THE LIGHTNING THIEF

Percy, expelled from six schools for being unable to control his temper, learns that his father is the Greek god Poseidon, and is sent to Camp Half Blood where he is befriended by a satyr and the daughter of Athena.

MOURNING EL DORADO

LITERATURE AND EXTRACTIVISM IN THE CONTEMPORARY AMERICAN TROPICS

University of Virginia Press What ever happened to the legend of El Dorado, the tale of the mythical city of gold lost in the Amazon jungle? Charlotte Rogers argues that El Dorado has not been forgotten and still inspires the reckless pursuit of illusory wealth. The search for gold in South America during the colonial period inaugurated the "promise of El Dorado"—the belief that wealth and happiness can be found in the tropical forests of the Americas. That assumption has endured over the course of centuries, still evident in the various modes of natural resource extraction, such as oil drilling and mining, that characterize the region today. *Mourning El Dorado* looks at how fiction from the American tropics written since 1950 engages with the promise of El Dorado in the age of the Anthropocene. Just as the golden kingdom was never found, natural resource extraction has not produced wealth and happiness for the peoples of the tropics. While extractivism enriches a few outsiders, it results in environmental degradation and the subjugation, displacement, and forced assimilation of native peoples. This book considers how the fiction of five writers—Alejo Carpentier, Wilson Harris, Mario Vargas Llosa, Álvaro Mutis, and Milton Hatoum—criticizes extractive practices and mourns the lost illusion of the forest as a place of wealth and happiness.

THE FUTURE OF SPANISH IN THE UNITED STATES

Fundación Telefónica U.S. leadership will be a strong factor in the persistence of Spanish in its midst as a living language will be a powerful factor in the strengthening of the language on the international stage. In this volume, a number of specialists, all professors of Latino origins currently working in U.S. universities, analyze a variety of factors, from different perspectives, that play a role in the present and future vitality of Spanish as a second language in the U.S. The result is a rich and complex work surrounding a crucial issue that will influence the future of Spanish as an international language.

THE PIPIL LANGUAGE OF EL SALVADOR

Walter de Gruyter The series builds an extensive collection of high quality descriptions of languages around the world. Each volume offers a comprehensive grammatical description of a single language together with fully analyzed sample texts and, if appropriate, a word list and other relevant information which is available on the language in question. There are no restrictions as to language family or area, and although special attention is paid to hitherto undescribed languages, new and valuable treatments of better known languages are also included. No theoretical model is imposed on the authors; the only criterion is a high standard of scientific quality.

A FREQUENCY DICTIONARY OF SPANISH

CORE VOCABULARY FOR LEARNERS

Routledge *A Frequency Dictionary of Spanish* has been fully revised and updated, including over 500 new entries, making it an invaluable resource for students of Spanish. Based on a new web-based corpus containing more than 2 billion words collected from 21 Spanish-speaking countries, the second edition of *A Frequency Dictionary of Spanish* provides the most expansive and up-to-date guidelines on Spanish vocabulary. Each entry is accompanied with an illustrative example and full English translation. The Dictionary provides a rich resource for language teaching and curriculum design, while a separate CD version provides the full text in a tab-delimited format ideally suited for use by corpus and computational linguistics. With entries arranged both by frequency and alphabetically, *A Frequency Dictionary of Spanish* enables students of all levels to get the most out of their study of vocabulary in an engaging and efficient way.

THE 5AM CLUB

OWN YOUR MORNING. ELEVATE YOUR LIFE.

