The Serpent of Paradise

The Incredible Story of How Satan's Rebellion Serves God's Purposes

Moody Publishers **How we perceive our enemy will largely determine how we fight against him. Unless we grasp how the devil fits into God's scheme of things, we will find it difficult to stand against his conspiracy against us personally and his influence within our culture. We can have a proper theology of the devil only if we have a proper theology of God. Only when we stand in awe of God will we find it unnecessary to be in awe of Satan. As Martin Luther once said, 'The devil is God's devil.' God is still in control. The Serpent of Paradise gives an overview of the career of Satan and his**

interaction with the Almighty. It traces his fall from an exalted position to his demise in everlasting shame and contempt. It shows us that Satan always loses even when 'he wins.' Best of all, it confirms that we who have been translated from the kingdom of darkness into the kingdom of light are able to stand against him. Be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. ~ Ephesians 6:10-11 NIV. The Serpent of Paradise is a book about Satan, but it is also a book about God's power, God's program, and God's purposes in this world.

God's Chosen

Understanding Spiritual Warfare

WestBow Press **This book helps the Body of Christ come to a deeper understanding of warfare coupled with gaining greater appreciation for what is at the heart of the war. Readers gain valuable insight into this important facet of the faith journey Christians undertake. God's Chosen: Understanding Spiritual Warfare offers Christians the basis to learn and use the means God affords, namely His full armor equipped with His strength and mighty power. Believers prepare and fight triumphantly against evil and wicked forces by putting on His full armor. God equips them to fight offensively and defensively. Knowing Jesus fixed the fight in believers' favor help to confidently oppose the enemy and remain faithful to God. Through conscious engagement in this fight believers stand firmly winning against all odds. In 2005, during prayer, the Holy Spirit inspired me to write this book on spiritual warfare. I was going through a precarious time and as usual, I sought God in prayer and study of the Word. The Holy Spirit led me to Ephesians 6:10-18. As I studied and meditated, God moved me to begin writing on the subject of warfare. During research and study, I discovered there are not enough books recording this phase of the Christian's journey. Therefore, I saw the need to press through varied attacks to produce this work.**

The Origin of Christian Beliefs

Christian Faith Publishing, Inc. **In this composition, the origin of more than forty essential Christian beliefs are explained in order to provide answers for all Christians to such questions as "Where did God come from?" "No longer will any Christian who has read this book need to avoid questions like "Who made sin?" "Is the devil real?" "Are heaven and hell real?" "Did Jesus really live?" and "Should a Christian tithe?" The author's will is to help the Christian to know, to better understand, to teach, and to defend Christian beliefs. Beginning in the Old Testament book of Genesis, some essential Christian beliefs are presented on subjects, such as the family, anti-God sex, drug abuse, grace, sin, and marriage. From the New Testament, the writer presents the issues and Christian beliefs on Jesus Christ, disciples, origin of the church, origin of the Pope, Catholic, Protestant, and Baptist. In the Christian beliefs of the Baptist, the teaching of Jesus Christ as the norm, the founder, savior, and spiritual head are exalted. With supporting evidence from Jesus's own words, the last part of the book presents Jesus's teaching on hell, heaven, the steps of salvation, and tithing.**

The Gift of Purpose

Orienting the Christian Life in Western Culture

Teleioteti **Many writers and commentators are convinced that Western culture and society are unravelling. Who can blame them! As I write this, violent protests rage across the USA in response to senseless murders. The political sphere has never seemed to virulent, and a deadly epidemic has affected all our lives. Many are agreed that there are serious problems working themselves out in Western society, yet among Christians, there is little agreement over the approach we should take to the West and its problems. This issue, how Christians should approach engagement with culture, is not a new one, nor is it a uniquely Western issue. Christians in every age and in every culture are confronted with this question. In response to many today who see it as the Christian responsibility to save the West, to preserve its unique cultural heritage and achievements, this author argues that our lives in this world need to be governed by three theological themes, ecclesiology, soteriology, and eschatology. That is, we must prioritize the local church, engage with society with the understanding that earthly kingdoms are manifestations of Satan's kingdom, and live in light of Christ's imminent return.**

Apostolic Perspective on Systematic Theology

AuthorHouse **Apostolic Perspective of Systematic Theology delves into the major doctrines that formulate the Christian belief, explained from an Apostolic point of view. The book explores various facets of theology, including God and the Godhead, man and sin, angels and demons, covenants and dispensations, and last things. It compares through study of the Scriptures in both testaments to arrive at a reasoned argument for stances on various subjects as salvation, the nature of the Godhead, the deity of Christ, and the inerrancy of the Bible. The purpose of the book is to instill a love of study for the serious Bible student that compels the reader to apply sound hermeneutical principles in defense of the hope that lies within the believer. As there is no premium on ignorance of the principles that lie within the Word of God, the author compares each facet of doctrine while building a comprehensive system of theology that can stand against the face of higher criticism and doctrinal error, providing the reader with a reasonable explanation of what is**

most precious to all Christians - one's own faith.

