Then along comes Olivia, a real grifter. She takes Parker for \$300 in a short con, only to give the money back later that same day. Why? She tells him she's got plans for them. From there, it's her game. She brings Parker into a "long con" that she seems to be teaching him in pieces, as each small con leads into a larger one. And Parker knows he is always one step behind as his world is repeatedly turned on its head. Inject a tricky romance, and things get even more complicated. Is he the next target? And if he is, is there anything that this girl has missed that might possibly let him get a step ahead? "If there's one thing you're going to have to learn," Olivia tells him, "when dealing with me? The answers don't always come in the order of the questions." Run - A Getaway Story If we meet Olivia Jane Doe in "The Fiddle Game," then we begin to know her in "Run." Because Olivia had always had a plan. Until now. In fact, her latest high-risk plot now looks like nothing more than a wish list as she finds herself stranded in the most desolate area of Southern Baja with a bag of money she can't risk carrying, a car she's forced to ditch, and an "out" that has been completely burned. The man after her is powerful and has people everywhere. These dire straits will push her to places until now ignored. From her earliest days as a seventeen-year-old "short con operator," to her brief moments of vulnerability in romance, to the vast array of things tragically lost but never mourned, and ultimately to her biggest and most dangerous failures to date that have led to this: raw escape and survival. Unfortunately, this time Olivia is ignorant to the big picture, and to the chain of events that have resulted from her actions. And now she's the one who's a step behind. And she's the one who doesn't see the fit of the puzzle. And if she's learned anything throughout her jaded life on the grift, it's that if there's something she can't figure out, then there's somebody who wants it that way. **Megan's Way World Literary Press WINNER, READERS FAVORITE AWARD: Fiction/Drama WINNER, BEACH BOOK AWARD: Spiritual FINALIST, Next Generation Indie Book Awards: New Age FINALIST, READERS FAVORITE AWARD: Women's Fiction HONORABLE MENTION, NEW ENGLAND FILM FESTIVAL: Spirituality One woman's plight with illness, her daughter's will to survive, and a circle of friends shrouded in secrets.** "Megan's Way...beautiful and tender portrayals...very enjoyable read on the order of a Jodi Picoult novel. Not only a mystery, this is also a love story between Beth and her well-to-do husband, Johnathan. **Olivia Manning A Woman at War OUP Oxford** Olivia Manning: A Woman at War is the first literary biography of the twentieth-century novelist Olivia Manning. It tells the story of a writer whose life and work were shaped by her own fierce ambition, and, like many of her generation, the events and aftermath of the Second World War. From the time she left Portsmouth for London in the mid-1930s determined to become a famous writer, through her wartime years in the Balkans and the Middle East, and until her death in London in 1980, Olivia Manning was a dedicated and hard-working author. Married to a British Council lecturer stationed in Bucharest, Olivia Manning arrived in Romania on the 3rd September 1939, the fateful day when Allied forces declared war on Germany. For the duration of World War Two, she kept one step ahead of invading German forces as she and her husband fled Romania for Greece, and then Greece for the Middle East, where they stayed until the end of the war. These tumultuous wartime years are the subject of her best-known and most transparently autobiographical novels, The Balkan Trilogy and The Levant Trilogy. Olivia Manning refused to be labelled a 'feminist,' but her novels depict with cutting insight and sardonic wit the marginal position of women striving for independent identity in arenas frequently controlled by men, whether on the frontlines of war or in the publishing world of the 1950s. However, she did not just write about World War Two and women's lives. Amongst other things, Manning published fiction about making do in Britain's post-war Age of Austerity, about desecration of the environment through uncontrolled development, and about the painful adjustment to post-war British life for young men. As the author of thirteen published novels, two volumes of short stories, several works of non-fiction, and a regular reviewer of contemporary fiction, she was a visible presence on the British literary scene throughout her life and her work provides a detailed insight into the period. Grounded in thorough research and enriched by discussion of previously unexamined manuscripts and letters, Olivia Manning: A Woman at War is a timely study of Olivia Manning's remarkable life. **Deirdre David integrates incisive critical analysis of Manning's writing with extensive discussion of the historical contexts of her fiction.
