True Insights into the Concept of Khatm-e-Nubuwwat

Islam International Publications Ltd In 1984, the Islamic Government of Pakistan ignored fundamental Islamic decorum by depriving Ahmadi Muslims many of their basic human rights including religious freedom. In an attempt to justify this action, the Government of Pakistan published a so-called White Paper under the title Qadiyaniyyat — Islam kay liyay Sangin Khatrah (Qadiyaniyyat—A Grave Threat to Islam). Although there was nothing new in this so-called White Paper—the objections in which had already been thoroughly refuted in Ahmadiyya Jama'at literature—Hazrat Mirza Tahir Ahmad Khalifatul-Masih IV((rh), the then Imam of the Ahmadiyya Muslim Jama'at, replied to these allegations in a series of sermons. These sermons (in Urdu) were published by the London Mosque in 1985 and the English translation is now being published. Hazrat Mirza Tahir Ahmad delivered this sermon on April 7, 1985 as the concluding speech of the Annual Conference of Jama'at Ahmadiyya UK. It details the profound insight and conviction that the Promised Messiah(as) had in Khatm-e-Nubuwwat. By citing extensively from reputable sources throughout Islamic history, he demonstrates that

the Ahmadiyya belief in Khatm-e-Nubuwwat is fully consistent with the consensus of the Companions(ra) of the Holy Prophet(sa) and the views held by respected Muslim scholars and authorities.

Islam in Historical Perspective

Taylor & Francis Islam in Historical Perspective provides readers with an introduction to Islam, Islamic history and societies with carefully selected historical and scriptural evidence that enables them to form a comprehensive and balanced vision of Islam's rise and evolution across the centuries and up to the present day. Combining historical and chronological approaches, the book examines intellectual dialogues and socio-political struggles within the extraordinary rich Islamic tradition. Treating Islam as a social and political force, the book also addresses Muslim devotional practices, artistic creativity and the structures of everyday existence. Islam in Historical Perspective is designed to help readers to develop personal empathy for the subject by relating it to their own experiences and burning issues of today. It contains a wealth of historical anecdotes and quotations from original sources that are intended to emphasize its principal points in a memorable way. This new edition features a thoroughly revised and updated text, new illustrations, expanded study questions and chapter summaries.

The Outset of Dissension in Islam

Islam International Publications Ltd This is a lecture delivered by Hazrat Mirza Bashir-ud-Din Mahmud Ahmad(ra), second Successor of the Promised Messiah(as). The primary purpose of this lecture was to provide a correct and accurate historical account of the conflicts which arose most prominently during the Khilafat of Hazrat Uthman(ra). In this lecture, Hazrat Mirza Bashir-ud-Din Mahmud Ahmad(ra) has shed light on the life of Hazrat Uthman(ra), his piety and righteousness, and his status in the eyes of the Holy Prophet(sa). Moreover, he has expounded upon the virtues of the companions of the Holy Prophet(sa) and has explained how conflicts actually arose in the early period of Islam. Moreover, he has refuted various allegations levelled against the person of Hazrat

Uthman(ra) and his companions. The lecture is an academic masterpiece of scholarship and explains the events of the era of the third Khilafat in a manner that no other historian has been able to match, be it Muslim or non-Muslim; all this is done in an eloquent, academic, yet simple manner, in the form of an interesting narrative.

It IS About Islam

Exposing the Truth About ISIS, Al Qaeda, Iran, and the Caliphate

Simon and Schuster #1 bestselling author and radio host Glenn Beck exposes the real truth behind the roots of Islamic extremism in Muslim teachings in this sharply insightful handbook that debunks commonly held assumptions about Islam and the dream of a renewed caliphate. From the barbarians of ISIS to the terror tactics of Al-Qaeda and its offshoots, to the impending threat of a nuclear

Iran, those motivated by extreme fundamentalist Islamic faith have the power to endanger and kill millions. The conflict with them will not end until we face the truth about those who find their inspiration and justification in the religion itself. Drawing on quotes from the Koran and the hadith, as well as from leaders of ISIS, Al Qaeda, and the Muslim Brotherhood, Glenn Beck seeks to expose the true origins of Islamic extremism as well as the deadly theological motivations behind these agencies of destruction. Using the same unique no-holds-barred style from his bestselling books Control and Conform, Glenn Beck offers straight facts and history about the fundamental beliefs that inspire so many to kill.

The Decline of Eastern Christianity Under Islam

From Jihad to Dhimmitude : Seventh-twentieth Century

Fairleigh Dickinson Univ Press In this study, Bat Ye or gives an analysis of the dogma and strategies of jihad, offering a vast panorama of the history of the Jews and Christians under the rule of Islam. A pioneer in a virgin field of research for which she has coined the term dhimmitude, the author has included a documentary section illuminating the process of Eastern Christianity s Islamization. In two waves of Islamic expansion, the Christian and Jewish populations of the Mediterranean regions and Mesopotamia, who had developed the most prestigious civilizations, were conquered by jihad. Millions of Christians from Spain, Egypt, Syria, Greece, and Armenia; Latins and Slavs from southern and central Europe; as well as Jews, were henceforth governed by the shari a (Islamic law). A knowledge of this historical background is essential in order to understand contemporary events."

