Shambhala

The Sacred Path of the Warrior

Shambhala Publications The classic guide to enlightened living that first presented the Buddhist path of the warrior to Western readers—with a new foreword and cover presentation. This timeless classic presents a vision of basic human wisdom that synchronizes the mind and body—what Chögyam Trungpa called the sacred path of the warrior. This discipline embodies characteristics that many cultures, regions, and spiritual traditions throughout time have found valuable. The sacred warrior conquers the world not through violence or aggression but through gentleness, courage, and self-knowledge, discovering the basic goodness of human life and radiating that goodness out into the world for the peace and sanity of others. That's what the Shambhala teachings are all about, and this is the book that has been presenting them to a wide and appreciative audience for more than thirty years. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

Work, Sex, Money

Real Life on the Path of Mindfulness

Shambhala Publications Each day we deal with the challenges of ordinary life: a series of mundane experiences that could be summarized by the title of this book, Work, Sex, Money. We all hope that these aspects of our life will be a source of fulfillment and pleasure, and they often are. Yet they are also always sources of problems for which we seek practical advice and solutions. The best prescription, according to Chögyam Trungpa, is a dose of reality and also a dose of respect for ourselves and our world. His profound teachings on work, sex, and money celebrate the sacredness of life and our ability to cope with its twists and turns with dignity, humor, and even joy. He begins by breaking down the barrier between the spiritual and the mundane, showing that work, sex, and money are just as much a part of our spiritual life as they are a part of our everyday existence. He then discusses these subjects in relation to ego and self-image, karma, mindfulness, and meditation. "Work" includes general principles of mindfulness and awareness in how we conduct everyday life as well as discussion of ethics in business and the workplace. "Sex" is about relationships and communication as a whole. "Money" looks at how we view the economics of livelihood and money as "green energy" that affects our lives. The result is an inclusive vision of life, one that encompasses the biggest issues and the smallest details of every day. There are, in fact, few definitive answers in these pages. There is, however, authentic wisdom providing us with tools we need to work with the toughest stuff in our lives.

The Art of Peace

Shambhala Publications New York Times Bestseller These inspirational teachings show that the real way of the warrior is based on compassion, wisdom, fearlessness, and love of nature. Drawn from the talks and writings of Morihei Ueshiba, founder of the popular Japanese martial art known as Aikido, *The Art of Peace*, presented here in a pocket-sized edition, offers a nonviolent way to victory and a convincing counterpoint to such classics as *Musashi's Book of Five Rings* and *Sun Tzu's Art of War*.

The Heart of the Buddha

Entering the Tibetan Buddhist Path

Shambhala Publications The basic teachings of Buddhism as they relate to everyday life—presented by the esteemed Tibetan meditation master In *The Heart of the Buddha*, Chögyam Trungpa examines the basic teachings of Buddhism and places them within the context of daily life. Divided into three parts, the book begins with a discussion about the open, inquisitive, and good-humored qualities of the “heart of the Buddha”—an “enlightened gene” that everyone possesses. Next, Chögyam Trungpa moves to the stages of the Buddhist path, presenting the three vehicles—Hinayana, Mahayana, and Vajrayana—that carry the Buddhist practitioner toward enlightenment. Finally, he describes the direct application of Buddhist teachings to topics as varied as relationships, drinking, children, and money. *The Heart of the Buddha* reflects Trungpa’s great appreciation for Western culture and deep understanding of the Tibetan Buddhist tradition, which enabled him to teach Westerners in an effective, contemporary way.

Great Eastern Sun

The Wisdom of Shambhala

Shambhala Publications "In *Shambhala: The Sacred Path of the Warrior* Chögyam Trungpa offers an inspiring and practical guide to enlightened living based on the Shambhala journey of warriorship, a secular path taught internationally through the Shambhala Training program. *Great Eastern Sun: The Wisdom of Shambhala* is a continuation of that path. *Shambhala* was an exploration of human goodness and its potential to create an enlightened society—a state that the author calls "nowness." And in that spirit of nowness, *Great Eastern Sun*—which is accessible to meditators and nonmeditators alike—centers on the question, "Since we're here, how are we going to live from now on?"

