What To Do If An Elephant Stands On Your Foot

Penguin A witty jungle romp for the adventurer in every kid Safari etiquette can be tricky. Fortunately, our trusty narrator can help. Sort of. From what to do if an elephant stands on your foot ("Keep calm. Panicking will only startle it!") to how to escape the attentions of a crocodile ("Well? What are you waiting for? Wave your arms around and shout for help!"), our plucky guide leads our unlucky hero on a jungle adventure, barely avoiding tigers, a rhino, snakes, and--uh-oh. What's that? Well thank heavens the monkeys are friendly at least! Debut author Michelle Robinson teams with bestseller Peter H. Reynolds for a Monster at the End of This Book-style romp, culminating in a hilarious finish that will send readers--and our hapless hero--right back to the beginning for more.

The Burgess Bird Book for Children

Good Omens

Random House THE BOOK BEHIND THE AMAZON PRIME/BBC SERIES STARRING DAVID TENNANT, MICHAEL SHEEN, JON HAMM AND BENEDICT CUMBERBATCH 'Ridiculously inventive and gloriously funny' Guardian What if, for once, the predictions are right, and the Apocalypse really is due to arrive next Saturday, just after tea? It's a predicament that Aziraphale, a somewhat fussy angel, and Crowley, a fast-living demon, now find themselves in. They've been living amongst Earth's mortals since The Beginning and, truth be told, have grown rather fond of the lifestyle and, in all honesty, are not actually looking forward to the coming Apocalypse. And then there's the small matter that someone appears to have misplaced the Antichrist . . . _____ What readers are saying about Good Omens: ***** 'A superb recipe for disaster. I didn't stop grinning from beginning to end.' ***** 'Both Gaiman and Pratchett are great authors and they complement each other brilliantly' ***** 'Superbly enjoyable read. Seamlessly co-written.'

That Hideous Strength

A Modern Fairy-tale for Grown-ups

"She had begun by dreaming simply of a face. Its expression was frightening because it was frightened. The face belonged to a man who was sitting hunched up in one corner of a little square room with white-washed walls - waiting, she thought, for those who had him in their power to come in and do something horrible to him. At last the door was opened...She could not make out what the visitor was proposing to him, but she did discover that the prisoner was under sentence of death. Whatever the visitor was offering him was something that frightened him more than that. The visitor, still smiling his cold smile, unscrewed the prisoner's head and took it away. Then all became confused." "The third novel in C.S. Lewis's classic sci-fi trilogy begins with Jane Studdock's horrific nightmare. The next morning she sees the same face in a newspaper - a brilliant French scientist guillotined for poisoning his wife. Jane has the growing feeling that she is being warned of something real and sinister. Her husband, Mark, meanwhile, is drawn into the National Institute for Co-ordinated Experiments, which is engaged in a plan to control human life."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Working

People Talk About What They Do All Day and How They Feel About What They Do

The New Press A Pulitzer Prize winner interviews workers, from policemen to piano tuners: "Magnificent . . . To read it is to hear America talking." —The Boston Globe A National Book Award Finalist and New York Times bestseller Studs Terkel's classic oral history Working is a compelling look at jobs and the people who do them. Consisting of over one hundred interviews with everyone from a gravedigger to a studio head, this book provides a "brilliant" and enduring portrait of people's feelings about their working lives. This edition includes a new foreword by New York Times journalist Adam Cohen (Forbes). "Splendid . . . Important . . . Rich and fascinating . . . The people we meet are not digits in a poll but real people with real names who share their anecdotes, adventures, and aspirations with us." —Business Week "The talk in Working is good talk—earthy, passionate, honest, sometimes tender, sometimes crisp, juicy as reality, seasoned with experience." —The Washington Post

