LOOKING FOR HAPPINESS? LOOK INSIDE!

A Farewell to Anxiety

Vezendi Books **Why squander our life - the only one we have - in a permanent state of want and anxiety when we can live a life of abundance and bliss? Why make our happiness depend on externalities when the only truly lasting happiness is inside each one of us? Why sacrifice the happiness we could be enjoying today on the altar of a vague promise of future bliss when we already have everything we need to be happy in the present? In this work, the author shows us how to overcome the two main obstacles to happiness: attachment and anxiety. Readers will see that detachment and the ability to stop worrying are neither gifts of the chosen, nor inborn talents reserved for a few, but skills that can be learned at any moment in life, regardless of our situation. In the first part, we'll focus on attachment to objects and people. We'll see how attachment inevitably leads to fear, and that fear is incompatible with happiness. We'll examine the role of craving and desire, of want and satisfaction, of control and freedom, of possessions and love - and we'll see that precious little is needed to live a happy life. In the second part, we'll delve into what is probably the main cause of unhappiness: anxiety. We'll see that most of the worry that taints our happiness is unjustified because it stems from adversities that only exist in our mind. To understand this reasoning, we'll analyze how we create all our expectations and fears in the present, how we project them into a future that is no less a product of our own imagination, and how we then await with apprehension the arrival of that future in which we have placed our hopes and misgivings. Happiness is not an unattainable dream, not even a future goal we're doomed to pursue forever in vain, but a natural, innate gift we've all been endowed with. We have now, and always have had, all the happiness we'll ever have, but we don't allow it to bloom in our lives because we've unconsciously buried it under an ever-thickening layer of impediments that prevent it from manifesting every day of our life. This book is here to help you find your happiness, but to do so it has to challenge many of the received ideas and dogmas that for centuries have condemned humanity to unhappiness. Please read it with an open mind, and consider with fairness whether the ideas contained herein make any sense for you. When doing so, be honest with yourself and don't let other people's opinions influence your conclusions. Remember that ultimately you are your only judge, and that on your deathbed the opinions other people may have about you will not change the verdict of your conscience about how you lived your own life. Your happiness is in your own hands, and nowhere else, for only you can make it real. Let this book help you drop the ballast of your worries and attachments and glide smoothly through life! The solution is inside: discover it and let the magic happen! Don't wait until it's too late: it's now or never!**

Bow Bells

Livingston Girls

Briana Morgan What if you could become a witch? When my parents shipped me off to an all-girls boarding school, I thought I was in for a boring junior year. The last thing I expected was discovering magic and a secret coven of witches. Although I'd wanted to lie low at my new school, I couldn't deny how tempting it was to join the witches. As I got more involved in the coven, I discovered something else about myself: I had feelings for my roommate, another girl, for the first time in my life. Suddenly, learning magic didn't seem so scary. But nothing exists in a vacuum, and along with becoming a witch, I learned our coven must go up against a witch-hunter. Not only that, but he's the headmaster of the boys' school across town. Now, I have to juggle my feelings for my roommate, my complicated new friendships, my status as a witch... and schoolwork. Maybe this year won't be as boring as I thought. If you're a fan of books by Jen L. Grey, K.F. Breene, and Kelly St. Claire, you're sure to love this urban fantasy.

The Parables of Jesus: A Book of Sermons by J. Wayne McKamie

Lulu.com These exceptional sermons by J. Wayne McKamie are among the most thought-provoking and spiritually challenging that you will find concerning the human application of the parables of our Lord and Savior Jesus Christ. He captures both the divine nature and the human nature of Jesus' words and then points out life-changing lessons from these truths, which, if we truly apply them to our hearts and lives, will make us much better people in the service of our Lord. According to Wayne, his main attempt has been to make these grand sermons live anew in the hearts of the Lord's people. He has said, "They have lived for me; I want them to live for others." This series of sermons can be utilized as a great study tool in gaining a more thorough understanding of Jesus' parables. It is also just an enjoyable read for the spiritually minded!

