Popular Science Trailer Life Society of Automotive Engineers Handbook 1980 Resist: or serve Book 2 of Amen Trilogy [Balboa Press](#) Everybody has a secret! When it comes to ugly little secrets, Pine Gap, in the heart of Australia, would be the prime candidate for keeping the best of them. John Sampras is a computer genius sent to Pine Gap to install a new update on one of the world's best kept secrets. What he finds, challenges every known ethic he was taught to believe in. Sampras knows the decision he makes could very well be the catalyst to destroy not only the New World Order - but all of humanity. Sampras escapes from Pine Gap, armed only with a small flash drive. He is running for his life in the heart of Australia's most venomous desert, no water and no survival skills. He is not running for his life - he is running for the sake of humanity. If Sampras can't stay alive long enough to upload the contents of his flash drive and get this information out to the public he will take that secret to the grave. And mankind's future with it. 'Resist:or serve' is the End Game. The time where politics, religion and survival all grapple for centre stage. It is the Time of the End of this system of things - Armageddon is on our doorstep.
