**STUDENT STUDY GUIDE, OLD TESTAMENT BIBLE SURVEY COURSE**

---

[Xulon Press](#) **STUDENT STUDY GUIDE** begins with the student answering ten basic questions concerning the Old Testament. What is the Old Testament? Who wrote the Old Testament? Where, When, Why and How was the Old Testament written? What are three major features of the Old Testament: Revelation, Inspiration and Preservation? How should we study the Old Testament? Why should you memorize verses of the Old Testament? When should one read the Old Testament? BIBLE MEMORY VERSES (97 memorized accumulatively) aid the student to say with the Psalmist "Thy word have I hidden in mine heart, that I might not sin against thee." This STUDENT STUDY GUIDE closes with an incomplete outline for each of the 39 books of the Old Testament. Each outline has space for personal notes, classroom instruction plus THE BASICS: Author, Date of Writing, Name Meaning, Passages for Particular Emphasis, Verses for Memory, Characters of Interest and Content Description. Following high school, a Bachelor of Science degree was received from Piedmont College, Demorest, GA plus a Georgia Teacher's Professional Certificate. Then came the Army Security Agency and three years later came employment with the National Security Agency, Washington, DC. Meeting Edith Campen from North Carolina led to marriage, February 1, 1957. A year after marriage, God called me to the ministry. Graduating from Southwestern Baptist Theological Seminary, Ft. Worth, TX with a Bachelor of Divinity (updated to Masters of Divinity) and Masters in Religious Education (updated to Masters of Arts), God directed me to serve Him. For some 50 years, it was a pleasure to serve God and people in churches and classrooms as Minister of Youth, Minister of Education, Minister of Education/Administration, and Minister of Pastoral Care. It was a joy to teach this Old Testament Bible Survey Course to ninth grade students at Cypress Community Christian School, Houston, TX.

[Forgotten Books](#) Excerpt from **Knowing About the Old Testament: A Study Notebook on the Old Testament for Students in High School** The Bible was not written at the same time. The time of writing covers about 1000 years. There is a great difference in the circumstances under which each person wrote. Some of the books were written in quiet and peaceful circumstances. Some were written in prison. Some books were written when the author was in great sorrow. There are other books which were written to show joy and others were written to help answer a problem in living. The

first book of the Bible is Genesis. It was probably written about years before Jesus lived. The last book of the Bible is The Revelation of John. It was written about one hundred years after Jesus lived. In between those times men were writing as they were moved by the Holy Spirit to write the words of God. ### **THE ULTIMATE ORIGIN STORY STARTS HERE!**

---

Gospel Light Publications In recent years, movie goers have been taken back to the beginnings of nearly every modern action hero - Batman, Spider-Man, James Bond and Iron Man (and company), just to name a few. Our fascination with these heroes' origins are a reflection of our longing to know where we came from and why we are the way we are. With The Old Testament, you can share with teens their own origin story and help them make sense of their world and themselves. These 12 sessions of youth-friendly Bible study will introduce your students to the God who keeps His promises, works miracles and forgives His people when they make terrible choices, and help them understand the physical and spiritual history of our human family. And when they meet Adam and Eve, Samuel, Job, Esther, Daniel and many more biblical characters, your students will get to know the real heroes of the faith. Downloads for reproducible student handouts for every session are available.

### **A GUIDE TO OLD TESTAMENT BIBLE STUDY**

---

Xulon Press The material in A Guide to Old Testament Bible Study has been rewritten many times during 46 years of teaching high school students in Mid-City / Crescent City High School. Those who were never before Bible students began to take an interest in Gods Word because they saw the purpose running through it. Every year, the Holy Spirit used this material to help some become born-again believers. The study contains two major emphases: the history of early man (although not written as a history book, every bit of history in the Bible is true) and the Messiah (the mission of the Messiah promised in Genesis 3:15 is unfolded and developed throughout this study). This book will strengthen your faith in the Bible as Gods Word, and help you to help others. Isaiah 40:8 The grass withereth and the flower fadeth, but the Word of our God shall stand forever. Born in Marlowe, Tennessee, Helen Wilson Driscoll graduated magna cum laude from Carson-Newman College in Jefferson City, Tennessee in 1941, with a B.A. in Greek (4 years of study), including three years of Bible study. In 1944, she graduated from New Orleans Baptist Theological Seminary with the Master of Theology degree (including three years of Bible study and Greek, and two years of Hebrew). She then served on the seminary faculty, teaching Greek for three years. Married to J. Paul Driscoll in 1948, Mrs. Driscoll helped her husband build the Mid-City / Crescent City Baptist Church, where they served for 58 years. In 1956, they founded the Mid-City / Crescent City Baptist High School, where she served in administration and taught high school Bible classes for 46 years. She has authored two other books, Around the World in Fifty Days, and Gods Redemptive Plan Revealed in the Old Testament

