SPANISH SHORT STORIES FOR BEGINNERS

10 EXCITING SHORT STORIES TO EASILY LEARN SPANISH & IMPROVE YOUR VOCABULARY

Touri Language Learning What is the most challenging thing about learning Spanish? It's finding helpful and engaging reading material that you can actually understand....! That is exactly what inspired us to write this book. How is a student supposed to learn when language instructors love providing materials that are tough expert-level literature with tons of grammar and rules? That style of book for new language learners can be overwhelming, and lead you to flip back and forth between a dictionary and your book... constantly! Not an effective use of your time nor the best way to learn. Is this how children learn their language skills? No. Enter Spanish Stories for Beginners Vol. 1: You will find 10 easy-to-read, engaging, and fun stories that will help you to expand your vocabulary and give you the tools to improve your grasp of the Spanish language. Improve your comprehension, grow your vocabulary and spark your imagination with these ten unconventional Spanish short stories! All stories are written using vocabulary that you could easily use in your day-to-day conversations. The stories are written with beginner Spanish learners in mind. With that said, it is highly recommended to have a basic understanding of Spanish to achieve maximum enjoyment and effectiveness of the lessons. This program is excellent for those who want to get an introduction to the language or brush up on their Spanish language skills. How to Read Spanish Short Stories for Beginners: -Each story contains an important lesson in the Spanish language (Verbs, Adjectives, Past Tense, Giving Directions, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. -A summary in Spanish and in English of what you just read, both to review the lesson and for you to gauge your comprehension of what the tale was about. -At the end of those summaries, you'll be provided with a list of vocabulary found in the lesson, as well as phrases that you may not have understood the first time! -Finally, you'll be given clever questions in Spanish, so you can prove that you learned something in the stories. Even if you have tried multiple times to learn Spanish these short stories will give you the jumpstart you need to finally grasp the language! Act now and grab your copy of Spanish Short Stories Volume 1 and start learning the fun way!

MOLLY'S GAME

THE RIVETING BOOK THAT INSPIRED THE AARON SORKIN FILM

William Collins A SUNDAY TIMES BESTSELLER NOW A MAJOR MOTION PICTURE WRITTEN AND DIRECTED BY AARON SORKIN, AND STARRING JESSICA CHASTAIN, IDRIS ELBA, KEVIN COSTNER AND MICHAEL CERA The true story of the 26-year-old woman behind the most exclusive, high-stakes underground poker game in the world When Molly Bloom was a little girl in a small Colorado town, she dreamed of a life without rules and limits, a life where she didn't have to measure up to anyone or anything - where she could become whatever she wanted. She ultimately got more than she ever could have bargained for. In Molly's Game, she takes you through her adventures running an exclusive private poker game catering to Hollywood royalty like Leonardo DiCaprio and Ben Affleck, athletes, billionaires, politicians and financial titans. With rich detail, Molly describes a world of glamour, privilege and secrecy in which she made millions, lived the high life and fearlessly took on the Russian and Italian mobs - until she met the one adversary she could not outsmart: the United States government.

EL MUNDO DE HIELO Y FUEGO/ THE WORLD OF ICE & FIRE

LA HISTORIA NO CONTADA DE PONIENTE Y EL JUEGO DE TRONOS

Grijalbo Ilustrado Si el pasado es prólogo, la obra maestra de George R.R. Martin -Juego de Tronos, la saga fantástica más innovadora y trepidante de nuestra época- se merece una introducción excepcional. Por fin, con El mundo de hielo y fuego, la tenemos. Con más de 170 imágenes originales a todo color. Este libro magníficamente ilustrado es una historia completa de los Siete Reinos, animada por vibrantes descripciones de las épicas batallas, enconadas rivalidades y audaces rebeliones que desembocan en la trama de Canción de hielo y fuego y de la serie de HBO Game of thrones. En una colaboración preparada desde hace años, George R.R. Martin ha formado equipo con Elio M. García Jr. y Linda Antonsson, fundadores del prestigioso fan site Westeros.org, quiz las únicas personas que conocen casi tan bien el mundo de la saga como su visionario creador. Se reúne aquí todo el saber acumulado, todas las teorías eruditas y todo el acervo de relatos populares de maestros, septones, magos y bardos, en una crónica que empieza por la Era del Amanecer y sigue por la Edad de los Héroes, la aparición de los primeros hombres, la llegada de Aegon el Conquistador, el establecimiento del Trono de Hierro por Aegon, la Rebelión de Robert y la caída del Rey Loco, Aerys II Targaryen, causantes de las peripecias "actuales" de los Stark, los Lannister, los Baratheon y los Targaryen. Complemento definitivo del universo que tan deslumbrantemente ha ideado George R.R. Martin, El mundo de hielo y fuego es sin duda la demostración de que es más poderosa la pluma que una tormenta de espadas.. ENGLISH DESCRIPTION If the past is prologue, then George R. R. Martin's masterwork--the most inventive and entertaining fantasy saga of our time--warrants one hell of an introduction. At long last, it has arrived with The World of Ice & Fire. This lavishly illustrated volume is a comprehensive history of the Seven Kingdoms, providing vividly constructed accounts of the epic battles, bitter rivalries, and daring rebellions that lead to the events of A Song of Ice and Fire and HBO's Game of Thrones. In a collaboration that's been years in the making, Martin has teamed with Elio M. García, Jr., and Linda Antonsson, the founders of the renowned fan site Westeros.org--perhaps the only people who know this world almost as well as its visionary creator.

