in a mining town in southern Illinois, the novel centers around two families blasted apart when the patriarch of one family, John Ashley, is accused of murdering his best friend. Ashley's miraculous jailbreak on the eve of his execution and his

subsequent flight to South America trigger a powerful story tracing the fates of all those whose lives are forever changed by the tragedy: Ashley himself, his wife and children, and the wife and children of the victim. **Eighth Day Genesis A Worldbuilding Codex for Writers and Creatives** [Alliteration Ink](#) "Featuring Maurice Broaddus, Tim Waggoner, Matthew Wayne Selznick, Donald J. Bingle, Janine Spendlove, Bryan Young, and fifteen more authors, this collection of essays cover topics from crafting believable ecosystems, creatures, and legal systems to the ways you can best share your world with your audience."--Page 4 of cover. **The Eighth Day** [Random House](#) "And on the Seventh Day, He rested." --Genesis, 2:2-3 **The Eighth Day** is an explosive, compulsively readable novel of suspense that plunges a clever young man into a web of mystery and international deceit, bringing him face to face with the ultimate evil. Danny Cray is a struggling 28 year-old sculptor and video artist who lives in Washington DC. To make ends meet, he does occasional freelance work as a researcher for a large firm of private detectives. When one of their most powerful clients approaches him with a job, the money is too good to resist. All he has to do is learn what a recently deceased university professor was working on when he died. But Danny stumbles on far more than he expected when he discovers that the professor was in touch with the Vatican about a remote tribe of Kurds who worship the Peacock Angel; Satan. After others connected to the professor start to disappear, Danny finds himself in great peril and must travel into the ancient land where this tribe still lives in order to discover what is truly at stake in his investigation. A mesmerising blend of science, religion, history and suspense, **The Eighth Day** confirms John Case's position as a master of intelligent commercial fiction. **The Morrigan's Curse** [HarperCollins](#) Adventure, action, and magic collide in the latest installment of the series that School Library Journal called "fast paced and exciting." In the third book of the series that VOYA recommends "for fans of Percy Jackson and Harry Potter," the war over the Eighth Day continues—and there's more at stake than ever before. The battle between Kin and Transitioners that's been brewing for centuries has finally come to a head. The sinister Kin have captured Evangeline's younger sister, Addie, a descendant of Merlin whose presence will allow them to reverse the Eighth Day Spell and free themselves. Addie doesn't realize the full consequences of her cooperation. She's been helping the Kin because they value the strength of her magic—something Evangeline never did. The feeling of power coursing through her veins is impossible to resist. Meanwhile, Riley, Evangeline, and Jax craft a plan to rescue Addie from her captors. But the Kin's unstoppable magic, and a rebellious Addie, force Riley to reconsider whether saving Addie is worth sacrificing everyone who lives in the seven-day week. Jax won't let Evangeline's sister be used as a pawn, so he risks it all in a secret mission of his own. With the Morrigan pushing both sides of the war toward annihilation, Addie must decide where her loyalties lie, while Jax, Riley, and Evangeline confront the possibility of losing Addie to save the world. **And on the Eighth Day She Rested A Novel** [St. Martin's Griffin](#) Four different women come together under the sometimes tenuous but always unbreakable bond of friendship. Ruth Johnson has finally left her abusive husband of fourteen years and jumped feet first into "What the hell do I do now?" oblivion. Then into her life come three unforgettable women who turn her world upside down. Feisty, outspoken Bernice, a.k.a. "Bernie," has been there and done that when it comes to love and marriage. Her ex-husband is settled down with his much younger wife and her kids are grown, and Bernie is looking to enjoy her fellow man--in more ways than one--no strings attached...or so she thinks. Sweet Southern belle May has it all: a beautiful home, two wonderful children, and a fine husband who worships the ground she walks on, yet a shadow hangs over what should be her equally perfect life, threatening to shake up her happy home. The older, wiser Clara is their guiding force, and when disaster strikes, all three women rally around her, determined to see her through it. Life is just getting interesting, and if they hold on to each other, they just might make it. **J.D. Mason's And on the Eighth Day She Rested** is an empowering story of the tough times we all face and the friends who help us through. **And on the Eighth Day** [Head of Zeus](#) While stranded in the desert, Ellery Queen stumbles across a religious cult. It's 1943, the war is raging, and sleuthing scribe Ellery Queen wants to do his bit. After a tortuous cross-country drive, he takes a job writing scripts for a Hollywood propaganda