Smile at Fear

Awakening the True Heart of Bravery

Shambhala Publications Many of us, without even realizing it, are dominated by fear. We might be aware of some of our fears—perhaps we are afraid of public speaking, of financial hardship, or of losing a loved one. Chögyam Trungpa shows us that most of us suffer from a far more pervasive fearfulness: fear of ourselves. We feel ashamed and embarrassed to look at our feelings or acknowledge our styles of thinking and acting; we don't want to face the reality of our moment-to-moment experience. It is this fear that keeps us trapped in cycles of suffering, despair, and distress. Chögyam Trungpa offers us a vision of moving beyond fear to discover the innate bravery, trust, and delight in life that lies at the core of our being. Drawing on the Shambhala Buddhist teachings, he explains how we can each become a spiritual warrior: a person who faces each moment of life with openness and fearlessness. "The ultimate definition of bravery is not being afraid of who you are," writes Chögyam Trungpa. In this book he offers the insights and strategies to claim victory over fear.

Zen Training

Methods and Philosophy

Shambhala Publications Zen Training is a comprehensive handbook for zazen, seated meditation practice, and an authoritative presentation of the Zen path. The book marked a turning point in Zen literature in its critical reevaluation of the enlightenment experience, which the author believes has often been emphasized at the expense of other important aspects of Zen training. In addition, Zen Training goes beyond the first flashes of enlightenment to explore how one lives as well as trains in Zen. The author also draws many significant parallels between Zen and Western philosophy and psychology, comparing traditional Zen concepts with the theories of being and cognition of such thinkers as Heidegger and Husserl.

The Book of Five Rings

Shambhala Publications One of the most insightful texts on the subtle arts of confrontation and victory to emerge from Asian culture, The Book of Five Rings analyzes the process of struggle and mastery over conflict that underlies every level of human interaction. Written by the renowned Japanese warrior Miyamoto Musashi in 1643, its principles for achieving success in combat have long been lauded not only for their applicability to the martial arts but to all aspects of life. This acclaimed translation from Thomas Cleary is immediately accessible, with an introduction that presents the spiritual background of the warrior tradition. Along with Musashi's text, Cleary also translates another revered Japanese classic on leadership and strategy, The Book of Family Traditions on the Art of War by Yagyu Munenori, which highlights the ethical and spiritual insights of Taoism and Zen as they apply to the way of the warrior. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

The Path of Individual Liberation

Shambhala Publications The first volume of this landmark series presents the teachings of the hinayana. The hinayana introduces core Buddhist teachings on the nature of mind, the practice of meditation, the reality of suffering, and the possibility of liberation. It examines the nature of suffering, impermanence, and egolessness, with an emphasis on personal development through meditative discipline and study. The formal entry into the hinayana and the Buddhist path altogether is the refuge vow, in which a student goes for refuge to the Buddha, or the teacher; the dharma, or the teachings; and the sangha, or the community. The hinayana path is based on training in mindfulness and awareness, cultivating virtue, and cutting grasping. Topics covered in detail in this volume include the four noble truths, karma, the four foundations of mindfulness, meditation practice, the refuge vows, the three jewels, the five skandhas, the five precepts, twofold egolessness, and more. The Profound Treasury of the Ocean of Dharma represents meditation master Chögyam Trungpa's greatest contribution to Western Buddhism. This three-volume collection presents in lively, relevant language the comprehensive teachings of the Tibetan Buddhist path of the hinayana, mahayana, and vajrayana. This work will resonate with new students of Buddhism as well as the most senior students.