A Brief History of the Bible

Tate Publishing **Tom Newman went into anaphylactic shock and suffered a cardiac arrest and complete respiratory failure after being stung repeatedly. He flat lined; his spirit and soul left his body, and he became aware of what was transpiring around him. There were no bright lights, no tunnels, and no one waiting to meet him. Tom could see the operating table and watched the efforts to revive him. It was after this experience that Tom began to seriously consider the sophisticated and complex nature of dueling realities; the spiritual and physical realms are very real. An understanding of life in two separate realities significantly alters our understanding as Author Tom Newman explains in A Brief History of the Bible. This informative and biblically-based book gives great insight for those curious about what the bible has to say over this topic and how it works harmoniously within itself to present us theological truth. Tom did not find the answers in the sciences, psychology or philosophy. The Bible seemed to hold the best possibilities for answers and after a twenty-year-study of Scripture, Tom found the answers to his questions about life and death. Tom Newman currently resides in Eden Prairie, New Mexico.**

As He Is

TEACH Services, Inc. Highly absorbing, fascinating, and even challenging, with prayer this book will change your life. Through a careful study of Scripture and the Spirit of Prophecy, *As He Is* examines subjects such as the flood, Sodom and Gomorrah, the plagues of Egypt, Israel's use of the sword, the final fires of destruction, and much more, thus reconciling the issue of the supposed contradictions found in the character of God as Satan proposes. The rebellion of sin will not be ended until the accusations regarding God's character and government are brought to a close through God's people here in earth's theater. Many people simultaneously hold two separate pictures of God. They have a "thunder and lightning" view of the Old Testament God of justice, whereas in the New Testament, God is seen as the bearer of mercy, personified in the gentle Lamb, Jesus. But Jesus came to show us the Father; therefore, we are called to cease all double-mindedness about who God is-He must be the same yesterday, today, and forever. God is one in character, and He looks just like Jesus! Justice is not sacrificed in Christ, but it is not served according to the thoughts and ways of humanity. At last it will be seen by all that His justice is mercy. "Nothing in the world is more important or more necessary than to get the character of God right. We can fill libraries up with religious books, all being most interesting, but if they are not telling the truth about God, it is all vain and a waste of time and space. *As He Is* should be read carefully by everybody." Herbert Edgar Douglass, ThD, Author of *God at Risk* "God has not arbitrarily set a time for His second coming, but rather He is waiting for the final demonstration of the complete victory over sin in His people, through His Spirit. The Body of Christ must be pure and clean, as the Head of the Body is pure and clean. If we

are to share His throne then we must be like Him. This can only happen when we have a clear understanding of His character. This is what makes the subject of this book vitally important to comprehend. As He Is strives to answer through the inspired Word, in a logical and clear manner, many of the questions that man has asked over the years about the acts and character of God." Edward J. Rice, Head Elder, Lacombe Community Seventh-day Adventist Church
 "As He Is presents God as One quite different from traditional notions while staying close to the inspired text. It does a superb job of bringing passages together that unveil a better picture of God than what may have been noticed before. Much of traditional picturing of God the Father is out of harmony with the clearly recorded character of Jesus in the Gospel account. It is fundamental to Christian faith that the Godhead be understood as being love, and love alone!... I would invite all believers in God to please consider the clues in the written word that lift Him up above some ancient ideas that do not harmonize with the light we have in Jesus Christ." D. Douglas Devnich, Pastor, Healthcare Chaplain, Teacher, Administrator of the Seventh-day Adventist Church

God Is Love

A Biblical and Systematic Theology

Crossway While there is no substitute for personal, faithful, and careful Bible reading and prayer, the Bible's vast size and diversity can make distilling its truth a daunting task. Thus most Christians benefit from supplemental resources to help learn and apply what Scripture teaches. Renowned theologian, Gerald Bray has produced just such a resource in his new systematic theology. Though packed with robust content, he writes about this volume: "the aim . . . is to reach those who would not normally find systematic theology appealing or even comprehensible." This volume is unique from others in that Bray traces the common theme of God's love through the Bible categorically—from God's love for himself and his creation to the cross as the ultimate expression of God's love, among other categories. The centrality of God's love in Bray's theology reflects a deep conviction that the Bible shows us God for who he really is. This volume will be of interest to Christians seeking to grow in their faith.