HarperCollins *Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world’s wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.*

ESCAPE VELOCITY

CYBERCULTURE AT THE END OF THE CENTURY

Open Road + Grove/Atlantic “Without a doubt the best guide I have read to the new computer culture . . . witty and provocative . . . sane and thoughtful” (J. G. Ballard). “A lively compendium of dispatches from the far reaches of today’s computer savvy avant-garde”, *Escape Velocity* explores the dawn of the Information Age, and the high-tech subcultures that celebrated, critiqued, and gave birth to our wired world and a counterculture digital underground (*The New York Times Book Review*). Poised between technological rapture and social rupture, *Escape Velocity* poses the fundamental question of our time: Is technology liberating or enslaving us in the twenty-first century? Mark Dery takes us on an electrifying tour of the high-tech underground. Investigating the shadowy byways of cyberculture, we meet would-be cyborgs who believe the body is obsolete and dream of downloading their minds into computers, cyberhippies who boost their brainpower with smart drugs and mind machines, techno-primitives who sport “biomechanical” tattoos of computer circuitry, and cyberpunk roboticists whose dystopian contraptions duel to the death before howling crowds. “Re-prov[ing] Dery an astute and trustworthy patrolman of the cultural and social borderland between science fiction and non-fiction”, *Escape Velocity* stands alone as the first truly critical inquiry into cyberculture (*Wired*). Shifting the focus of our conversation about technology from the corridors of power to disparate voices on the cultural fringes, Dery wires it into the power politics and social issues of the moment. It is essential reading for everyone interested in computer culture and the shape of things to come.

A NEW REFERENCE GRAMMAR OF MODERN SPANISH

Springer Science & Business Media (abridged and revised) This reference grammar offers intermediate and advanced students a reason ably comprehensive guide to the morphology and syntax of educated speech and plain prose in Spain and Latin America at the end of the twentieth century. Spanish is the main, usually the sole official language of twenty-one countries,} and it is set fair to overtake English by the year 2000 in numbers 2 of native speakers. This vast geographical and political diversity ensures that Spanish is a good deal less unified than French, German or even English, the latter more or less internationally standardized according to either American or British norms. Until the 1960s, the criteria of internationally correct Spanish were dictated by the Real Academia Espanola,

but the prestige of this institution has now sunk so low that its most solemn decrees are hardly taken seriously - witness the fate of the spelling reforms listed in the *Nuevas normas de prosodia y ortografía*, which were supposed to come into force in all Spanish-speaking countries in 1959 and, nearly forty years later, are still selectively ignored by publishers and literate persons everywhere. The fact is that in Spanish 'correctness' is nowadays decided, as it is in all living languages, by the consensus of native speakers; but consensus about linguistic usage is obviously difficult to achieve between more than twenty independent, widely scattered and sometimes mutually hostile countries. Peninsular Spanish is itself in flux.

AROUND THE WORLD IN 80 DAYS

Library of Alexandria In 1872 Phileas Fogg wins a bet by traveling around the world in seventy-nine days, twenty-three hours, and fifty-seven minutes.

NINETEEN EIGHTY-FOUR

epubli "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

SPANISH POETRY OF THE TWENTIETH CENTURY

MODERNITY AND BEYOND

University Press of Kentucky Twentieth-century Spanish poetry has received comparatively little attention from critics writing in English. Andrew Debicki now presents the first English-language history published in the United States to examine the sweep of modern Spanish verse. More important, he is the first to situate Spanish poetry in the context of European modernity, to trace its trajectory from the symbolists to the postmodernists. Avoiding the rigid generational schemes and catalogs of names found in traditional Hispanic literary histories, Debicki offers detailed discussions of salient books and texts to construct an original and compelling view of his subject. He demonstrates that contemporary Spanish verse is rooted in the modern tradition and poetics that see the text as a unique embodiment of complex experiences. He then traces the evolution of that tradition in the early decades of the century and its gradual disintegration from the 1950s to the present as Spanish poetry came to reflect features of the postmodern, especially the poetics of text as process rather than as product. By centering his study on major periods and examining within each the work of poets of different ages, Debicki develops novel perspectives. The late 1960s and early 1970s, for example, were not merely the setting for a new aestheticist generation but an era of exceptional creativity in which both established and new writers engendered a profound, intertextual, and often self-referential lyricism. This book will be essential reading for specialists in modern Spanish letters, for advanced students, and for readers inter-ested in comparative literature.