The Collected Works of Chogyam Trungpa: Volume Six

Glimpses of Space; Orderly Chaos; Secret Beyond Thought; The Tibetan Book of the Dead: Commentary; Transcending Madness; Selected Writings

Shambhala Publications The Collected Works of Chögyam Trungpa brings together in eight volumes the writings of one of the first and most influential and inspirational Tibetan teachers to present Buddhism in the West. Organized by theme, the collection includes full-length books as well as articles, seminar transcripts, poems, plays, and interviews, many of which have never before been available in book form. From memoirs of his escape from Chinese-occupied Tibet to insightful discussions of psychology, mind, and meditation; from original verse and calligraphy to the esoteric lore of tantric Buddhism—the impressive range of Trungpa's vision, talents, and teachings is showcased in this landmark series. Volume Six contains advanced teachings on the nature of mind and tantric experiences.

Chögyam Trungpa's commentary on the Tibetan Book of the Dead explains what this classic text teaches about human psychology. *Transcending Madness* presents a unique view of the Tibetan concept of bardo. *Orderly Chaos* explains the inner meaning of the mandala. *Secret Beyond Thought* presents teachings on the five chakras and the four karmas. *Glimpses of Space* consists of two seminars: "The Feminine Principle" and "Evam." In the article "Femininity," the author presents a playful look at the role of feminine energy in Buddhist teachings. "The Bardo," based on teachings given in England in the 1960s, has not been available in published form for many years.

Warrior-King of Shambhala

Remembering Chogyam Trungpa

Simon and Schuster A pioneer in introducing Tibetan Buddhism to the West, Chogyam Trungpa is also one of its most controversial figures. Born in Tibet and trained in the traditional manner, he arrived in the U.S. in 1970, a time when there was virtually no knowledge of Buddhism in the general culture. He defied notions of how a holy man should act. Dressing in Western clothing and at times exhibiting unconventional behavior, his "crazy wisdom" made him a magnet for a generation of spiritual seekers. One of those seekers was Jeremy Hayward. This intimate memoir begins with their first meeting in 1970, then progresses year by year until Trungpa's death and beyond. Hayward vividly describes Trungpa's powerful, direct way of working with students, his groundbreaking work in bringing Buddhism to the West, and the teachings Trungpa presented each year. He also describes his own personal spiritual journey with Chogyam Trungpa as a guide.

Meditation in Action

Shambhala Publications This classic teaching by a Tibetan master continues to inspire both beginners and long-time practitioners of Buddhist meditation. Chögyam Trungpa Rinpoche shows that meditation extends beyond the formal practice of sitting to build the foundation for compassion, awareness, and creativity in all aspects of life. He explores the six activities associated with meditation in action—generosity, discipline, patience, energy, clarity, and wisdom—revealing that through simple, direct experience, one can attain real wisdom: the ability to see clearly into situations and deal with them skillfully, without the self-consciousness connected with ego

A Guide to the Bodhisattava's Way of Life

Library of Tibetan Works and Archives Shantideva's *Bodhisattvacharyavatara* (*A Guide to the Bodhisattva's Way of Life*) holds a unique place in Mahayana Buddhism akin to that of the *Dhammapada* in Hinayana Buddhism and the *Bhagavadgita* in Hinduism. In combining those rare qualities of scholastic precision, spiritual depth and poetical beauty, its appeal extends to a wide audience of Buddhists and non-Buddhists alike. Composed in India during the 8th century of the Christian era, it has since been an inspiration to millions of people throughout the world. This present translation by Stephen Batchelor is based upon a 12th century Tibetan commentary as orally explained by Ven. Geshe Ngawang Dhargyey. The ninth chapter on wisdom has been expanded for this edition with relevant commentarial passages.

Journey Without Goal

The Tantric Wisdom of the Buddha

Shambhala Publications Meditation master Chögyam Trungpa demystifies the Tantric tradition of Buddhism in this accessible guide for curious students. Based on the author's talks at Naropa University, this volume introduces the reader to the principles of tantra, based on the practice of meditation, which leads to the discovery of egolessness. Trungpa Rinpoche provides a direct and experiential picture of the tantric world, explaining the importance of self-existing energy, the mandala principle, the difference between Buddhist and Hindu tantra—stressing the nontheistic foundation of Buddhism. The role of the teacher and the meaning of tantric transmission are also presented. Written for the student of Buddhism rather than the scholar, *Journey without Goal* demystifies the vajrayana and at the same time affirms the power and sacredness of its ancient teaching.