A House for Mr Biswas

Pan Macmillan With an introduction by author Teju Cole, A House for Mr Biswas is Nobel Prize in Literature winner V. S. Naipaul's unforgettable masterpiece. Heart-rending and darkly comic, it has been hailed as one of the twentieth century's finest novels, a classic that evokes a man's quest for autonomy against the backdrop of post-colonial Trinidad. He was struck again and again by the wonder of being in his own house, the audacity of it: to walk in through his own front gate, to bar entry to whoever he wished, to close his doors and windows every night. Mr. Biswas has been told since the day of his birth that misfortune will follow him – and so it has. Meaning only to avoid punishment, he causes the death of his father and the dissolution of his family. Wanting simply to flirt with a beautiful woman, he ends up marrying her, and reluctantly relying on her domineering family for support. But in spite of endless setbacks, Mr. Biswas is determined to achieve independence, and so he begins his gruelling struggle to buy a home of his own.

Riddles

Perspectives on the use, function and change in a folklore genre

BoD - Books on Demand Riddles are a journey into a fascinating world rich in delightful metaphors and ambiguity. This book is based on material drawn from all over the world and analyses both traditional true riddles and contemporary joking questions. It introduces the reader to different riddling situations and the many functions of riddles, which vary from education to teasing, and from defusing a heated situation to entertainment.

The Tale of Grunty Pig

One thing, especially, distressed Mrs. Pig. Her children would put their fore feet right into the trough when they ate their meals out of it. Nothing she said to them made the slightest difference. Even when she told them that they were little pigs they didn't seem to care."We're all bigger than Grunty is," said one of her sons—a bouncing black youngster who was the most unruly of the litter."You're all greedy," Mrs. Pig retorted. "Do try to restrain yourselves when you eat. Remember—there's plenty of time.""But there's not always plenty of food," Grunty Pig told his mother. "Sometimes there isn't any left for me.""I know," said Mrs. Pig. "I know that your brothers and sisters eat your share whenever they can. Farmer Green furnishes enough food for you all. And if you children didn't forget your manners everybody would get his share—no more and no less."Now, Mrs. Pig was not the only one that noticed how piggish her youngsters were at the trough. One day Farmer Green himself remarked to his son Johnnie, as they leaned over the pen, that that litter of pigs did beat all he had ever seen."They come a-running at meal time as if they were half starved. It's a wonder they don't get in the trough all over."Johnnie Green liked to watch the pigs."That black fellow's the greediest of the lot," he declared. "He's getting to be the biggest. He's almost twice the size of the little runt.""The runt doesn't get his share," said Farmer Green. "We'll have to do something to help him, or he'll never be worth his salt."Grunty Pig looked up at Farmer Green and gave a plaintive squeal, as if to say, "Hurry, please! Because I'm always hungry."And Blackie, his greedy brother, looked up at Farmer Green too. He said nothing. But his little eyes twinkled slyly.

Cowboy Songs and Other Frontier Ballads

Life in London

Or, The Day and Night Scenes of Jerry Hawthorne, Esq., and His Elegant Friend Corinthian Tom, Accompanied by Bob Logic, the Oxonian, in Their Rambles and Sprees Through the Metropolis

God's Step-children

Jolly Fellows

Male Milieus in Nineteenth-Century America

JHU Press "Stott finds that male behavior could be strikingly similar in diverse locales, from taverns and boardinghouses to college campuses and sporting events. He explores the permissive attitudes that thrived in such male domains as the streets of New York City, California during the gold rush, and the Pennsylvania oil fields, arguing that such places had an important influence on American society and culture. Stott recounts how the cattle and mining towns of the American West emerged as centers of resistance to Victorian propriety. It was here that unrestrained male behavior lasted the longest, before being replaced with a new convention that equated manliness with sobriety and self-control."

The Word Rhythm Dictionary

A Resource for Writers, Rappers, Poets, and Lyricists

Scarecrow Press This new kind of dictionary reflects the use of "rhythm rhymes" by rappers, poets, and songwriters of today. Users can look up words to find collections of words that have the same rhythm as the original and are useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.