COOL SALSA

A HISTORY OF THE SPANISH LANGUAGE THROUGH TEXTS

Routledge *A History of the Spanish Language through Texts* examines the evolution of the Spanish language from the Middle Ages to the present day. Pountain explores a wide range of texts from poetry, through newspaper articles and political documents, to a Bunuel film script and a love letter. With keypoints and a careful indexing and cross-referencing system this book can be used as a freestanding

history of the language independently of the illustrative texts themselves.

MEMORIAS ANTIGUAS HISTORIALES Y POLÍTICAS DEL PERÚ

[Yale Univ Peabody Museum](#) This is a transcription of Spanish priest and explorer Fernando de Montesinos' 1644 manuscript for Book II of *Memorias historiales*, a rare reference on early Peru and Andean culture.

UPSIDE DOWN

A PRIMER FOR THE LOOKING-GLASS WORLD

[Metropolitan Books](#) From the winner of the first Lannan Prize for Cultural Freedom, a biting funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable *Memory of Fire Trilogy*, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in *Upside Down*, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a "program of study" about our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in "The Impunity of Power" to a seminar on "The Sacred Car"--with tips along the way on "How to Resist Useless Vices" and a declaration of "The Right to Rave"--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, *Upside Down* makes us see the world anew and even glimpse how it might be set right. "Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope." -Los Angeles Times, front page

THE CALL OF THE WILD

[ReadHowYouWant.com](#) Jack London's *The Call of the Wild* (1903) concerns a dog named Buck, a 140lb Saint Bernard and Scotch Shepherd mix. Living an easy life as the pet dog of Judge Miller in the Santa Clara Valley of Northern California, Buck is abducted by Manuel, an assistant of the Miller's gardener, and is sold to a trainer of sled dogs. Introduced to a brutal new way of life in which he must struggle to survive, Buck becomes wild and furious.

SPANISH GOTHIC

NATIONAL IDENTITY, COLLABORATION AND CULTURAL ADAPTATION

[Springer](#) This book presents the first English introduction to the broad history of the Gothic mode in Spain. It focuses on key literary periods, such as Romanticism, the fin-de-siècle, spiritualist writings of the early-twentieth century, and the cinematic and literary booms of the 1970s and 2000s. With illustrative case studies, Aldana Reyes demonstrates how the Gothic mode has been a permanent yet ever-shifting fixture of the literary and cinematic landscape of Spain since the late-eighteenth century. He proposes that writers and filmmakers alike welcomed the Gothic as a liberating and transgressive artistic language.

THE FEAST OF THE GOAT

[Faber & Faber](#) *Urania Cabral*, a New York lawyer, returns to the Dominican Republic after a lifelong self-imposed exile. Once she is back in her homeland, the elusive feeling of terror that has overshadowed her whole life suddenly takes shape. Urania's own story alternates with the powerful climax of dictator Rafael Trujillo's reign. In 1961, Trujillo's decadent inner circle (which includes Urania's soon-to-be disgraced father) enjoys the luxuries of privilege while the rest of the nation lives in fear and deprivation. As Trujillo clings to power, a plot to push the Dominican Republic into the future is being formed. But after the murder of its hated dictator, the Goat, is carried out, the Dominican Republic is plunged into the nightmare of a bloody and uncertain aftermath. Now, thirty years later, Urania reveals how her own family was fatally wounded by the forces of history. In *The Feast of the Goat* Mario Vargas Llosa eloquently explores the effects of power and violence on the lives of both the oppressors and those they victimized. 'The Feast of the Goat will stand out as the great emblematic novel of Latin America's twentieth century and removes *One Hundred Years of Solitude* of that title.' *Times Literary Supplement*

