Brand Relevance

Making Competitors Irrelevant

John Wiley & Sons Branding guru Aaker shows how to eliminate the competition and become the lead brand in your market This ground-breaking book defines the concept of brand relevance using dozens of case studies-Prius, Whole Foods, Westin, iPad and more-and explains how brand relevance drives market dynamics, which generates opportunities for your brand and threats for the competition. Aaker reveals how these companies have made other brands in their categories irrelevant. Key points: When managing a new category of product, treat it as if it were a brand; By failing to produce what customers want or losing momentum and visibility, your brand becomes irrelevant; and create barriers to competitors by supporting innovation at every level of the organization. Using dozens of case studies, shows how to create or dominate new categories or subcategories, making competitors irrelevant Shows how to manage the new category or subcategory as if it were a brand and how to create barriers to competitors Describes the threat of becoming irrelevant by failing to make what customer are buying or losing energy David Aaker, the author of four brand books, has been called the father of branding This book offers insight for creating and/or owning a new business arena. Instead of being the best, the goal is

to be the only brand around-making competitors irrelevant.

Making Records

The Scenes Behind the Music

Hachette Books Sinatra. Streisand. Dylan. Pavarotti. McCartney. Sting. Madonna. What do these musicians have in common besides their super-stardom? They have all worked with legendary music producer Phil Ramone. For almost five decades, Phil Ramone has been a force in the music industry. He has produced records and collaborated with almost every major talent in the business. There is a craft to making records, and Phil has spent his life mastering it. For the first time ever, he shares the secrets of his trade. Making Records is a fascinating look "behind the glass" of a recording studio. From Phil's exhilarating early days recording jazz and commercial jingles at A&R, to his first studio, and eventual legendary producer status, Phil allows you to sit in on the sessions that created some of the

most memorable music of the 20th century--including Frank Sinatra's Duets album, Bob Dylan's Blood on the Tracks, Ray Charles's Genius Loves Company and Paul Simon's Still Crazy After All These Years. In addition to being a ringside seat for contemporary popular music history, Making Records is an unprecedented tutorial on the magic behind what music producers and engineers do. In these pages, Phil offers a rare peek inside the way music is made . . . illuminating the creative thought processes behind some of the most influential sessions in music history. This is a book about the art that is making records--the way it began, the way it is now, and everything in between.

Rocket Man

Elon Musk In His Own Words

Agate Publishing A compilation of inspiring and motivational quotes from Elon Musk, "the world's most remarkable living entrepreneur" (Chris Anderson, curator of TED). Elon Musk, the South African-born entrepreneur who made his first fortune with Internet companies such as PayPal, has risen to global prominence as the visionary CEO of both Tesla Motors and SpaceX, two companies with self-proclaimed missions to improve life as we know it and better secure the future of humanity. For the first time, the most insightful, thought-provoking, and revealing quotes from this entrepreneurial engineer have been compiled into a single book. Rocket Man: Elon Musk in His Own Words is a comprehensive guide to the inner workings of the man dubbed "the real Tony Stark." Hundreds of his best quotes, comprising thoughts on business, clean energy, innovation, engineering, technology, space, electric vehicles, entrepreneurship, life lessons, and more, provide an intimate and direct look into Silicon Valley's most ambitious industrialist. How could a young man

who at one time seemed like “just” another Internet entrepreneur have gone on to build two highly disruptive companies and innovate technologies related to everything from electric batteries to rocket manufacturing? There’s no better way to learn than through his own words. This book curates Musk quotes from interviews, public appearances, online postings, company blogs, press releases, and more. What emerges is a “word portrait” of the man whose companies’ swift rise to the top will undoubtedly keep their status-quo competitors scrambling to keep up.
