KEY=STILL - AMINA ARIAS

Still Waters

Amazon Crossing On a hot July morning on Sweden's idyllic vacation island of Sandhamn, a man takes his dog for a walk and makes a gruesome discovery: a body, tangled in fishing net, has washed ashore. Police detective Thomas Andreasson is the first to arrive on the scene. Before long, he has identified the deceased as Krister Berggren, a bachelor from the mainland who has been missing for months. All signs point to an accident--until another brutalized corpse is found at the local bed-and-breakfast. But this time it is Berggren's cousin, whom Thomas interviewed in Stockholm just days before. As the island's residents reel from the news, Thomas turns to his childhood friend, local lawyer Nora Linde. Together, they attempt to unravel the riddles left behind by these two mysterious outsiders--while trying to make sense of the difficult twists their own lives have taken since the shared summer days of their youth.

Still Waters

Hachette UK From the **NEW YORK TIMES** bestselling author of *DEEPER THAN THE DEAD*, a thrilling novel of suspense. When Elizabeth Stuart starts looking for a new home for herself and her son, somewhere she can recover from a particularly bruising divorce, Still Creek seems the answer to her dreams. Hidden in the lush Amish farmlands of Minnesota, Still Creek offers a sanctuary to the splintered family who look forward to settling down there. But on their arrival the locals are distinctly cool to the newcomers. And when Elizabeth becomes involved in a murder case, she realises that there is a lot more to life in Still Creek than meets the eye.

Still Waters

Secrets Always Have a Way of Rising to the Surface

There was a moment when Ivy Heartley could have told the truth. But she didn't. Now she's burdened with a terrible secret - something so awful that she must constantly live in fear, since its disclosure could destroy her marriage, her career, and turn her own son against her. She must battle for all she holds dear, maybe even her own life.

Still Waters

Simon and Schuster When seventeen-year-old Hannah and her eighteen-year-old boyfriend sneak off to a broken-down old cottage at a deserted lake for the weekend, things do not go at all as planned.

Still Waters

Penguin A gritty, powerful debut that evokes *The Outsiders*. You won't be able to look away. High school senior Jason knows how to take a punch. Living with an abusive father will teach a kid that. But he's also learned how to hit back, earning a reputation at school that ensures no one will mess with him. Even so, all Jason truly wants is to survive his father long enough to turn eighteen, take his younger sister, Janie, and run away. Then one day, the leader of the in crowd at school, Michael, offers to pay Jason to hang out with him. Jason figures Michael simply wants to be seen with someone with a tough rep and that the money will add up fast, making Jason's escape plan a reality. Plus, there's Michael's girl, Cyndra, who looks at Jason as if she sees something behind his false smile. As Jason gets drawn deeper into Michael's game, the money keeps flowing, but the stakes grow ever more dangerous. Soon, even Jason's fists and his ability to think on his feet aren't enough to keep his head above water. *Still Waters* is an intense, gritty thriller that

pulls no punches—yet leaves you rooting for the tough guy. A powerful, dynamic debut. Praise for *Still Waters: A Junior Library Guild Selection* "Parsons adeptly takes on the teenage male perspective in her gritty debut. Parsons creates deeply felt characters. Tight plotting combined with raw voice and emotion will propel readers through this thriller. Keep an eye on Parsons."—Booklist "Debut author Parsons turns in an edgy thriller about a teenager whose propensity for violence gets him caught up in deadly matters. A dark, fast-paced, and violent crime drama about desperation and revenge that explores a complex moral dynamic. Jason's flaws and rough edges help create a rounded, dimensional character, and his narrative is stark and compelling."—Publishers Weekly "[A] provocative and suspenseful book . . . *Still Waters* features well-drawn characters, realistic dialogue, and ethical dilemmas that many readers have already faced or might have to face in the future. A great choice for reluctant readers, fans of books with male protagonists, and lovers of survivor stories."—School Library Journal