lceX

THE SEVEN MADMEN

Serpent's Tail Remo Erdosain's Buenos Aires is a dim, seething, paranoid hive of hustlers and whores, scoundrels and madmen, and Erdosain feels his soul is as polluted as anything in this dingy city. Possessed by the directionlessness of the society around him, trapped between spiritual anguish and madness, he clings to anything that can give his life meaning: small-time defrauding of his employers, hatred of his wife's cousin Gregorio Barsut, a part in the Astrologer's plans for a new world order... but is that enough? Or is the only appropriate response to reality - insanity? Written in 1929, The Seven Madmen depicts an Argentina on the edge of the precipice. This teeming world of dreamers, revolutionaries and scheming generals was Arlt's uncanny prophesy of the cycle of conflict which would scar his country's passage through the twentieth century, and even today it retains its power as one of the great apocalyptic works of modern literature.

CITY OF THE BEASTS

HarperCollins A search for the Beast, a Yeti-like creature within the heart of the Amazon, becomes a quest for self-discovery in this young adult coming-of-age story filled with international adventure, rich mythology, and magical realism from globally celebrated novelist Isabel Allende. Fifteen-year-old Alexander Cold has the chance to take the trip of a lifetime. Parting from his family and ill mother, Alexander joins his fearless grandmother, a magazine reporter for International Geographic, on an expedition to the dangerous, remote world of the Amazon. Their mission, along with the others on their team—including a celebrated anthropologist, a local guide and his young daughter Nadia, and a doctor—is to document the legendary Yeti of the Amazon known as the Beast. Under the dense canopy of the jungle, Alexander is amazed to discover much more than he could have imagined about the hidden worlds of the rain forest. Drawing on the strength of the jaguar, the totemic animal Alexander finds within himself, and the eagle, Nadia's spirit guide, both young people are led by the invisible People of the Mist on a thrilling and unforgettable journey to the ultimate discovery.

STAGING DOUBT

SKEPTICISM IN EARLY MODERN EUROPEAN DRAMA

Walter de Gruyter GmbH & Co KG This volume considers the influential revival of ancient philosophical skepticism in the 16th and early 17th centuries and investigates, from a comparative perspective, its reception in early modern English, Spanish and French drama, dedicating detailed readings to plays by Shakespeare, Calderón, Lope de Vega, Rotrou, Desfontaines, and Cervantes. While all the plays employ similar dramatic devices for "putting skepticism on stage", the study explores how these dramas, however, give different "answers" to the challenges posed by skepticism in relation to their respective historico-cultural and "ideological" contexts.

ANARCHISM IN LATIN AMERICA

AK Press *The available material in English discussing Latin American anarchism tends to be fragmentary, country-specific, or focused on single individuals. This new translation of Ángel Cappelletti's wide-ranging, country-by-country historical overview of anarchism's social and political achievements in fourteen Latin American nations is the first book-length regional history ever published in English. With a foreword by the translator. Ángel J. Cappelletti (1927–1995) was an Argentinian philosopher who taught at Simon Bolivar University in Venezuela. He is the author of over forty works primarily investigating philosophy and anarchism. Gabriel Palmer-Fernandez is Distinguished Professor of Philosophy and Religious Studies at Youngstown State University.*

HOPSCOTCH

Random House *Julio Cortazar's crazed masterpiece, the forbearer of the Latin Boom in the 1960s - published in Vintage Classics for the first time 'Cortazar's masterpiece. This is the first great novel of Spanish America... A powerful anti-novel but, like deeply understood moments in life itself, rich with many kinds of potential meanings and intimations' Times Literary Supplement Dazed by the disappearance of his muse, Argentinian writer Horatio Oliveira wanders the bridges of Paris, the sounds of jazz and the talk of literature, life and art echoing around him. But a chance encounter with a literary idol and his new work - a novel that can be read in random order - sends Horatio's mind into further confusion. As a return to Buenos Aires beckons, Horatio's friend and fellow artist, Traveler, awaits his arrival with dread -the lives of these two young writers now ready to play out in an inexhaustible game of indeterminacy.*

