THE BIRTH OF CHRISTIANITY

DISCOVERING WHAT HAPPENED IN THE YEARS IMMEDIATELY AFTER THE EXECUTION OF JESUS

HarperOne "This book is about the lost years of earliest Christianity, about the 30s and 40s of the first century, about those dark decades immediately after the execution of Jesus...The obscurity of the 30s and 40s can be emphasized by the comparative brilliancy of the 50s. From that later decade we have the letters of Paul...From them, above all else, we receive the temptation to gloss speedily over the 30s or 40s and move swiftly to those better-documented 50s...Before there was Paul the apostle in the early 50s, there was Paul the persecutor in the early 30s. What was there for him to persecute?" - from *The Birth of Christianity* In this long-awaited companion to his landmark *The Historical Jesus*, John Dominic Crossan, the world's foremost expert on the historical Jesus, explores the lost years of earliest Christianity, those immediately following the execution of Jesus. He establishes the contextual setting by an interdisciplinary combination of anthropological, historical, and archaeological approaches. He identifies the textual sources by a literary analysis of the earliest discernible layers within our present gospels, both inside and outside the New Testament. Context and text come together to challenge long-standing assumptions about the role of Paul and the meaning of resurrection, and to forge an eloquent and powerful new understanding of the birth of the Christian church. John Dominic Crossan, one of the most influential figures in biblical scholarship, combines innovative scholarship with compelling insight in illuminating the mysteries of the origins of Christianity. Crossan's meticulous research into the anthropological milieu within which Christianity arose, and his study of the emergence of early Christian communities, form the basis for his stunning and original theory. Separating history from theology and redaction, he presents a vivid account of early Christianity's interaction with the world around it, and of the new traditions and communities established as Jesus' companions continued their movement after his death. With ancient traditional Judaism under increasing pressure from both Roman commercial exploitation and Greek cultural domination, the Kingdom-of-God movement of Jesus and his followers establish radical but non-violent resistance in the Lower Galilee of the late 20s. As early Jewish and Greek-influenced schools of thought present competing visions of the nature of the spirit and the flesh, it is the message brought by Jesus during his life that creates the spiritual center of the early church. The Resurrection, while essential to the story of Christ as told through the centuries, is understood in a different light when presented in the setting of a Mediterranean culture in which events such as apparitions by the dead and ecstatic visions were far from unusual. While the eschatological teachings of Paul play a large role in the growth and development of the church, they are seen to follow, rather than define, the moment of its birth. Ground-breaking and brilliantly crafted, *The Birth of Christianity* is an indispensable addition to our understanding of the origins of the Christian faith. John Dominic Crossan is the author of *The Historical Jesus*, *Jesus: A Revolutionary Biography*, *Who Killed Jesus?*, and *Who Is Jesus?* He chairs the Historical Jesus section of the Society of Biblical Literature and was codirector of the Jesus Seminar. John Dominic Crossan, the world's foremost expert and best-selling author on the historical Jesus, presents a fascinating and essential inquiry into the rise of Christianity in the years preceding and immediately following the Crucifixion. Crossan's interdisciplinary approach sheds new light on the cultural and theological context in which the Christian church arose, and raises essential questions about the role of St. Paul and the significance of the Resurrection.

THE GOD DELUSION. 10TH ANNIVERSARY EDITION

Random House *The God Delusion* caused a sensation when it was published in 2006. Within weeks it became the most hotly debated topic, with Dawkins himself branded as either saint or sinner for presenting his hard-hitting, impassioned rebuttal of religion of all types. His argument could hardly be more topical. While Europe is becoming increasingly secularized, the rise of religious fundamentalism, whether in the Middle East or Middle America, is dramatically and dangerously dividing opinion around the world. In America, and elsewhere, a vigorous dispute between 'intelligent design' and Darwinism is seriously undermining and restricting the teaching of science. In many countries religious dogma from medieval times still serves to abuse basic human rights such as women's and gay rights. And all from a belief in a God whose existence lacks evidence of any kind. Dawkins attacks God in all his forms. He eviscerates the major arguments for religion and demonstrates the supreme improbability of a supreme being. He shows how religion fuels war, foments bigotry and abuses children. *The God Delusion* is a brilliantly argued, fascinating polemic that will be required reading for anyone interested in this most emotional and important subject.

In "A Portrait of Jesus," bestselling writer Joseph Girzone recaptures the truth of Jesus that is presented in the Gospels and gives a compelling vision of the person Jesus' contemporaries must have known. In his most powerful work yet, Girzone seeks to personify Christ in the minds of readers by asking some simple questions: "What did people see in Jesus as he walked down the street? How did he approach others and what would these people take away from meeting him? What do his actions tell us about how we can live our lives today?" It is Girzone's empowering and loving understanding of the heart of Christianity that will make "A Portrait of Jesus" a groundbreaking classic in the tradition of his bestselling books, "Joshua" and "Never Alone." MOTHER FIGURED

MARIAN APPARITIONS AND THE MAKING OF A FILIPINO UNIVERSAL

University of Chicago Press "Mother Figured" is a wide-ranging study of apparitions and miracles of the Virgin Mary in the Philippines from the mid-nineteenth century to the present. While most analyses have read Marian revival as antimodern, de la Cruz demonstrates that its origins actually lie "within" secular modernity. She takes inspiration from one of Mary's titles that has grown in popularity in modern times Mary the Mediatrix to show how modern print and technological media enable and support the circulation of miraculous narratives and images. While thoroughly grounded in local tradition, the resurgence of Marianism in the Philippines is a subject of global relevance. De la Cruz portrays Filipino Catholics not as mere followers of the faith from the margins or from below but as guardians of orthodoxy and aggressive purveyors of their own sort of Christian universalism. In this sense, the book offers a timely analysis of the social and political implications of contemporary Christianity's shift to the Global South."

