---

## **KALA PATTHAR, ABOVE MOUNT EVEREST BASE CAMP**

---

*Relevant Corporation LLC* The Trek tells the story of David Schachne's adventure in November, 2004, attempting to summit Kala Patthar, a mountain which towers above Everest Base Camp in the Himalayas. At 18,192 feet above sea level, the summit of Kala Patthar offers successful climbers one of the most amazing views of Mount Everest (29,035 feet) without having to put your life at risk by entering the Khumbu Icefall, or by climbing Mount Lhotse or Mount Nuptse. Raised in Brooklyn, NY, Schachne loved visiting the great outdoors as a teenager, going camping and hiking in the Catskills and Adirondacks. Throughout his early adult life, he had a burning desire to go trekking in the Himalayas. He believed going there would make his life more fulfilled. Schachne certainly didn't expect his trek to be a "walk in the park", but he was ill-prepared for what was in store for him. Climbing for hours and hours each day while mentally and physically exhausted; confronting sub-freezing temperatures; dealing with illness, high altitude sickness, piercing headaches, wretched odors, utter filth, bacterial infections, dysentery and more, he endured two weeks of pure, nightmarish misery. In this riveting account of his gut-wrenching trek over fourteen sleepless days and nights, while malnourished, Schachne takes you along on each and every step of his journey. You'll experience the ups and downs of the hills and valleys, and the highs and lows of his personal triumphs and chaotic travails. He flies from Kathmandu in Nepal to the most dangerous airport in the world (Tenzing Hillary Airport), in a town called Lukla, then hikes to Phadking and Namche Bazaar, a virtual flea market at 11,000 feet, then Thyangboche Monastery and then Dingboche, Dzugla, Lobuche and Gorak Shep, before finally attempting the summit. Schachne reveals what originally led him to fall in love with nature, why he was so determined to go to the Himalayas, and why he persevered despite the brutal bodily punishment he experienced. Join Schachne for the most entertaining adventure of your life, as he takes you along on this thrilling, harrowing and laugh and cry-out-loud journey.

## **PERSONALITY TYPE: AN OWNER'S MANUAL**

---

### **A PRACTICAL GUIDE TO UNDERSTANDING YOURSELF AND OTHERS THROUGH TYPOLOGY**

---

*Shambhala Publications* Drawing from Jungian psychology and pop culture, this detailed guide to personality types will help you develop a deeper, more meaningful sense of your truest self. For Jung, knowing your type was essential to understanding yourself: a way to measure personal growth and change. But his ideas have been applied largely in the areas of career and marital counseling, so type has come to seem predictive: a way to determine your job skills and social abilities. This book reclaims type as a way to talk about people's inner potential and the choices they make in order to honor it. Using everyday examples from popular culture—films, Star Trek, soap operas, comic strips—it describes the sixteen basic ways people come to terms with their gifts and values. In this book you will find tools to understand:

- How your personality takes shape
- How your type reflects not only your current priorities, but your hidden potential
- How unlived possibilities are trying to get your attention
- How relationships at home and at work can help you to tap your unrealized gifts

## **RURAL RIDES**

---

*e-artnow* Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

## **WAKE UP THE REAL YOU**

---

### **AND LIVE YOUR BEST LIFE NOW!**

---

Live authentically, abundantly, and victoriously as you learn how to embrace God's will for your life. As one of the most sought-after realizations in this world, discovering your purpose is something countless self-help books will claim they can help you do, but they're missing the biggest piece of the puzzle: your relationship with God. If you're ready to wake up, shake up, break away from bondage, dust off the dullness, and discover genuine joy, it's time to take action and allow the Lord to take control of your life. True transformation can only occur when you're receptive to God's will for your life, and past sorrows and mistakes often prohibit you from moving forward and receiving Jesus's forgiveness and grace. But forgiving others- and receiving forgiveness from the Lord-is imperative for experiencing wholeness and freedom. Growing closer to God also requires some internal housecleaning. From chapters on dusting away anything that dulls the true joy of a relationship with God to receiving the living water from Jesus that quenches any thirst for fulfillment, learn how trusting God fully and seeking after His guidance are the real keys to receiving lasting contentment and transformation.

