Que Publishing Discusses all aspects of digital music, including navigating Internet radio, determining the best audio file format, creating playlists, and sharing music through social media outlets.

Outside Innovation

How Your Customers Will Co-Design Your Company's Future

Harper Collins How dynamic businesses of every size can unleash innovation by inviting customers to co-design what they do and make. Reading line: The 8 Roles Customers Play in Trend-Setting Companies The refrain is familiar for Patricia Seybold in her journeys as a top technology and management strategist: "I want our company to be acknowledged as the most admired and most customer-valued in our industry and to be recognized as the company that has forever changed the way things are done." "How can we become the Google of banking?" "How can we be the eBay of software?" "I want to be the JetBlue of manufacturing." "How can we become the undisputed trend-setter in our industry-with a competitive bar no one can topple?" In Outside Innovation, bestselling author Seybold taps her close relationship with dozens of high-innovation companies to reveal the untold strategy behind the trendsetters and the next HUGE leap forward in customer strategy. Seybold shows that companies that are dominating their category and staying ahead of the pack are collaborating at every level of their business with their customers.

Apple and Rain

A&C Black When Apple's mother returns after eleven years of absence, Apple feels whole again. She will have an answer to her burning question - why did you go? And she will have someone who understands what it means to be a teenager - unlike Nana. But just like the stormy Christmas Eve when she left, her mother's homecoming is bitter sweet, and Apple wonders who is really looking after whom. It's only when Apple meets someone more lost than she is, that she begins to see things as they really are. Like a brilliant hybrid of Cathy Cassidy and Jacqueline Wilson, Sarah Crossan entices you into her world, then tells a moving, perceptive and beautifully crafted, Carnegie Shortlisted story which has the power to make you laugh and cry. Shortlisted for The CILIP Carnegie Medal in 2015.

Eric Ravilious

Downland Man

Art of "X-Men 2"

The X-Men are back in the cinema. **Wolverine, Professor X, Cyclops, Jean Grey** and the rest of the team return in **X2**, facing a new threat so dangerous that former enemy **Magneto** must join their ranks to defeat it.

Wireless All In One For Dummies

For Dummies Link up, connect, or create a network-with no wires attached! With such an amazing abundance of electronic devices available in our daily lives, wouldn't it be nice to eliminate getting wrangled by all those wires? With this guide by your side, a team of technical authors walks you through creating a network in your home or office-without the expense and hassle of stringing cable or paying a network administrator. Eight self-contained minibooks answer your questions about wireless devices and wireless networks and address everything from hardware security to wireless hobbies and GPS. Clear, step-by-step instructions show you how to link your TV, computers, PDAs, laptops, TiVo, and sound systems to your wireless network. Discover how to configure networks and create a completely wireless environment Incorporate various hardware into your wireless network, such as notebook computers, handheld devices, sound systems, and printers Tackle common security issues and best troubleshooting practices Learn all the basics of wireless computing and how to make it work for you With this book, it's easier than ever to create an office or home network on a Windows platform. Don't be a bird on a wire-become a part of a wireless world!

Forever Burn

Tatum Everley is a freshman at Western Michigan University. Due to an emotionally and psychologically abusive past relationship, Tate struggles from Complex-Post Traumatic Stress Disorder. She has been working on controlling her symptoms and flashbacks, but when she meets Axel Burne at a fraternity party, who is notorious for sleeping around and getting into fights, she tries her best to dodge the bullet. Axel starts to become intrigued by Tate, but she's better off choosing Lucas- the sweet guy who has been trying to take her out since orientation. But even though Lucas is the better option, Axel keeps reappearing. Tate continues to try to stay away from him, but it starts becoming harder to, and as she gets closer to him, things start to get way out of hand. If Tate wants her happy ending and her sanity intact, then she has to push through the hardships and maintain control over her disorder.

Sissy Dreams: From Boyfriend to Girlfriend

Paul Zante Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Tricks of the Podcasting Masters

Que Publishing Have you figured out the basics of making a podcast, but now want to make a great podcast, and possibly make some money? **Tricks of the Podcasting Masters** holds the answers to questions such as: How do I interact with listeners and get them to come back next week? How do I conduct a great interview over the phone? How do I attract sponsors? How do I stay motivated? The authors share their experiences with the 'casts they've produced regularly since podcasting began, including "podCast411" and "Geek Fu Action Grip," and draw from more than 100 interviews with podcasting's stars. With this book, you will be able to take your craft to the next level and create a business around your podcasts.