Revelation Bible Study The Last Seven Years

Lulu.com My goal for this chapter-by-chapter Bible study in Revelation is that we will be overtaken with that sitting-in-the-back-seat-are-we-there-yet? -longing that will only go away once we see the arrival of Jesus Christ into our world for the second time in history. The first time He came as a baby. The second time...oh my... Let's think of world history as a stage, and imagine there are a series of curtains on that stage, curtains that are fairly "see-through," so that as each curtain is removed the one person standing on the stage gets easier and easier to see. That may help us realize what has been happening since the creation of the world, and what will be happening as the events of Revelation unfold. Every event points to Jesus. Every mercy, every disaster, every judgment, every moment of grace - all of them reveal Jesus to us more and more and more, until finally we see Him clearly in Revelation Chapter 19, mounted on a white horse, returning to be King over the world that was made for Him.

What is God Like?

Xlibris Corporation This book will answer these questions and many more: Does God use evil spirits? Why does God not intervene in the death of innocent children? Does He Curse? Does He want your money? Did He make weird laws? Does He ever change His mind? Does He ever repent? Why is He silent? Why did He invent old age? Is He really a terrorist? Are there some things He can't do? Does God demand that you worship Him? This book is based on the word of God. Over 1200 scriptures are used to substantiate the teaching herein. These verses speak powerfully to us about the nature and character of God. He wants you to literally live by the words that come out of His mouth. He put you through hard times...., so you would learn that men and women don't live by bread only; we live by every word that comes from GOD's mouth (Deuteronomy 8:3). These words are powerful enough to give you eternal life and His Word will help you through your daily trials. Just as rain and snow descend from the skies and don't go back until they've watered the earth... So will the words that come out of my mouth not come back empty-handed. They'll do the work I

sent them to do, they'll complete the assignment I gave them (Isaiah 55:10-11). The Spirit of God is anxious to work on you! This book portrays the Almighty God as one who put an extremely high price on His love for us humans. We need to love Him in return while showing Him reverence and fear. Spurn His love too often and we could end up facing His wrath. The ultimate Lover wants you to find Him so He can lavish His expensive love on you.

Satan Vs. God

A Brief History

Xulon Press **Did Noah's Flood really occur, or is it a MYTH? Yes! God did really drown that world, except for Noah and a PART of his family. But why did God submerge that entire world? How really WICKED had that society become? Who were the main characters that led it to its doom? What kind of EVILS were they practicing? Gleaning information from ancient sources, Herman Saini provides detailed answers to these questions. He explains why pre-Flood history seemed lost, and restores much of that history. He tells the gripping, yet sobering history of the universe and man from the creation of Adam and Eve, and how their son Cain sold himself to work EVIL. His descendents followed in his footsteps and led the world to its doom. He draws vital lessons from that experience to enable men to avoid the same fate in a fast approaching great tribulation. HERMAN SAINI has been an accountant and business consultant for over 16**

years. He has developed a model of economic development and international trade that nations can use as a guide to develop plans for economic growth. He holds a chemical engineering degree, a MBA, and has been a Ph.D. candidate in marketing, having completed three years of work towards the degree. Feast Days for the Contemporary Mind

TEACH Services, Inc. "Thy way, O God, is in the sanctuary: who is so great a God as our God?" Psalm 77:13 If you think the Old Testament feast days are outdated and of no interest to Christians living in the twenty-first century, think again! Within the feast days lies the entire gospel message of salvation—every feast says something about Jesus: who He is, what He is doing, and what He will do in the future. *Feast Days for the Contemporary Mind* will open your eyes to the amazing truths about salvation that God wove into the feasts He gave to the Israelites to observe. Pastor Craig Martin Barnes explores each of the seven feasts and the antitypical fulfillment of each event as it relates to our redemption. This book plunges you into the Word of God, examining the Old and New Testament as it relates to the feast days and their completion and providing detailed commentary that expounds upon the subject matter and guides you to a deeper understanding of Jesus' life, death, and heavenly ministry.