### **LIFE-STUDY OF ACTS**

---

Living Stream Ministry In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

#### **A MANUAL FOR CHRISTIAN STUDENTS**

---

Forgotten Books Excerpt from **The Heart of the Old Testament: A Manual for Christian Students** "Where can I find an Old Testament manual written by a modern scholar who believes thoroughly in the supernatural in both Testaments?" You hold the answer in your hands. It is not an Old Testament History, though it follows the thread of the story from beginning to end; it is not a book on Old Testament Literature, though it opens up the poetical and prophetic books to the student; it is not a treatise on Old Testament Theology, though it calls attention to the rise and development of the great doctrines of the Hebrew Scriptures. The author has not limited himself to biography and history, nor to literary analysis and appreciation, nor to the growth of Bible doctrines; but he has freely drawn from these and other departments of Old Testament study whatever seemed of most value to young people in Christian homes and schools in the twentieth century. His aim is to call attention to what is most worth while. It may seem impossible to make a book that will be suitable for popular Bible study, and at the same time be adapted to use in high schools, colleges, and seminaries; but the attempt is here made. It is hoped that the book is not too difficult for the average reader, nor too elementary for students in schools and colleges. The gist of the Old Testament revelation is here put before the student in thirteen chapters. A closing chapter presents a bird's-eye view of the Bible as a whole. A chart is appended in which an effort is made to suggest reasonable dates for the books of the Bible. The wise teacher will take several recitations for some of the chapters. Developed from the "70 Most Important Events in the Bible," the "Old Testament Bible Reading Plan and Workbook for High School" is a one year, 33 week reading plan with comprehension questions. It is intended that the students have

already read much of the Old Testament before embarking on this journey. The high school comprehension questions are less plot oriented and more thought provoking for the older student. The goal of this workbook is to get students to think more deeply about how God's relationship with the Israelites relates to their lives. Answers are not included as students should not be looking for what the author or the pastor/educator thinks, but what they think. If educators are unfamiliar with any particular reading they may read along with the students. To God be the glory, great things He has done!

The early careers of Cassius Clay/Muhammad Ali, Mike Tyson and O.J. Simpson, are written as personal narratives. The timeline spans five decades. Fanatical eyewitness accounts of sitting in the stands watching teenagers David Thompson, James Worthy, Eric Sleepy Floyd, and Michael Jordan are recalled and shared from the perspective of a tenacious sports fan. The early careers of Larry Bird and Earvin Magic Johnson are also recalled. Several associate Gastonia, NC Highland Junior-Senior High scholar athletes are highlighted. Florida State basketball coach Leonard Hamilton is one of the athletes. Leonard was a teammate of Sam Lowery a great Highland basketball player. Sam helped lay the foundation for James Worthy, Sleepy Floyd, Bubba Wilson, Daryl Armstrong and other NBA players. Sam died much too young. ## **THE OLD TESTAMENT BETWEEN THEOLOGY AND HISTORY**

---

### **A CRITICAL SURVEY**

---

Westminster John Knox Press From its inception at the time of the Enlightenment until the mid-twentieth century, the historical-critical method constituted the dominant paradigm in Old Testament studies. In this magisterial overview, Niels Peter Lemche surveys the development of the historical-critical method and the way it changed the scholarly perception of the Old Testament. In part 1 he describes the rise and influence of historical-critical approaches, while in part 2 he traces their decline and fall. Then, in part 3, he discusses the identity of the authors of the Old Testament, based on the content of the literature they wrote, demonstrating that the collapse of history does not preclude critical study. Part 4 investigates the theological consequences of this collapse and surveys Old Testament and biblical theology in its various manifestations in the twentieth century. An appendix includes a history of Palestine from the Stone Age to modern times, constructed without recourse to the Old Testament.

### **PROVERBS AND THE FORMATION OF CHARACTER**

---

Wipf and Stock Publishers This book seeks to press the wisdom of Proverbs into active duty in the trenches of everyday life and put the principles of character formation in working clothes. The wisdom Proverbs describes is not designed to master life's challenges but to learn to manage them and adapt. In learning to adapt, individuals grow and mature spiritually. Relying on solid biblical scholarship, this book brings to the fore the neglected sentence literature in Proverbs 10-29 and the vital resources they contribute to the process of character formation. Contrary to popular opinion, the book of Proverbs, even though addressed to youth, is not a book solely for the young, but for those of all ages who desire to continue to grow personally and in their relationship with others and God. The wise in the book of Proverbs employ a plethora of resources to help train up young and old alike to grow into the character of God. Among others, these resources include the value of interacting with others, a healthy understanding of conflict, an appropriate perspective on wealth, a new appreciation for and reliance on the role of the neglected proverb in the education process, and the vital role of family and the faith community. Ultimately the whole process of character formation is founded upon one's relationship with God and the fear of the Lord.
