However, the Imperial Navy underestimated Rebel Alliance fighter pilots, who flew X-wing, Y-wing, A-wing, U-wing and B-wing starfighters, and whatever else they could obtain to fight their Imperial enemies. Decades later, Resistance pilots would fly next-generation versions of Rebel starfighters against the First Order. The Rebel Starfighters Owners' Workshop Manual presents a thorough history of the starfighters that served the Rebel Alliance and the Resistance. The history includes design origins, production, and modifications for each Rebel starfighter, and is fully illustrated with numerous photographs, schematics, exploded diagrams, and computer-generated artwork by Star Wars vehicle experts Chris Reiff and Chris Trevas. Text is by Ryder Windham, author and co-author of more than 70 Star Wars books. This Haynes Manual is the most thorough technical guide to Rebel starfighters available, and is fully authorized and approved by Lucasfilm. **Lego Star Wars - Build Your Own Adventure** DK Publishing (Dorling Kindersley) A book with bricks that inspires kids to build, play, and learn. This manual builds on the information provided by the Chainsaw Operator's Manual. Tree felling is a high risk activity. Many fatalities and serious injuries have occurred as a result of being struck by falling trees, dislodged tree limbs or other dangers in the area. Most of these accidents are caused by using unsafe felling techniques and not following safe work procedures. This manual will guide the faller to safer work techniques. The manual is based on the national competency standards for the forest and forest products industry where tree-felling is covered using three categories: basic, intermediate and advanced. Basic tree felling applies to trees that are relatively small, with a single stem and no defects. Intermediate tree felling covers trees with single or multiple stems, limited defects, and lean and weight distribution that can be adapted to felling direction. Advanced tree felling applies to larger and more complex trees and includes trees deemed to be more hazardous. Workplace safety, risk assessment and site preparation are included along with the theory, techniques and tools for each of the tree-felling categories. **Battle for the Stolen Crystals** Embark on a new LEGO® Star Wars adventure and find the stolen lightsaber crystals, includes 2 minifigures and all the LEGO bricks you need Play and read all at the same time with LEGO® Star Wars™ Brickmaster Battle for the Stolen Crystals. Her extensive preface and her detailed and entertaining notes are marvelous." —Tatyana Tolstaya, *New York Review of Books* "A classic Russian Cooking is a book that I highly recommend. Joyce Toomre has done a marvelous job of translating this valuable and fascinating source book. It's the Fanny Farmer and Isabella Beeton of Russia's 19th century." —Julia Child, *Food Arts* "This is a delicious book, and Indiana University Press has served it up beautifully." —Russian Review "... should become as much of a classic as the Russian original... dazzling and admirable expedition into Russia's kitchens and cuisine." —Slavic Review "It gives a delightful and fascinating picture of the foods of pre-Communist Russia." —The Christian Science Monitor First published in 1861, this "bible" of Russian homemakers offered not only a compendium of recipes, but also instructions about such matters as setting up a kitchen, managing servants, shopping, and proper winter storage. Joyce Toomre has superbly translated and annotated over one thousand of the recipes and has written a thorough and fascinating introduction which discusses the history of Russian cuisine and summarizes Molokhovets' advice on household management. A treasure trove for culinary historians, serious cooks and cookbook readers, and scholars of Russian history and culture. **LEGO Star Wars: Choose Your Path** DK Children Readers can be the hero of this book and choose where to go in the LEGO Star Wars galaxy.
