HOW TO DRAW MANGA CHARACTERS

A BEGINNER'S GUIDE

The Monacelli Press, LLC BRING YOUR IMAGINATION TO LIFE In her second manga book, best-selling author J.C. Amberlyn focuses on favorite manga archetype characters, with a fun and lively how-to-draw book aimed at beginners. Every genre of manga has its typical characters—plucky hero and heroine; school boys and girls; funny friend/sidekick; serious warrior; young innocent; bishounen; genki girls; chibis; chibi animals; cat girls/cat boys; magical girls; adorable animals; strong/scary animals; gothic characters; fantasy characters—and they are all here along with the step-by-step drawing instructions needed to give even beginners the direction they need to create the favorite characters they can't get enough of. A final chapter on backgrounds, scenery, and the environment will further give readers the information they need to pull everything together and create their own manga characters and the worlds they live in. Includes 23 step-by-step demonstrations and exercises. J.C. Amberlyn takes you through everything you need to know to create your favorite manga characters from Japanese comics or design your own. **INCLUDES IN-DEPTH INSTRUCTION ON:**

DRAWING ON TRADITION

MANGA, ANIME, AND RELIGION IN CONTEMPORARY JAPAN

University of Hawaii Press Manga and anime (illustrated serial novels and animated films) are highly influential Japanese entertainment media that boast tremendous domestic consumption as well as worldwide distribution and an international audience. *Drawing on Tradition* examines religious aspects of the culture of manga and anime production and consumption through a methodological synthesis of narrative and visual analysis, history, and ethnography. Rather than merely describing the incidence of religions such as Buddhism or Shinto in these media, Jolyon Baraka Thomas shows that authors and audiences create and re-create “religious frames of mind” through their imaginative and ritualized interactions with illustrated worlds. Manga and anime therefore not only contribute to familiarity with traditional religious doctrines and imagery, but also allow authors, directors, and audiences to modify and elaborate upon such traditional tropes, sometimes creating hitherto unforeseen religious ideas and practices. The book takes play seriously by highlighting these recursive relationships between recreation and religion, emphasizing throughout the double sense of play as entertainment and play as adulteration (i.e., the whimsical or parodic representation of religious figures, doctrines, and imagery). Building on recent developments in academic studies of manga and anime—as well as on recent advances in the study of religion as related to art and film—Thomas demonstrates that the specific aesthetic qualities and industrial dispositions of manga and anime invite practices of rendition and reception that can and do influence the ways that religious institutions and lay authors have attempted to captivate new audiences. *Drawing on Tradition* will appeal to both the dilettante and the specialist: Fans and self-professed otaku will find an engaging academic perspective on often overlooked facets of the media and culture of manga and anime, while scholars and students of religion will discover a fresh approach to the complicated relationships between religion and visual media, religion and quotidian practice, and the putative differences between “traditional” and “new” religions.

THE LITTLE BOOK OF MANGA DRAWING

MORE THAN 50 TIPS AND TECHNIQUES FOR LEARNING THE ART OF MANGA AND ANIME

HOW TO DRAW ANIME FOR BEGINNERS STEP BY STEP

MANGA AND ANIME DRAWING TUTORIALS BOOK 1

Anime is a popular animation and drawing style that originated in Japan. Drawing anime characters can seem overwhelming, especially when you're looking at your favorite anime that was drawn by professionals. Fortunately, anyone can learn how to draw anime characters, and the process is fairly simple if you break it down into small steps.

HOW TO DRAW MANGA

GETTING STARTED

Graphic Sha Publishing Company Explains how to draw characters in Japanese comics or manga.

HOW TO DRAW MANGA: BASICS AND BEYOND

Manga University You want to draw manga, and Manga University will show you how. You'll get VERY good at this. After all, we've been teaching people just like you for more than 20 years. "How to Draw Manga: Basics and Beyond!" is the latest in Manga University's lineup of best-selling instructional books. The book features more than 1,000 illustrations drawn by Japanese manga artists whose work has appeared in leading publications, including Shonen Sunday and Young Jump. You will learn how to draw like a professional because your teachers are professionals. We've divided the book into four easy-to-follow chapters that will have you drawing original characters from head to toe in no time at all: Heads First! We begin at the top, with a chapter on how to draw heads. After all, heads are the first thing most people notice, in both art and out in the real world. And in art, just like in the real world, you

want to make sure your characters make a vivid first impression ... whether they're completely human, or totally out-of-this-world. Let's Make Faces! The expression the eyes are the window to the soul is particularly true when it comes to manga. You can tell a lot about a character's personality by peering into their eyes. In this chapter, we explain the basics of drawing eyes. But we don't stop there. We also cover noses, mouths, ears, and hair. All About Bodies! Once we've covered faces, we move on to teaching you all about drawing bodies. We go over the differences between male and female body proportions, count heads to determine the heights of our characters, and learn how to draw hands, arms, feet, and legs. Strike a Pose! Our book's final chapter is all about making a physical statement. We show characters standing tall, sitting down, throwing punches, giving hugs, and more. Because even beautifully drawn characters look boring if they're frozen stiff. The book also includes a section on manga tools. Plus, you'll get to know the artists who contributed to the book through exclusive interviews in which they talk about their favorite manga and anime series, hobbies, how they work, and more!

DRAWING MANGA EXPRESSIONS AND POSES

The Rosen Publishing Group, Inc Presents step-by-step instructions for using differences of pose and facial expression to reveal differences of personality and feeling in manga drawings of both female and male characters.

KIDS DRAW BIG BOOK OF EVERYTHING MANGA

Watson-Guption Offers an introduction to manga basics and provides step-by-step instructions for drawing a variety of manga characters, including monsters, robots, fairies, knights, flying characters, and supernatural beings.

BASIC ANATOMY FOR THE MANGA ARTIST

Watson-Guption Manga Anatomy Like You've Never Seen It! You know that manga faces are different from those of regular, American-style comic book characters. But did you know that manga bodies are also different? Well, they are, and Christopher Hart is here, once again, to tell you all about it in his signature accessible style. This book is loaded with clear step-by-step instructions and illustrations, anatomical charts and information, and before-and-after comparisons you won't find anywhere else—all tailored to creating authentic Japanese-style manga. And in addition to the breakdowns of the various sections of the body, you'll also learn how all the different elements—including faces and costumes—come together to form complete characters. Basic Anatomy for the Manga Artist contains everything you need to know. No aspiring mangaka (manga artist) should be without it.

MANGA FOR DUMMIES

John Wiley & Sons If you love Manga, you'll eat Manga For Dummies, right up.