LOLITA

Penguin UK *'Lolita is comedy, subversive yet divine ... You read Lolita sprawling limply in your chair, ravished, overcome, nodding scandalized assent' Martin Amis, Observer Poet and pervert, Humbert Humbert becomes obsessed by twelve-year-old Lolita and seeks to possess her, first carnally and then artistically, out of love, 'to fix once for all the perilous magic of nymphets'. Is he in love or insane? A silver-tongued poet or a pervert? A tortured soul or a monster? Or is he all of these? Humbert Humbert's seduction is one of many dimensions in Nabokov's dizzying masterpiece, which is suffused with a savage humour and rich, elaborate verbal textures. Filmed by Stanley Kubrick in 1962 starring James Mason and Peter Sellers, and again in 1997 by Adrian Lyne starring Jeremy Irons and Melanie Griffith, Lolita has lost none of its power to shock and awe.*

THE WORLDS OF LANGSTON HUGHES

MODERNISM AND TRANSLATION IN THE AMERICAS

Cornell University Press The poet Langston Hughes was a tireless world traveler and a prolific translator, editor, and marketer. Translations of his own writings traveled even more widely than he did, earning him adulation throughout Europe, Asia, and especially the Americas. In *The Worlds of Langston Hughes*, Vera Kutzinski contends that, for writers who are part of the African diaspora, translation is more than just a literary practice: it is a fact of life and a way of thinking. Focusing on Hughes's autobiographies, translations of his poetry, his own translations, and the political lyrics that brought him to the attention of the infamous McCarthy Committee, she shows that translating and being translated—and often mistranslated—are as vital to Hughes's own poetics as they are to understanding the historical network of cultural relations known as literary modernism. As Kutzinski maps the trajectory of Hughes's writings across Europe and the Americas, we see the remarkable extent to which the translations of his poetry were in conversation with the work of other modernist writers. Kutzinski spotlights cities whose role as meeting places for modernists from all over the world has yet to be fully explored: Madrid, Havana, Buenos Aires, Mexico City, and of course Harlem. The result is a fresh look at Hughes, not as a solitary author who wrote in a single language, but as an international figure at the heart of a global intellectual and artistic formation.

CRIME AND PUNISHMENT

Standard Ebooks *Crime and Punishment* tells the story of Rodion Raskolnikov, an ex-student who plans to murder a pawnbroker to test his theory of personality. Having accomplished the deed, Raskolnikov struggles with mental anguish while trying to both avoid the consequences and hide his guilt from his friends and family. Dostoevsky's original idea for the novel centered on the Marmeladov family and the impact of alcoholism in Russia, but inspired by a double murder in France he decided to rework it around the new character of Raskolnikov. The novel was first serialized in *The Russian Messenger* over the course of 1866, where it was an instant success. It was published in a single volume in 1867. Presented here is Constance Garnett's 1914 translation. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

THE DEVIL WENT DOWN TO AUSTIN

Hachette UK PI Tres Navarre is planning on a quiet summer of academic teaching in Austin, but his peace is broken by the murder of his brother Garrett's business partner, a tech start-up whizz kid whose death leaves Garrett as the leading suspect. Something - or rather, someone - sinister is at work, as evil stalks the streets of Austin and leads Tres to hunt for secrets lurking at the bottom of a beautiful lake. But the killer won't go down without a fight. Oozing with Texan mystery, *The Devil Went Down to Austin* is the fourth book in the multiple-award-winning suspense series by the internationally bestselling author of the Percy Jackson novels.

THE CIVILIZING PROCESS

SOCIOGENETIC AND PSYCHOGENETIC INVESTIGATIONS

Wiley-Blackwell The Civilizing Process stands out as Norbert Elias' greatest work, tracing the "civilizing" of manners and personality in Western Europe since the late Middle Ages by demonstrating how the formation of states and the monopolization of power within them changed Western society forever.
