They've tried those other couples devotional books, but sharing Bible study and prayer time together just doesn't come naturally. And when these sharing times seem awkward and manipulated, many couples put the book back on the shelf and simply go on as they were before. If this sounds all too familiar, Made to Be Loved is the sip of cool water for your thirsty marriage. Steve and Valerie Bell encourage couples to go beyond treating the symptoms of a marriage that lacks spiritual intimacy and go straight to the root of the problem. The real disease that threatens marriages is spiritual distance from God. According to the Bells, "when a husband and wife invite God into their marriage, their perspectives change. Hearts are softened, expectations become more realistic, sexual relations take on a soulful sweetness, even fights get better!" Take your marriage to the next level with the help of Steve and Valerie Bell. Develop a deeper love relationship with you God, and in doing so, create a whole new atmosphere in your marriage. **How to Have a Personal Relationship With God** Wendy Stefano "How to Have a Personal Relationship with GOD" is written to Christians and non-Christians alike in an effort to reach those from all walks of life, regardless of religious persuasion. Owning and using the components of intimacy is how relationships maximize. God invented intimacy for his relationships with those who love him, both male and female, whom the Bible calls the bride of Christ. He created marriage after that same pattern, so couples could experience both spiritual and human intimacy using the same principles. God made people in His image, and the root meaning of the word image in the Bible is shadow. Marriage is the image, or shadow, of God's relationship with his church. This workbook has simple, down-to-earth instruction for building intimacy with God, and with your spouse, based on the relationship-building pattern found throughout the Bible. The centerfold of this workbook is a diagram entitled A Shadow Named Marriage©. It illustrates God's relationship-building pattern, and each chapter in the workbook explains one of the pattern's steps. Grasping each chapter before going on to the next is important. Preview the centerfold diagram before using the workbook to see which steps you have experienced with God on the spiritual part of it. Do the same for your marriage on the physical part. Referring to it often will help you benefit from each chapter. Intimacy needs ownership and focus, thus the famous slogan, "into-me-see". Intimacy delivers more pleasure than fantasy because it is real and owns the ultimate power of truth. Relationship requires involvement and this workbook requires reader interaction. Chapters are intentionally short; readers finish the book with their own life details. Scripture is more than history; it has eternal principles which God personally brings to life for everyone who truly wants his help. He made intimacy without limits, allowing continuous improvement for everyone who chooses to follow Him there. Intimacy begins by you becoming the passionate bride of Christ, the spiritual model of the earthly marriage you long for... whether you are married or not. This is true because God is the author of intimacy, and because he already wants intimacy with you. Therefore, it is now your response to his love that is the key to you having intimacy in that relationship. Intimacy within marriage takes more time and work, because both partners are only human. However, developing intimacy with God shows you how God designed relationships to work. Once both spouses have growing intimacy with God, their intimacy as a couple has divine power to multiply, as you will see. Intimacy becomes a way of life, with never-ending opportunities for increase. Whatever is valuable has a counterfeit, which is not valuable. Real relationships are valuable, whereas shallow interactions are counterfeit. Intimacy is valuable, whereas fantasy and lust are counterfeits. God is eternal, and the things of God own the power of endurance and increase. Following God's relationship-building pattern aligns you to receive the power that he, the author of intimacy, reserves for it. Doing something else simply cannot access this power. Intimacy has an anatomy, and God wants you to have it. It is okay if you know nothing about God or the Bible. This workbook introduces you to what he is like and what he has to say. Please visit our Internet website [www.intimateanatomy.com](http://www.intimateanatomy.com) for more information about getting to know him personally. For now, get ready to receive some good news. We still use this workbook ourselves because the truths in it are timeless. Couples we have counseled found this workbook very helpful for building intimacy and we believe your relationship will greatly benefit as well. It is time to discover the components of Intimate Anatomy. **Relationship Foundations** WestBow Press Relationship Foundations is a seven-week guide for young adults to learn and apply the fundamental principles crucial to building a healthy foundation for their most important relationships. At the very moment that you wholeheartedly surrender everything to the Lord Jesus Christ, the old things pass away as you become a new creature and are truly set free from the bondage and dominion of sin. But salvation isn't the end, it's only the beginning. It's an entryway into the process of sanctification, which is the means through which every Christian becomes transformed into the very image of Jesus. Following the path from salvation to sanctification can only be done under the guidance of the Lord, and His guidance is only made totally available to those who are close to Him. This means that having a relationship with the Most High God is His intention for you; it's the reason He extended His grace toward you in the first place. This book will show you how to navigate from salvation into service, and from there, into sanctification by enlightening your understanding of what it means to be spiritually mature. This book will take you through the truths of