Fever Series Book 1

Delacorte Press MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric

Kingdom of Shadow and Light

Dell NEW YORK TIMES BESTSELLER • MacKayla Lane faces the ultimate threat when war breaks out between the kingdoms of shadow and light, as the Fever series races to an explosive revelation. From the moment MacKayla Lane arrived in Dublin to hunt her sister's murderer, she's had to fight one dangerous battle after the next: to survive, to

secure power, to keep her city safe, to protect the people she loves. The matter of who's good and who's evil can be decided by the answer to a single question: Whose side are you on? Now, as High Queen of the Fae, Mac faces her greatest challenge yet: ruling the very race she was born to hunt and kill—a race that wants her dead yesterday, so they can put a pure-blooded Fae queen on the throne. But challenges with her subjects are the least of her concerns when an ancient, deadly foe resurfaces, changing not only the rules of the game but the very game itself, initiating a catastrophic sequence of events that have devastating consequences and leave Mac questioning everything she's ever learned and everyone she's ever loved. Now begins an epic battle between Mortal and Fae, Seelie and Unseelie, would-be kings and would-be queens, with possession of the Unseelie King's virtually unlimited power and the fate of humanity at stake. From the exquisite, deadly gardens of the High Queen's court, to long-forgotten truths found in the Sacred Grove of Creation, from the erotic bed of her enigmatic, powerful lover to the darkest, seductive reaches of the Unseelie kingdom, Mac's final journey takes her places no human has been before, and only one human could possibly survive . . . One who's willing to sacrifice everything.

The plot had all the dynamic twists and turns to keep me enthralled to see what would happen next. Also, I just really like vampires." - Verified Reviewer "Leighton had shown off her talents as a world builder, with an ability to create an atmosphere the reader can feel a part of. The Civil War Trilogy

God and Generals - The Killer Angels - The Last Full Measure

Ballantine Books Michael Shaara reinvented the war novel with his Pulitzer Prize-winning masterpiece of Gettysburg, The Killer Angels. Jeff Shaara continued his father's legacy with a series of centuries-spanning New York Times bestsellers. This volume assembles three Civil War novels from America's first family of military fiction: Gods and Generals, The Killer Angels, and The Last Full Measure. Gods and Generals traces the lives, passions, and careers of the great military leaders--Thomas "Stonewall" Jackson, Winfield Scott Hancock, Joshua Chamberlain--from the gathering clouds of war. The Killer Angels re-creates the fight for America's destiny in the Battle of Gettysburg, the four most bloody and courageous days of our nation's history. And The Last Full Measure brings to life the final two years of the Civil War, chasing the escalating conflict between Robert E. Lee and Ulysses S. Grant--complicated, heroic, and deeply troubled men--through to its riveting conclusion at Appomattox. Praise for Michael Shaara and Jeff Shaara's Civil War trilogy "Brilliant does not even begin to describe the Shaara gift."--The Atlanta Journal-Constitution "Shaara's beautifully sensitive novel delves deeply in the empathetic realm of psycho-history, where enemies do not exist--just mortal men forced to make crucial decisions and survive on the same battlefield."--San Francisco Chronicle, on Gods and Generals "Remarkable . . . a book that changed my life . . . I had never visited Gettysburg, knew almost nothing about that battle before I read the book, but here it all came alive."--Ken Burns, on The Killer Angels "The Last Full Measure is more than another historical novel. It is rooted in history, but its strength is the element of humanity flowing through its characters. . . . The book is compelling, easy to read, well researched and written, and thought-provoking. . . . In short, it is everything that a reader could ask for."--Chicago Tribune
