She is one of the modern pioneers when it comes to using affirmations and words in a conscious manner, creating great change in the lives of her clients. She shared what she had learned in books that are best sellers all over the world.The ancient Hebrews knew the power of words and wrote their texts according to the energy and symbology of the letters and the words they created.We can use words to change ourselves, our lives and other aspects that do not allow us to be our most amazing selves. We can banish outdated habits, beliefs and negative self talk by using words of power in a conscious way. The Dynamics of God's Word

How To Make The Word Of God Work Effectively In Your Life By Producing Results Of What It Talks About

Multitudes of people know the Word but they don't have a revelation of how to apply it to change situations and circumstances. In other words, they have the logos but do not know how to convert it into rhema which pierces through the realm of the spirit to change life circumstances. As a consequence, many run around looking for someone to deliver them yet God made it clear that deliverance comes from the Word. This is due to the fact that too many Christians have never been taught about their inheritance and identity in Christ encapsulated in the Word. Hence, whenever they face challenges, they feel inadequate, and accept the position of defeat and failure. The truth is that the severity of a man's situation isn't the problem; rather, his ignorance of the Word is his spirit. Living a victorious, joyous, and prosperous life is dependent on how much of God's Word you have programmed into your spirit. The greater truth is that the only thing that God honours above Himself is His Word. Every answer or solution you need in this life is in the Word. To be a successful person you need to learn how to get into the Word of God and get the Word of God into your spirit. The Word of God is God speaking, hence the substance of the Word is what connects humanity with divinity. The Word is the only material given to us by God to build our faith. He doesn't have any other material except the Word. Hence, the life of a Christian is a life of the Word. The word is an infallible manual for a victorious, prosperous and successful Christian life. Everything you'd ever need for a successful life is wrapped up in the Word. In this book, Apostle Frequency Revelator lets the reader know the potency of God's word, hence the reading of this revelation will culminate in the following realities in your life: -It will draw you into a new season of your life that will awaken a fresh zeal for time in the Word. -It will cause you to have a burning desire, a voracious appetite and insatiable depth for the knowledge of God's Word. -It will cultivate an atmosphere of torrential rain of revelations of God's Word streaming directly from the Throne Room into your spirit. Presiding over a global network of apostolic and prophetic visions, in the capacity of the President of Christ Resurrection Movement (CRM), the Director of Global School of Resurrection (GSR), Senior Pastor of Resurrection Embassy (RE), the founder of Resurrection TV (The Dead-Raising Channel) and the pioneer of the renowned Global School of Signs and Wonders (GSSW), Apostle Frequency Revelator unpacks a plethora of rare but provocative revelations on the dynamics of the Word of God.

Eternal Nuggets

Timeless Truths for a Dynamic World

Xlibris Corporation It is generally known that the spirit realm is the transcendent or absolute reality that actually gave birth to our temporal reality or what we know to be physical, material, temporary realm. Because our existence owes its source to the spiritual realm, the latter is actually what dictates events in our realm. It takes no effort to realize that not only is the bible an integrated message but also one that has its origins in another dimension of existence, beyond what we are accustomed to. Have you wondered how the Bible accurately describes scientific phenomena millennia before science arrived on the planet? How on earth did Moses know how the world was created when no man was on the scene at the beginning of creation? It does not take a genius to fathom that there has to be a supreme being, a God out there, who is the source and sustainer of all life. Like I said earlier on whether we are aware or not,

