### COMPTIA A+ COMPLETE LAB MANUAL

---

John Wiley & Sons Boost your understanding of CompTIA A+ exam principles with practical, real-world exercises. Designed to complement CompTIA A+ Complete Study Guide, this hands-on companion book takes you step by step through the tasks a PC technician is likely to face on any given day. It supports the theory explained in the test-prep guide with additional practical application, increasing a new PC technician's confidence and marketability. Various scenarios incorporate roadblocks that may occur on the job and explain ways to successfully complete the task at hand. In addition, each task is mapped to a specific A+ exam objective for exams 220-801 and 220-802. Tasks are divided into categories: hardware and software installation, hardware and software maintenance, and installing and upgrading operating systems, networks, and security systems. Designed to enhance factual study with practical application. Explains step by step how to perform a variety of tasks that PC technicians commonly face on the job. Tasks include installing or replacing a power supply or a laptop hard drive, installing or upgrading to Windows 7, scanning for and removing viruses, installing printer drivers, and troubleshooting a network. CompTIA A+ Complete Lab Manual gives you the hands-on experience you need to succeed in the real world.

**TOOLS AND GADGETS FOR LIVING INDEPENDENTLY**

---

Demos Medical Publishing A Doody's Core Title 2012 This new illustrated guide to assistive technologies and devices chronicles the use of AT/AD - technology used by individuals with disabilities to perform functions that might otherwise be difficult or impossible. This book empowers people to use assistive technologies to overcome some of their physical or mental limitations and have a more equal playing field. It includes real-life examples about how people with disabilities are using assistive technology (AT) to assist them in daily tasks, and discusses emotional issues related to AT/AD.

**THE 7 SECRETS TO SELLING MORE BY SELLING LESS: .....THE ULTIMATE GUIDE TO REINVENTING YOUR SALES LIFE**

---

It's time to reinvent your sales life...Your sales career is good, but not great. Your customers like you but don't love you. Every potential customer does not want to talk to you (the salesperson), even if they need your product or service. You keep reading the same sales books and listening to the same CD's and podcasts. Everyone is telling you to do the same old things. You're ready to make a change. In his trailblazing and wonderfully refreshing book, Allan Langer takes on the outdated, overused and utterly ineffective sales philosophies of the past and kicks them to the curb. Today's customer's do not want a sales pitch, do not want to be coerced, and absolutely do not want to be "closed." In this book, you will learn: To sell more than you ever have in your career; to sell customers a product or service and actually feel good about yourself doing it; and to never use a "sales pitch" again. The 7 Secrets is your GPS with a new destination, a new route that will take you from where you are now, to a new place on your personal map that will change your life and the life of your loved ones. It will also change the life of your customers, as they will go

**from hating salespeople, to only wanting to do business with you. Whether you are brand new in the profession, or a seasoned veteran, 7 Secrets will be the best investment you can make in your career, and in yourself.**
