**Vip VIP Trilogy Book One** CreateSpace Ysabelle They say in order to find yourself you have to go home, but what if home is what you're escaping from. I went to Miami to discover myself; never in my wildest dreams, did I think home would become a three-letter word. VIP. I was the dream. I was the illusion. I was the fantasy. Until him... Everything went to hell in hand basket the moment we laid eyes on each other. I wanted him. He wanted me. Sebastian I have always been a man who made decisions based on other people's feelings, wants, and desires. I was selfless. I never wanted to hurt anyone. Especially her. The moment I met her... I wanted her. I loved her. For the woman she was. For the woman she wanted to be. But most of all... For the woman she was, when she was with me. This isn't a love story, but a story about love. Warning sex/drugs/language. Mature readers only. **The Madam** Some people need love... I need sex, money, control, and power.Anyone could have those four things, but only one could have VIP. Becoming Madam was never a choice for me, it was a mandated order from the most powerful woman I knew- my mother. I was born to fill her shoes, never to make mistakes, or to show weakness. You are the product of your environment. They say the apple doesn't fall far from the tree; you learn from what you see, not from what you're told. Nature vs. Nurture. I learned from it all; what I saw, what I didn't see, what I was told, and from reading between the lines.I was raised with the belief that the world spun ONLY because of me. I held power as far back as I can remember, saw things no one ever talks about, and witnessed illegal acts of sex, drugs, and money by the time I was eighteen. You saw a glimpse of me in VIP, now see it from the beginning. Enter my world where anything goes; no judgments, no remorse, no guilt. You play by my rules, or you don't play at all. There are no limits to what I can do, or to what I can show you...I will ensure my legacy by any means necessary.My name is Lilith Veronica Stone, and I am The Madam. **Index**

It is time for sleeping lions to get up and fight the fight. In the name of Jesus, get up, run again, and never, ever look back. Life is like a marathon race, only it is a lot longer than twenty-six miles. Endurance is more important than speed, and setting a pace that can be maintained is extremely important. In Punching the Sun, author Charles Robinson weaves the story of amateur marathoner Rob together with the biblical story of Gad to illustrate that the simple runners' technique called 'punching the sun' is just as helpful in life when dealing with hopes, dreams, and fears as it is during a marathon. Punching the Sun is about running the race of life and finishing victoriously to enter the presence of God. The Lord says, 'To him who overcomes I will give' seven times in the book of Revelations chapters 2 and 3. Partch was a cartoonist who offered comic counterpoint to the grim headlines and a unique perspective on human nature in the pages of the nation's most popular magazines. Known to millions by his jazzy signature, VIP, this comic genius ushered in a new era of the gag cartoon—zany, sometimes surreal, always hilarious—that inspired a generation of fellow cartoonists starting in the 1940s and '50s. His madcap style of humor was reflected in the cutting-edge comedic sensibilities of Burns & Allen, Jack Benny, Ernie Kovacs, Bob & Ray, Stan Freberg, and Jean Shepherd, and would position Partch as one of the most prolific “gag-men” of his day. VIP contributed to an astonishing array of magazines, wrote gags for other cartoonists, illustrated books, album covers, and advertisements, and adorned merchandise including, appropriately, cocktail glasses.VIP: The Mad World of Virgil Partch is the first time Partch's life and career has been treated in full, collecting amazing artwork from the entire range of his inspired career and featuring his own writings. **The Good Ol' Boys** From USA Today Bestselling Author ALL FOUR GOOD OL' BOYS BOOKS IN ONE COMPLICATE MEIt was complicated, it was also just the beginning. Everything may indeed be trash but writing like this reminds us that we're gonna make it through all the terrible things with honesty, laughter, and faith."--Roxane Gay, New York Times bestselling author New York Times bestselling author and star of 2 Dope Queens Phoebe Robinson is back with a new, hilarious, and timely essay collection on gender, race, dating, and the dumpster fire that is our world. Written in her trademark unfiltered and witty style, Robinson's latest collection is a call to arms. Outfitted with on-point pop culture references, these essays tackle a wide range of topics: giving feminism a tough-love talk on intersectionality, telling society's beauty standards to kick rocks, and calling foul on our culture's obsession with work. Robinson also gets personal, exploring money problems she's hidden from her parents, how dating is mainly a warmed-over bowl of hot mess, and, definitely most important, meeting Bono not once, but twice. She's struggled with being a woman with a political mind and a woman with an ever-changing jeans size. She knows about trash because she sees it every day--and because she's seen roughly one hundred thousand hours of reality TV and zero hours of Schindler's List. With the intimate voice of a new best friend, Everything's Trash, But It's Okay is a candid perspective for a generation that has had the rug pulled out from under it too many times to count. **Ends Here** Createspace Independent Publishing Platform FROM USA TODAY BESTSELLING AUTHOR M.