house -- twelve hours a day of hack work that quickly turns his mind to jelly. After a few weeks, he is so worn down that he can type nothing but gibberish, and he decides to drive home. The trouble starts as soon as he reaches the desert. His ancient roadster breaks down on the edge of Death Valley. Wandering in search of help, he is saved by a man known as the Teacher, who takes him to an oasis called Quenan. Here, Queen finds a bizarre, reclusive cult that seems to have come straight out of the ancient past. A murder has been committed in the desert, and the Quenanites plan on delivering some Old Testament justice. Queen is just the detective they've been waiting for. **On the Eighth Day Adam Slept Alone New Poems** [David R. Godine Publisher](#) **Lambda Book Award in Poetry 2001 Finalist** These intense, disarming poems fearlessly address life's deepest riddles: "believe it or not / things never lost have / been found..." Childhood, memory, love, death, "the cosmic question mark"--all the old imponderables are pursued again here, in lucid lines that go directly to the source, bringing back invigorating news. **Dawn of the Eighth Day II Decameron Pride and a Daily Marathon** [MIT Press](#) At the age of 19, Ian Waterman was suddenly struck down at work by a rare neurological illness that deprived him of all sensation below the neck. He fell on the floor in a heap, unable to stand or control his limbs, having lost the sense of joint position and proprioception, of that "sixth sense" of his body in space, which we all take for granted. After months in a neurological ward he was judged incurable and condemned to a life of wheelchair dependence. This is the first U.S. publication of a remarkable book by his physician, Jonathan Cole. It tells the compelling story, including a clear clinical description of a rare condition, of how Waterman reclaimed a life of full mobility against all expectations, by mental effort and sheer courage. Cole describes how Waterman gradually adapted to his strange condition. As the doctors had predicted, there was no neurological recovery. He had to monitor every movement by sight to work out where his limbs were, since he had no feedback from his peripheral nerves. But with astonishing persistence Waterman developed elaborate tricks and strategies to control his movements, enabling him to cope not only with the day-to-day problems of living, but even with the challenges of

work, love, and marriage. **Eighth Day The Transgenic Art of Eduardo Kac** [Inst for Studies in the Arts](#) "This volume provides an excellent introduction to the controversial topic of "transgenic art." Using Eduardo Kac's recent installation *The Eighth Day* as a starting point ..."--Page 4 de la couverture **Eight Days A Story of Haiti** [Scholastic Inc.](#) From National Book Award nominee Edwidge Danticat comes a brilliantly crafted story of hope and imagination—a powerful tribute to Haiti and children around the world! Hope comes alive in this heartfelt and deeply resonating story. While Junior is trapped for eight days beneath his collapsed house after an earthquake, he uses his imagination for comfort. Drawing on beautiful, everyday-life memories, Junior paints a sparkling picture of Haiti for each of those days—flying kites with his best friend or racing his sister around St. Marc's Square—helping him through the tragedy until he is finally rescued. Love and hope dance across each page—granting us a way to talk about resilience as a family, a classroom, or a friend. **How Dante Can Save Your Life The Life-Changing Wisdom of History's Greatest Poem** [Simon and Schuster](#) The opening lines of *The Divine Comedy* by Dante Alighieri launched Rod Dreher on a journey that rescued him from exile and saved his life. Dreher found that the medieval poem offered him a surprisingly practical way of solving modern problems. Following the death of his little sister and the publication of his New York Times bestselling memoir *The Little Way of Ruthie Leming*, Dreher found himself living in the small community of Starhill, Louisiana where he grew up. But instead of the fellowship he hoped to find, he discovered that fault lines within his family had deepened. Dreher spiraled into depression and a stress-related autoimmune disease. Doctors told Dreher that if he didn't find inner peace, he would destroy his health. Soon after, he came across *The Divine Comedy* in a bookstore and was enchanted by its first lines, which seemed to describe his own condition. In the months that followed, Dante helped Dreher understand the mistakes and mistaken beliefs that had torn him down and showed him that he had the power to change his life. Dreher knows firsthand the solace and strength that can be found in Dante's great work, and distills its wisdom for those who are lost in the dark wood of depression, struggling with failure (or success), wrestling with a crisis of faith, alienated from their families or communities, or otherwise enduring the sense of exile that is the human condition. Inspiring, revelatory, and packed with penetrating spiritual, moral, and psychological insights, *How Dante Can Save Your Life* is a book for people, both religious and secular, who find themselves searching for meaning and healing. Dante told his patron that he wrote his poem to bring readers from misery to happiness. It worked for Rod Dreher. Dante saved Rod Dreher's life—and in this book, Dreher shows you how Dante can save yours. **The 8th Day of the Week Discover Why It Destroys Businesses and What to Do about It** *The 8th Day Of The Week...discover why it destroys businesses and what to do about it.