Green Pastures and Still Waters for the Flock of God

Irving Risch [Publisher's note: This written statement was penned over a 100 years ago.] The following was written nearly six years ago It was only after much hesitation and prayer, that, at the repeated requests of some esteemed Christians, and after a careful revision, I have resolved to commit these notes to print. I confide in the well-known forbearance of my dear fellow Christians in this country, as to the imperfections of expression. The twenty-third Psalm has been so interwoven with the whole of my Christian course (of more than 26 years), and our gracious Shepherd has, from this precious portion of His Pasture, whenever I turned to it, so often blessed my soul, that I could resist no longer the desire to communicate to others what He has been pleased to give to me. The dispensational side of our Psalm I have only occasionally touched upon, as the chief object of it is the feeding of the soul on Christ. Consequently even the great Christian principles of truth, foreshadowed and embedded in this Psalm, are considered, only as far as they concern the flock of God; for instance, the question of worship at the Lord's Table, where we feed upon His death, when "We sing of the Shepherd that died, That died for the sake of the flock." For, however important a place the Church, as such, may occupy at that blessed Table of our Lord, and in His counsels, yet this portion of divine truth would be out of place in our Psalm. May God keep us from growing into cool and enlightened churchmen, to the neglect of the pastoring of the flock, for whom the Good Shepherd died.

Still Waters

A Quin and Morgan Mystery

Dundurn This psychological mystery introduces David Morgan and Miranda Quin, two maverick and culturally sophisticated Toronto police detectives. When a man is found dead in a garden pond in the wealthy heart of Toronto's Rosedale neighbourhood Morgan is lead into speculations about Japanese ornamental koi fish, and Quin into a chilling sequence of revelations that could destroy her. But the real mystery begins not with the deceased but with a woman who walks onto the crime scene and without emotion declares herself to be the victim's mistress. From that point on everything changes, even the past.

Still Waters: The Secret World of Lakes

W. W. Norton & Company A fascinating exploration of lakes around the world, from Walden Pond to the Dead Sea. More than a century and a half have passed since Walden was first published, and the world is now a very different place. Lakes are changing rapidly, not because we are separate from nature but because we are so much a part of it. While many of our effects on the natural world today are new, from climate change to nuclear fallout, our connections to it are ancient, as core samples from lake beds reveal. In *Still Waters*, Curt Stager introduces us to the secret worlds hidden beneath the surfaces of our most remarkable lakes, leading us on a journey from the pristine waters of the Adirondack Mountains to the wilds of Siberia, from Thoreau's cherished pond to the Sea of Galilee. Through decades of firsthand investigations, Stager examines the significance of our impacts on some of the world's most iconic inland waters. Along the way he discovers the stories these lakes contain about us, including our loftiest philosophical ambitions and our deepest myths. For him, lakes are not only mirrors reflecting our place in the natural world but also windows into our history, culture, and the primal connections we share with all life. Beautifully observed and eloquently written, Stager's narrative is filled with strange and enchanting details about these submerged worlds—diving insects chirping underwater like crickets, African crater lakes that explode, and the growing threats to some of our most precious bodies of water. Modern science has demonstrated that humanity is an integral part of nature on this planet, so intertwined with it that we have also become an increasingly powerful force of nature in our own right. *Still Waters* reminds us how beautiful, complex, and vulnerable our lakes are, and how, more than ever, it is essential to protect them.

Still Waters

A Noblebright Fantasy Anthology

Spring Song Press Noblebright fantasy is fantasy with a thread of hope even in the darkest hour, with characters who strive to do the right thing, even when it costs them everything. In this exciting collection of noblebright fantasy, fresh new fantasy voices and award-winning authors explore grief and hope, sacrifice and heroism. Rediscover the best aspect of classic fantasy - the noblebright ideals that made heroes heroic, even when the world grew dark around them. Wizards, princesses, peasants, schoolchildren, griffins, and the song of the stars shine brightly in these wide-ranging tales of possibility, courage, and hope. This anthology features stories from: JA Andrews, Gustavo Bondoni, Christopher Bunn, M.C. Dwyer, Yvonne Eliot, Francesca Forrest, Chloe Garner, Corrie Garrett, Joanna Hoyt, Cate Isert, Glenn James, Jim Johnson, Ville Meriläinen, A. K. R. Scott, Sherwood Smith, and John Taloni.