I NEVER HAD A BEST-SELLER

THE STORY OF A SMALL PUBLISHER

Twayne Publishers, Inc., was not a prototypical publishing house. A meager capital base, a "first" book intended for instant success that was perennially postponed and not to appear for ten years, a quality poetry program destined to chew up any profits, and a publisher with editorial but no business experience - and little exposure to the publishing industry. Was there ever a greater prescription for disaster? How Twayne Publishers, Inc., survived its inauspicious beginnings in 1948 and established a well-respected imprint is the burden of the author's exciting account. Basic to the story of survival and success

were the many editors and authors who helped the firm achieve its special niche in the world of books - John Ciardi, Thomas Hart Benton, Robert S. Elegant, Sylvia E. Bowman, who created the famous Twayne Authors Series, Harold U. Ribalow, to name a few. Mr. Steinberg also tells of his many encounters with censorship both hidden and overt; his adventures in literary diplomacy behind the Iron Curtain; his brushes with disaster and creative conversion thereof - he calls it the creative conversion of tsurris - that enabled a bootstrap operation to attain more satisfactory solvent status. Of general interest are his observations about author-publisher relations and his ideas for achieving recognition for new writers and artists. Tom Beeler's Afterword carries the history of Twayne through mid-1991 and has something to say about the hostile environment for publishing created by giant corporations. He also explains why Twayne was purchased by ITT. It is now a Division of Macmillan. For those who want an intimate and realistic account of what goes on behind the scenes in publishing, this book is highly recommended.

MOST TREASURED OF ALL

REVEALING ERRONEOUS EMBEDDED DOCTRINES IN CONVENTIONAL THEISM

CreateSpace I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all very smart and are, or will be, well educated. They show signs of becoming very successful in this world. However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word. Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet. Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray they read what I have left them.

THE BRITISH JESUS, 1850-1970

Routledge The British Jesus focuses on the Jesus of the religious culture dominant in Britain from the 1850s through the 1950s, the popular Christian culture shared by not only church, kirk, and chapel goers, but also the growing numbers of Britons who rarely or only episodically entered a house of worship. An essay in intellectual as well as cultural history, this book illumines the interplay between and among British New Testament scholarship, institutional Christianity, and the wider Protestant culture. The scholars who mapped and led the uniquely British quest for the historical Jesus in the first half of the twentieth century were active participants in efforts to replace the popular image of "Jesus in a white nightie" with a stronger figure, and so, they hoped, to preserve Britain's Christian identity. They failed. By exploring that failure, and more broadly, by examining the relations and exchanges between popular, artistic, and scholarly portrayals of Jesus, this book highlights the continuity and the conservatism of Britain's popular Christianity through a century of religious and cultural transformation. Exploring depictions of Jesus from over more than one hundred years, this book is a crucial resource for scholars of British Christianity in the nineteenth and twentieth centuries.

GOD'S FEMINIST MOVEMENT

REDEFINING A "WOMAN'S PLACE" FROM A BIBLICAL PERSPECTIVE

Destiny Image Publishers Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. ME AND MY FATHER ARE ONE

Grace Religious Books Publishing & Distributors.in The Scriptures say, "In the beginning was the Word, and the word was with God. And the Word was God. He was with God in the beginning" (John 1:1). John's gospel calls Jesus the Word of God. He presents Him as the personal Word of God, which indicates that in these last days God has spoken to us through His Son. The Scripture also revealed that Jesus Christ is the manifold wisdom of God and the perfect revelation of the nature and person of God. Just as a person's words reveal his or her heart and mind, with Christ, it is the same, as the Word reveals the heart and mind of God. All those who know Jesus Christ, earnestly desire to know Him more and more. Our Lord said, "Before Abraham was born, I Am," which means that Abraham is a creature of God, just as Adam and Eve; and Jesus Christ is the Creator; He is the beginning and the end, the first and the last, the Mediator and the Messiah, predicted by the Old Testament prophets long before Abraham was born. Jesus Christ is the manifestation of God's wisdom, righteousness, sanctification and redemption. Jesus Christ is the Lamb of God that was slain before the foundation of the universe. "He is before all things, and in him all things hold together" (Colossian 1:17). God will show His love for you in an active way, in a big way, in a way that you cannot imagine or think, or comprehend. At the present time, your most holy duty and task is to draw close to the Lord and continue in faithful obedience to His commandments, to His Word and to the control and direction of the Holy Spirit. I KNOW WHY THE CAGED BIRD SINGS

Random House Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.