Training the Mind & Cultivating Loving-kindness

Shambhala Publications An introduction to the Tibetan Buddhist practice of lojong features a collection of classical "slogans" designed to help promote clarity, intelligence, compassion, and other virtues, in a guide that demonstrates how to overcome such challenges as fear and self-centeredness. Original.

The Myth of Freedom and the Way of Meditation

Shambhala Publications Featuring a new foreword by Pema Chödrön, this Tibetan Buddhist classic explores the meaning of freedom and how we can attain it through meditation. Freedom is generally thought of as the ability to achieve goals and satisfy desires. But what are the sources of these goals and desires? If they arise from ignorance, habitual patterns, and negative emotions, is the freedom to pursue these goals true freedom—or is it just a myth? In *The Myth of Freedom and the Way of Meditation*, Chögyam Trungpa explores the true meaning of freedom, showing us how our attitudes, preconceptions, and even our spiritual practices can become chains that bind us to repetitive patterns of frustration and despair. He also explains how meditation can bring into focus the causes of frustration, and how these negative forces can aid us in advancing toward true freedom. Trungpa's unique ability to express the essence of Buddhist teachings in the language and imagery of contemporary American culture makes this book one of the best, most accessible sources of the Buddhist doctrine ever written.

The Book of Tea

Applewood Books Written in English by a Japanese scholar in 1906, "*The Book of Tea*" is an elegant attempt to explain the philosophy of the Japanese Tea Ceremony, with its Taoist and Zen Buddhist roots, to a Western audience in clear and simple terms. One of the most widely-read English works about Japan, it had a profound influence on western understanding of East Asian tradition.

Cynicism and Magic

Intelligence and Intuition on the Buddhist Path

Shambhala Publications A groundbreaking, accessible presentation of Tibetan Buddhism from Chögyam Trungpa, renowned twentieth-century master and teacher. Based on a series of talks given by Chögyam Trungpa during the first session of what was to become Naropa University, *Cynicism and Magic* introduces key Tibetan Buddhist concepts, including karma, the structure of ego, the paramitas, and the bodhisattva. Employing a unique and intimate teaching style, Trungpa Rinpoche presents these concepts in a larger framework of questions we all have: What is authentic spirituality? Can I find enlightenment and freedom? How should I approach life, death, suffering, and boredom? How can I develop some discipline, patience, and sanity? Through these accessible teachings, this book will show you how to approach a living dharma with intelligence, and with a sense of openness and wonder.

Lieh-tzu

A Taoist Guide to Practical Living

Shambhala Publications The *Lieh-tzu* is a collection of stories and philosophical musings of a sage of the same name who lived around the fourth century BCE. Lieh-tzu's teachings range from the origin and purpose of life, the Taoist view of reality, and the nature of enlightenment to the training of the body and mind, communication, and the importance of personal freedom. This distinctive translation presents Lieh-tzu as a friendly, intimate companion speaking directly to the reader in a contemporary voice about matters relevant to our everyday lives.

Cutting Through Spiritual Materialism

Shambhala Publications This modern spiritual classic highlights a trick we play on ourselves and offers a brighter reality: liberation by letting go of the self rather than working to improve it. The Tibetan meditation master Chögyam Trungpa calls attention to the commonest pitfall to which every aspirant on the spiritual path falls prey: what he calls spiritual materialism. "The problem is that ego can convert anything to its own use," he says, "even spirituality." The universal tendency is to see spirituality as a process of self-improvement—the impulse to develop and refine the ego when the ego is, by nature, essentially empty. Trungpa's incisive, compassionate teachings serve to wake us up from these false comforts. Featuring a new foreword by his son and lineage holder, *Cutting Through Spiritual Materialism* has resonated with students for nearly thirty years—and remains as fresh as ever today.

