How do I record a range of instruments? How do I record, mix and master a track? How do I use MIDI for sequencing and arranging? This book tackles all these questions and more, and is a complete beginner's guide to recording, mixing and mastering music. It is an indispensable resource for anyone studying or interested in music technology, and those wishing to create their own professional-quality recordings. Fully illustrated throughout, diagrams and photos provide step-by-step guides to using your equipment. It includes tips and hints on polishing your recordings and making sure your sessions run smoothly as well as 'test yourself questions' and 'projects' at the end of each chapter and a full glossary explaining all technical terms and concepts. "Finally a reference book which is not aimed at any specific exam course but addresses the complexities of Music Technology in a student friendly manner. Not only an excellent new reference tool for students, it will also be of great use to the many music teachers who are starting out teaching this subject, and to the keen amateur who produces music at home." - Ingrid McLean, Subject leader for Music, Hanham High School, Bristol "A reader-friendly approach to dealing with previously complex explanations of technology; presenting clear passages of text and colourful diagrams. The most impressive part of the book is its ability to appeal to a wide variety of readers, both in terms of age and ability. Many of the chapters would be of interest to those who are either starting their career, want to brush-up on their understanding or would like to further engage with their hobby." - Daisy Sunda, PGCE music student, Oxford Brookes **Pearson Edexcel A level Business Hachette UK** Ian Marcouse's accessible and engaging textbooks brought together in one updated volume covering everything your students need to know for the Pearson Edexcel A level Business specification. - Breaks content down into short, clear chapters - covering all topics in the depth students need - Updated business examples throughout the text and in end of unit case studies bring the subject to life - A range of questions and activities provide students with the opportunity to apply what they know and practise questions - Builds students' confidence with key terms used in context and compiled in an accessible glossary - Supported by an Answer Guide to assist teaching and save time This Student Book has been endorsed for use with the Pearson Edexcel A Level Business qualification. **WJEC/Eduqas Media Studies for A Level Year 1 and AS** Endorsed by WJEC/Eduqas, this Student Book offers high quality support you can trust. Written by experienced Media Studies teachers and examiners, this engaging resource will encourage your students to become confident, independent learners and develop their skills as Media students.// All areas of the specification are covered and supported by numerous highly-illustrated examples taken from the set products and optional choices. // The theoretical framework underpinning media studies is explored and applied to a range of media forms and products. // A dedicated chapter on the Non-Examined Assessment element of the specification provides clear guidance on how students will be assessed. // Exam guidance sections introduce students to practice questions and the assessment objectives helping students with the skills they need for assessment. // Extension tasks will help to stretch and challenge higher ability students. // The book supports students taking Media Studies for the first time, as well as those who are progressing from GCSE. **AQA**