life in this temporary material realm is influenced, even directed from another realm—the spiritual. That is why it is important that we understand this realm and cooperate with it to get it to work with and for us. Paul wrote in 2 Corinthians 4:18, “While we do not look at the things which are seen, but at the things which are not seen. For the things which are seen are temporary, but the things which are not seen are eternal.” He is saying that our focus should be on the unseen, eternal realm, which is the real reality because that is permanent as opposed to this realm that is but a passing shadow. The need to focus on the things that don’t change becomes even more crucial because of the sheer amount and complexity of change that we have to contend with in our lives. Changes in technology, science, medicine, career, and the work place are so fast and complex that we need something strong enough to provide the necessary moorings to hold our lives in place and provide the necessary balance to our lives if we are not to be swept away by the change. Even though change is unsettling, disruptive, and can be scary, even good change, it brings opportunities and progress. So how do we maintain our sanity and embrace the necessary change? It is my conviction that we do this by turning to and focusing on the things that do not change. The things that do not change include God and his word; humans in our basic makeup and constitution; and our biological makeup and sexuality, family, society, relationships, parenting, etc. Of course, the way these may be defined may change over time, but the fact is that they are there. This is why it is important to access the right information from the source of this realm, the spirit realm, to influence and direct our lives in this realm because even though the way man has come to view certain things may have changed over time, the spirit realm is not subject to same change as this. This is the reason why it is important to know God’s truth on every issue of life and apply it accordingly. Now the Bible says that Jesus is the only legitimate door to the spirit realm. According to John 10:9-10, Jesus says, “I am the door. If anyone enters by me, he will be saved, and will go in and out and find pasture. The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.” He is the only authorized dealer mandated by God to take people into the Father’s presence and, hence, the only mediator between man and God. As you embrace the truths enshrined in this book, understand that you are calling on a power greater than yourself, from a source beyond this temporal realm to intervene in your life and that of your family. Make the truths enshrined in **Eternal Nuggets** your truths by incorporating them into your life and see the invisible but real hand of God move in your life to bring much needed blessing, peace, and contentment into every area of your life.

Don't Say That!

How to Keep Your Words From Hurting You

AuthorHouse **Don't Say That!** Author encourages readers to change their lives by changing their words Have you ever considered that maybe the things that happen in your life are a direct result of your own words? In her new book **Don't Say That! How to Keep Your Words From Hurting You** (published by AuthorHouse), Marsha Lynn proposes that our words, whether they are negative or positive, become reality. Lynn has chosen examples from the Bible to support her argument, clearly suggesting that in order to change your life, you must change the way you speak. Most of us have no filters, saying whatever comes to mind, but Lynn says that every time we speak, something happens in the atmosphere and our words become more powerful than we may realize. Lynn tells readers to ask themselves what they've been talking about, and compare it with what has been manifesting in their lives. Chances are, she says, readers will see a correlation between the two. "It's simply time for us to change our outlook and mindsets, thus changing our conversations," Lynn says. **Don't Say That! How to Keep Your Words From Hurting You** offers an easy to read handbook that can be carried at all times and consulted for purposes of reminding us to monitor our words. Each chapter is a demonstration of the ramifications of our conversations, and Lynn encourages readers to take control of their lives by taking control of what they say. Perhaps the best part of **Don't Say That! How to Keep Your Words From Hurting You** is its uplifting message that life can be changed for the better with the simple switch in the way we speak. Readers will find the book inspiring, enlightening and most of all, empowering.

Language Mixing German: The Little Words

[LanguageMixing.com](#) **A new language-learning technique** Trick your brain into accepting German words as "English". We pretend that German words are actually newly-coined English words. It's technique is called "Diglot Weave". Evidence One University in Iran experimented with the method on some high schoolers learning English. Half the kids learned using standard methods, and the other half used the Diglot Weave method. Afterwards, they all sat a test. What were the results? The kids taught the usual way scored 12 out of 25, but the kids taught with the Diglot Weave method scored nearly double - 23 out of 25! Also, some kindergartens in China use a variation of the method they invented to teach children English. The kids enjoy it much more than the usual approaches, and the teachers report better results overall. Parents also appreciate it, because they see their children learning English much more quickly and easily than before. Want to try it? This book includes over 80 German conjunctions and prepositions like "and", "with", "for", and so on - the little words vital to creating sentences. We mix them into fully English sentences. Writing In the Sand