The Ideal Muslimah

Dar-Salam.Org The Ideal Muslimah This an incredibly sane book, which can help a woman (who is truly female), keep her head on straight and not get lost in a very dangerous game where she only stands to lose. Satan will try to convince women that they have the right to challenge the boundaries of their existence. This book more than anything can help a woman became a decent, loving, compassionate and honest person, which is a huge challenge for most people. This is an excellent book to not only have as a reference book, but to read many times. The book covers everything from the relationship to Allah (God), hospitality to Marriage and family.

The Life & Character of the Seal of Prophets - Volume II

A Thematic Commentary on the Qur'an

International Institute of Islamic Thought (IIIT) In a multi-faith world, Islam is widely regarded as dogmatic and exclusivist. Yet in the Qur'an we have a great and worthy example of how to live in diversity, of powerful scriptural tenets that lend themselves precisely to engagement with those of other faiths. As such Islam has much to add to the debate on Religious Pluralism. For Muslims the issue is a delicate one. Aside from being tolerant and respectful of other faiths, advocating freedom of faith, and peaceful coexistence for all humanity, Muslims have to intellectually engage on matters of religious truth whilst defending the validity of their own Islamic tenets. This study is focused on the Qur'anic text. It explores the Qur'anic conception of normative religious pluralism with a view to providing answers to questions such as whether the Qur'an itself regards normative religious pluralism as a value system or simply a method through which the Qur'anic world view can be actualized. In doing so the author corrects some highly controversial misquoted, mistranslated, and/or quoted out of context verses of the Qur'an, including the so-called verse of the sword and the perception of not taking non-Muslims as friends. In reality, the Qur'an calls for freedom of faith and peaceful coexistence, but condemns oppression, religious persecution, and those who initiate hostilities. In this way it not only invokes human dignity, but restores it when it is violated.

The Choice

Islam and Christianity

This book contains a summary of The Bible The Quran and Science 2014 of Dr. Maurice Bucaille, The biography of prophet Muhammad (pbuh), An Islamic prayer book according to Quran and Sunnah, and last but not least is that this book also contains "The Qur'an & Modern Science: Compatible or Incompatible? 2014" by Dr. Zakir Naik and Mr.Faisal Fahim. This is an A to Z book on Islam, Quran, Bible, Torah, Science And it also includes the Islamic prayer book with a biography of the prophet. This book seeks to spiritually unite by highlighting similarities in the texts. It sheds new light and dispels many preconceived ideas in separating what belongs to Revelation from what is the product of error or human interpretation. (The Qur'an & Modern Science: Compatible or Incompatible?) Ever since the dawn of human life on this planet, Man has always sought to understand Nature, his own place in the scheme of Creation and the purpose of Life itself. In this quest for Truth, spanning many centuries and diverse civilizations, organized religion has shaped human life and determined to a large extent, the course of history. While some religions have been based on books, claimed by their adherents to be divinely inspired, others have relied solely on human experience. Al-Qur'an, the main source

of the Islamic faith, is a book believed by Muslims, to be of completely Divine origin. Muslims also believe that it contains Divine guidance for all humankind. Since the message of the Qur'an is believed to be for all times, it should be relevant to every age. Does the Qur'an pass this test? In this booklet, I intend to give an objective analysis of the Muslim belief regarding the Divine origin of the Qur'an, in the light of established scientific discoveries. There was a time, in the history of world civilization, when 'miracles', or what was perceived to be a miracle, took precedence over human reason and logic. But how do we define the term 'miracle'? A miracle is anything that takes place out of the normal course of life and for which humankind has no explanation. However, we must be careful before we accept something as a miracle. An article in 'The Times of India', Mumbai, in 1993 reported that 'a saint' by the name 'Baba Pilot' claimed to have stayed continuously submerged under water in a tank for three consecutive days and nights. However, when reporters wanted to examine the base of the tank of water where he claimed to have performed this 'miraculous' feat, he refused to let them do so. He argued by asking as to how one could examine the womb of a mother that gives birth to a child. The 'Baba' was hiding something. It is a gimmick simply to gain publicity. THIS BOOK HAS MUCH MORE ADDED INFORMATION ON THE NEW DISCOVERIES OF SCIENTIFIC INFORMATION FOUND IN THE HOLY QURAN & THIS INFORMATION IS ARRANGED AND ORGANIZED BY AUTHOR MR.FAISAL FAHIM. THE LATEST INFORMATIONS ARE ALL ADDED IN 2014 REVEIWD BY FAISAL.Allah (swt) Says : "Invite to the Way of your Lord (i.e. Islam) with wisdom (i.e. with the Divine Revelation and the Qur'an) and fair preaching, and argue with them in a way that is better. Truly, your Lord knows best who has gone astray from His Path, and He is the Best Aware of those who are guided." [Quran 16:125] From author: To the people who loved reading & purchasing my book. Please share my book & tell others about it. And please write a positive review about my book on the website. I really appreciate it & thank you very much. Sincerely, Your author Mr.Faisal Fahim

