---

**ADULT CHILDREN OF DIVORCE: CONFUSED LOVE SEEKERS**

---

**CONFUSED LOVE SEEKERS**

---

ABC-CLIO Romantic love is often an elusive, fragile, and tenuous state, difficult to maintain across time. The rates of divorce, re-divorce, relationship violence, and abuse today attest to the fact we are failing at romantic love. And for teen-aged and adult children of divorce, romantic love can be especially elusive. Because they have no roadmap for a satisfying, stable romantic relationship derived from their own parents, they are confused by what love is and tend to make poor partner choices. Borrowing heavily from popular culture for unrealistic standards regarding love, they become disillusioned when their all-too-ordinary lovers don't measure up. Especially vulnerable to the problems their parents had, they tend to overreact in a similar negative fashion and are all too ready to consider divorce when unhappiness strikes. In attempting to halt intergenerational transmission of divorce, Psychologist Piorkowski points to how we can recognize that American popular culture presents an overly-sexualized, explosive, and superficial version of love that can't last. With this book, adult children of divorce can begin to see how they have been affected by familial experiences, and develop a new, realistic map to find more fulfilling and enduring romantic relationships. Piorkowski, in an extensive review of literature, also looks at cultural factors and how they impact romantic love and marriage. In contrast to American popular culture's

shallow rendition of romantic love, many cultures elsewhere in the world emphasize compatibility, religion, and family allegiance. As a result, says the author, such marriages appear more stable than American unions built upon the shifting sands of emotion.

## **DIVORCE AND CHILDREN**

---

Greenhaven Publishing LLC This book explores issues pertaining to divorce and children, including children's rights in divorce, custody and visitation decisions, the duties of the parents during divorce, and blended families. Essays debate each issue, allowing readers to think critically while learning new information.

---

## **ROMANCE IN POST-SOCIALIST CHINESE TELEVISION**

---

Springer Nature This book is about how the representations of romantic love in television reflect the change and the dilemma of the dominant values in post-socialist Chinese mainstream culture. These values mainly center on the impact of individualism, consumerism, capitalism, and neoliberalism, often referred to as western culture, on the perception of romantic love and self-realization in China. The book focuses on how romantic love, which plays a vital role in China's ideologically highly restricted social environment by empowering people with individual choice, change, and social mobility, must struggle and compromise with the reality, specifically the values and problems emerging in a transitional China. The book also examines how the representation of romantic love celebrates ideals—individual freedom, passion, and gender equality—and promises changes based on individual diligence and talent while simultaneously obstructing the fulfillment of these ideals.

---

## **INSIGHTS ON LOVE, LUCK, AND NARCISSISM FROM A LONGTIME PSYCHOLOGIST**

---

In this eye-opening collection of essays, Dr. Geraldine K. Piorkowski shares what she learned working with people from different socioeconomic levels, races, sexual orientations, and walks of life. Besides reaffirming that all people are fundamentally the same, she discovered many psychological realities that run counter to popular culture. Among her insights is the observation that positive thinking does more harm than good at times, especially when it bypasses the normal processing of negative events and emotions. Another cultural misdirection is the overemphasis on romantic love as the be-all and end-all of existence, where unrealistic expectations lead to love's downfall. She also notes that unhealthy narcissism, which runs rampant in American culture, is quite different from the healthy variety that is the bedrock of self-love. These illuminating and provocative essays, titled 1) Positive Thinking

Isn't All It's Cracked Up to Be, 2) When Is Madness Better than Sadness? 3) Romantic Love Is Mostly an Illusion, 4) Vulnerable People Are More Likable than Super-Confident Ones, 5) You Can't Make Anybody Do Anything, 6) Luck or Chance Has Been Badly Underrated, 7) A Smidgen of Narcissism Adds Joy and Spice to Life, and 8) Empathy and Healthy Religion Go Hand in Hand, all provide a new understanding of psychological health and well-being.

## **UNDERSTANDING THE DIVORCE CYCLE**

---

---

### **THE CHILDREN OF DIVORCE IN THEIR OWN MARRIAGES**

---

Cambridge University Press Growing up in a divorced family leads to a variety of difficulties for adult offspring in their own partnerships. One of the best known and most powerful is the divorce cycle, the transmission of divorce from one generation to the next. This book examines how the divorce cycle has transformed family life in contemporary America by drawing on two national data sets. Compared to people from intact families, the children of divorce are more likely to marry as teenagers, but less likely to wed overall, more likely to marry people from divorced families, more likely to dissolve second and third marriages, and less likely to marry their live-in partners. Yet some of the adverse consequences of parental divorce have abated even as divorce itself proliferated and became more socially accepted. Taken together, these findings show how parental divorce is a strong force in people's lives and society as a whole.

