PHP & MySQL: The Missing Manual "O'Reilly Media, Inc." If you can build websites with CSS and JavaScript, this book takes you to the next level—creating dynamic, database-driven websites with PHP and MySQL. Learn how to build a database, manage your content, and interact with users. With step-by-step tutorials, this completely revised edition gets you started with expanded coverage of the basics and takes you deeper into the world of server-side programming. The important stuff you need to know: Get up to speed quickly. Learn how to install PHP and MySQL, and get them running on both your computer and a remote server. Gain new techniques. Take advantage of the all-new chapter on integrating PHP with HTML web pages. Manage your content. Use the file system to access user data, including images and other binary files. Make it dynamic. Create pages that change with each new viewing. Build a good database. Use MySQL to store user information and other data. Keep your site working. Master the tools for fixing things that go wrong. Control operations. Create an administrative interface to oversee your site. Exhibit A Vintage UK Guy Bourdin, who died in 1991, was a legend in the world of fashion photography. He was the most radical and audacious photographer of his generation but his reputation has been surrounded in secrecy - he rarely allowed his photographs to appear outside the pages of French Vogue. No book of his work has previously been published. His estate was frozen by the courts until 1997, after which his son, Samuel, gained control of his work as a result of which this long-awaited book can be published. Bourdin was originally a painter and a friend of Man Ray. His fashion photographs began to incorporate his surrealist influences. Fashion photography became an arena for his personal obsessions. The results are as shocking and astonishing as any commercial photograph ever published. Despite his intense eroticism, subversion and, as Cecil Beaton described, 'his grotesque little gaminers', Beaton referred to him in 1975 as 'unquestionably the most interesting fashion photographer in Paris today'. His work was said to have represented 'the look of an era -glamorous, hard-edged, cleverly spiced with vulgarity.. .rich with implied narratives and strong erotic undercurrents' Prince2 Foundation Training Manual Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam. Robert Ludlum's (TM) The Utopia Experiment Hachette UK With U.S. intelligence agencies wracked by internal power struggles and paralyzed by bureaucracy, the president has been forced to establish his own clandestine group--Covert-One. It's activated only as a last resort, when the threat is on a global scale and time is running out. The Utopia Experiment When Dresner Industries unveils the Merge, a device that is destined to revolutionize the world and make the personal computer and smartphone obsolete, Covert-One operative Colonel Jon Smith is assigned to assess its military potential. He discovers that enhanced vision, real-time battlefield displays, unbreakable security, and near-perfect marksmanship are only the beginning of a technology that will change the face of warfare forever--and one that must be kept out of the hands of America's enemies at all costs. Meanwhile, in the mountains of Afghanistan, CIA operative Randi Russell encounters an entire village of murdered Afghans--all equipped with enhanced Merge technology that even the Agency didn't know existed. As Smith and Russell delve into the circumstances surrounding the Afghans' deaths, they're quickly blocked by someone who seems to have access to the highest levels of the military--a person that even the president knows nothing about. Is the Merge really as secure as its creator claims? And what secrets about its development is the Pentagon so desperate to hide? Smith and Russell are determined to learn the truth. But they may pay for it with their lives . . . Front Free from School 1st World Publishing It's not every day that a 16 year old writes a book. In fact, girls and boys of that age are supposed to spend their time studying what other people write. It is pre-sumed that at that age they do not themselves have anything significant or interesting to say. And the education system guarantees just that. The best rewards go to those who can parrot set answers to set questions in examination halls. Those who try to use their imagination or reply differently are often punished with low grades. Notes from the Hyena's Belly An Ethiopian Boyhood Picador In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia, and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, Notes from the Hyena's Belly offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century. The Lords of the Wild BoD - Books on Demand Reproduction of the original: The Lords of the Wild by Joseph A. Altsheler Look At You Turning 34 And Shit 34 Years Old Gifts. 34th Birthday Funny Gift for Men and Women. Fun, Practical And Classy Alternative to a Card. Looking for the perfect gift for your Friend, Husband, Wife, Family Member's birthday? Hand over this well-crafted, quality notebook for school, uni, office, or home! suitable for scribbling notes, lessons, drawings, thoughts, ideas, quotes, prayers, and mantras. Features: 6 x 9 Inches Format 110 Pages Tough Paperback, Book Industry Quality Binding The Jericho Road BookRix I have lived much that I have not written, but I have written nothing that I have not lived, and the story of this book is but a plaintive refrain wrung from the over-burdened song of my life; while the tides of feeling, winding down the lines, had their sources in as many broken upheavals of my own heart." A book, like an implement, must be judged by its adaptation to its special design, however unfit for any other end. This volume is designed to help Odd-Fellows in their search for the good things in life. There is need of something to break the spell of indifference that oftentimes binds us, and to open glimpses of better, sweeter, grander possibilities. Hence this volume, which is a plea for that great fortune of man-his own nature. Bulwer says: "Strive while improving your one talent to enrich your whole capital as a man." The present work is designed to aid in securing the result thus recommended. We send it forth, trusting that it will find its way into the hands of every Odd-Fellow and every Odd-Fellow's friend and neighbor, and that those who read it will gather from its pages lessons which shall enable them to pluck thorns from their pathway and scatter flowers instead. Rhythm 'n Jazz Norac Editions / Norac Pub The scores, parts and MASTER TRACKS Alain Caron's CD Rhythm'n Jazz. The play-along CD contains the exact tracks that appear on Alain's album -- minus the bass -- so you can play with these great musicians. Songs include: The Bump * Fat Cat * District 6 * Slam the Clown * Little Miss Match * I.C.U. * Cherokee Drive * Fight of the Bumble Bee * Donna Lee * Intuitions. Observations on the Mussulmauns of India Manners, customs, habits and 'religious opinions' recorded during a twelve years' residence The Electoral College 'The Rosen Publishing Group, Inc' The democratic process is one of the most iconic and important parts of American history and culture. However, there has long been controversy surrounding one particular aspect of that process: the Electoral College. Packed with easily digestible text, eye-catching graphic features, and engaging fact boxes, this book provides a primer on the Electoral College, how it works, and why some people argue it should be abolished and replaced with a popular voting process. Row, Row, Row Your Boat Capstone Retelling of traditional song, with additional verses showing other places to row a boat. SilverFast The Official Guide John Wiley & Sons Rights and Wrongs of the North and the South: Oil on the Waters Wentworth Press This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Opera Stories from Wagner Library of Alexandria Little Ida's Flowers Lindhardt og Ringhof Little Ida liked the student, who always had a tale to tell, a lot. So, one morning, when little Ida's flowers had all withered, she asked the student what could have happened to them. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day. Rules And Regulations Governing The Kansas National Guard. Carly Simon's Romulus Hunt A Family Opera ; Vocal Score Hal Leonard Corporation inch....this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver James,Contact Magazine) A novel and

comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire of Bach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

A Finer End Pan Macmillan Jack Montfort grew up in the shadow of Glastonbury Tor in a town revered as the mythical burial place of King Arthur, and, according to New Age followers, a source of strong druid power. Montfort has little more than a passing interest in the history of the area - until he comes across an extraordinary chronicle almost a thousand years old . . . The unsettling way this record comes into his hands brings Montfort into contact with a disparate group of townspeople, including Nick Carlisle, a student of Glastonbury's myths; Faith Wills, a pregnant teenage runaway; and Winnie Catesby, the Anglican priest who is now Jack's lover. When a member of Jack's circle is attacked and left for dead, he appeals to his cousin, Superintendent Duncan Kincaid, for help. For something terrible and bloody shattered Glastonbury Abbey's peace long ago - and now it is about to spark a violence that will reach forward into the present . . .

Memoirs of a Fellwanderer Frances Lincoln Limited These memoirs of the great fellwalker Alfred Wainwright, author of the Pictorial Guides to the Lakeland Fells and many other volumes of walking guides and sketchbooks, are full of his thoughts on life and on his experiences on the fells. Wainwright writes about his boyhood in Blackburn, his work and interests as a young man, and the visit to the Lake District at the age of 23 which kindled in him a lasting passion for the fells. He reveals how he set about researching and compiling the Pictorial Guides, the labour of love which occupied so many years of his life. For walkers and other lovers of the Lakeland fells, this is a great read.

Cute Christmas Holiday Coloring Book For Kids 6+ A Festive Coloring Book Featuring Beautiful Winter Landscapes and Heart Warming Holiday Scenes for Stress Relief and Relaxation with Cheerful Santa Claus, Reindeer, Elves, Animals, Snowman. ♥♥♥ Enjoy a beautiful Christmas with these heart-warming scenes and winter landscapes! ♥♥♥ Are you looking for a seasonal coloring book to get you into the Christmas spirit? Rise of the Winged Assassin Page Publishing Inc Born into a winged warrior race, Lorelei knows how to wield a sword. Now that she is seventeen, her swordsmanship is tested, and when she passes, she's removed from her family for further training to prepare for war. But deep underneath the surface, she faces a greater threat, more formidable than their enemy, the Toraveru. Exposure to battle has awakened a deep-seated psychological disease that will prey upon her emotions, challenge her loyalties, twist her morals, and breed an unquenchable thirst for violence. The elders call it the Renai, and they believe there's only one cure for the infected: death by execution. As she struggles to fight against the disease, Lorelei's strength and resolve begin to wane, but she finds hope when she's sought out by Airik, a dangerously infected, exiled mercenary who tells her the urges she's struggling to restrain can be forged into powerful abilities that have been suppressed by centuries of executions. Shaken by the truth, Lorelei begins to question what she's been told about the disease, about the cure, and about the motivations of her honor-bound race. In order to survive, she must place her life and trust in the hands of dangerous allies and learn to wield the power of the Renai before it's too late.

Rick Steves Venice Rick Steves You can count on Rick Steves to tell you what you really need to know when visiting the island city of Venice. Following the self-guided tours in this book, you'll explore Venice's most important landmarks and cruise the Grand Canal for a close-up look at the elegant palaces, bridges, and churches. You'll discover picturesque lanes, enjoy the best city views, and tour outlying islands in the lagoon. Dine at a romantic canal-side restaurant, or join the locals at a characteristic cicchetti bar and munch seafood-on-a-toothpick. As the stars shine over St. Mark's Square, sway to the free music of café orchestras. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. You'll learn how to explore Venice hassle-free and get up-to-date advice on what's worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.
