Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. Explore Your Fantasies and Have More Intimacy For an Amazing Relationship. Play, Gadget, Sex Toys** Do you want to keep things spicy and fun in your relationship? Good! Now let's do it! Many relationships fail because what they want is very different from what they actually follow. Sexy lingerie, dirty talk and dirty text messages are all great ways to revive any relationship. If you find that these areas don't offer enough satisfaction, try something new. When you have a relationship and you feel comfortable with someone, you must be willing to try new things. This does not necessarily mean that you have to try things that you don't feel comfortable with, but it does mean that you should try things at least once. Start the discussion with your partner and find out what your fantasies are. Your woman might tell you that she has always dreamed of having a sexy cop who handcuffs her and plunges deep into her or your man can express to you that he wants to be whipped by a cat woman. Whatever your fantasies, do everything you can to make your fantasies come true. Take a trip to the local sex shop. Take a look around together. The addition of elements in the bedroom makes the experience more erotic and will give both of them great pleasure.