* 'George Bakrnchev changes lives. I know. I've seen it happen consistently over 20 years. And with this GREAT book, he changes and enhances your life too. George writes powerfully and gives you seriously compelling stories with no punches pulled. Like this: "Your business is there to create a bigger life for you and your loved ones; it's not there to take the life you have away from you." Just re-read the first fifteen words of that last sentence (taken from lesson 7 of the book). Buy the book. Read it. And let it give you back your life before your business takes it away. Truly a must read from a Master.' - Paul Dunn, Co-Founder & Chairman - **B1G1 Le Morte D'Arthur** [Hackett Publishing](#) This brisk retelling of *Le Morte D'Arthur* highlights the narrative drive, humor, and poignancy of Sir Thomas Malory's original while updating his fifteenth-century English and selectively pruning over-elaborate passages that can try the patience of modern readers. The result is an adaptation that readers can enjoy as a fresh approach to Malory's sprawling masterpiece. The book's most famous episodes--the sword in the stone, the cataclysmic final battle--are all here, while lesser-known key episodes stand forth with new brightness and clarity. The text is accompanied by an up-to-date bibliography, including websites and video resources, and a descriptive index keyed--like the retelling itself--to the book and chapter divisions of William Caxton's first printed edition of 1485. **On the Eighth Day, God Made Baseball** Major League Baseball has had its share of characters. Mark Littell is a one-of-a-kind, mold-breaking country boy from the Bootheel of Missouri. In this book, Mark takes you through his wild and wooly career as a baseball player, from his very first at-bat when he was six years old, through his career in the Major Leagues. This collection of unbelievable tales will have you on the floor laughing, as Mark's Southern twang and quick wit show you a side of baseball you've never seen before. Read on to discover what the most common baseball term is, how a country boy from Missouri made it from the farm to the major league pitching mound, and why the city of Cleveland won't let Mark back. "Having Country as a teammate was a pleasure. I never realized he had the writing skills or humor to write such an insightful book. A must-read story." - Dave Nelson Former MLB player, and current broadcaster for the Milwaukee Brewers "A candid and humorous book about big league baseball. Mark brings to life the ups and downs of professional baseball. This book definitely finds the strike zone." - Denny Matthews Sportscaster and Kansas City Royals Hall of Fame Member-2007 recipient of Ford C. Frick award "This book is the real deal. Mark did a great job of sharing his own stories playing the greatest game in the world. Every baseball fan should read this and laugh their ass off like I did." - Jim Wohlford Former MLB player "Mark is one-of-a-kind, and his uproarious personality comes out in the pages of this book. **On the Eighth Day... is a phenomenal collection of stories that will have everyone, baseball fan or not, rolling on the floor with laughter.**" R. Craig Coppola Author of *The Fantastic Life Wild Blue Yonder Glory Days of the US Eighth Air Force in England* [Weidenfeld & Nicolson](#) Lavishly illustrated, this fascinating and entertaining volume transports you back in time to hear firsthand accounts culled from hundreds of diaries, letters, and interviews with veterans. These are the captivating stories of the American airmen and British civilians and service personnel of World War II. In 1942, when the U.S. forces arrived in England, the young Americans were puzzled, amazed, and exasperated by the mysteries of British speech, food, manners--and plumbing, and the British were equally surprised by American ways. From decorated pilots to British civilians who, as children, were entertained on U.S. bases, come stories of comic cultural misunderstanding and terrifying bomber missions over Germany. This unique adventure celebrates the courage and spirit of the U.S. 8th Air Force and the friends they made in

