## Ciputra The Entrepreneur

Gramedia Pustaka Utama HIDUP AKAN TERASA BERAT BAGIMU BILA KAU BIARKAN DIRIMU LEMAH Sejarah hidup kita terbentuk dari rangkaian peristiwa yang kita alami dari tahun ke tahun. Akan tetapi, sejarah hidup seseorang juga dibangun oleh emosi-emosi yang datang dan membentuk diri dari dalam. Saya, Ciputra, ditumbuhkan oleh emosi, dipimpin oleh suara nurani. Saya mencambuk diri untuk berprestasi. Saya harus sekolah tinggi. Seseorang yang miskin sekalipun bisa satu meja dengan orang-orang terhormat bila ia pintar dan berpendidikan. Sekolah setidaknya akan membuat saya layak berada di tengah orang-orang yang dihargai. Sekolah kehidupan tak akan pernah ada tamatnya, sampai kita menutup mata. Kita tak pernah tahu apa yang akan terjadi di hari esok. Jika kita berpikir bahwa orang sukses telah mencapai segenap keberhasilan hidup, itu tak benar. Hidup adalah pertarungan tiada henti. Diri kita adalah orang pertama yang harus ditaklukkan. Dan sepanjang berjuang, saya tak pernah mengenyahkan keyakinan kuat bahwa di atas segalanya adalah Tuhan yang mengatur segalanya.

## Menjemput Keberuntungan

Gramedia Pustaka Utama
""Semua tulisan dalam buku ini berangkat dari sebuah asumsi pokok: tiap orang diciptakan luar biasa, namun keluarbiasaan itu tersembunyi di dalam dirinya karena berbagai sebab. Untuk mencuatkan keluarbiasaan itu, ia harus mengenal dirinya dan sadar akan Penciptanya. Seperti dua frasa yang terkenal dari kaum cerdik cendekia, [barang siapa mengenal dirinya, mengenal Penciptanya] atau [yang mengenal Penciptanya, mengenal dirinya]. Dalam buku ini terdapat sejumlah contoh konkret dari orang-orang biasa yang telah menemukan keluarbiasaan dalam diri mereka. Saya mencoba memetik kiat sukses dari orang-orang yang beruntung tersebut. Diantara mereka ada yang masih cukup populer hingga saat ini, misalnya Ir. Ciputra, Prof. Yohanes Surya, Tukul Arwana, Anya Dwinov, Dahlan Iskan, Agus Martowardojo, Zulki?i Zaini, Jokowi, dan Ahok. Ada juga kiat yang saya ambil dari penulis luar negeri seperti Stephen R. Covey, Anthony Robbins, Brian Tracy, Paul G. Stoltz, Clayton M. Christensen, dan Oprah Winfrey. Bahkan beberapa saya ambil dari karya klasik Dale Carnegie, Napoleon Hill, Yusuf, Elifas, Ayub, dan Gajah Mada. Doa saya, Anda mendapat manfaat dari buku ini. Buku yang ditulis untuk Anda.""

### Bayu Satya to Save The Sea (English)

Gramedia Pustaka Utama OSCT Indonesia is a company established in 2011 by Bayu Satya based on his concern about oil spill disasters in the seas. Before that, this entrepreneur from Palembang, South Sumatra, had been involved for decades in the world of manufacturing oil spill response equipment with the brand Slickbar Indonesia. The idea for establishing OSCT Indonesia was motivated by the reality that many companies are not able to buy, store, and operate oil spill response equipment in their operational headquarters. Even though, the risk of oil spill disasters is always lurking when not expected. An oil spill disaster in the seas creates a chain of terrible impacts that are so destructive. The environment is damaged, marine life is exposed to poisonous chemicals, and human health is also threatened because the fish have been contaminated with dangerous poisons. OSCT Indonesia in the period of almost a decade since it was established has undertaken a series of brilliant achievements in saving the seas from fierce oil spills. Their reputation in Indonesia and abroad can make everyone proud. This book is an interesting record which is brief yet complete about how this concern was born in Bayu Satya, how he began the struggle to build this industry in Indonesia, how he then has played many roles in the international scene, as well as all the twists and turns of this field.

## Social Media and Public Relations

### Fake Friends and Powerful Publics

Routledge Social media is having a profound, but not yet fully understood impact on public relations. In the 24/7 world of perpetually connected publics, will public relations function as a dark art that spins (or tweets) self-interested variations of the truth for credulous audiences? Or does the full glare of the internet and the increasing expectations of powerful publics motivate it to more honestly engage to serve the public interest? The purpose of this book is to examine the role of PR by exploring the myriad ways that social media is reshaping its conceptualization, strategies, and tactics. In particular, it explores the dichotomies of fake and authentic, powerless and powerful, meaningless and meaningful. It exposes transgressions committed by practitioners—the paucity of digital literacy, the lack of understanding of the norms of social media, naivety about corporate identity risks, and the overarching emphasis on spin over authentic engagement. But it also shows the power that closely networked social media users have to insert information and opinion into discussions and force “false PR friends” to be less so. This timely, challenging, and fascinating book will be of interest to all students, researchers, and practitioners in Public Relations, Media, and Communication Studies. Winner of the 2016 NCA PRIDE Award for best book

### Footsteps

Penguin As the world moves into the twentieth century, Minke, one of the few European-educated Javanese, optimistically starts a new life in a new town: Betawi. With his enrollment in medical school and the opportunity to meet new people, there is every reason to believe that he can leave behind the tragedies of the past. But Minke can no more escape his past than he can escape his situation as part of an oppressed people under a foreign power. As his world begins to fall apart, Minke draws a small but fervent group around him to fight back against colonial exploitation. During the struggle, Minke finds love, friendship, and betrayal—with tragic consequences. And he goes from wanting to understand his world to wanting to change it. Pramoedya's full literary genius is again evident in the remarkable characters that populate the novel—and in his depiction of a people's painful emergence from colonial domination and the shackles of tradition.