The

Adventures of Peter Cottontail

Thornton Burgess Library Introduce a new generation to Thornton Burgess' Peter Cottontail in *The Adventures of Peter Cottontail*. *The Adventures of Peter Cottontail* recounts the hijinks of one of the most endearing and beloved creatures in children's literature. Full of mischief (and then remorse), Peter has exploits that are delightfully recognizable to anyone who has children and will surely tickle yet another generation of young readers. Peter Cottontail's efforts to outwit the ever-hungry Reddy Fox lead to a number of whisker-thin escapes, and his fascination with the hibernation of some of his neighbors, such as Johnny Chuck, leads to his decision to hibernate . . . with riotous consequences. This reprint of the classic that was originally published in 1914 presents Burgess' classic style of telling a terrific tale while imparting information about the environment and its creatures.

Tom and Jerry [or, Life in London, an Operatic Extravaganza in Three Acts]

Franklin Classics Trade Press This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. I Know My Own Heart

The Diaries of Anne Lister, 1791-1840

NYU Press Upon publication, the first volume of Anne Lister's diaries, *I Know My Own Heart*, met with celebration, delight, and some skepticism. How could an upper class Englishwoman, in the first half of the nineteenth century, fulfill her emotional and sexual needs when her sexual orientation was toward other women? How did an aristocratic lesbian manage to balance sexual fulfillment with social acceptability? Helena Whitbread, the editor of these diaries, here allows us an inside look at the long-running love affair between Anne Lister and Marianna Lawton, an affair complicated by Anne's infatuation with Maria Barlow. Anne travels to Paris where she discovers a new love interest that conflicts with her developing social aspirations. For the first time, she begins to question the nature of her identity and the various roles female lovers may play in the life of a gentrywoman. Though unequipped with a lesbian vocabulary with which to describe her erotic life, her emotional conflicts are contemporary enough to speak to us all. This book will satisfy the curiosity of the many who became acquainted with Lister through *I Know My Own Heart* and are eager to learn more about her revealing life and what it suggests about the history of sexuality.

Historical Dictionary of Children's Literature

Scarecrow Press *The Historical Dictionary of Children's Literature* relates the history of children's literature through a chronology, an introductory essay, appendixes, a bibliography, and over 500 cross-referenced dictionary entries on authors, books, and genres.

Defenseless America

BoD - Books on Demand Reproduction of the original: Defenseless America by Hudson Maxim

The Films of Carol Reed

Columbia University Press Once enthroned as a major international filmmaker, Carol Reed has long since been banished to a musty corner of movie history. To dust off his work, however, is to discover a dazzling body of films, a canon as remarkable for its diversity as its quality. Building his case, film by film, Robert Moss argues persuasively for a reassessment of this gifted artist, claiming a place for him in the ranks of the world's greatest directors.

A Dictionary of English Rhyming Slangs

The Shark Caller

Random House Australia Only a twin from a shark calling family can appease the ancestors and bring a community back together in this powerful and haunting story. Isabel is on a plane heading back to her island birthplace in Papua New Guinea. Izzy is looking forward to seeing her family again, but there's another tragic reason for the trip. Izzy's twin brother, Ray, died in a freak diving accident, and Izzy and her mum are taking his ashes home for traditional death ceremonies. After they arrive, Izzy realises things have changed since their last visit. Logging threatens the community's way of life and sharks no longer answer the song of the shark callers. Izzy's cousin Noah explains that the clan needs someone to undertake a traditional diving ritual. The person must be a twin from the shark calling lineage. The dive will be perilous. And Izzy is the last twin. Will she have the courage to attempt the dive? And what deep, dark secrets will the ocean reveal if she does?

The Adventures of Reddy Fox

Courier Corporation Timeless fable of an overconfident little fox who steals a plump pet hen and is hotly pursued by Farmer Brown's boy and Bowser the Hound. 6 black-and-white line illustrations. New preface.