Teachings of the Tao

Shambhala Publications "The Tao that can be spoken of is not the real Way," reads a famous line from the *Tao-te-ching*. But although the Tao cannot be described by words, words can allow us to catch a fleeting glimpse of that mysterious energy of the universe which is the source of life. The readings in this book are a beginner's entrée into the vast treasury of writings from the sacred Chinese tradition, consisting of original translations of excerpts from the Taoist canon. Brief introductions and notes on the translation accompany the selections from the classics; books of devotional and mystical Taoism; texts of internal alchemy; stories of Taoist immortals, magicians, and sorcerers; ethical tracts; chants and rituals; and teachings on meditation and methods of longevity.

Shantideva's Guide to the Bodhisattva's Way of Life

How to Enjoy a Life of Great Meaning and Altruism

Tharpa Publications UK This famous and universally loved poem for daily living has inspired many generations of Buddhists and non-Buddhists since it was first composed in the 8th century by the famous Indian Buddhist master Shantideva. This new translation, made under the guidance of Geshe Kelsang Gyatso, conveys the great lucidity and poetic beauty of the original, while preserving its full impact and spiritual insight. Reading these verses slowly, while contemplating their meaning, has a profoundly liberating effect on the mind. The poem invokes special positive states of mind, moves us from suffering and conflict to happiness and peace, and gradually introduces us to the entire Mahayana Buddhist path to enlightenment.

Nine-Headed Dragon River

Zen Journals 1969-1982

Shambhala Publications In August 1968, naturalist-explorer Peter Matthiessen returned from Africa to his home in Sagaponack, Long Island, to find three Zen masters in his driveway—guests of his wife, a new student of Zen. Thirteen years later, Matthiessen was ordained a Buddhist monk. Written in the same format as his best-selling *The Snow Leopard*, *Nine-Headed Dragon River* reveals Matthiessen's most daring adventure of all: the quest for his spiritual roots.

The Path of Purification

Visuddhimagga

Zen Flesh, Zen Bones

A Collection of Zen and Pre-Zen Writings

Tuttle Publishing "It has stayed with me for the last 30 years, a classic portraying Zen mind to our linear thinking." --Phil Jackson, Head Coach of the Chicago Bulls and author of Sacred Hoops Zen Flesh, Zen Bones offers a collection of accessible, primary Zen sources so that readers can contemplate the meaning of Zen for themselves. Within the pages, readers will find: 101 Zen Stories, a collection of tales that recount actual experiences of Chinese and Japanese Zen teachers over a period of more than five centuries The Gateless Gate, the famous thirteenth-century collection of Zen koans Ten Bulls, a twelfth century commentary on the stages of awareness leading to enlightenment Centering, a 4,000 year-old teaching from India that some consider to be the roots of Zen. When Zen Flesh, Zen Bones was published in 1957, it became an instant sensation with an entire generation of readers who were just beginning to experiment with Zen. Over the years it has inspired leading American Zen teachers, students, and practitioners. Its popularity is as high today as ever.

Zen Buddhism & Psychoanalysis

The key book in our quest for understanding of ourselves and our lives. What differences are there in Eastern and Western thought regarding the nature of the human mind and our role in the cosmos? How can Zen and psychoanalysis help us in our struggle to realise our full potential as human beings and members of society? Erich Fromm's seminal work among contemporary efforts to resolve our spiritual crisis results here in the great achievement of a language to reveal the contributions of Zen and psychoanalysis to our 'struggle to be fully born'. He shows how both can teach us in their different ways to live our lives rather than be 'lived by them'. D.T. Suzuki explains with profound and gentle wisdom how Western materialism and intellectualism contrast with the Eastern concept of acceptance as the basis of well-being for the 'whole man'. His illuminating discussion of the unconscious and the self shed fresh light on our understanding of our own nature. Combined with Richard De Martino's clear account of the psychology of Zen, these writings make up a work of brilliance and value that has much to help us in our quest for understanding.

