KEY=TORTS - BAKER CAMERON

Business Torts & Unfair Competition A Practitioner's Handbook Business Torts and Unfair Competition Handbook

American Bar Association *This book first addresses substantive issues, beginning with the changing role of business torts in antitrust litigation and continuing with the extent to which antitrust concepts have been invoked in business tort litigation (focusing on the competitive privilege and the Noerr-Pennington defense). The next chapter surveys the field of unfair competition, followed by an examination of the business torts of commercial disparagement and defamation. Subsequent chapters address interference torts, the common law and statutory torts of fraud and negligent misrepresentation, the field of misappropriation of trade secrets, and recent developments in the area of punitive damages.*

Business Torts

A Practical Guide to Litigation

Amer Bar Assn *This book is a "how to" book on litigating a business torts case. While there are many aspects of litigating and trying business torts cases that distinguish them from other types of cases (personal injury, medical malpractice, or IP, for example), there are no "start-to-finish" guidebooks offering practical litigation advice unique to these cases."*

Book Review

International Handbook on Unfair Competition by Frauke Henning-Bodewig, Ed

The law of unfair competition stands at the intersection between several spheres of law: these include tort law, antitrust law, intellectual property law, consumer protection law and various statutory regimes regulating specific areas of commercial conduct. Given the divergence between the legal traditions of different legal systems, particularly between the common law and civil law based jurisdictions, the organisational structure of this area of the law varies dramatically from country to country. The scope of unfair competition encompasses areas of conduct as diverse as product design, sales, advertising, marketing and other commercial dealings with a trader's competitors, customers, and parties upstream or downstream from the business. While all these legal systems recognise the importance of regulating the behaviour of traders in the marketplace to ensure compliance with their respective ethical norms of fair conduct and honesty, their individual approaches towards responding to these issues depend very much upon the architecture of their respective legal regimes.

Business Torts: A Fifty-State Guide, 2021 Edition

Wolters Kluwer *Business Torts: A Fifty State Guide, 2021 Edition provides the most recent statutory and case law developments on business torts laws for each of the fifty states and the District of Columbia. Practitioner-oriented, and written by leading state experts, each chapter summarizes the variants and developments particular to a specific state jurisdiction. You will find detailed coverage of each state's standards regarding: misappropriation of trade secrets; tortious interference with contracts;*

fraud and misrepresentation; trade libel and commercial disparagement; breach of fiduciary duty; officers and directors liability; conversion; unfair competition, fraudulent transfer; economic loss; and statutes of limitation. The 2021 Edition incorporates recent changes in the law of the various states, including: The Nebraska Supreme Court has recognized the tort of trade libel and commercial disparagement in a long-awaited landmark case. The Missouri legislator amended the Missouri's Merchandising Practices Act to require a consumer bringing a claim under that act to establish that they acted as a reasonable consumer would in light of all circumstances and that the business practice alleged to be unlawful would cause a reasonable person to enter into the transaction that resulted in damages. The Florida Ninth Judicial Circuit has reopened its "Business Court", a division of the Court which handles exclusively business matters. The Business Court was closed in 2017 due to budget constraints. The Hawaii Supreme Court held that a plaintiff may claim equitable tolling for fraudulent concealment. State Laws Included: Alabama, Alaska, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming. Note: Online subscriptions are for three-month periods. Previous Edition: *Business Torts: A Fifty State Guide, 2020 Edition*, ISBN 9781543806908

Business Torts

A Fifty-State Guide, 2022 Edition

Wolters Kluwer Law & Business *Business Torts: A Fifty State Guide, 2022 Edition* provides the most recent statutory and case law developments on business torts laws for each of the fifty states and the District of Columbia. Practitioner-oriented, and written by leading state experts, each chapter summarizes the variants and developments particular to a specific state jurisdiction. You will find detailed coverage of each state's standards regarding: misappropriation of trade secrets; tortious interference with contracts; fraud and misrepresentation; trade libel and commercial disparagement; breach of fiduciary duty; officers and directors liability; conversion; unfair competition, fraudulent transfer; economic loss; and statutes of limitation. The 2022 Edition incorporates recent changes in the law of the various states, including: The South Carolina Supreme Court held that plaintiffs are no longer required to plead special damages for civil conspiracy claims. The Maine Legislature passed a new law restricting an Employer's use of non-compete agreements and subjecting violations of this new law to a \$5,000 fine. The Iowa Supreme Court refused to recognize that a pastor owes a fiduciary duty to a plaintiff, as the Court would have to refer to church doctrines and practices in making that assessment, which the Court held was beyond their authority. The 6th Circuit Court of Appeals

