OUT OF MY MIND

Simon and Schuster Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

BABY TOUCH AND FEEL: BIBLE ANIMALS

DK Children With touch and feel patches and tactile, sparkly areas to explore, this Bible-themed baby board book encourages early learning, and is just right for sharing with your little one. Inside, you meet engaging animals from the Bible, including a woolly lamb, a smooth, rubbery whale, and a soft dove. The friendly animals will help bring the Bible to life and act as an ideal introduction to the Bible and religion for babies. The delightful animals are cute, full of character, and appealing, and every page of the book has texture or an eye-catching shiny area to expand your baby's senses. Filled with learning opportunities, this book has a simple design that's easy for very young children to follow. The are clear images help baby's identification skills. The text is short and fun; great for reading aloud and encouraging little ones to talk, building their language. All the animals are also labeled, promoting picture-and-word association, which aids early reading. Part of DK's popular Baby Touch and Feel series, this exciting Bible animals book, with its super sparkly jacket, makes an ideal baby birthday, Easter, Christmas or christening gift.

CORONAVIRUS: A BOOK FOR CHILDREN

Nosy Crow What is the coronavirus, and why is everyone talking about it? Engagingly illustrated by Axel Scheffler, this approachable and timely book helps answer these questions and many more, providing children aged 5-10 and their parents with clear and accessible explanations about the coronavirus and its effects - both from a health perspective and the impact it has on a family's day-to-day life. With input from expert consultant Professor Graham Medley of the London School of Hygiene & Tropical Medicine, as well as advice from teachers and child psychologists, this is a practical and informative resource to help explain the changes we are currently all experiencing. The book is free to read and download, but Nosy Crow would like to encourage readers, should they feel in a position to, to make a donation to: <https://www.nhscharitiestogether.co.uk/>

PREGNANCY DAY BY DAY

Penguin The complete guide to pregnancy, day-by-day No other pregnancy book provides this level of detail, allied with such extraordinary photographs, 3D scans and illustrations which reveal in unprecedented clarity exactly what is happening to you and your baby every single day. From early fetal development to how your hormones prepare you for birth, learn from world-class experts. Plus, obstetricians, midwives and parents advise on your baby's development, medical matters, your changing body, diet, fitness and much more. A special hour-by-hour rundown of what to expect during and immediately after birth, plus further reassurance for the first two weeks of your baby's life, will give a helping hand through the culmination of your pregnancy, from pain relief to those first intimate and unique moments between you and your child.

SEE, TOUCH, FEEL

A FIRST SENSORY BOOK

Priddy Books There's lots for baby to explore in See, Touch, Feel: A First Sensory Book. This sturdy board book, with bright photographs of happy babies, is specially designed to stimulate curiosity through sensory play. Each page has a colorful picture activity that invites baby to touch and explore. There are raised textures to feel, finger trails to follow, and a shiny mirror to look in to. Can they follow the swirl on the snail's shell. Can they tap the drum? As your baby grows, See, Touch, Feel will help your child develop language recognition and motor skills, as they learn to interact with the book in new ways. With lots to explore together, See, Touch, Feel is an ideal first book to share with your baby.

ANIMALS

DK Children Invites young readers to feel the textures of animals, including puppies, elephants, starfish, and snails. On board pages.

TOUCHTHINKLEARN: ABC

Chronicle Books Using the same innovative production technique and brilliant aesthetic cheered by parents, educators, and children alike in the acclaimed TouchThinkLearn series, here is an alphabet that literally adds a new dimension to learning. Raised die-cut pieces nestled in mirroring indented cut-outs engage readers on both visual and tactile levels. An impressive gift, this exquisitely executed design object is above all else a fabulously fun and educationally essential alphabet book.

BEST LIFE

ANIMALS

DK Publishing (Dorling Kindersley) Teach your baby all about animals with touch and feel textures Stroke, tickle and touch the textures together with your baby and help them discover all about animals. Let their little hands roam and feel how soft and cuddly kittens are but how scaly the lizard feels. They'll learn as you play. Twinkly, bumpy, scaly, silky, sandy, sticky and shiny textures in a chunky package: perfect for encouraging tiny fingers to explore and tiny minds to develop.

ORGASMIC BIRTH

YOUR GUIDE TO A SAFE, SATISFYING, AND PLEASURABLE BIRTH EXPERIENCE

Rodale A guide based on the award-winning coauthor's documentary explains how to render childbirth a natural and enjoyable experience, counseling women on how to take control of their bodies and prepare a birthing plan in accordance with personal needs. Original.

