THE COP AND THE ANTHEM

Lindhardt og Ringhof While some try to get out of prison, Soapy, the only character in O. Henry's short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." THE BROWNING VERSION

Rattigan's well-loved play about an unpopular schoolmaster who snatches a last shred of dignity from the collapse of his career and his marriage. Twice filmed (with Michael Redgrave and Albert Finney) and frequently revived. Andrew Crocker-Harris' wife Millie has become embittered and fatigued by her husband's lack of passion and ambition. On the verge of retirement, and divorce, Andrew is forced to come to terms with the platitude his life has become. Then John Taplow, a previously unnoticed pupil, gives Andrew an unexpected parting gift: a second-hand copy of Robert Browning's translation of Agamemnon - a gift which offers not only a opportunity for redemption, but the chance to gain back some dignity. This volume also contains Harlequinade, a farce about a touring theatre troupe, written to accompany The Browning Version in a double-bill under the joint title, Playbill. 'Few dramatists of this century have written with more understanding of the human heart than Terence Rattigan' Michael Billington This edition includes an authoritative introduction, biographical sketch and chronology.