Transcending Madness

The Experience of the Six Bardos

Shambhala Publications The Tibetan word bardo is usually associated with life after death. Here, Chögyam Trungpa discusses bardo in a very different sense: as the peak experience of any given moment. Our experience of the present moment is always colored by one of six psychological states: the god realm (bliss), the jealous god realm (jealousy and lust for entertainment), the human realm (passion and desire), the animal realm (ignorance), the hungry ghost realm (poverty and possessiveness), and the hell realm (aggression and hatred). In relating these realms to the six traditional Buddhist bardo experiences, Trungpa provides an insightful look at the "madness" of our familiar psychological patterns and shows how they present an opportunity to transmute daily experience into freedom.

Ancient Wisdom for Modern Needs

Discovering Taoist Wicca

Page Publishing Inc Ancient Wisdom for Modern Needs: Discovering Taoist Wicca is a unique seasonal self-coaching and ritual system, time-tested by real people—with real results! This book takes you on a cross-cultural journey, through a calendar year, to discover a spiritual approach to stress management, self-healing, and personal growth. Taoist Wicca combines Taoist principles, Chakra wisdom, and applied introspection with the ancient hypnotic power of ritual. This system is a practical guide to exploring the seasons as thematic and energetic connections between the body, mind, and spirit: the Unseen, ourselves, and our planet. Endorsements As a psychotherapist who has been in practice for over three decades, who is also Wiccan, I am profoundly excited by Suzy Peltier's work. She manages to speak to the heart while also being intellectually challenging. I look forward to being able to give her book to colleagues and clients alike. She has taken different systems of healing and integrated them

into something not only new but incredibly powerful and potent. This book is an important contribution to the healing arts, addressing the healing of mind, body, and spirit. —Deborah Oak Cooper, MFT In this unique exploration, Suzy Peltier expertly applies the wisdom of Taoism and Wicca to modern-day struggles. Deeply insightful, this book seamlessly interweaves the complementary themes of Wicca, Taoism, Chinese medicine, the Hindu Chakra system, and Western science to provide a beneficial guide to restoring balance and vitality as we navigate our lives in the twenty-first century. —Dr. Daniel Geren, DAOM, L.Ac. Doctor of Acupuncture and Oriental medicine The magick works—if you work it! I have practiced Taoist Wicca since 2005. I have realized my dreams of a second-degree priestess initiation and a successful career with continual growth. I have co-written and published a children's book, and am now married to the love of my life. All this, I created through practicing Taoist Wicca and the love and kinship of the Circle. —Lady Pele of the Phoenix, author, realtor, and second-degree Taoist Wiccan high priestess, and practitioner since 2005

No Time to Lose

A Timely Guide to the Way of the Bodhisattva

Shambhala Publications Over the years, Pema Chödrön's books have offered readers an exciting new way of living: developing fearlessness, generosity, and compassion in all aspects of their lives. In this new book, she invites readers to venture further along the path of the "bodhisattva warrior," explaining in depth how we can awaken the softness of our hearts and develop true confidence amid the challenges of daily living. In *No Time to Lose* Chödrön reveals the traditional Buddhist teachings that guide her own life: those of *The Way of the Bodhisattva* (*Bodhicharyavatara*), a text written by the eighth-century sage Shantideva. This treasured Buddhist work is remarkably relevant for our times, describing the steps we can take to cultivate courage, caring, and joy—the key to healing ourselves and our troubled world. Chödrön offers us a highly practical and engaging commentary on this essential text, explaining how its profound teachings can be applied to our daily lives. Full of illuminating stories and practical exercises, this fresh and accessible guide shows us that the path of the bodhisattva is open to each and every one of us. Pema Chödrön urges us to embark on this transformative path today, writing, "There is no time to lose—but not to worry, we can do it."