Hay House, Inc In his latest book, Writing in the Sand, Thomas Moore finds striking new meaning in the rich stories and imagery of the Gospels, recasting Jesus not as a teacher of morals and beliefs but as a spiritual visionary with a radical vision for humanity. This highly original take on the Gospels offers a fresh, new way of imagining human life and society. It presents Jesus not as the founder of a religion but as a world reformer offering a spiritual path to everyone, from every background. It offers a personal spirituality fit for the twenty-first century, where the individual bears responsibility for meaning and for a creative, convivial way of life. In his examination of the original Greek texts, Moore dismisses the cautionary voice of tradition and explores the deeper significance of language, stressing the origins of words and the many levels of meaning in stories and imagery. Through his study, Moore shows that the teachings of Jesus are challenging in a far different way than the moralism often associated with them. Based on being open to life, deepening your understanding, and giving up all defensiveness around your convictions, the Gospels can be the source

of a new kind of certainty and stability that cannot be codified and enshrined in a list of rules. Writing in the Sand presents the essence of Jesus' teachings and offers a way of understanding them intelligently and devotedly in the twenty-first century.

Coaching Ministry Teams

Leadership and Management in Christian Organizations

Wipf and Stock Publishers In competitive sports we prize teamwork. We know that a mature team will usually beat an astounding collection of individual players. The burden of creating such esprit de corps falls to the coach and the team of leaders he has assembled. After all, a team without a coach cannot win. But what happens when the coach himself does not understand the dynamics of teamwork? In a similar manner, every leader of every church is a coach of sorts, with a ministry team responsible for the life of the church. The question put to you as a pastor is this: Are you a team player? Even more to the point: Whose team are you building? Too many church leaders, writes author Kenn Gangel, have fallen into the trap of personal kingdom-building, a focused concern on one's own and present ministry without a wider recognition of kingdom participation. The net effect of this condition has led to narrow vision, stunted church growth, and frustrated relationships within the body of Christ. In contrast, Gangel explores broad and penetrating support throughout the Word of God for team-based, inclusive, cooperative leadership. From Jethro's advice to Moses all the way to Jesus's approach to discipleship, biblical leadership is viewed as a tool to be shared--a model of servanthood, mentoring, and the mutual interdependence of gifts. Along the way Gangel explores the character attributes of successful biblical leadership--common things like humility, patience, and quiet dignity. From there he reveals how these qualities open an authentic leader up to the wide and thrilling possibilities of working hand-in-hand with others in the Lord's work...together.

Who Change The Truth of God Into a Lie

Lulu Press, Inc Hi and shalom, This is book is about the secrets and the mysteries of the truth about the enemies of God, YAHWA- YHWH, MR. LOVE HIMSELF, who played a part the start in infringing his truth and words into a lie, a fairytale and into falsehood. so, therefore, this book here, that I have written is to help enlighten you all, who doesn't believe that, they, the enemies of love (God) YHWH, had actually done this, but hey.... wake world to this reality, because it really did happened: meaning they had decided with their freewill to twist, altered and changed the truth of God, YAHWA- YHWH, into their version by adding untruth into his original story, just to deceive the whole world. In fact, I want you all to know that, they had you all; us all to believe in a lie which represent the tree of Good and Evil, which is bearing two different kind of fruits: meaning half and half, and not the whole fruit or truth; so with that being said, if you all wants to know the truth, go and cop it and don't drop it and pop it open and watch and see what it does to your mind; spirit as well. and believe me , you will yell WOW.... I didn't know of that, oh hell and oh snap. LOL.... Shalom; this our gift of love from LOVE Ourselves with love forever; ever. I, we bid you all good eating; good reading as well. LOL...