## THE HIKER'S WAY

---

Get the most out of life-on and off the trail. Whether your dream is escaping the rat race, hiking trails near and far, reconnecting with nature or just learning more about the fine art of hiking, this book will show you the way. John McKinney motivates and empowers, amuses and uplifts hikers on this amazing path we call life. The Hiker's Way illuminates the way to: Hike Smart. Learn how to prepare for a hike and master practicalities in a way that you'll remember them. Live Well. Gain the benefits of good health, physical- mental-spiritual rejuvenation. Go Green. Learn the hiker's way to re-connect with nature and get all the benefits of "green exercise." Forget the old concept of hiking as a march from Point A to Point B. Hiking doesn't have to be so hard. It really doesn't. John has spent more than three decades learning how to get the most out of time on the trail. Join John McKinney, a.k.a. The Trailmaster, as he teaches you: \* What the crucial difference is between going on a hike and becoming a hiker. \* How to choose gear-and adopt a gear philosophy-that's right for you. \* How hiking in nature improves health; how to go from feeling stressed to feeling blessed. \* What makes a good hiking companion and when it's okay to go it alone. \* How to appreciate each season, and hike safely over all kinds of terrain. The author of 20 books and a thousand articles about hiking, McKinney has hiked and written about the best trails all across America, as well as in Europe and many more locales from Carribean nations to Pacific islands. He's guided hikes all around his native California and trained hike leaders to teach beginners the joys of hiking and the basics of safety on the trail. In The Hiker's Way, he shares his trail wisdom and colorful stories in a very inspiring and entertaining way. This book is a great gift for that special hiker-or would-be hiker-in your life.

## **THE FIRST STAR TREK MOVIE**

---

### **BRINGING THE FRANCHISE TO THE BIG SCREEN, 1969-1980**

---

McFarland The story of Star Trek's resurrection between the 1969 cancellation of the original series and the 1979 release of Robert Wise's Star Trek--The Motion Picture, has become legend and like so many other legends, it tends to get printed instead of the facts. Drawing on hundreds of contemporary news articles and primary sources not seen in decades, this book tells the true story of the first successful Star Trek revival. After several attempts to relaunch the franchise, ST--TMP was released on a wave of prestige promotion, hype, and public frenzy unheard of for a film based on a television show. Controversy surrounded its troubled production and \$44M budget, earning it a reputation at the time as the most expensive movie ever made. After a black-tie premiere in Washington, D.C., its opening in 856 North American theaters broke multiple box-office records--a harbinger of the modern blockbuster era. Despite immediate financial success, the film was panned by both critics and the public, leaving this enterprise nowhere to boldly go but down.

## **THE NINE DOTS**

---

---

## **HANDBOOK FOR YOUNG PROFESSIONALS AND ENTREPRENEURS**

---

*Createspace Independent Pub* The Nine Dots is a handbook for entrepreneurs and young professionals. We spend our working lives learning new skills and behaviors. We go from being talented to competent. As employees we discover and absorb. Entrepreneurship is quite different. It is the journey within. It is about self discovery. Work is a quest of the complex simple. Life is a quest of the simple complex. Every day, we go to work to solve "complex" problems but deep down we know that they are trivial when compared to life's challenges. Sometimes work is our life and life is our work. The fabric of our lives is made from these two intertwining threads. As an entrepreneur you will combine work and life. Your discovery of the simple complex and the complex simple will make you a fuller person if not a better one even if you fail. This book will help you even if in very small measure - with advice and tips - in your journey as an entrepreneur or young, upcoming professional. So you ask, what is the deal with the Nine Dots? Nine is an odd number that does strange things when it multiplies itself with other numbers. It retains its character in the answer. Like life's little challenges that multiply with others yet stay on with a kind of permanence and uniqueness. Like your stamp as an entrepreneur - whatever you do, the outcome will capture your essence.