The New Buddhism

The Western Transformation of an Ancient Tradition

Oxford University Press This text outlines the development and spread of ancient Buddhism. It describes its journey west and its evolution here, sketching the lives and teachings of some of Western Buddhism's most important figures.

Wen-tzu

Shambhala Publications Lao-tzu, the legendary sage of ancient China, is traditionally considered to be the author of the *Tao Te Ching*, one of the most popular classics of world literature. Now Lao-tzu's further teachings on the Tao, or Way, are presented here in the first English translation of the Chinese text known as the *Wen-tzu*. Although previously ignored by Western scholars, the *Wen-tzu* has long been revered by the Chinese as one of the great classics of ancient Taoism. In it, Lao-tzu shows that the cultivation of simplicity and spontaneity is essential to both the enlightened individual and the wise leader. This timeless work will appeal to a broad audience of contemporary readers who have come to consider Lao-tzu's *Tao Te Ching* a classic on the art of living.

The Great Treatise on the Stages of the Path to Enlightenment

Shambhala Publications *The Great Treatise on the Stages of the Path to Enlightenment* (Tib. *Lam rim chen mo*) is one of the brightest jewels in the world's treasury of sacred literature. The author, Tsong-kha-pa, completed it in 1402, and it soon became one of the most renowned works of spiritual practice and philosophy in the world of Tibetan Buddhism. Because it condenses all the exoteric sūtra scriptures into a meditation manual that is easy to understand, scholars and practitioners rely on its authoritative presentation as a gateway that leads to a full understanding of the Buddha's teachings. Tsong-kha-pa took great pains to base his insights on classical Indian Buddhist literature, illustrating his points with classical citations as well as with sayings of the masters of the earlier Kadampa tradition. In this way the text demonstrates clearly how Tibetan Buddhism carefully preserved and developed the Indian Buddhist traditions. This first of three volumes covers all the practices that are

prerequisite for developing the spirit of enlightenment (bodhicitta).

The Truth of Suffering and the Path of Liberation

Shambhala Publications Chögyam Trungpa's in-depth exploration of the Four Noble Truths—the foundational Buddhist teaching about the origin of suffering and its cessation—emphasizes their profound relevance not just as an inspiration when we set out on the path, but at every other moment of our lives as well, showing how we can join view (intellectual understanding) of the teaching with practical application in order to interrupt suffering before it arises.

The Lone Samurai

The Life of Miyamoto Musashi

Shambhala Publications Miyamoto Musashi (1584?1645) was the legendary samurai known throughout the world as a master swordsman, spiritual seeker, and author of the classic book on strategy, the Book of Five Rings. Over 350 years after his death, Musashi and his legacy still fascinate us and continue to inspire artists, authors, and filmmakers. Here, respected translator and expert on samurai culture William Scott Wilson has created both a vivid account of a fascinating period in feudal Japan and a portrait of the courageous, iconoclastic samurai who wrestled with philosophical and spiritual ideas that are as relevant today as they were in his time. For Musashi, the way of the martial arts was about mastery of the mind rather than simply technical prowess—and it is this path to mastery that is the core teaching in his Book of Five Rings. This volume includes supplemental material on Musashi's legacy as a martial arts icon, his impact on literature and film, and the influence of his Book of Five Rings.

Think Like a Monk

Train Your Mind for Peace and Purpose Every Day

Simon & Schuster Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Open Source

Technology and Policy

Cambridge University Press From the Internet's infrastructure to operating systems like GNU/Linux, the open source movement comprises some of the greatest accomplishments in computing over the past quarter century. Its story embraces technological advances, unprecedented global collaboration, and remarkable tools for facilitating distributed development. The evolution of the Internet enabled an enormous expansion of open development, allowing developers to exchange information and ideas without regard to constraints of space, time, or national boundary. The movement has had widespread impact on education and government, as well as historic cultural and commercial repercussions. Part I discusses key open source applications, platforms, and technologies used in open development. Part II explores social issues ranging from demographics and psychology to legal and economic matters. Part III discusses the Free Software Foundation, open source in the public sector (government and education), and future prospects.