## Bankers

iUniverse NISP BANK In the waning days of Dutch rule over Indonesia, a poor Chinese merchant bought the license to a bank named NV Nederlandsch Indische Spaar en Deposito (NISP) paid by his assets to the last pennies., and ran the bank successfully. By tradition, he was obligated to express his gratitude for the fortune by paying homage to his ancestors burial place in China. His return to Indonesia, however, was hindered for a long 16 years. The responsibility for the bank, which had been ruined by senior managers' embezzlement, fell to his son-in-law, Karmaka, a teacher with only a high school degree. Through die-hard determination, and a noble personality of respect to elders, true to his words, fair play with enemies, and compassion to the meeks, Karmaka overcame incredible calamities, including the national economic turmoil of 1960 and the Asian economic crisis of 1997, and grave threats to his health that resulted in risky liver and kidney transplants. Karmaka and his resourceful wife not only kept NISP alive and thriving, but also molded the character of their five children, two of whom became the bank's executives. A solid partnership with IFC-World Bank Group and OCBC Bank of Singapore has paved the way for NISP, recognized as the sole survivor from the past 70 years of Indonesian private banking history, to rise even further in the new millennium. "It has been really a pleasure and privilege to have Pak Karmaka as a very good friend and reliable partner for many years. We greatly admire his strong determination in saving as well as rebuilding Bank NISP and guiding the merger of OCBC and NISP. We have full confidence that our partnership in Bank OCBC NISP will be a truly successful one. - Mr Lee Seng Wee, former Chairman,OCBC Bank Group." In December 2009, the Indonesian government appointed him to be the CEO of an ailing state-owned electrical company, PLN. Rather than demanding CEO perks, he drives his own car, lives in his own house, and asks for no bonuses (2). Dahlan is a civil servant with a golden heart. His appearance is unassuming, very simple and easy going. As a fellow liver transplant patient, Karmaka visited him to share how to care for a new liver, but Dahlan ended up discovering Karmaka's amazing life story. ## Jazz, Perfume and the Incident

In Jakarta's gleaming center a man and a woman watch each other from adjoining skyscrapers. The man, a journalist, has on his desk reports he doesn't dare publish of a massacre in East Timor. He contemplates the demands of truth and confronts the split in his world between a sophisticated urban life where the women waft by in signature perfumes, and the primitive oppression of Indonesia's army state in East Timor. Only jazz mediates. A music of raw emotion and powerful refinement, urbane yet born in the growl and moan of generations of slaves, jazz is not literal, but absolutely true. So too this novel, which defied Indonesia's regime of censorship and made available, in its pages, the heavily censored reality that journalists dared not report. In "Jazz, Perfume and the Incident," Seno Gumira Ajidarma combines the surreal and the actual in a way that forever changed Indonesian literature and political discourse.

## The Authorized Biography of Abdurrahman Wahid

Equinox Publishing In October 1999, Abdurrahman Wahid, almost blind and recovering from a nearfatal stroke, was elected as Indonesia's fourth president. Referred to as 'Indonesia's surprising new president' by the Economist, the man who had commanded the highest respect of his fellow countrymen for his lifetime devotion to public service, liberal democracy and tolerant Islam, was impeached in humiliating and controversial circumstances less than two years later. Wise to some, insolent to others, Abdurrahman's mercurial style of leadership constantly confounded critics and ultimately caused him to be widely misunderstood by both domestic and international observers. For the first time, biographer Greg Barton delves beneath the surface and gives us a unique insight into the man and his world drawn from his long relationship with Gus Dur - including being at his side during the final extraordinary months of the presidency. Those interested in the drama of modern Indonesian politics will find this book provides a fascinating and invaluable account of the enigmatic Gus Dur.

## Journalism and Politics in Indonesia

### A Critical Biography of Mochtar Lubis (1922-2004) as Editor and Author

Routledge Mochtar Lubis was one of Indonesia's best-known newspaper editors, authors and cultural figures, with a national, regional and international prominence that he retained from the early 1950s until his recent death in 2004. This book traces the major events in the life of Mochtar Lubis, which is also a prism through which much of Indonesia's post-independence history can be interpreted. This book is also the story of Indonesia in the second half of the twentieth century, when the people of the archipelago became an independent nation, and when print media and the influential figures who controlled and produced newspapers, played a pivotal role in national political, educational and cultural life, defining Indonesia. Editors with strong personalities dominated the industry and sparred with the nation's leadership; Lubis was a vocal critic of the abuse of power and a thorn in the side of the country's first two presidents, becoming synonymous with combative journalism. Under both Sukarno and Suharto, Lubis had his newspaper closed down and was imprisoned. As the only comprehensive biography of this towering figure, the book provides a unique insight into the history and development of media, literature and the political system in Indonesia.