Britain. Short Prayers for every day in the week ... Eighth edition **Modern Day Magic 8 Simple Rules to Realize Your Power and Shape Your Life** [Hardie Grant Books](#) **Modern Day Magic** is the only step-by-step guide that shows how to weave magical practice into your daily life. The book offers practical exercises, meditations, rituals, and journal prompts designed especially for men and women with busy schedules. With eight simple magic rules, **Modern Day Magic** is also a primer to help readers understand fundamental magic rules and practices to help them unlock their magical power and use it to reclaim and change their lives for the better. **Dietary Reference Intakes for Vitamin A, Vitamin K, Arsenic, Boron, Chromium, Copper, Iodine, Iron, Manganese, Molybdenum, Nickel, Silicon, Vanadium, and Zinc** [National Academies Press](#) This volume is the newest release in the authoritative series issued by the National Academy of Sciences on dietary reference intakes (DRIs). This series provides recommended intakes, such as Recommended Dietary Allowances (RDAs), for use in planning nutritionally adequate diets for individuals based on age and gender. In addition, a new reference intake, the Tolerable Upper Intake Level (UL), has also been established to assist an individual in knowing how much is "too much" of a nutrient. Based on the Institute of Medicine's review of the scientific literature regarding dietary micronutrients, recommendations have been formulated regarding vitamins A and K, iron, iodine, chromium, copper, manganese, molybdenum, zinc, and other potentially beneficial trace elements such as boron to determine the roles, if any, they play in health. The book also: Reviews selected components of food that may influence the bioavailability of these compounds. Develops estimates of dietary intake of these compounds that are compatible with good nutrition throughout the life span and that may decrease risk of chronic disease where data indicate they play a role. Determines Tolerable Upper Intake levels for each nutrient reviewed where adequate scientific data are available in specific population subgroups. Identifies research needed to improve knowledge of the role of these micronutrients in human health. This book will be important to professionals in nutrition research and education. **The Christians daily walke ... The eighth edition, corrected and enlarged by the authour** **Eight Days of Luke** [HarperCollins UK](#) There seemed nothing odd about Luke to begin with - except perhaps the snakes. If they were snakes, that is... David wasn't sure. **The Warrior and the Prophet The Shawnee Brothers Who Defied a Nation** [Atlantic Books](#) **A History Book of the Year in The Times** 'Cozzens is a master storyteller; his books weave a wealth of intricate detail into gripping historical narrative.' The Times 'Marvellous... One of the best pieces of Native American history I have read.' S.C. Gwynne, bestselling author of *Empire of the Summer Moon* Winner of the Western Writers of America Spur Award for Best Biography. Shawnee chief Tecumseh was a man destined for greatness - the son of a prominent war leader, he was supposedly born under a lucky shooting star. Charismatic, intelligent, handsome, he was both a fierce warrior and a savvy politician. In the first biography of Tecumseh in more than twenty years, Peter Cozzens thoroughly revises our understanding of this great leader and his movement, arguing that his overlooked younger brother Tenskwatawa, the 'Shawnee Prophet', was a crucial partner in Tecumseh's success. Until Tecumseh's death in 1813, he was, alongside Tenskwatawa, the co-architect of the greatest pan-Indian confederation in history. Over time, Tenskwatawa has been relegated to the shadows, described as a talentless charlatan and a drunk. But Cozzens argues that while Tecumseh was the forward-facing diplomat, appealing even to the white settlers attempting to steal Shawnee land, behind the scenes, Tenskwatawa unified multiple tribes with his deep understanding of Shawnee religion and culture. No other Native American leaders enjoyed such popularity, and none would ever pose a graver threat to colonial expansion than Tecumseh and Tenskwatawa. Bringing to life an often-overlooked episode in America's past, Cozzens paints in vivid detail the violent, lawless world of the Old Northwest, when settlers spilled over the Appalachians to bloody effect in their haste to exploit lands won from the War of Independence. **The Warrior and the Prophet** tells the untold story of the Shawnee brothers who retaliated against this threat - becoming allies with the British army in the process - and reveals how they were the last hope for Native Americans to preserve ways of life they had known for centuries. **Eight Days** in October A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy. **Eight Days** Governor General's award-winning author Teresa Toten's story about one girl's transformative eight-day road-trip to retrieve her mother's body. How do you face a heartbreaking past? One day at a time. Or as Aggie says, one crisis at a time. In Teresa Toten's compelling new novel **Eight Days**, Samantha finds out that the mother she thought had died years ago has actually just passed away. Added to this charged secret is her recovering alcoholic grandfather's strange behaviour and sudden insistence that he take Sami back to Chicago to retrieve her mother's body. Luckily, Sami's beloved neighbour and surrogate mother figure, Aggie, insists on coming on the road trip, bringing along her quirky sense of humour and fantastic wig collection. The eight-day journey takes us from Toronto to Chicago and back again, as Sami, an American living with her grandfather in a Muslim-dominated apartment complex in Toronto, struggles to find out who she is and where she belongs. Infused with warmth and love, even as family struggles and secrets are torn open, **Eight Days** is ultimately about forgiveness and strength in community. It is truly a novel for our times. **The Remains of the Day** [Faber & Faber](#) *Kazuo Ishiguro's new novel **Klara and the Sun** is now available to preorder* From the Nobel Prize-winning author of