The Book of Five Rings for Executives

Musashi's Classic Book of Competitive Tactics

Nicholas Brealey International The Book of Five Rings, by Japanese samurai swordsman Miyamoto Musashi, is a famous classic of competitive tactics and strategy. Used for centuries by Japanese military officers and businessmen, the material provides a powerful, practical approach to succeeding in competitive situations.

Bhagavad Gita

Shambhala Publications The Bhagavad Gita ("Song of the Lord") is considered the most influential of all the Hindu scriptures and is one of the greatest spiritual classics of the world. Comprised of eighteen chapters taken from the great Sanskrit epic Mahabharata, the Gita presents a conversation that takes place on a battlefield just as two groups of relatives are about to wage war against one another. Facing the forces of greed, anger, and hatred, the warrior-prince Arjuna loses heart and refuses to fight his own kin. His friend and charioteer, Lord Krishna, who represents the Divine within, tells him: "Your very nature will drive you to fight." In the ensuing dialogue, Krishna teaches Arjuna, and all of us, how we can face bravely the unavoidable challenges and conflicts of life—and win the greatest of all battles, against the tumultuous emotions within our own hearts. Eknath Easwaran's eloquent translation and Diana Morrison's chapter introductions, which summarize major religious concepts, make this edition especially accessible for modern readers of any religion.

The Complete Musashi: The Book of Five Rings and Other Works

The Definitive Translations of the Complete Writings of Miyamoto Musashi--Japan's Greatest Samurai

Tuttle Publishing Miyamoto Musashi (1584–1645) is the most famous Samurai who ever lived. His magnum opus, the Go-Rin-Sho or Book of Five Rings is a classic that is still read by tens of thousands of people each year—Japanese and foreigners alike. Alex Bennett's groundbreaking new translation of The Book of Five Rings reveals the true meaning of this text for the first time. Like Sun Tzu's The Art of War, Musashi's book offers unique insights, not just for warriors, but for anyone wanting to apply the Zen Buddhist principle of awareness to achieve success in their endeavors. This book sheds new light on Japanese history and on the philosophical meaning of Bushido—the ancient "code of the Japanese warrior." Unlike other translations that are based on incomplete and inaccurate versions of Musashi's work, Bennett's is the first to be based on a careful reconstruction of the long-lost original manuscript. Capturing the subtle nuances of the original Japanese classic, the result is a far more accurate and

meaningful English version of The Book of Five Rings text. Richly annotated and with an extensive introduction to Musashi's life, this version includes a collection of his other writings—translated into English for the first time. A respected scholar, as well as a skilled martial artist, Bennett's understanding of Musashi's life and work is unparalleled. This book will be widely read by students of Japanese culture, history, military strategy, and martial arts. It sets a new standard against which all other translations will be measured.

The Life of Marpa the Translator

Seeing Accomplishes All

Shambhala Publications Marpa the Translator, the eleventh-century farmer, scholar, and teacher, is one of the most renowned saints in Tibetan Buddhist history. In the West, Marpa is best known through his teacher, the Indian yogin Nâropa, and through his closest disciple, Milarepa. This lucid and moving translation of a text composed by the author of The Life of Milarepa and The Hundred Thousand Songs of Milarepa documents the fascinating life of Marpa, who, unlike many other Tibetan masters, was a layman, a skillful businessman who raised a family while training his disciples. As a youth, Marpa was inspired to travel to India to study the Buddhist teachings, for at that time in Tibet, Buddhism had waned considerably through ruthless suppression by an evil king. The author paints a vivid picture of Marpa's three journeys to India: precarious mountain passes, desolate plains teeming with bandits, greedy customs-tax collectors. Marpa endured many hardships, but nothing to compare with the trials that ensued with his guru Nâropa and other teachers. Yet Marpa succeeded in mastering the tantric teachings, translating and bringing them to Tibet, and establishing the Practice Lineage of the Kagyüs, which continues to this day.