Scripture and reveal God's will for your life to you. It will show you how to develop an intimate relationship with God by making you aware of your responsibilities in your interactions with Him and by showing you how to keep them through the practical application of the Word to your everyday life. **Lady in Waiting Developing Your Love Relationships** Destiny Image Pub This is not just another book for single women! Often when believers attempt to worship outside of a church meeting in their own individual "sanctuary", they find themselves repeating the same thing over and over or using religious jargon learned in church. They end up feeling like their words are not enough to express to God how they really feel. In God, I Don't Have Words, Bennett Smith takes you through a simple 21-day process to develop a personal love language that will produce a strong intimate relationship with God. It will also produce a greater awareness of God's presence and voice. Through the 21-day process, you will discover your worth and get a handle on any self-esteem issues, if any. You will also discover that God answers many questions even though you have not asked Him directly just because you take the time to worship. Yes, prayer is key, but there are times when God is yearning just to be with you, without your hand out looking for something. That is when true intimacy begins, when it is not about you but all about Him. GOD, I DON'T HAVE WORDS will help you to build trust, faith, and love for the Father and love for "self" that will be shown in love for others. While you can read this book in one day, Bennett Smith has deliberately written 21 short journal type entries so that at the end of each entry, you will have an assignment to complete that day. Out of it comes a discipline to spend time with God daily. It won't be because you have to spend time with God, but it will be voluntary "want to" developed in your nature and character to go hard after the Father as He is going hard after you. Bennett C. Smith has served in the ministry for more than thirty-seven years, making the gospel message come alive in practical ways. He serves as Senior Pastor of Legacy Church International and Bishop/President of Legacy International Fellowship of Ministries. He is an international speaker, ministry life coach, entrepreneur, church planter, and author. He is best known for his simple style of teaching with humor and practical demonstration that brings his teaching to life and engages the audience. Healing and miracles often follow his ministry. His greatest passion is teaching and serving leaders in ministry and business using biblical truth to produce success in their endeavors. He lives by one principle which is the foundation for everything he does: Change your thinking, change your living! **How to Make God Fall in Love with You A Weekly Process for Developing a More Intimate Relationship with God** Theodiam Publishing House This week by week; step by step book is designed to help with developing a more intimate relationship with GOD. They know that this is of paramount importance, the one thing needful. But instructions given by pastors usually have to do with prayer for others or prayer for oneself. Rarely does one hear instruction on how, specifically, one can nurture and deepen ones relationship with Jesus. This is the challenge that Alex Aronis has taken up in his book, Developing Intimacy with God Anchored on the spiritual classic The Spiritual Exercises of St. Ignatius, Alex has made the necessary adjustments to this sixteenth century text to maximize its contribution for modern readers. Thus, the book serves as a personal spiritual guide. It can be used for individual or group use and coaches the prayer over an eight-week period through a series of interactive prayer exercises. Aronis writes, "For disciples of Jesus, nothing in this world is of greater importance than experiencing intimate communion with Christ. It is our greatest privilege to know Jesus personally, and to let God love us as we commune with him on a daily basis. Developing Intimacy with God will teach you how to do that." **Time Out for Foreplay: This is Not a Rehearsal An Intimate Relationship with God** AuthorHouse Terrie M. Searching for love and intimacy in all the wrong places and in all the wrong people. Can someone explain to me, what love really is? Love conquers all fears...fear of growing old, fear of being left alone, fear of not experiencing true love. How can we identify with our self, without loving our self in someone else or something else? Whether it is sex, money, shopping, food and vacations, etc... Frequently we get the teaching putting on the whole Armor of God but seldom do we ever hear how to crucify the flesh when one is broken-hearted and frustrated in every way possible. This book attempts to address plots of the devil while uncovering what true love is and the importance of having an intimate relationship with God. **Intimate Encounters Communing with God and Becoming His Word** Pursuing and developing a deeper intimacy with our Heavenly Father is exactly where He wants us. In order to develop an intimate relationship with anyone, consistent and meaningful conversation must take place. One of the most powerful ways to commune with God is to embrace His Word on a personal level and begin to understand who He says we are and how much value He has placed on our lives. It's one thing to read through the Scriptures, but for me they really came alive in my life when I personalized them and started speaking them back to my Father in more of a dialogue. During this time, God revealed to me that it is not His will that I know His Word but rather become His Word. Going through the scriptures and embracing them as your identity is critical in becoming His word. Thank you for coming along side of me and embarking on this great adventure of knowing God and letting His Word become flesh in our lives. Enjoy spending time with God as you go through these volumes and posture your heart to increase your intimacy with your Father and our Lord Jesus Christ. Many blessings to you!