You Believe In God But You Don't Trust Him

Journey From Passive To Active Faith

This manuscript is written in desperation to break the backbone of DOUBT and UNBELIEF in your walk of faith. Doubt is a thief of your blessings and an enemy of your destiny. Doubt and worry are offensive to God and spiritually oppressive to His Children. Doubt, fear, anxiety, worry, and unbelief are ants in the "pant of faith". This book will provide a permanent solution to what may be spiritual pests and defects challenging your fruitful walk with the Lord. As you yield your will to the Word and the Holy Spirit, you will be able to get rid of these spiritual bugs and begin to walk with God and please Him. Whoever comes near to God must of necessity believe that He exists and that He rewards those who earnestly seek Him. Faith is a priority in your walk with God. Without faith, your existence has no place in Him. Doubt desires to make you VOID WITH GOD. Until your faith is the same under all circumstances there will still be room for doubt and anxiety. If you persist in uncertainty you've paved the way for unbelief. Faithlessness or disbelief, doubt, and fear, weak faith or little faith, when these uncertainties persist it will make anyone walk backward spiritually. Until you are the same under all circumstances your faith will always need help. We all need help like the father whose son was possessed with a deaf and dumb spirit. Jesus said to him all things are possible to those who believe and trust in Me. Immediately the boy's father cried out in desperation, "I do believe; help my unbelief." You can also cry to Lord today He is always willing to help. Yes, you can make the needed change to your mind by transforming it. How? Renew your mind with the word of God by His Spirit. The only way to change a person is to change the way he thinks. You are what you think and eat. Reliance in the word of God and praying in tongues will stimulate your faith (Jude 20), so you can make direct contact with God by yourself (1 Corinth. 14:2). No one can please Him without a diligent walk of faith. Christ, His Word, and Spirit are a vital part of our lives as Blood washed Children of God. Has the word of God affected your life positively and to the maximum? Do you understand His purposes and what He is working out in your life and family? People Are Becoming Anxious The overwhelming evidence from Scripture and contemporary life experience portray man as doubt riddled. We can't see the truth of God's intent except by His Spirit. More people are becoming anxious, doubtful, and worry consumed due to world events that are out of control. They have leaky and doubt-damaged faith and have become disturbed, perplexed with weak faith and some with little or no faith. Some have given the spirit of offense extra room in their walk of faith and have slipped into anxiety, worry, and outright unbelief. Jesus experienced the same doubt syndrome in His days particularly in His home town and couldn't do many mighty works there because of their unbelief (Matthew 13:58). On several occasions, Jesus rebuked Peter, and His other disciples for their doubt, lack of faith, and having little faith. Doubt is in every man to some level. This book is written and positioned in desperation to provide a solution to bugging faith challenges. When you play your part you commit God's integrity to perform. This write-up will assist you with submission to the Word and the Holy Spirit enabling you to get rid of spiritual bugs out of your faith system.

Change Your Words, Change Your Life

Understanding the Power of Every Word You Speak

[Hachette UK](#) 'Words are a big deal. They are containers for power. I believe that our words can increase or decrease our level of joy. They can affect the answers to our prayers and have a positive or negative effect on our future.' Joyce Meyer shows us how the words we use shape our well-being and that choosing the right ones could change our lives for the better! In CHANGE YOUR WORDS, CHANGE YOUR LIFE Joyce provides a series of guidelines for making sure that our words are constructive, healthy, healing and used to good effect. Topics include: - The impact of words - How to tame your tongue - When to talk and when not to talk - Speaking faith and not fear - The corrosion of complaints - Do you really have to give your opinion? - The importance of keeping your word - The power of speaking God's word In a 'Dictionary of God's Word' at the end of the book, Joyce recommends dozens of scripture verses to read out loud as one way of using and claiming healing words.