Still Water

8-12 Fiction A World War Two chiller from the author of *The Tales of Terror*.

Still Water

Simon & Schuster From the bestselling author of *Still Mine* comes a thriller called "twisty," "tense," and "riveting." How do you find the truth in a town full of secrets? Clare has to find them. Sally Proulx and her young boy have mysteriously disappeared in the stormy town of High River. Clare is hired to track them down, hoping against all odds to find them alive. But High River isn't your typical town. It's a place where women run to—women who want to escape their past. They run to Helen Haines, a matriarch who offers them safe haven and anonymity. Pretending to be Sally's long-lost friend, Clare turns up and starts asking questions, but nothing prepares her for the swirl of deception and the depth of the lies. Did Sally drown? Did her son? Was it an accident, or is their disappearance part of something bigger? In a town where secrets are crucial to survival, everyone is hiding something. Detectives Somers and Rourke clearly have an ulterior motive beyond solving the case. Malcolm Boon, who hired Clare, knows more about her than he reveals. And Helen is concealing a tragic family history of her own. As the truth surges through High River, Clare must face the very thing she has so desperately been running from, even if it comes at a devastating cost. Compulsively gripping and twisty, *Still Water* is a deep dive of a thriller that will leave you breathless.

Beside Still Waters

Jews, Christians, and the Way of the Buddha

Simon and Schuster A compelling question for people of faith today is how to remain committed to one's own religious tradition while being open to the beauty and truth of other religions. Many who have broadened their experience profess to have developed a deeper understanding of and a deeper commitment to their tradition of origin. This is

what makes *Beside Still Waters* such a new and meaningful contribution. Rather than offering research or lectures, this book takes a deeply personal approach, allowing the reader to delve into the individual experiences of fourteen Jews and Christians whose encounters with Buddhism have truly impacted their sense of religious identity. *Beside Still Waters* upholds this point by way of the diverse and eloquent authors who lend their perspective in its pages. These include Sylvia Boorstein, John B. Cobb, Norman Fischer, Ruben Habito, and other important members of the Jewish, Christian, and scholarly communities, as well as a foreword by Jack Miles, Pulitzer Prize-winning author of *God: A Biography*. Their anecdotes and interviews collected here amount to an unprecedented and enduring work, sure to deepen our ability to understand each other, and ourselves.

Still Waters Run Deep

A Health Care Novel

Warren H. Green Inc. This is a novel about love lost and love found, families lost and families regained and the choices and sacrifices we make to pursue a meaningful life. The story centres around the efforts of Eric and Sandra to create Royal Heights, a 'gap' health care facility for people discharged from the hospital but too sick to go home. Combined with this timely story of healthcare issues, are the lives and loves of Sandra, Eric and their circle of friends, facing problems that range from drug addiction to romantic entanglements to organised crime and financial intrigues. The tropical paradise of Hawaii provides an exotic setting and the author's deft prose evokes the warm, laid-back island lifestyle in this novel of romance, mystery and commitment to an ideal.

Still Waters

Millivres Books "Professor Michael St. Clair is in trouble with his lover and fellow academic, Doctor Richard Rodgers, for his constant trysts with other men. But Mike can't help himself as his need to be used and abused takes him into ever-more frightening territory. When the pair take a field trip to Loch Ness with two students, it becomes clear that Mike is not the only one with powerful desires, and that the locals will go to any lengths - including seduction - to distract the party from what lurks beneath the loch's still waters... In this exciting erotic adventure, long-term love is balanced against debasing lusts, and it's anyone's guess which will win"--Page [4] of cover.

Still Waters in Niger

Northwestern University Press An Irish-American woman, who had lived in Niger, returns after seventeen years to visit her daughter Zara, who works in a village clinic treating children who are suffering from starvation.