---

### **THE FIVE LOVE LANGUAGES**

---

In The 5 Love Languages, you will discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

## ALL ABOUT LOVE

---

### NEW VISIONS

---

HarperCollins A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

## CHASING LOVE

---

### SEX, LOVE, AND RELATIONSHIPS IN A CONFUSED CULTURE

---

B&H Publishing Group The music we listen to, the movies we watch—they're all telling us to keep chasing love, and that we'll finally be happy when we find it. But is love really all we need? The love that the world tells us to pursue is all about self, about following your heart's desires. But what is the Christian worldview on love? When we follow Jesus, we realize that he invites us to reorient the focus of our lives, so instead of chasing love primarily for our own happiness, we are first and foremost to give love—to God and to others. In *Chasing Love*, Sean McDowell will invite readers into Jesus' radical, upside-down approach to love, and in doing so, he'll answer some of the toughest questions we're asking about love today: How does Jesus speak to singleness? What does the gospel say about LGBTQ issues? Can sexual sin truly be forgiven? What if I'm not happy in my marriage?

---

---

---

---

## **PRIORITISING ADVERSITY AND TRAUMA-INFORMED CARE FOR CHILDREN AND YOUNG PEOPLE IN ENGLAND.**

---

---

YoungMinds / Health Education England / Human-Experience / An edited collection of papers published by YoungMinds and funded by Health Education England. With 1 in 3 adult mental health conditions related directly to adverse childhood experiences, it is vital that we understand the impact that adversity and trauma can have on the mental health and wellbeing of young people, and how we can strengthen resilience and support recovery. Addressing Adversity presents evidence, insight, direction and case studies for commissioners, providers and practitioners in order to stimulate further growth in adversity and trauma-informed care, and spark innovation and good practice across England. Section 1: Understanding adversity, trauma and resilience includes evidence and analysis of the impact that adverse childhood experiences and trauma have on children and young people's mental health and wider outcomes across the lifecourse. Section 2: Addressing childhood adversity and trauma includes insights from the NHS in England, organisations and clinicians working with children and young people who have experienced forms of adversity and trauma. Section 3: Emerging good practice includes insight, case studies and working examples of adversity and trauma-informed service models being developed across England. The collection ends with an agenda for change, calling on all Directors of Public Health, commissioners and providers to make adversity and trauma-informed care a priority in their locality.

## **WHY DOES HE DO THAT?**

---

---

### **INSIDE THE MINDS OF ANGRY AND CONTROLLING MEN**

---

Penguin In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about:

- The early warning signs of abuse
- The nature of abusive thinking
- Myths about abusers
- Ten abusive personality types
- The role of drugs and alcohol
- What you can fix, and what you can't
- And how to get out of an abusive relationship safely

"This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives."—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

---

### **INTERPRETING PERSONALITY THEORIES**

---

Discusses the theories of Freud, Murray, Jung, Adler, Horney, Moreno, Allport, Rogers, Murphy, Sheldon, Cattell, Eysenck, Lewin, Mowrer, Maslow, Kelly, Erikson, Sullivan, and Fromm.

### **WISDOM FOR SEPARATED PARENTS: REARRANGING AROUND THE CHILDREN TO KEEP KINSHIP STRONG**

---

---

#### **REARRANGING AROUND THE CHILDREN TO KEEP KINSHIP STRONG**

---

ABC-CLIO The stories within this book document how men and women—both straight and gay—have rearranged their lives to create harmonious kinship relationships and be successful parents after separation, thereby proving that divorce does not have to mean "unhappily ever after."

- Provides numerous insightful quotes derived from interviews with more than 50 parents
- Supplies a bibliography that covers topics such as post-separation parenting, stepfamilies, gay/lesbian parenting, transitions for adults, and the history of cultural and family change

---

### **RUNNING ON EMPTY**

---

---

## **OVERCOME YOUR CHILDHOOD EMOTIONAL NEGLECT**

---

Morgan James Publishing A large segment of the population struggles with feelings of being detached from themselves and their loved ones. They feel flawed, and blame themselves. Running on Empty will help them realize that they're suffering not because of something that happened to them in childhood, but because of something that didn't happen. It's the white space in their family picture, the background rather than the foreground. This will be the first self-help book to bring this invisible force to light, educate people about it, and teach them how to overcome it.

---

## **POTPOURRI FOR AND ABOUT WOMEN**

---

AuthorHouse "Potpourri For and About Women" is a compilation of forty-one (41) chapters, written by women over fifty (50) years of age who have experienced marriage, death, divorce, long-term relationships, and even second and third marriages. Many of these ladies have sustained disappointments in relationships, crisis within the family, health, careers, financial loss, or perhaps in more than one area. They have journeyed so far and felt so much, and now it is time to share some of their rich and varied experiences and encourage the sense of being there for each other. These experiences have helped to empower them to become the women that they are today. It is my hope that this very special book will help these ladies to give themselves and others permission to feel good and acknowledge all that they have accomplished. The purpose of this book is to build strength and self exteem, and provide insight for women, who are currently experiencing life challenges. In a nutshell, it is a Self-Help book, for distressed women to have hope. All of the ladies, who have written these honest and sincere stories, have learned to cope and are living productive lives today.