The Audubon Magazine

Pocket Genius: Cats

Penguin Find out about more than 70 cat breeds, including their origins and characteristics, in this pocket-sized encyclopedia. This cat-ologue packs a whole lot of information into your pocket! Along with a photo of each breed, discover the facts and stats of each cat, including its size, where the breed originated, colors and markings, and unusual features or behaviors. You'll soon be able to tell apart a Burmese from a Siamese; a rex from a sphynx and a manx; and an American shorthair from a British shorthair. You will also discover a lot about colors and patterns. Did you know that tabby cats and tortoiseshells are not breeds, but colors within breeds? Plus there are pages introducing cat anatomy and behavior; and the book finishes with fun facts. The style of the **Pocket Eyewitness** series is perfect for all children, from reluctant readers who can easily digest the key points through to budding vets and cat-lovers who want to know more about the best pets on the planet. **Cats with facts: what more could anyone want?**

Cuba: Music and Revolution

Original Album Cover Art of Cuban

Music: The Record Sleeve Designs of Revolutionary Cuba 1960-85

Spanning Cuban music from rumba to salsa, and graphic styles from socialist realist to geometric abstraction, this volume of Cuban record cover art traces a musical form in constant revolution. The first ever book about Cuban record sleeve design, compiled by Gilles Peterson and Stuart Baker, *Cuba: Music and Revolution* features hundreds of rarely seen vinyl records from the start of the Cuban Revolution at the beginning of the 1960s up until 1985, when Cuba's Special Period, brought about by the dissolution of the Soviet Union and the withdrawal of Russia's financial support for the Cuban government, led to the demise of vinyl-record manufacturing in Cuba. The artwork here reflects both the cultural and musical depth of Cuba as well as the political influence of revolutionary communism. Over the past century, Cuban music has produced a seemingly endless variety of styles--rumba, mambo, son, salsa--at a dizzyingly fast rate. Since the 1940s a steady stream of Cuban musicians has also made the migration to the US, sparking changes in North American musical forms: bandleader Machito set New York's jazz and Latin scene on fire, and master drummer Chano Pozo's entry into Dizzy Gillespie's group led to the birth of Latin jazz, to name just two. After the Cuban Revolution in 1959, the new government closed American-owned nightclubs and consolidated the island's recording industry under a state-run monopoly. Out of this new socialist agenda came new musical styles, including the Nueva Trova movement of left-wing songwriters. The 1980s saw more experimentation in modernist jazz, salsa and Afro-Cuban folkloric music. Generously illustrated with hundreds of color images, *Cuba: Music and Revolution* presents the history of Cuban record cover art, including many examples previously unseen outside the island itself.

Alphabeatz

Graffiti Alphabets from A to Z

Promopress Graffiti writing was born in the streets of Philadelphia in the late 1960s. But it was in New York in the early 1970s that it became a full-fledged urban art, gradually taking over the landscape of the city, from its walls to its subway cars. This is a writing manual, a detailed examination of how graffiti writers have developed the twenty-six letters of the alphabet. It includes the contribution of ten of the international scene's most talented creators answer Woshe's questions about matters that include their practice, their relationship with letters and their backgrounds. It includes a map of New York with the sites where the most important

graffiti are located.

The Armour

Bloomsbury Publishing Because power is fragile, it requires you naked. That is why the most powerful people in the world have sex in hotels. In fact, having sex in the best hotels makes you powerful. It doesn't matter how good the sex is, only how good the hotel is. Featuring three duologues, set in 2015, 1970 and 1981, all within the walls of London's Langham Hotel, *The Armour* is a site-specific drama about the lasting and changing effects of empire. The play received its world premiere at The Langham Hotel, in a promenade production, on 3 March 2015.