held that the Uniform Voidable Transactions Act, as adopted in part by Michigan, allows a creditor to void a fraudulent disposal of property belonging to a person who is liable on a claim. State Laws Included: Alabama, Alaska, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming.

Corporate Counsel's Guide to Unfair Competition

Business Torts: A Fifty-State Guide, 2020 Edition (IL)

Wolters Kluwer *There is a great wealth of diversity in the business tort laws of all fifty states and the District of Columbia. The new 2020 Edition of Business Torts: A Fifty-State Guide helps you quickly assess the merits and pitfalls of litigation in any given jurisdiction allowing you to make the best decisions for your clients. In addition to the very significant differences in the statutes of limitation, other significant differences include: Some states have not recognized a cause of action for negligent interference with an economic advantage. Negligent misrepresentation in one state is limited to claims against persons in the business of supplying information to others. One state recognizes a cause of action for "strict responsibility misrepresentation." Another state recognizes claims of "prima facie tort" for wrongs that do not fit into traditional tort categories. And these are only a few examples of the more significant differences. Previous Edition: Business Torts: A Fifty State Guide, 2019 Edition, ISBN 9781454899600*

Essentials of Trademarks and Unfair Competition

John Wiley & Sons *ESSENTIALS OF TRADEMARKS AND UNFAIR COMPETITION* Full of valuable tips, techniques, illustrative real-world examples, exhibits, and best practices, this handy and concise paperback will help you stay up to date on the newest thinking, strategies, developments, and technologies in trademarks and unfair competition. "This is an extremely well-conceived, clearly written, and authoritative presentation of several related intellectual property disciplines. It will be valuable both to business executives and nonspecialized lawyers. Serious readers should get up to speed rapidly because Ms. Shilling focuses on the real issues in an effective, user-friendly manner." —Robert Goldscheider, Chairman, The International Licensing Network "Dana Shilling has written a work that should be the new, first stop for junior associates or experienced general practitioners alike delving into their first serious engagement with the law of trademark and unfair competition. In a terse but accessible style she has touched on most of the major issues in these developing areas and has done so with a minimum of jargon, 'inside baseball,' and bias in an area rife with vested litigation and economic interests. No other book presently

available fits quite this niche." —Ronald D. Coleman, Partner, Intellectual Property Department, Gibney, Anthony & Flaherty LLP The Wiley Essentials Series—because the business world is always changing...and so should you.

The Entrepreneur's Guide to Business Law

Cengage Learning *The updated 4th Edition of THE ENTREPRENEUR'S GUIDE TO BUSINESS LAW takes you through the various stages of starting a business—from start-up and growth to an initial public offering—while highlighting the legal preparations and pitfalls that go along with them. Packed with practical strategies for managing legal issues, the text presents the essentials on leaving your job, competing with a former employer, contract law, and bankruptcy, as well as on the most current issues like clean energy, e-commerce, and the effects of the recent recession on entrepreneurship. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.*

Policyholder's Guide to the Law of Insurance Coverage

Wolters Kluwer Annotation *The first comprehensive guide to insurance law written from the corporate policyholder's perspective, Policyholder's Guide to the Law of Insurance Coverage provides expert guidance through the labyrinth of legal issues surrounding insuring instruments and underlying claims, plus practical strategies and legal arguments to help you secure coverage for contested claims. Policyholder's*

Guide addresses virtually every insurance-related legal issue you are likely to encounter in the regular course of business, as well as those issues unique to specialized industries or unusual situations including: Liability policies -- Special liability policies -- First-party policies -- Specialty first-party property policies -- Environmental -- Marine and aviation -- Toxic tort -- Copyright claims issues Litigation in insurance coverage disputes. Policyholder's Guide gives you in-depth analysis of the latest court decisions plus current policy language and cutting-edge legal arguments that you may use to advance your case. You also get hundreds of case citations, footnotes, cross-references, checklists and other useful aids to make legal research easy.