Never Let Me Go Winner of the Booker Prize ONE OF THE BBC'S '100 NOVELS THAT SHAPED OUR WORLD' A contemporary classic, *The Remains of the Day* is Kazuo Ishiguro's beautiful and haunting evocation of life between the wars in a Great English House. In the summer of 1956, Stevens, the ageing butler of Darlington Hall, embarks on a leisurely holiday that will take him deep into the English countryside and into his past. *The Seven Deaths of Evelyn Hardcastle* Winner of the Costa First Novel Award: a mind bending, time bending murder mystery [Bloomsbury Publishing](#) Can you solve the mystery of Evelyn Hardcastle? Again It is meant to be a celebration but it ends in tragedy. As fireworks explode overhead, Evelyn Hardcastle, the young and beautiful daughter of the house, is killed. But Evelyn will not die just once. Until Aiden - one of the guests summoned to Blackheath for the party - can solve her murder, the day will repeat itself, over and over again. Every time ending with the fateful pistol shot. The only way to break this cycle is to identify the killer. But each time the day begins again, Aiden wakes in the body of a different guest. And someone is determined to prevent him ever escaping Blackheath... SELECTED AS A BOOK OF THE YEAR BY THE GUARDIAN, I PAPER, FINANCIAL TIMES AND DAILY TELEGRAPH AND CURRENTLY BEING ADAPTED BY NETFLIX INTO A SEVEN PART SERIES The mind-blowing new murder mystery from Stuart Turton, *The Devil and the Dark Water*, is OUT NOW. *The Eighth Day* At the turn of the century, an Illinois man is sentenced to death for the murder of a close friend, but escapes to South America to build a new world for himself and his family. *The Eighth Day Brotherhood* [Black Rose Writing](#) In Paris, 1888, the city prepares for the Exposition Universelle and the new Eiffel Tower swiftly rises on the bank of the Seine. One August morning, the sunrise reveals the embellished corpse of a young man suspended between the columns of the Pantheon, resembling a grotesque Icarus and marking the first in a macabre series of murders linked to Paris monuments. In the Latin Quarter, occult scholar Remy Sauvage is informed of his lover's gruesome death and embarks upon his own investigation to avenge him by apprehending the cult known as the Eighth Day Brotherhood. At a nearby sanitarium, aspiring artist Claude Fournel becomes enamored with a mesmerist's beautiful patient, Irish immigrant Margaret Finnegan. Resolved to steal her away from the asylum and obtain her for his muse, Claude only finds them both entwined in the Brotherhood's apocalyptic plot combining magic, mythology, and murder. *The Eighth Day of the Week Fiction*. Set in Brooklyn Heights, *THE EIGHTH DAY OF THE WEEK* is a novel of obsessive guilt and regret gnawing at the heart of a prominent doctor. The book is part mystery, part drama, a tale which unfolds to reveal such an immense depth of passion and fear within the doctor that one turns the pages with tremendous anticipation and tension, with a sense of trepidation, in fact. This is a book which makes you think about the nature of reality and relationships, the possible and the impossible, the bizarre manifestations of what we call love-- William Wharton. *The Eighth Day Selected Writings of Christian Bobin* Christian Bobin is one of the most prolific and best-selling inspirational writers in France. His 'lyric essays', neither prose nor poetry, utilise a limited vocabulary manipulated with the precision of a watchmaker. Bobin often obtains his effects through startling juxtapositions of the ordinary, aimed straight at the heart and not without the intention of drawing blood. Prevalent themes in his work include the natural world, the perspectives of the very old and the very young, and the distilled wisdom of his contemplative Catholic faith. A lifelong sufferer from 'persuasive melancholy', Bobin mines the narrow seam of joy and wonder in the dank rock face of depression, and writing has been the tool he has employed to chip it out. *The Eighth Day* comprises - in an original English translation - a superb collection of Bobin's writings from the last 30 years. A guaranteed best-selling author in France - his books can sell up to 200,000 copies per edition - he is an inspirational writer yet to be discovered in the English-speaking world. This anthology is designed to introduce him to a new readership, and includes fresh introductions to each chapter by translator and compiler Pauline Matarasso. *Press Bulletin ... The Colorado Experiment Station, Fort Collins* [Kodansha Amer Incorporated](#) *Woman on the Other Shore* Story about two thirty-five year old women - one a housewife and mother, and the other an unmarried company president - and their unlikely friendship.