Economic Botany

S. Chand Publishing For The Students of B.Sc. , M.Sc. and Competitive Examinations

The Nobility of Failure

Long recognized as a core book in any study of Japanese culture and literature, *The Nobility of Failure* examines the lives and deaths of nine historical individuals who faced overwhelming odds, and, realizing they were doomed, accepted their fate--to be killed in battle or by execution, to wither in exile, or to escape through ritual suicide. Morris then turns his attention to the kamikaze pilots of World War II, who gave their lives in defense of their nation in the full realization that their deaths would have little effect on the course of the war. Through detail, crystal-clear prose and unmatched narrative sweep and brilliance, Professor Morris takes you into the innermost hearts of the Japanese people.

The Numinous Legacy

Modern Cosmology and Religion

Albatross Press Ltd Where is God in the universe if anywhere? Why did God make germs? Why should we be so special? Could the universe have been different? This is a book that brings home, in no uncertain fashion, the discrepancy between the universe envisaged by the ancient sages and prophets and that of modern scientific cosmology, where the possibility of divine intervention looks less and less likely. Butchins demonstrates with clarity how the scientific method may be used, despite certain drawbacks, in an attempt to verify objective truth. It describes how the effect of the Copernican Revolution in the seventeenth century has steadily undermined the basic structure of the three great monotheistic religions of our day, Judaism, Christianity, and Islam, especially with respect to their

eschatological concepts. The Eastern religions, being less anthropomorphic, are less affected. The theistic argument from design is shown to be powerful enough to have caused disagreement among present-day scientists, in spite of the strictures of Professor Dawkins. In general, the book attempts to make some sense of the structure of the universe in terms of our own consciousness; it behoves the reader to consider tha

BE RICH AND HAPPY.

Easy Anglo 1-2-3

A Beginner's Guide to the Anglo Concertina

Createspace Independent Publishing Platform For beginners on the Anglo concertina, this book includes 35 tunes in easy-to-learn tablature. Starting off with simple tunes on 1-row, then tunes for 2-row 20-button instruments and finally tunes for 30-button Anglos. Single note, harmonica, octave, harmonic and Irish styles are presented with the same simple tablature system used in the author's other books to show which buttons to play along with the melody in standard musical notation.

English Grounds

A Pastoral Journal

SCM Press In this journal of short, lyrical reflections, Andrew Rumsey takes the reader on an exploration of faith, place and identity. Focusing on the author's home in Wiltshire, as he arrives to take up an ancient role in a testing time, English Grounds is both an affirmation and critique of this country's Christian heritage. Together the essays challenge us to think more deeply about the place of the Church in the consciousness of the English, and the place of England in the consciousness of the Church.

German Army Uniforms of World War II

A photographic guide to clothing, insignia and kit

Bloomsbury Publishing In the years after World War I, the defeated and much-reduced German Army developed new clothing and personal equipment that drew upon the lessons learned in the trenches. In place of the wide variety of uniforms and insignia that had been worn by the Imperial German Army, a standardized approach was followed, culminating in the uniform items introduced in the 1930s as the Nazi Party came to shape every aspect of German national life. The outbreak of war in 1939 prompted further adaptations and simplifications of uniforms and insignia, while the increasing use of camouflaged items and the accelerated pace of weapons development led to the appearance of new clothing and personal equipment. Medals and awards increased in number as the war went on, with grades being added for existing awards and new decorations introduced to reflect battlefield feats. Specialists such as mountain troops, tank crews and combat engineers were issued distinctive uniform items and kit, while the ever-expanding variety of fronts on which the German Army fought - from the North African desert to the Russian steppe - prompted the rapid development of clothing and equipment for different climates and conditions. In addition, severe shortages of raw materials and the demands of clothing and equipping an army that numbered in the millions forced the simplification of many items and the increasing use of substitute materials in their manufacture. In this fully illustrated book noted authority Dr Stephen Bull examines the German Army's wide range of uniforms, personal equipment, weapons, medals and awards, and offers a comprehensive guide to the transformation that the German Army soldier underwent in the period from September 1939 to May 1945.

The Best Concertina Method Yet

Ashley Pub (Ashley Publications). Easy instructions with over 250 new and old melodies with fingerings; 17 with words; three for both hands; and two easy songs with piano.