The Don't Give a Fuck Girl

I Live It My Way

The Don't Give a Fuck Girl is the story about me. Kitty for friends. Gorgeous on the cover of the magazines. How am I? Modest? No way! Confident? Like no other! Humble? Let that to the pilgrims! In three words?! I am Me! I won't bother you telling how beautiful I am on the inside. You know, that stupid line. Oooh. Yeah. Blah, blah. I have blue eyes. Brilliant mind. And a lot of stories to tell. I can't say I'm torn from a star. But I'm not ugly with boughs, either. In a word, I'm fuckable. You can't ignore me. My secret is my attitude. I'm tall as it needs. Nice hips. Loveable tits. As an expression of an old friend says, I'm so good looking that I would bang myself. I have perfect dentition. Which makes my smile unforgettable. And also allow me to sink my fangs into a man's throat if I have to. On the covers of the magazines, I'm sort of Mona Lisa. But a beautiful one. Without that imbecile gaze type on my face. When the job is done, I'm just like you. Moody. Scatterbrained. Stubborn. That's how I was born. People around me always told me to change myself. And I know I can change. But I don't want to. Take me as I am. Or not. I don't ask you to like me. Virgo. By my zodiac sign. Otherwise, nothing in common. If good girls go to heaven, I'm in the opposite team. I choose to have fun here, on earth. Far from a saint. I don't pretend to be a virgin Mary or something. I won't stay at my window and say it was the holy spirit at my back. No. I tell you that I love to have sex. Anytime and anywhere. When I'm with someone I like, I never miss the chance. Just to be someone who makes me feel alive. Nearly Perfect. I'm an artist. So, nothing in this world, under no circumstances, can be perfect for me. Neither do I. But I feel so good in my skin. Being myself, a non-perfect human being. About what I'm doing in my bed, I'm not gay. But I'm not straight either. It all depends on how the stars align. Or what my eyes see. My body is hungry for human touch. All the time. I love to love men. And I love to love women. You can call me Lover of Love! For a while, I tried to be a wife. It didn't work out. Career. Hmm. I'm not such a great fan of this word. I prefer Steps of Life. First Cover at sixteen. Queen of the hill. In my mind, of course. Two years of roaming around the world with a Pimp Lady and her girls. Adventures, beautiful places, real-life, fake people. Eighteen when I sign with an N.Y. models agency. Rude awakening. Hard work. Rejections. Stubbornness to win. First serious money. Hundreds of covers made. Many advertising campaigns. Thousands of hours spent on airplanes. SUPERMODEL LIFE. Twenty-one when I meet a music megastar. Not so impressive in bed. But my songs in heavy rotation a few months later. Concerts. Fans. Alcohol. Hangovers. Unwanted pregnancies. ROCK N ROLL DAYS. Twenty-three and so when I have my first night with a girl. Isabella. In Dubai. Soft as satin black skin. Perfect chemistry. Fireworks on the ceiling. Mood for talk and smoke after. MY LIFE, MY BODY, MY CHOICES. One 'no strings attached' relationship with a billionaire. A fair trade from the start. My hot body for his mentorship and protection. WIN-WIN SITUATION. Cinema. 'Walking props' roles. They all call me beautiful. And invite me to take my clothes off. Kill 'em all, as Papa Het should say. Until I met one of the biggest Hollywood stars. Mister Fame. Didn't sleep with him from the start. First, I won the casting for the movie he produced. Disguised as a hideous woman. I supposed that my mission on this earth is to cheer people up. About the haters, eat your hate and die, you shadows. I wish you all the time in the world. To see all you love most dying. I don't hate. But I'm always paying back. Briefly, that's me. My loved ones call me Kitty. Kitten. Duckling. Little Goat. Dream Girl. Your Stubbornness. But on the covers of the magazines, I AM GORGEOUS

Be That As It May

Don't Worry About Things You Can't Change

[Xlibris Corporation](#) Witness the Drama and Recovery from a Traumatic Accident New Book tells the story of a young man struggling to recover from a near-death experience Recovering from any injury is never an easy goal, but for Joey in "Be that as it May" experiencing TBI (other wise known as Traumatic Brain Injury by the medical profession) was one of the toughest things a person can go through. Looking normal and trying to portray yourself/himself as such, can and is a bit much. Joey understands that everybody has their challenges and the events we experience in our lives makes us who we are. If nothing ever happens, it's like living in a closet. The story that the book is about was inspired by events that happened during the author's life, after the injury. It begins when a terrible accident changes the direction of life and ravages Joey, a struggling young man who is on his way to being one of New York City's Bravest in only four days is the physical examination for the department that he has spent months preparing for. He played sports most of

