Technical Report

Master the Officer Candidate Tests

Peterson's Peterson's Master the Officer Candidate Tests is the all-in-one source for your test preparation to become an officer in the U.S. military. The book offers essential information about the career opportunities, pay and benefits, and commissioning requirements, going into details about each branch of the armed forces. You will learn about the different officer training schools and their expectations, available career fields, and requirements and qualifications for admittance. After becoming familiar with the structure and content of the officer candidate tests, you will start your test preparation with invaluable tips and strategies for taking the test and sample items for each question type. This valuable guide offers nine practice tests with detailed answer explanations for each question. These are essential for helping you learn from your mistakes. In addition, there are three officer candidate tests that mimic the official exams in format and structure. While they are not meant to be comprehensive, they will give you a clear approximation of essential sections from actual exams.

2021 / 2022 ASVAB For Dummies

Book + 7 Practice Tests Online + Flashcards + Video

John Wiley & Sons Own the ASVAB test with the #1 guide on the market! Passing the ASVAB test is the essential ticket to getting into your dream branch of the military—and a good score can determine the shape of your career. A stellar performance can also help you get grants and bonuses for school, so—no pressure! But don't be daunted: like any military operation, having the right plan of attack and equipment are key—and as the number-one-selling guide year after year that's packed with all the information you need to win, the latest edition ASVAB For Dummies takes care of both of these in one! In a friendly, straightforward style, Angie Papple Johnston—who passed the test herself in 2006 to join the Army—provides in-depth reviews of all nine test subjects. Don't worry if you slept through some of this material in school; you'll find a complete refresher on everything you'll be expected to know—plus full explanations for every answer, drill exercises, and strategy cheat sheets for verbal, math, and general sciences. You'll also get tips on how to pinpoint areas where you need to develop mental muscle and to strengthen your test-taking skills. And if this weren't already giving you some pretty awesome firepower, you can also go online to reinforce your game using flashcards and customizable practice tests calibrated to address areas where you need help the most. Match your skills against practice problems Drill your math, science, and English knowledge to perfection Master test strategy and tactics Get one-year access to additional practice tests, flashcards, and videos online Whatever your aim for your military career, this book provides the perfect training ground for you to be the very best you can be on the day of the test!