Murder in the Name of Allah

Islam International Publications Ltd Murder in the Name of Allah is the first translation into English of Mazhab Ke Nam Per Khoon, a reaffirmation of the basic tenets of Islam. Hardly a day passes on which an Islamic event does not make headlines. The president of a Muslim country is assassinated by the supporters of Muslim brotherhood; a European journalist is taken hostage by Islamic Jihad; a Pan-American aircraft is hijacked by another Muslim group; American university professors are taken into custody by Hezbollah; Two passenger carrying airplanes were slammed in to world trade center. The glare of 'Islamic' revolution in Iran is reflected through the flares of every gulf oil refinery. This book is a reminder that the purpose of any religion is the spread of peace, tolerance and understanding. It argues that the meaning of Islam—submission to the will of God—has been steadily corrupted by minority elements in the community. Instead of spreading peace, the religion has been abused by fanatics and made an excuse for violence and the

spread of terror, both inside and outside the faith. In confirming the true spirit of Islam, it makes the point to followers of all religions that the future of mankind depends on the intrinsic values of love, tolerance, and freedom of conscience and of belief.

Veiling Esther, Unveiling Her Story

The Reception of a Biblical Book in Islamic Lands

Veiling Esther, Unveiling Her Story: The Reception of a Biblical Book in Islamic Lands examines the ways in which the Biblical Book of Esther was read, understood, and used in Muslim lands, from ancient to modern times. It focuses on case studies covering works from various periods and regions of the Muslim world, including the Qur'an, pre-modern historical chronicles and literary works, the writings of a nineteenth-century Shia feminist, a twentieth-century Iranian encyclopaedia, and others. These case studies demonstrate that Muslim sources contain valuable materials on Esther, which shed light both on the Esther story itself and on the Muslim peoples and cultures that received it. Adam J. Silverstein argues that Muslim sources preserve important pre-Islamic materials on Esther that have not survived elsewhere, some of which offer answers to ancient questions about Esther, such as the meaning of Haman's epithet in the Greek versions of the story, the reason why Mordecai refused to prostrate before Haman, and the literary context of the 'plot of the eunuchs' to kill the Persian king. Throughout the book, Silverstein shows how each author's cultural and religious background influenced his or her understanding and retelling of the Esther story. In particular, he highlights that Persian Muslims (and Jews) were often forced to reconcile or choose between the conflicting historical narratives provided by their religious and cultural heritages respectively.

Who Was Muhammad?

An Analysis of the Prophet of Islam in Light of the Bible

and the Quran

TEACH Services, Inc. Whether we will admit it or not, it happens all the time. We often judge individuals, families, churches, and other organizations based on a lack of information. We hear something negative about a teenager in our child's class and assume that the parents are slacking off; we get reprimanded by the church greeter for our attire and assume that the whole church is unfriendly and cold; we listen to the news about a greedy CEO and assume the whole company is out to rip us off. Following this train of thought, what do you think of when you hear the name Muhammad? Do you think of a prophet of God sent to the Arabs or do you think of a leader who formed a blood-thirsty religion? Your perception will most likely be skewed by what you know about Muslims today. But that begs the question. What do you really know about Muhammad and Islam? Are you willing to study and learn about his life and teachings? Are you willing to reach across the divide and get to know the descendants of Abraham so that we can relate to them better? Who Was Muhammad? An Analysis of the Prophet of Islam in Light of the Bible and the Quran engages readers in a fascinating study of the life and times of Muhammad from a historical and prophetic standpoint. Pastor Doug Hardt then launches readers into an in-depth study of the Quran and Muhammad's teachings to see if they agree or disagree with the Word of God. This book will deepen your understanding of the origin of the second largest religion in the world.

What Every Christian Needs to Know About the Qur'an

Baker Books A Look Inside the Sacred Book of One of the World's Fastest-Growing Religions What used to be an exotic religion of people halfway around the world is now the belief system of people living across the street. Through fair, contextual use of the Qur'an as the primary source text, apologist James R. White presents Islamic beliefs about Christ, salvation, the Trinity, the afterlife, and other important topics. White shows how the sacred text of Islam differs from the teachings of the Bible in order to help Christians engage in open, honest discussions with Muslims.