his life and this was just another goal that he had to achieve, and give him a future. Brought up in a family of cops and firemen, you could say it's in his blood. He knew what he had to do to achieve his goal and being physically fit was the main thing. The injury that changed everything, in a matter of looking at it, changed everything. This book can be looked at in many ways. Whichever one you choose is your opinion and is all I can do is hope that the inspiration is intertwined with appreciation. Because of this event, it has changed not only Joey's perception but his acceptance. If you can't change it, don't worry about it. The key to longevity. *Be That As It May* emphasizes that trauma is a double edged sword, not only accidents cause but also the ramifications of any injuries sustained in them. The effects are not only physical. Physical also effects psychological. In a matter of looking at things you notice that physical pain effect psychological reasoning. After all, why do you think physical torture works so well?

Learn Spanish

How to Learn 1000+ Spanish Words in 1 Hour and Impress Your Colleagues by Using 7 Simple Vocabulary Tricks

[Createspace Independent Publishing Platform](#) Are you ready to learn 1000+ spanish words in the next 60 minutes? You've probably been wasting time studying. If you've been using traditional language learning tools like classes or software to teach you Spanish - I can almost guarantee it. These classes focus on memorization, basic vocabulary, routine phrases and conversations. And, naturally, these are all important. But, here's the thing - Most traditional Spanish classes are missing critical information that could save you hours of time and effort. It's what these courses DON'T teach you that leads to hours of unnecessary time wasted studying. They don't teach you the critical principles that allow you to master the knowledge in minutes - NOT hours. (by the way, if you've had difficulty learning, it's probably because you didn't have the right methods to make it easy). You might not believe this, but: You can significantly

improve your Spanish vocabulary, right now. Instead of wasting time studying using traditional methods, you could be using effective techniques to increase your vocabulary TODAY. These methods will show you how you can learn hundreds of new Spanish words in less time than it takes you to eat lunch, AND know them forever, not just for a few minutes or long enough to take the test. How is this possible? Let me explain. I've found proven strategies for increasing your learning speed - habits, techniques, and tactics that will put the jet fuel in your language learning. These strategies were not easy to find. And guess what? I'm a native bilingual speaker! I personally use these to make connections between large sets of words, and learn new ones without hours of memorization (even in other languages like French and Italian). I can promise you that these high-leverage techniques will save you time and put you on the fast-track towards fluency in Spanish. But know this - This is not a 'How to Learn Spanish from Scratch' book. Not even close. What it is: a condensed guide that shows you the best practices for rapidly increasing your vocabulary and becoming fluent in Spanish. I've kept the book short and easy to understand, so that you can get started using these as soon as possible! (I'm trying to save you time after all, not make you read another 300+ page book). So, I've laid out the overlooked principles, common pitfalls, and language shortcuts in a way that anyone can understand and start using immediately. What's inside Introduction Tip # 1: Latin Is Your Friend Tip # 2: The Dialect Dilemma Tip # 3: The Components of Language Learning Tip # 4: Ditch the Dictionary! Tip # 5: Avoid Programmed Conversations Tip # 6: Practice Conversing with a Conversation Swap Tip # 7: Invest in an App Tip # 8: Word Endings Are Your Friend The 7 simple Language Shortcuts to learn 1000+ words quickly Language Shortcuts The core of this book is the list of what I call "language shortcuts" that are consequences of the similarities between English and Spanish. For example: English words that end in -ant stem from a certain group of words that also exist in most other romance languages. In particular, these words also exist in Spanish, but the suffix of the words in Spanish is -ante instead of -ant. So the English word "arrogant" translates to "arrogante" in Spanish. The word "brilliant" translates to "brillante," and so on. So, don't waste anymore time. Change your strategy, and take yourself to the next level - get yourself a copy of this book right now.