Still Waters

Simon and Schuster Anger is a poison ivy in the heart and if it grows unchecked, it covers all the soft spaces where you love and understand and feel joy. There's power in anger, sure, a power that can help you survive. But true wisdom is in knowing when to let it go. In *Still Waters*, Jennifer Lauck continues the riveting true story begun in her critically acclaimed memoir, *Blackbird*. Clutching her pink trunk filled with secret treasures, the last relics of a lost childhood, twelve-year-old Jenny steps off a bus in Reno and straight into the wide-open future, where no path is certain except that of her own heart....Separated from her brother, Bryan, and passed from caretaker to caretaker, Jenny endures as she always has: by following the inner compass of the survivor. But when Bryan chooses a shocking, tragic destiny, Jenny must at last confront the secrets, lies, and loneliness that have held her prisoner for years. Embarking on a search for answers, the adult Jenny discovers that the past cannot be locked away forever -- even when unraveling one's own anger and pain seems an impossible feat. Now, in the warmth and understanding of her marriage, in the eyes of her child, and in powerful conversations with a dynamic young priest, Jennifer finds her own miracles. A hardened heart learns to love. A damaged soul finds peace. And life, once merely a matter of survival, becomes rich with the joys of truly living.

Beside Still Waters

Searching for Meaning in an Age of Doubt

Harper Perennial "Fascinating, elegant . . . [Easterbrook] invests the timeless question of life's meaning with distinctly contemporary pertinence."--George Will, *Newsweek* Yes, says Gregg Easterbrook in this provocative and probing new book. In the tradition of Jack Miles's *God A Biography* and the work of Karen Armstrong, *Beside Still Waters* ponders the question "Is there anything left to believe in?" Gregg Easterbrook persuasively argues that rationality and outright doubt are inevitable and indeed vital elements of spiritual faith. Other new and important ideas about spiritual thought include the challenging observation that the Bible never actually proclaims God omnipotent -- a concept, Easterbrook suggests, that arose through the sociology and politics of religion, nor Scripture. Bucking the current trend to undermine the Bible's historical value, he affirms that it is neither simple myth nor mere literature, but rather it records many genuine events that can be seen to chart a spiritual journey not only of man but also of God. A

thought-provoking book for anyone who believes that true faith can and should accommodate sincere doubt, *Beside Still Waters* addresses some of the central spiritual issues of a profoundly skeptical age.

Still Water

The Deep Life of the Pond

Random House The Times and Irish Independent: **BEST NATURE BOOKS OF THE YEAR** Great nature writing needs to be informative, detailed, accurate, lyrical, and, above all, to instil a sense of gratitude and wonder. John Lewis-Stempel succeeds in all these things triumphantly. From amorous toads to the eye-popping mating habits of water boatmen, a magical celebration of pond life by one of our finest, most evocative nature writers.' Daily Mail Ponds: small bodies of water, both naturally formed and artificial, home to wondrous, multitudinous life-forms. Ponds define our childhood: frogspawn, goldfish, feeding the ducks, but also our village life, our farms, our landscape. And they are multi-layered - from carp circling the bottom to water boatmen, coot, and birds dragonflies overhead. In *Still Water*, John immerses himself in the murky depths, both literarily and figuratively, to explore the still waters of the British countryside through each month of the year.

Still Waters Run Deep

An Abernathy Novel

Kate Kelly My name is Detective Ali Rivers and my last date, which was already the stuff of nightmares, turned worse than I thought possible. I was on a horrible blind date (set up by my mother - long story) and got interrupted by going to a dead body in an alley in my city of Abernathy, Tennessee .Next thing I know, a detective from another city is trying to take over my case (hell no), and instead I'm forced to have him on my team to solve the murder. Our case leads us to a ruthless, violent biker gang president who decides I'm the girl for him, a boxer, and a confidential informant who is a lovable stoner kid too honest for his own good. While I'm trying to keep my mom's matchmaking machinations at bay - albeit poorly, our investigation's list of suspects are turning into victims. Chasing a violent killer in my city of Abernathy is difficult work, but someone's gotta do it. Book 1 in the Abernathy Novel Series

Still Waters

WestBow Press This book is a Daily Devotional of how to walk by "Still Waters" with our loving Shepherd. It is an in-depth study of the TWENTY THIRD PSALM, divided into five sections, explaining our walk with The Shepherd through the valley of the shadow of death."