Spanish-English Bilingual Visual Dictionary

Penguin This brilliant bilingual book is your one-stop shop for Spanish, packed with more than 10,000 essential words to look up and learn. With each Spanish entry illustrated by an eye-catching visual, language learning has never been easier. You'll be introduced to useful vocabulary arranged by theme across a broad range of subjects, from food and drink to sports

and leisure and travel and transport. Throughout the book everyday items are included and labelled to boost your learning. If you can't find the right words, just use the comprehensive and clear indexes to set you straight in an instant. The Spanish-English Bilingual Visual Dictionary also features an amazing audio app, so you can hear all the words included spoken aloud. Use the book to find all the words and phrases you need, then perfect your pronunciation with the audio assistant. Whether you're studying for exams, off on vacation, or away on business, this is the ultimate dictionary for all aspiring Spanish speakers.

Hope's War

Dundurn Kat, a gifted fine arts student, is horrified to learn that her grandfather is accused of war crimes and threatened with deportation from Canada.

Cracking the DAT

A Father's Love

Harlequin CONGRATULATIONS...IT'S TWINS! The morning Max Stevenson found twin babies on his doorstep, he knew life was about to change.... The millionaire bachelor could barely fasten a diaper, but pledged to care for the children until a true home was found. Then Kaitland Summerville arrived as the new nanny—and Max whispered a silent prayer. Why had the good Lord turned his world upside down? His former fiancée looked more beautiful than ever. Yet her betrayal remained a painful memory. But could this hectic household finally teach Max the true meaning of forgiveness and unconditional love? Welcome to Love Inspired™—stories about life, faith and love that will lift your spirits and gladden your heart. Meet men and women facing the challenges of today's world and learning important lessons about life, faith and love.

Slave Stealers

True Accounts of Slave Rescues: Then and Now

Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told

in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings-- Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

Collected Grimm Tales

This volume contains Carol Ann Duffy's adaptation plus the dramatization by Tim Supple and the Young Vic Company. The plays were produced by the Young Vic, London, in 1994 and 1997. 'Great theatre is as fleeting as it is thrilling. It exists in the spaces between actors and audience and is as elusive and silvery as the paths that wind through dark woods of fairy tales. The great thing about Carol Ann Duffy's re-telling of these Grimm tales is the generous energy with which it enfolds each in its own style. Duffy and director Tim Supple go the whole journey with the brothers Grimm into the bright, warped world of a child's imagination.' *Guardian* 'While a copy of this book would earn its place in the secondary school library, a set, for English or Drama departments, would provide a wealth of stimulating opportunities. Highly recommended.' School Librarian

It's Good to Have the Feeling You're

the Best

Jacaranda **It's Good to Have the Feeling You're the Best** is Tippa Irie's autobiography. It will tell his journey as a teenage making his first disc, his traumas, hopes and dreams and what made him the person and musician he is today.

Paul Kossoff: All Right Now

The Guitars, The Gear, The Music

Matador Affectionately known as 'Koss', Paul Kossoff's playing touched people. It still does today, more than forty years after his sad and untimely death at the age of twenty-five. This authorised biography pays fitting tribute to a much-loved and widely admired musician whose influence and inspiration is still very evident. It's all here: Kossoff's musical childhood, his formative years with Black Cat Bones, forming Free at seventeen, that group's dizzying success, breakup, reforming and dissolution, the solo years, Back Street Crawler - the sessions, the tours and big concerts, the triumphs, the tragedies and the heartbreak - J.P. James takes the reader right there. Over four distinct sections, Kossoff's many guitars and the equipment he used to make them sing are fully documented; a brand-new detailed analysis of Kossoff's distinctive playing style and technique is presented for the first time; a broad overview of Kossoff's creative life draws on the voices of family, friends and fellow musicians; and finally, Kossoff's musical influences, approach to playing and his wider musical interests, hopes and dreams are explored - all drawn from his own words. Cramming so much into his short years, Paul Kossoff left a rich musical legacy, and he is indeed All Right Now. Thoroughly researched and sensitively written, given often in Kossoff's own words and packed with anecdotes from those who were there, musicians and fans alike will enjoy this authoritative and comprehensive biography.