Brainpicking Robert Kiyosaki: His Key Ideas About Wealth

Raise Your Financial Iq With The Wisest, Most Insightful And Timely Advice On Wealth (Extended Edition)

Hernando Chavez **BRAINPICKING ROBERT KIYOSAKI: HIS KEY IDEAS ABOUT WEALTH RAISE YOUR FINANCIAL IQ WITH THE WISEST, MOST INSIGHTFUL AND TIMELY ADVICE ON WEALTH ABOUT THIS BOOK** The first step to getting rich is defining the problem. "The first thing we need to do before we can answer that question (how to get rich?) is to define what it means to be rich," Kiyosaki says. "We are so used to thinking of being rich as having a lot of money, but I want you to think of being rich in terms of self-satisfaction and happiness. What is important for you? Is it traveling around the world? Is it having enough money so that you don't have to worry about where your next meal is coming from? Is it winning an Olympic gold medal? Or just buying your dream car or house?" Once you've defined what will make you happy, then set goals around attaining those things. "When people ask me how much money they should save each month," Kiyosaki says, "I tell them 'as much as possible.' It's not about saving some fixed amount like \$1 million or \$2 million—it's about saving whatever amount enables them not only to achieve their financial goal, but also live their dreams." **CONTENT** Introduction: How To Get Rich According To Robert Kiyosaki? Who Is Robert Kiyosaki? What Is Robert Kiyosaki's Definition Of Wealth? How Has Wealth Evolved Over The Years? Why Do The Poor And Middle-Class Work For Money? Why Do The Rich Have Money To Work For Them? How Does Passion Lead To Wealth According To Robert Kiyosaki? How Fear Leads Employees To Exploit Themselves? Why Does Robert Kiyosaki Think That Saving Is Only Found In The Poor And Middle Class? Why Do The Poor Only Have Expenses? Why Do The Rich Pay Less In Taxes? Why Is It So Important To Have Financial Literacy According To Robert Kiyosaki? Why Does Robert Kiyosaki Say The Key To Wealth Is How Much Money You Keep, Not How Much You Make? What's The Difference Between An Asset And A Liability? Why Should You Buy Assets? What Kind Of Assets Do Rich People Own? What Kind Of Liabilities Do Rich People Own? Why Does Robert Kiyosaki Think That Your House Is Not An Asset? What Are The Best Benefits Of Being Wealthy? What Does It Mean To Mind Your Own Business According To Robert Kiyosaki? Why Should You Buy Luxuries Last To Become Rich? Why Do The Rich Invest In Hiring The Smartest Accountants And Attorneys? What Are The Four Key Areas Of Financial Iq According To Robert Kiyosaki? What's The Problem With 'Safe' Investments? **ABOUT THE SAPIENS NETWORK** The content in this guide is based on extensive official research and comes from a variety of sources, mostly from books published by experts who have mastered each of the topics presented here and who are backed by internationally recognized careers. Therefore, the reader will be able to acquire a large amount of knowledge from more than one reliable and specialized source. This happens because we rely only on official and endorsed media. In addition, we also collect information from different web pages, courses, biographies, and interviews, so we give the reader a broad overview of their topics of interest. We have not only checked that the sources of knowledge are relevant, but we have also made a very careful selection of the final information that makes up this guide. With great practicality, we have compiled the most useful concepts and put them in a way that are easiest for the reader to learn. Our ultimate goal is to simplify all the ideas that they are fully understandable and so that the reader can enjoy a pleasant, practical, and simple reading. This is why we strive to provide only the key information from each expert. In this guide, the reader will not find redundancies or unnecessary or irrelevant content. Each chapter covers the essential and leaves out everything that could be deemed as extra or that does not add anything new to the selected concepts. Thus, the reader will be able to enjoy a text where they will easily find specialized information that comes exclusively from experts and that has been selected with the greatest effectiveness.

All That Glitters

Simon and Schuster Driven from the Dumas Mansion back to her beloved bayou, Ruby's only hope is that fate will let her begin anew... Living again in a humble shack, Ruby is determined to make a secure and happy home for her precious infant daughter, Pearl. Paul Tate -- her first love, whom she was forced to abandon -- is at her side once more, now a man of dazzling wealth. When he whisks her into his grand house, it seems their future is assured. As mistress of Cypress Woods, Ruby can forget even the shocking reason she and Paul must wed in a secret ceremony and remain husband and wife in name alone. But the thick, expensive walls of Cypress Woods cannot shut out the terrible memories that have woven their fabric over her destiny, or the cold eyes of Paul's mother, Gladys, reminding Ruby of the secret she must keep to give Pearl a loving father. Then her venomous twin sister, Gisselle, arrives to taunt her with news of Beau Andreas, the true father Pearl has never met, and the only man Ruby will ever long for with all her body and soul, Desperate to find the complete, fulfilling life she craves, Ruby builds a precarious new existence, a flimsy shanty of hope that the first flood washes away. Only when the storm exposes the very blackest evils of the past will she glimpse the rainbow's fragile promise, a morning of sunshine and laughter with a family of her own....
