Biblical Eschatology, Second Edition

Wipf and Stock Publishers Biblical Eschatology provides what is not found in any other single volume on eschatology: it analyzes all the major eschatological passages (including the Olivet Discourse and the book of Revelation), issues (including the second coming of Christ, the millennium, the rapture, and Antichrist), and positions (including all the major views of the millennium) in a clear, but not superficial, way. The book concludes with a chapter showing how eschatology is relevant for our lives. Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature, by showing the history of eschatological thought, and by placing eschatology in the context of the Bible's overall story line and structure. Clarity and understanding are enhanced by the use of comparative tables and appendices. Subject and Scripture indexes are included. The book interacts with the best of Evangelical and Reformed scholarship, and the extensive bibliography (which includes the web addresses of many online resources) provides an excellent source for the reader's further study. This is a perfect resource for intelligent Christians, including pastors, students, and teachers, who desire to understand eschatology and to see how it fits together with the rest of the Bible.

King James Version 2014

With the Exclusive Golden Ratio Format

CreateSpace There is additional information about the printed copy available on the website (http://www.phibible.org/Miscellaneous/Printed_KBV.html), and the full text of the KJV 2014 and Kingdom Bible Version 8th Edition, also arranged according to the Golden Ratio, is available for viewing as photos, along with free sample PDF downloads of select portions of the manuscript. The King James Version 2014 contains the 1611 (1789) King James Version translation without changes whatsoever to any of the words. Only the punctuation (semicolons, colons, periods, dashes, exclamation and question marks, quotation marks, and commas) and capitalization was edited for modern standards of usage. Also, semi-bolding of Divine quotes or previous Scripture was done to set it apart from normal text. No translation changes whatsoever were made to the text; only punctuation and capitalization; therefore it is still the King James Version translation; and therefore it is in the Public Domain with no copyright. About the Golden Ratio Format/Arrangement The Golden Ratio format is far different than the "Old Testament"/"New Testament" format that most of you are probably well acquainted with. It took many years of study and prayer to determine what the true format of the Bible really was, and it does take some getting used to, so there will be a learning curve for anyone who wants to understand what it means. Unfortunately, it cannot be explained fully in a few words, so I have provided a primer in the Appendix to help get you started. It is very intuitive and makes wonderful sense, once you understand how it works; but I will be frank with you: it is not simple. First, you have to understand what the Golden Ratio is, and how it is found in many places in the Creation. Second, you must understand the Fibonacci Sequence, and how it relates to the Golden Ratio. Third, you must understand how the Golden Ratio pattern of UCCOO, based upon the characteristics of the first five numbers of the Fibonacci Sequence, is found throughout Scripture. God Himself built

this Golden Ratio pattern or design into the structure of his Word through the themes of each text division (Division, Volume, Book, Part, Chapter, Section, Paragraph, and Sub-paragraph). If it were not true, it would be easily seen to be so; but because it is true, once the design is understood, it becomes easy to see for yourself that this is truly a miracle that only God Himself could have done; and it is proof that the Holy Bible is of Divine Origin and is not of man's device or imagination. The fact that the Bible can be arranged according to the Golden Ratio is powerful evidence that Liberal attacks against the Holy Bible, saying that it is nothing more than "myths and legends" are completely false. The reason is quite simple: clearly the human authors of the Bible were completely unconscious that the words they were writing had any kind of special arrangement built into them, because the oldest manuscripts of the Bible show nothing more than simple line after line of text. But now that we can easily see this beautiful Golden Ratio pattern built into the words of Scripture, it proves that Jehovah God was the true Author of the Holy Bible, and it is not merely the words of men, as Liberals falsely allege. For a complete explanation of the Golden Ratio format of the Bible, please go to the JHS Publishing ministries website: <http://www.phibible.org>. See the list of links at the top of the homepage. The "Free Downloads..." link will take you to a page with links to the same material found in the Appendix, so that you can view it in your web browser at your convenience.

The Evolution of Religious Institutions

Indiana University Press Ecologies of Faith in New York City examines patterns of interreligious cooperation and conflict in New York City. It explores how representative congregations in this religiously diverse city interact with their surroundings by competing for members, seeking out niches, or cooperating via coalitions and neighborhood organizations. Based on in-depth research in New York's ethnically mixed and rapidly changing neighborhoods, the essays in the volume describe how religious institutions shape and are shaped by their environments, what new roles they have assumed, and how they relate to other religious groups in the community.

Synthetic Bible Studies

Bible Study Steps We are to engage in what is called the synthetic study of the Bible, which means, as we use the term, the study of the Bible as a whole, and each book of the Bible as a whole, and as seen in its relation to the other books. The word "synthesis" has the opposite meaning "analysis." When we analyze a subject we take it apart and consider it in its various elements, but when we synthesize it we put it together and consider it as a whole, which is what we are now about to do in a certain sense with the Word of God's.

A Commentary on the Book of Revelation

Anchor Recordings Ltd. As a history book the Bible is unique, telling us about the future as well as the past. To become obsessed with either is to evade life's challenges. Both perspectives are needed to live 'over the circumstances' of the present. The book of Revelation focuses on the future and can produce two reactions among Christians - some cannot get into it and others cannot get out of it!! We need a more balanced view of its significance. After all, it is the only book in the whole Bible to which God has attached a special blessing and an awful curse. It was written for ordinary people under extraordinary pressure. Suffering is the key to its understanding. It is a manual for martyrdom. As history draws to a close, all Christians need its message of warning and encouragement.