Redefining Job and the Conundrum of Suffering

Wipf and Stock Publishers As a species, we are storytellers. Our best stories, those that endure for generations, are stories of trials and suffering and of surmounting the challenges set before us. The biblical Job is such a story, one that has become encrusted with centuries of interpretations. *Redefining Job and the Conundrum of Suffering* sets out to retell the story, to make "once upon a time" have meaning for us today. The best way to break old patterns is to start

from scratch. Redefining Job dissects the story, the history of interpretations, and the history of how humanity has dealt with suffering. As the story is rebuilt with different insights gained from research in biblical studies, humanities, and science, the message can be viewed in a fresh light. The author of Job lived at a time when knowledge was expanding and our perception of our place in the universe was changing. From this perspective, Job becomes a hero. No longer patiently waiting for some ambiguous answer, he is demanding something more of his Maker. "Before I heard, but now I see" becomes an affirmation that he grasped a new path to discovering why we suffer and how we should respond.

The Genius of Ancient Man

Evolution's Nightmare

New Leaf Publishing Group **Evidences and commonalities explored from ancient man around the globe! Why structures echoing the Tower of Babel have been recreated on almost every continent and major culture What artifacts and archaeology, technology and innovation, really reveal about the origin of mankind Why many biblical symbols (rainbows, human sacrifice, mountains, the Son/ sun worship) were, and continue to be, distorted in pagan religious practices What the historical record reveals about Satan's "counterfeit" of God's plan for humanity All over the world there are similar findings of ancient religions, cities and towers, world travel, advanced astronomy, and civilized government. Over the course of two years, a team of researchers from Jackson Hole Bible College has worked to bring together the different pieces of the convoluted mystery and history of ancient man. Hours of researching, trips to various sites around North and Central America, visits to museums, and meetings with experts have provided the team with an overwhelming amount of evidence for the intelligence of these early innovators. A jumble of anomalies and magnificent structures continue to confound archaeology and anthropology today, yet as the dots are connected, one finds history as described in the biblical record.**

This plan includes 6,000 years of human history and 1,000 years of prophetic events yet to take place. With its many verses it has become like a miniature Bible that explains the Creator's plan for humanity and the reasons why we exist. The 10th chapter of this book focuses on the cuckoo clock analogy. It is a summary explanation of special historic events that correspond to parallel events that will take place during the 7 years of the Great Tribulation. Can Mitt Romney Serve Two Masters?

The Mormon Church Versus the Office of the Presidency of the United States of America

WestBow Press The information in this book goes much deeper than the unveiling of Mitt Romney's political record. For the first time in history, we could see a Mormon President at the helm. Do you have any idea what this possible next President believes? Why should his religious beliefs matter to you? When you get through Part I of this book, these questions will be answered. This is NOT a Kennedy Catholic moment. Mitt Romney's beliefs and convictions are so uncanny that you will most assuredly question his judgment to be in charge of the highest office in the land. If Part I does not shake you, Part II will, by exposing the reality of what Romney has "done" in his political career, versus the conservative faCade that we are led to believe. Will his rhetoric match his deeds as President? One look at his record herewith will cause great concern. Now that the 2012 election is over, this book is very important because there will be another Mormon running for the White House and Part I of this book applies to any person running for public office (or the Presidency) who is deceived through Mormonism, and what it can mean to the citizens of our great nation. **THERE IS A MORMON PLAN FOR AMERICA** and the Mormon Church will unceasingly and relentlessly fight to get as many Mormons placed into all Government offices, including, yet again, The Office Of The Presidency, to fulfill its mission to rule, hand and hand with Jesus Christ, as the Government of Mormonism throughout the entire world.

Taking Hold of Eternal Life Odyssey of an Ex-Atheist

Trumpet Press **The most important event of my life occurred during July, 1969, when as an atheist I had an abrupt and totally unexpected encounter with the living God of the universe. Believing, I was thus born again from spiritual death and became by God's grace a 'new creation.'** Since then, I have been involved in a number of ministries, traveled much, lived in various countries. My life has been exciting, though not without sadness and tragedy. When I encountered God, I was a cynical, hard-bitten, sarcastic sophist. By His wonderful grace, He has made me (a hopefully productive) member of His kingdom. My consuming interest is to introduce others to the God I know. "For this is eternal life..." **Taking Hold Of Eternal Life (1 Timothy 6:12) is what I did after God confronted me on the weekend of my 34th birthday, July 27, 1969. This book tells what led up to that momentous event and then what followed as God in His mercy delivered me from atheism and immediately plunged me into Biblical revelation and ministerial involvement in His kingdom. As the account of my life walking hand-in-hand with Him shows in the pages of this book, God used me in each of the five "callings" listed in Ephesians 4:11. Over the course of forty-five years God has had me involved in numerous churches & various ministries which has resulted in the comments and articles that are also contained in this book. I pray that God uses this book to bless you greatly!**
