Dark Water Rising

Henry Holt and Company (BYR) *I looked and saw water rushing in from Galveston Bay on one side and from the gulf on the other. The two seas met in the middle of Broadway, swirling over the wooden paving blocks, and I couldn't help but shudder at the sight. All of Galveston appeared to be under water. Galveston, Texas, may be the booming city of the brand-new twentieth century, but to Seth, it is the end of a dream. He longs to be a carpenter like his father, but his family has moved to Galveston so he can go to a good school. Still, the last few weeks of summer might not be so bad. Seth has a real job as a builder and the beach is within walking distance. Things seem to be looking up, until a storm warning is raised one sweltering afternoon. No one could have imagined anything like this. Giant walls of water crash in from the sea. Shingles and bricks are deadly missiles flying through the air. People not hit by flying debris are swept away by rushing water. Forget the future, Seth and his family will be lucky to survive the next twenty-four hours. Dark Water Rising is a 2007 Bank Street - Best Children's Book of the Year.*

God's Feminist Movement

Redefining a "Woman's Place" From a Biblical Perspective

Destiny Image Publishers *Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. Silvio Berlusconi's Italy

A Portrait of the Country and Its Godfather

Createspace Independent Publishing Platform FINALIST at 2015 LONDON BOOK FAIR's THE WRITE STUFF prize. Can a non-fictional book be as interesting as a page-turner fictional plot? Can it be at the same time a tycoon's biography, a mafia tale, a gangster story, a political thriller, an essay on democracy, a dystopia, a sociological analysis of a nation, a scandalous sex story? If the subject-matter is Silvio Berlusconi's incredible story and Italy, the answer is yes. This book, in fact, is a unique portrait of Italy's godfather and also a detailed picture of Italian society, an attempt to allow the foreign reader to understand how it has been possible for an alleged mafia-linked business magnate and media tycoon, constantly in trouble with justice and drenched in vice, to become the most popular political leader, Prime Minister and the absolute master of the country for the last twenty years. Berlusconi is often considered the personification of corruption, of disrespect for the law, of the liaison between organized

crime - politics, of immoral behaviour, typical features of that 'immoral majority' of the country. Still, there are many open questions that this book tries to answer: How come Berlusconi grabbed complete control of all Italian information and used it as a Weapon of Mass Deception that turned viewers into faithful voters? How was he able to pass laws ad-personam that made him almost untouchable by the Judicial Power and favoured his business and financial activities in an unfair game? Can we say that Berlusconi is the very symbol of a concentration of political, economic and media power in one single person never seen before, a fact that has created the greatest conflicts of interests in the Western World, or is he just another pawn in a bigger game? What is hidden under Italy's well-known surface beauty, artistry and creativity? Does Dante's underworld Inferno still exist today? Is the erosion of democracy in Berlusconi's period a trend of modern capitalism, as some 'dystopian' writers predicted?