Still Waters

Createspace Independent Publishing Platform There's a phrase: Still waters run deep. But there's more to it than that. Because "still" doesn't denote peace. Nor calm. Nor happiness. It's an illusion. It's chaos. The only way to handle chaos is to become it. That's what Lucy did. She created stillness out of the chaos tumbling inside her and called the most chaotic motorcycle club in the United States her family. The Sons of Templar gave her chaos, friendship, family, danger and death. But she wouldn't want it any other way. Then he came. The one who showed her that her handle on chaos was tumultuous at best. Showed her how to stand still. And how good it could be. And how drowning in those waters comes as easy as breathing.

There is that blessed assurance of God's goodness and faithfulness in the lives of His people. Through His healing power He has given us health, strength, deliverance and courage to endure life's challenges, and to bring us to a place of peace. *Still Waters* will inspire your soul. It will bring you to the realization that this treasury of faith stories was written from the hearts of people, just like you, who have experienced God's grace, mercy and blessings and want to share their stories. As you identify with their struggle, you will be empowered to press forward and increase your faith. Read *Still Waters* as a daily devotional or in moments when you need to encourage yourself. You'll discover the blessings of following God's lead as He brings you to the "still waters" moments He promises us.

Beneath Still Waters

Penguin Now a major motion picture! Fifty years ago, the town of Gouldens Falls was evacuated, flooded, and submerged under two hundred feet of water. Along with its secrets. Just as well it was buried. There was always something not quite right about that town. Today, on the anniversary of its watery fate, the man-made lake that was once Gouldens Falls is the source of fascination for a visiting journalist. And a cause for alarm. Because something else is down there. Something evil. And on this special anniversary, it's going to surface.

Still Waters

Hachette UK In the suburbs, a young mother is looking after her two children. She has been a successful career woman in control of her life, sexually aware and used to attracting any man's undivided attention, if she wanted to. But now her control is slipping away. Motherhood is devouring her identity. Her two children depend on her and her husband adores her new role in the home. He is no longer focused on her. Her children are stealing his affection. Her own desires are secondary to someone else's. She wants to reclaim her sense of self, her power. Just because she is a mother doesn't mean she will protect those she is supposed to love. For her, everything is conditional. And everyone is in danger.

Still Waters

In the suburbs, a young mother is looking after her two children. She has been a successful career woman in control of her life and used to attracting her husband's undivided attention. But now her control is slipping away. Motherhood is devouring her life. Her two children depend on her and her husband adores her new role in the home. Her own desires are secondary to everyone else's. She is the mother and she's not happy about it. She wants to reclaim her sense of self, her power. Even if that means destroying the people she is meant to protect. Even if it means murder. **STILL WATERS** is a confronting novel with a chilling final twist.

By the Still Waters

Solid Christian Books AS A COUNTRY preacher in the lowlands of eastern Carolina I lived literally by still waters. Here is a serene retreat for him who cares to live a day at a time with leisure to "linger, list and dream": cypress swamps low-hung with moss; lazy waters where fishing-boats float carelessly; darkies abundant—another proof of leisureliness!—and everywhere the calm of restfulness that seems to drift in with the tide from the nearby sea. For one who easily grows tired of modernity's mad masquerade it is pleasant to return to these tranquil lowlands. Nothing is more restful than a stroll beside these still waters while the wood-thrush serenades from the cypresses, while cattle amble homeward along pasture-lanes, and darkies hum their way from the fields at sundown. Is it not significant that most of the men of God in the Bible knew best the fields, the pastures, the woods and waterways? Abel, the keeper of sheep; Abraham, Joseph, Moses, learning their deepest lessons among the flocks; David, the ideal shepherd-boy, whose later psalms breathe so often the spirit of early days among the quiet hills; Amos, the herdsmen, John the Baptist, the fishermen-disciples, and, above all, the Lord Jesus—these knew the way of the still waters. But drowsy waters alone cannot rest the soul. Yet these pleasant waterways of earth have their counterpart in the Word: "He leadeth me beside the still waters." In the terrific pace of this age men break in body, mind and spirit, and he who knows not God's waters of quietness knows no peace at any price. By Stoic hardihood, by "drowning their troubles," by forced optimism, by psychologic fads and freakish mental calisthenics, men seek "That blessed mood In which the burden of the mystery, In which the heavy and the weary weight Of all this unintelligible world Is lightened." But they find it not. Partly, because it is not a mood, "a feeling fond and fugitive." It is a matter of faith, taking God at His Word. We reach the still waters when we cease being Ponce de Leons, looking for an elusive fountain of youth, and humbly follow the Good Shepherd to the green pastures. Men call that foolish, crude, childish—there are so many newer, more up-to-date recipes for peacefulness. Everywhere fine boulevards lead to the popular resorts of this "ism" and that, where with clever new methods earth's doctors seek to treat the soul. But how often scholars ransack libraries looking for the secret of peace while the janitor may have found it long ago by the way of the Cross! Do you know the waters of His rest? We do not mean that daily you will bask in happy circumstances. "In the world ye shall have tribulation" Our Lord's life was full of storm and tempest, yet in the darkest days of all He bequeathed to us His legacy of peace (John 16:33). His rest is no imaginary escape from reality. His peace is that blessed consciousness that in the midst of trouble our real lives are beyond the reach of circumstance hid with Christ in God. Blessed experience, possible for the humblest believer here and now! And blessed prospect still ahead for us when this mortal shall have put on immortality: "A pure river of water of life, clear as crystal proceeding out of the throne of God and of the Lamb!"