BILLONES EN JUEGO

EL FUTURO DE LA ENERGÍA AFRICANA Y DE CÓMO HACER NEGOCIOS / BILLIONS AT PLAY (SPANISH EDITION)

Made For Success Publishing "Estoy de acuerdo con los puntos planteados y con la visión de Ayuk sobre el papel fundamental que desempeñará la OPEP para ayudar a los productores de petróleo africanos a lograr una voz muy merecida en la industria petrolera" —Secretario General de la OPEP, H.E. Mohammad Sanusi Barkindo Dos décadas de negociación de transacciones de petróleo y gas han dado a NJ Ayuk un entendimiento del panorama energético en el continente que muy pocos pueden igualar. Educado en Estados Unidos, el abogado Africano en materia energética brinda dosis generosas de ese conocimiento en su segundo libro Billones en Juego: El Futuro de la Energía Africana y de Cómo Hacer Negocios. Sirviendo como guía para que el continente haga un mejor uso de sus vastos recursos energéticos a efecto de mejorar las vidas de las personas, Ayuk aborda como los países Africanos pueden utilizar sus industrias energéticas como trampolines para diversificar y crecer sus economías. Asimismo, Ayuk muestra como los gobiernos africanos y las compañías locales pueden negociar mejores tratos con compañías energéticas internacionales, y como los países del continente pueden utilizar campos marginales de petróleo y gas para desarrollar sus industrias energéticas domésticas, las cuales, una vez fortalecidas, podrán competir globalmente. Planteamientos y respuestas: Porque los incipientes recursos de gas natural de África pueden ayudar al continente a emerger como un jugador global clave en la industria Que cambios pueden hacer los países Africanos a efecto de convertirse en destinos atractivos de inversión El rol que el acceso a electricidad confiable, sustentable y asequible puede tener en la aceleración del crecimiento económico Como y porque las compañías energéticas Americanas deberían de dejar de limitar sus inversiones en África Y porque la industria energética en el continente requiere más mujeres. El tema subyacente del libro es que, en demasiadas ocasiones, los recursos naturales crean riqueza para inversionistas extranjeros y un selecto grupo de elites Africanas, mientras que el resto de la gente (y, en consecuencia, las economías Africanas) no obtienen ningún beneficio. Si bien es fácil percibir que existe una falta de participación local en proyectos en África, así como un constante reto para obtener las inversiones necesarias, es importante entender nuestro rol en esto. Debemos comprender la importancia de crear ambientes propicios con términos fiscales atractivos para inversionistas locales y extranjeros, el rol de políticas de contenido local más solidas a efecto de asegurar participación local en el sector, y el peso que el gobierno y la inestabilidad política tienen en el desarrollo de los proyectos. "Depende de los Africanos arreglar África," escribe Ayuk. Este enunciado puede considerarse como un tema vivo en el libro, ya que promueve que compañías locales y gobiernos celebren convenios de colaboración en lugar de compromisos pasivos con compañías energéticas internacionales y los grandes jugadores del sector. "[Necesitamos] inversionistas que muestren interés en participar completamente con nosotros, entrando al mercado y construyendo negocios sustentables y rentables de largo plazo, creando empleos y desarrollo adicional." Si estas listo para sumergirte a profundidad y acceder a un franco análisis y examen del panorama energético en África y como los Africanos pueden comenzar a arreglar África, adéntrate a las páginas de Billones en Juego. ENGLISH VERSION "I agree with the points made—and with Ayuk's case for the critical role that OPEC will play in

