## The "I Hate to Write" Guide to College Level Essays

**Lulu.com** THE "I HATE TO WRITE" GUIDE TO COLLEGE LEVEL ESSAYS: 4 IN 1 does not replace the required text books in English Composition courses but it does explain how to write an essay at this level without using academic words like "thesis." I never understood what that meant when I was an undergraduate, so I don't expected everyone to know what it

means...but I do explain what it is in "regular" language. The four volumes grouped together here have appeared in e-book form but never as a print copy. It was probably past time to offer another option. The reason I wrote **BASIC ESSAY**, **BOOK CRITIQUE**, and **RESEARCH PAPER** is that they were the first essays students were required to write -- not just in composition class but in other courses. **CHOOSING A TOPIC** is something that has boggled many a mind. These are my guidelines and enough students told me that the way I detailed essay requirements finally allowed the light bulb moment of understanding the process be lit for them. Hopefully you'll find something helpful, too.