Mein Kampf

Diamond Pocket Books Pvt Ltd 'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of

Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The book narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

What Is True Love According to the Bible?: "Love Is When Your Name Is Safe In Someone's Mouth"

Truth, Love & God I'LL SHOW YOU THE DEFINITION OF TRUE LOVE ACCORDING TO THE BIBLE. IT MAY NOT BE WHAT YOU THINK IT IS. Imagine that God is real. I believe this. And imagine just for a second that we all live according to His guidelines... imagine... we're now living in paradise! How good is that! We are loving each other the way we would like to be loved ourselves. We have peace and not just peace of mind, but real peace in the world. Everyone has shelter, clothes and enough wholesome food to share around. Doesn't this sound wonderful? God's people know how to do this. Look at the charitable Christian organisations around the world to see that when God's rules are followed, there is abundance. Where I live, the 2nd hand shops run by Christian organisations such as Vinnies, Salvation Army and our Red Cross Shop overflow with good quality donated clothes and furniture for minimal prices. Victory Church sells hampers for \$35 which provides food for a family of 4 for a whole week! WeCare2 offers groceries for people with limited budgets. Centacare, Blue Care, Uniting Care provide all kinds of services at minimal or no cost to the aged, disabled and disadvantaged and I can go on and on. These organisations are only a few of many in my town and show us that Christians know how

their heavenly Father wants them to love each other. Does this love also manifest in our private lives with our own family and friends? Do we know how to and actively love our Father back? Jesus, a real person, the Son of God, came to save humanity from itself. 'God Healed Me,' written by Mimi Emmanuel has been listed in the top 100 books in various categories since it launched in May 2016. It was called, 'A very inspiring book, full of wisdom and enlightenment,' and, 'This book is incredibly good,' and, 'You so beautifully present the power of our Living God!' 'What Is True Love According To The Bible,' is the 2nd book in the Truth, Love & God series. This series came about after Mimi realised that the 'Jesus' stories' told by her Mum were true. As in, Jesus was not just a mythical figure but a real person, the Son of God, who had come down to earth to save humanity from itself. THIS BOOK LOOKS INTO THE TRUTH ABOUT GOD AND JESUS' LOVE FOR HUMANITY AND HOW WE ARE RECIPROCATING. And how few of us ever respond in kind. 'What Is True Love? According To The Bible,' is based on decades of Bible study and introspection. The book is an easy and quick one and a half hour read for the average reader. In addition there are seventy pages (hundreds) of Scriptural references related to 'true love according to the Bible.' The Word Love Is Mentioned 686 Times In The Bible Many Christians seem to think that the Bible is all about salvation. I agree that Jesus came down to earth to save us from ourselves. However, THE MAIN THEME THROUGHOUT THE BIBLE IS ABOUT HOW OUR HEAVENLY FATHER WOULD LIKE US TO LOVE HIM AND LOVE EACH OTHER. The word 'love' and variants thereof are mentioned 442 times in the King James Bible, 545 times in the Amplified Bible and 686 times in the New International Version. That's a lot of times! This is in contrast to the word 'salvation' which is only mentioned 158 times in the King James Bible, 329 in the Amplified Bible and 114 times in the New International Version. Salvation comes about because of the love shown to us. Unreciprocated love cannot flourish; we all know that. Yet many believers think that grace will rain down from heaven no matter what. Our Father sent His Son and Jesus gave His life so that we may be saved. Do we really think that just a 'thank you!' is enough? Read alongside Mimi to discover how God's Holy Word spells out to us that true love requires obedience and our Father tells us exactly how to. Don't obey fellow Christians or your church. Folk-Lore in the Old Testament

Studies in Comparative Religion, Legend and Law

(Classic Reprint)

Forgotten Books Excerpt from Folk-Lore in the Old Testament: Studies in Comparative Religion, Legend and Law Modern researches into the early history of man, conducted on different lines, have converged with almost irresistible force on the conclusion, that all civilized races have at some period or other emerged from a state of savagery resembling more or less closely the state in which many backward races have continued to the present time and that, long after the majority of men in a community have ceased to think and act like savages, not a few traces of the old ruder modes of life and thought survive in the habits and institutions of the people. Such survivals are included under the head of folk-lore, which, in the broadest sense of the word, may be said to embrace the whole body of a people's traditional beliefs and customs, so far as these appear to be due to the collective action of the multitude and cannot be traced to the individual influence of great men. Despite the high moral and religious development of the ancient Hebrews, there is no reason to suppose that they formed an exception to this general law. They, too, had probably passed through a stage of barbarism and even of savagery; and this probability, based on the analogy of other races, is confirmed by an examination of their literature, which contains many references to beliefs and practices that can hardly be explained except on the supposition that they are rudimentary survivals from a far lower level of culture. It is to the illustration and explanation of a few such relics of ruder times, as they are preserved like fossils in the Old Testament, that I have addressed myself in the present work. Elsewhere I have had occasion to notice other similar survivals of savagery in the Old Testament, such as the sacrifice of the first born, the law of the uncleanness of women, and the custom of the scapegoat but as I am unwilling to repeat what I have said on these topics, I content myself with referring readers, who may be interested in them, to my other writings. The instrument for the detection of savagery under civilization is the comparative method, which, applied to the human mind, enables us to trace man's intellectual and moral evolution, just as. James

A 12-Week Study

Crossway The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James, exploring the book's difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.