## **MY SISTER LIVES ON THE MANTELPIECE**

---

Hachette UK My sister Rose lives on the mantelpiece. Well, some of her does. A collarbone, two ribs, a bit of skull, and a little toe. To ten-year-old Jamie, his family has fallen apart because of the loss of someone he barely remembers: his sister Rose, who died five years ago in a terrorist bombing. To his father, life is impossible to make sense of when he lives in a world that could so cruelly take away a ten-year-old girl. To Rose's surviving fifteen year old twin, Jas, everyday she lives in Rose's ever present shadow, forever feeling the loss like a limb, but unable to be seen for herself alone. Told with warmth and humor, this powerful novel is a sophisticated take on one family's struggle to make sense of the loss that's torn them apart... and their discovery of what it means to stay together.

### THE HIGHLY SENSITIVE PERSON IN LOVE

---

---

### UNDERSTANDING AND MANAGING RELATIONSHIPS WHEN THE WORLD OVERWHELMS YOU

---

Harmony Do you fall in love hard, but fear intimacy? Are you sick of being told that you are “too sensitive”? Do you struggle to respect a less-sensitive partner? Or have you given up on love, afraid of being too sensitive or shy to endure its wounds? Statistics show that 50 percent of what determines divorce is genetic temperament. And, if you are one of the 20 percent of people who are born highly

sensitive, the risk of an unhappy relationship is especially high. Your finely tuned nervous system, which picks up on subtleties and reflects deeply, would be a romantic asset if both you and your partner understood you better. But without that understanding, your sensitivity is likely to be making your close relationships painful and complicated. Based on Elaine N. Aron's groundbreaking research on temperament and intimacy, *The Highly Sensitive Person in Love* offers practical help for highly sensitive people seeking happier, healthier romantic relationships. From low-stress fighting to sensitive sexuality, the book offers a wealth of practical advice on making the most of all personality combinations. Complete with illuminating self-tests and the results of the first survey ever done on sex and temperament, *The Highly Sensitive Person in Love* will help you discover a better way of living and loving.

## **TOO CLOSE FOR COMFORT**

---

### **EXPLORING THE RISKS OF INTIMACY**

---

Da Capo Press Countless experts offer us advice on how to create the "perfect relationship," fostering the unrealistic expectation that forming an intimate bond will be a painless experience. Unfortunately, few experts are willing to confront the powerful challenges and emotions inherent within close relationships today. In contrast to other intimacy books, *Too Close for Comfort* vividly describes the surprising dangers, damage to self-esteem, inadequacies, and immaturities that characterize the contemporary state of romantic intimacy. *Too Close for Comfort* compassionately explores the risks and misunderstandings that occur within many intimate relationships. Romantic partners tend to hurt each other not only by insensitivity and neglect, but also by criticism, abuse, and betrayal - most of which spring from insecurity. Dr. Piorkowski, a noted consulting psychologist and educator, focuses on the vulnerability both partners experience in intimacy due to the emergence of strong, unrealistic needs that are almost impossible to satisfy. The author contends that people avoid the perils of intimacy by donning one or more defensive "masks" - ranging from acting superior to mysterious, comical to withdrawn, self-sufficient to dependent - in an effort to protect themselves from emotional exposure. Presenting a fascinating range of clinical examples, she sensitively depicts the fears of intimacy that limit contact, namely psychological concerns about loss of control or autonomy, feelings of disappointment and abandonment, or of being attacked and made to feel guilty. Depicting women's reliance on verbal expression to achieve an emotional connection versus men's dependence on physical contact, Dr. Piorkowski brilliantly elucidates the complex barriers to intimacy, especially the chasms of misunderstanding created by vast sexual differences and attitudes. While this book is unique in its exposition of the dangers in intimacy, its message is not pessimistic.

---

## **TORN ASUNDER**

---

Wm. B. Eerdmans Publishing A timely unsettling of old "settled" questions surrounding divorce Amid the current nationwide debate over what "marriage" is, this book examines anew the nature and meaning of marriage from the standpoint of what adult children of divorce have actually experienced. Upholding the inextricable link between our personal identity and our origin in a union of two --

and, more deeply, in the Fatherhood of God -- the contributors to this volume reflect on the damage that divorce does to children, opening up important questions for all of us: What does it mean to be human? What does it mean to love and to marry? After decades of talk about the rights of adults to get a divorce and the benefits for children of an amicable split between parents (a so-called "good divorce"), these authors -- theologians, philosophers, political scientists, lawyers, psychologists, sociologists, and cultural critics -- effectively unsettle conventional opinion.

---

## **ON OUR WAY TO THE SEVENTH DAY OF CREATION**

---

Balboa Press One of the most heartbreaking experiences of my life was simply asking people questions about statements in the Bible because my life was about the Word of God. People and preachers rarely had any answer except you have to just have faith. With all the suffering in the world, as I was a child, it did not seem that faith was doing the job. So I went in search of my own answers, and this book is the surprising result. My first surprise was that it seemed the Bible followed Darwins theory up until the creation of humans. Also, there seemed to be information that followed quantum physics. Then I noticed that Genesis gave the entire creation of life from Genesis 1:1 to Genesis 2:4, and then it seemed to start an entirely new book and go into the process of how it was done. I spent almost fifty years reading and studying, and one day I realized we are still in the sixth day of creation. Man has not reached the age of perfection yet. This is also in agreement with the ages of man and the ice age. It was at this time that I felt compelled to put it into a book.