WONDER

Random House 'Has the power to move hearts and change minds' Guardian 'Tremendously uplifting and a novel of all-too-rare power' Sunday Express 'An amazing book . . . I absolutely loved it. I cried my eyes out' Tom Fletcher Read the award-winning, multi-million copy bestselling phenomenon that is WONDER. 'My name is August. I won't describe what I look like. Whatever you're thinking, it's probably worse.' Auggie wants to be an ordinary ten-year-old. He does ordinary things - eating ice cream, playing on his Xbox. He feels ordinary - inside. But ordinary kids don't make other ordinary kids run away screaming in playgrounds. Ordinary kids aren't stared at wherever they go. Born with a terrible facial abnormality, Auggie has been home-schooled by his parents his whole life. Now, for the first time, he's being sent to a real school - and he's dreading it. All he wants is to be accepted - but can he convince his new classmates that he's just like them, underneath it all? A funny, frank, astonishingly moving debut - and a true global phenomenon - to read in one sitting, pass on to others, and remember long after the final page.

TOUCH AND FEEL PLAYBOOK

Puffin The world of Eric Carle is a world of colour and discovery. In this tactile early-learning playbook, first concepts are introduced through texture, words and pictures.

THE ADVOCATE

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

YC YOUNG CHILDREN

CARE FOR CHILD DEVELOPMENT

IMPROVING THE CARE OF YOUNG CHILDREN

An "evidence-based set of materials to help international staff, national governments and their partners promote care for child development within all relevant programme activities of the health sector. These materials guide health workers and other counsellors as they help families build stronger relationships with their children and solve problems in caring for their children at home"--Foreword.

OWL BABIES

Candlewick Press (MA) The baby owls came out of their house, and they sat on the tree and waited. A big branch for Sarah, a small branch for Percy, and an old piece of ivy for Bill. When three baby owls awake one night to find their mother gone, they can't help but wonder where she is. Stunning illustrations from unique and striking perspectives capture the owls as they worry about their mother: What is she doing? When will she be back? What scary things move all around them? Not surprisingly, a joyous flapping and dancing and bouncing greets her return, lending a celebratory tone to the ending of this comforting tale. Never has the plight of young ones who miss their mother been so simply told or so beautifully rendered.

ANOTHER TWINKLE IN THE EYE

CONTEMPLATING ANOTHER PREGNANCY AFTER PERINATAL MENTAL ILLNESS

Routledge Another Twinkle in the Eye is an essential guide for anyone contemplating another pregnancy after perinatal mental illness. The decision to bring a child into the world is rarely one that is taken lightly. When a previous pregnancy and early parenthood has resulted in poor maternal and/or paternal perinatal mental health, making a conscious decision to have another baby can be even more challenging. This unique book provides facts, resources, and discussion points to support people in making informed and comfortable decisions. It is also an essential resource for health professionals who support or are involved in the decision-making process of couples planning another pregnancy. The author combines personal experience with real-life stories from other parents. Also included are contributions from healthcare professionals. The book offers comprehensive coverage across five key areas: Reflection on the previous pregnancy, miscarriage or stillbirth, Decisions to be made when considering another pregnancy, Ways to plan for and to have a healthier experience, The role of healthcare professionals and facilities, and Self-help and complementary techniques for good mental health in the perinatal period.

MEN'S HEALTH

Men's Health magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle.

BACKPACKER

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

BOOK OF RHYMES

THE POETICS OF HIP HOP

Civitas Books If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners. Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. Book of Rhymes explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

PARENTING MATTERS

SUPPORTING PARENTS OF CHILDREN AGES 0-8

National Academies Press Decades of research have demonstrated that the parent-child dyad and the environment of the family—which includes all primary caregivers—are at the foundation of children's well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly growing body of science on early childhood, increases in funding for programs and services for families, changing demographics of the U.S. population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. Parenting Matters identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8; universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States.

ALL MY SONS

DRAMA IN THREE ACTS

Dramatists Play Service Inc Presents the classic play, first produced in 1947, about guilt, responsibility, and the relationship between fathers and sons in the aftermath of a World War II corruption case.

Simon and Schuster A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

ALICE IN WONDERLAND

STRENGTHENING FORENSIC SCIENCE IN THE UNITED STATES

A PATH FORWARD

National Academies Press Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

EXPLORING THE DIMENSIONS OF HUMAN SEXUALITY

Jones & Bartlett Learning *Exploring the Dimensions of Human Sexuality, Fourth Edition* addresses all aspects of sexuality—biological, spiritual, psychological, and sociocultural—and presents the information both factually and impartially. Throughout the text, students will find an emphasis on health and well-being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality. Students are encouraged to explore the varied dimensions of human sexuality and see how each affects their own personal sexuality, sexual health, and sexual responsibility.

IN MY HEART

A BOOK OF FEELINGS

Harry N. Abrams A young girl explores what different emotions feel like, such as happiness which makes her want to twirl, or sadness which feels as heavy as an elephant.

BACKPACKER

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, *Backpacker* is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. *Backpacker's* Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

SOPHIE'S WORLD

Hachette UK The international bestseller about life, the universe and everything. When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, *SOPHIE'S WORLD* sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

POCKET BOOK OF HOSPITAL CARE FOR CHILDREN

GUIDELINES FOR THE MANAGEMENT OF COMMON CHILDHOOD ILLNESSES

World Health Organization The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

WORKING MOTHER

The magazine that helps career moms balance their personal and professional lives.