## **LIVING ENERGY**

---

The life force, also known as "spirit," is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

## **DYSLEXIA'S COMPETITIVE EDGE**

---

---

### **BUSINESS AND LEADERSHIP INSIGHTS AND STRATEGIES FOR DYSLEXIC ENTREPRENEURS, BUSINESS OWNERS, AND PROFESSIONALS**

---

*CreateSpace* "Dyslexia's Competitive Edge is a book for every dyslexic entrepreneur, business owner, and professional. Tiffany's book is full of strategies and insight, but most important she showcases the value of dyslexia and how it is a competitive advantage." Skip Howard, Managing Director of Dallas Partners, Entrepreneur, and Inventor DYSLEXIA'S COMPETITIVE EDGE discusses how dyslexics can use their strengths to launch businesses, grow their companies, or accelerate their careers. The book includes personal stories, insights, and strategies from fellow dyslexics and

non-dyslexics on how to use the dyslexic brain as a competitive edge. Tiffany offers advice on how to successfully manage difficulties that dyslexia can present such as having a response plan for when a dyslexic's word retrieval system misfires. As a dyslexic business owner, Tiffany writes from experience. She wrote a book she wished was available earlier in her career on how to use the dyslexic brain as an asset. Tiffany provides readers with an extensive resource section at the back of the book. As technology rapidly advances many of the talents dyslexics possess, such as creative, visionary, and outside-the-box thinking, will increase in demand exponentially.

## **ON PURPOSE**

---

### **SELLING YOUR COMPANY WITH INTENTION AND PURPOSE**

---

On Purpose, Selling Your Company With Intention And Purpose! was written as a guide for the small business owner to understand the steps involved in the process of selling a company for maximum value. Most business owners will only sell a company once or twice in a lifetime making them inexperienced at best. Hiring a business broker is one of the last steps you'll take in selling your company. I wrote this book so you can better understand the steps you need to take to begin the process of selling a company and maximize the value for all parties. I pull back the curtain and shed light on important aspects of selling that most buyers don't understand until it's too late. I arm you with the insight and experience needed to prepare yourself and your company for sale and successfully work through the sales process. After reading this book, you will be able to plan confidently and follow through with a successful sale of your company.

By the time you read this Owner's Manual, you will be on your way to evolving your own consciousness. Included with this Owner's Manual is the novel Romancing the Absurd, a story of redemption for two of the characters who dabble in consciously evolving their consciousness. When financial investigator Tony T. Trueblé is hired to interview key players in a major lawsuit against a venture capitalist group, his world is turned upside down as he is dragged through a seedy underworld of corruption, dishonesty, and murder. He must not only get the job done but do so without giving into his insatiable cravings for vodka, weed, and causal, meaningless sex. Sensational, satirical, and sometimes absurd, Romancing the Absurd is a literary murder mystery full of intrigue, suspense, philosophy, and absurdist cutthroat behavior. Nine people die under bizarre circumstances. A handful of people get screwed (in more ways

than one). The story takes humorous and philosophical twists and turns, leaving you laughing at the murderous tactics some folks are willing to use to get ahead in this world. Throughout the story, there runs an undercurrent of reflection, hope, and redemption for Tony, who strives to right his wrongs, and Jim der Bacon, accused of murder yet able to focus on consciously evolving his own consciousness. For Tony, redemption comes through writing and his new awareness that one can consciously evolve their consciousness. Romancing the Absurd is the final result of Tony's studies, hard work, and shocking struggles with himself, others, and the universe at large. Based on real-life venture capitalists, businessmen, and lawyers, the story is structured using reinvented reality.