Study Guide to John E. H. Sherry, "The Laws of Innkeepers, Third Edition"

Cornell University Press *Here is the new, completely updated and expanded edition of the indispensable handbook used throughout the hospitality industry since *The Laws of Innkeepers* first appeared in 1972. Containing all the legal information essential to the successful operation of modern hotels, motels, inns, bed-and-breakfasts, clubs, restaurants, and resorts, the book has been extensively revised by John E. H. Sherry to accommodate the far-reaching changes that have occurred since the publication of the revised edition in 1981. Sherry, a practicing lawyer and professor of hotel administration, carries over from the highly praised earlier editions detailed information on the rights and responsibilities of host and guest alike. He cites actual cases—ranging from the amusing and the bizarre to the tragic—as examples, and spells out in precise and readily understandable terms exactly what state and federal law says. Broadening the scope of the book to keep up with recent legal developments, the author includes many new case decisions and summaries from various jurisdictions. Three chapters devoted to employment law, environmental law and land use, and catastrophic risk liability are among the highlights of the new material. These new sections present recent rulings and case law on such timely topics as age, disability, and AIDS discrimination, as well as sexual harassment; government regulation of toxic and hazardous substances and hotel and resort development; and acts of God and the Public Enemy and terrorism.*

Handbook of the Law of Torts

Research Handbook on EU Tort Law

Edward Elgar Publishing *The Research Handbook on EU Tort Law focuses on the study of the law of tort/delict/non-contractual liability of the European Union and examines the institutional liability of the EU, Francovich liability, and liability arising from a variety of EU secondary legislation (directives/regulations). The impact of EU tort law on national legal systems is wide-ranging, covering areas such as consumer law, competition law, data protection law, employment law, insurance law and financial services law. It also discusses the potential development of a European culture of tort law and harmonisation. This comprehensive Research Handbook contains contributions from leading authors in their field, representing a cross-section of European jurisdictions. It offers an authoritative reference point for academics, students and practitioners studying or working in this field, but one which is also accessible for those approaching the subject for the first time.*

Research Handbook on Intellectual Property and Digital Technologies

Edward Elgar Publishing *This Handbook provides a scholarly and comprehensive account of the multiple converging challenges that digital technologies present for intellectual property (IP) rights, from the perspectives of international, EU and US law. Despite the fast-moving nature of digital technology, this Handbook provides profound reflections on the underlying normative legal dilemmas, identifying future problems and suggesting how digital IP issues should be dealt with in the future.*

European Private Law: A Handbook Volume II

The present handbook analyzes private law as it evolves in an increasingly integrated Europe. It contains a collection of new essays, including contributions on corporation law, trust, sales law, (fair and unfair) competition law, liability for services, environmental liability, products liability, personal injuries law, and periods of limitation. All essays touch upon policy issues related to the harmonization of private law in Europe. They are designed not only to offer a comprehensive overview of the different topics, but also to contribute to and nourish current controversial debates. This reference book fills a gap in the comparative law literature. On the one hand, it offers quick and easy access to most discussions concerning European private law. On the other, the handbook addresses issues that appear to be largely overlooked by contemporary literature, despite their growing importance. Indeed, it

purports (a) to examine current and possible future developments of European private law as they affect the lives of private, business, and public actors; and (b) to investigate what European private law is and could be, rather than what it ought to be. The handbook is thus not meant to simply describe substantive law, but instead to analyze and compare private law institutions in their cultural and social contexts. Its aim is to show how legal comparison can be used to study not only the evolution of European supranational rules, but also the role and functions European lawyers assign to national rules. Depending on history and geography, these national rules can serve as protective shields, factors of competition, off-springs of an immutable tradition, or a fertile ground for future developments.