helping African oil products achieve a much-deserved voice in the petroleum industry.” —OPEC Secretary-General, H.E. Mohammad Sanusi Barkindo Two decades of negotiating African oil and gas deals have given NJ Ayuk a grasp of the continent's energy landscape that few can match. The American-educated, African energy lawyer serves up generous doses of that insight in his second book, *Billions at Play: The Future of Africa Energy and Doing Deals*. Serving as a road map for the continent to do a better job of using its vast energy resources to improve its peoples' lives, Ayuk addresses how African countries can use their energy industries as springboards for diversifying and growing their overall economies. In addition, Ayuk shows how African governments and local companies can negotiate better deals with international energy companies and how the continent's countries can use marginal oil and gas fields to develop domestic energy industries that, once strong, will compete globally. Questions posed and answered: Why Africa's fledgling natural gas resources can allow the continent to emerge as a key global player in the industry What changes African countries can make in order to become attractive investment destinations The role that access to reliable, sustainable, and affordable power can play in the acceleration of economic growth Why and how American energy companies should stop curtailing their investments in Africa And why the continent's energy industry needs more women The book's underlying theme is that too often, natural resources create wealth for foreign investors and a select group of African elites while everyday people (and in turn, African economies) fail to benefit. While it is easy to see that there is a lack of local participation in African projects and an ongoing challenge in securing necessary investment, we also need to understand our role in this. We have to understand the importance of creating enabling environments with attractive fiscal terms for local and foreign investors, the role of stronger local content policies in ensuring more local participation in the sector, and the weight government and political uncertainty carries in moving projects forward. “It's up to Africans to fix Africa,” writes Ayuk. This statement can be considered a living theme throughout the book as he encourages that local companies and governments have to enter into collaborative agreements rather than passive engagements with IOCs and majors. “[We need] investors who show that they want to fully participate with us, by coming in and building long-term sustainable businesses that last and make a profit, create jobs and further development.” If you're ready to dive headfirst into accessing a frank analysis and examination of the African energy landscape and how Africans can begin to fix Africa, jump into the pages of *Billions at Play*.

TENDENCIAS EN EL LENGUAJE DEPORTIVO ACTUAL

Vision Libros *El lenguaje deportivo nace en España después de la Guerra Civil, pero su verdadero desarrollo no aparece hasta que los primeros diarios deportivos -Marca, As, Dicen- no se popularizan, unidos a las emisoras de radio, primeras divulgadoras de este lenguaje. Desde esos años hasta hoy ha pasado por tres etapas: iniciación, desarrollo y culminación. En esta última nos encontramos con un lenguaje plenamente hecho, que comienza a buscar otros caminos. Describir esos nuevos caminos es la misión de este estudio, partiendo del reconocimiento de la gran importancia social, política y económica que hoy tiene el deporte. Estudiamos los géneros deportivos y su evolución, las diferencias existentes entre la lengua empleada en cada medio de información, los neologismos, los arcaísmos, las locuciones, la composición y derivación; pero sobre todo el léxico, en cuatro tipos: argótico, técnico, trasladado y ampliado, con gran uso de ejemplos seleccionados. Protagonismo especial le damos al estudio del titular deportivo y al discurso deportivo, citando los rasgos más distintivos de sus textos: empleo de perífrasis y formas no personales, estructuras con el*

pronombre se, valores de las formas verbales, combinaciones frecuentes de oraciones en los enunciados, etc. Al final, como elementos de importancia en la actualidad, tratamos la violencia en el deporte y el lenguaje gestual, básico (cada día menos texto y más imagen), para acabar con unas conclusiones de las ideas defendidas y una bibliografía actualizada. 29. Nota biográfica del autor para utilizar en la página web Néstor Hernández Alonso nació en Calzada del Coto (León), estudió Filosofía y Letras en Oviedo, siendo en la actualidad catedrático de Lengua y Literatura Española en I.E.S. "Ordoño II" de León y Profesor Asociado en la Universidad de León, de la que es doctor en Filosofía y Letras. Ha publicado los siguientes libros: El lenguaje de las crónicas deportivas, Calzada del Coto: historia, lengua y toponimia, Donde muere el Roble Mirador, Pasos cortos, La orilla izquierda y En tierra húmeda.