Words of Comfort for the Soul

Thomas Nelson Incorporated For Ingest Only - Data needs to be cleaned up for all products being loaded

Still Mine

Pocket Books From internationally bestselling author Amy Stuart comes a “dark and deliciously disturbing” (Publishers Weekly) novel about one woman’s search for answers when another woman goes missing from a desperate, drug-addled mountain town where everyone is implicated in her disappearance. What happens when you vanish from your life and leave no story behind? Someone makes one up for you. Clare is on the run. From her past, from her husband, and from her own secrets. When she turns up alone in the remote mining town of Blackmore asking questions about Shayna Fowles, a young woman who has gone missing, everyone wants to know who Clare really is and what she’s hiding. Because everyone in this place has secrets—Jared, Shayna’s mysterious ex-husband; Charlie, the charming drug pusher; Derek, Shayna’s overly involved family doctor; and Louise and Wilfred, her distraught parents. As Clare unravels the mysteries surrounding Shayna’s disappearance, Clare must confront her own demons, as she moves deeper and deeper into her elaborate web of lies. But what is she really running from? Haunting and electrifying, *Still Mine* is a thriller that is “impossible to put down” (Robert Dugoni, New York Times bestselling author of *My Sister’s Grave*).

Steve Owen

Still Waters

Bbc Publications 'Hi. Name's Steve Owen. I own the E20 club just by the tube station. Been in the club business a while now, thought I'd test the waters around Walford, where I grew up. It wasn't a sentimental decision - I don't do sentiment in business, not my style. Mucks your head up. My love life? What of it? Don't get me wrong - I love women, but I like being the one in control. Have I ever been in love? Maybe once. But she's not around anymore. I don't really want to go into it. There is someone else though, Mel and me have had a good relationship over the years and it's something I want to take further. And if there's one thing that anyone should know about me, it's that I get what I want...' Since Steve Owen arrived on Albert Square he has been the centre of attention for both good and bad reasons. It didn't help his popularity when Matthew was sent down for the murder he'd committed. Now, he's rebuilding his life, a process made more difficult since Matthew extracted his revenge and his drugs problem. His relationships, his business and his mind have all been affected, but he is still one of the most dangerous men in Walford. This novelisation of Steve Owen's life in Albert Square will pro

Untreed Reads One minute Nabilor was leaning into the bend. The next the chariot was flying through space. Down. And down. And down... When a consignment of gold goes missing near the Federation’s flagship posting station, Lysander can think of no better person to investigate than Iliona. The High Priestess of a river god paying homage at the Lake of Light is the perfect cover. But when an Olympic wrestler’s chariot careens over a cliff, Iliona doesn’t believe it was the accident it appeared. The only question is, which of the three women in his life staged the murder?

Still Waters

Alyson Belle Productions 27-year-old Jared has lived in the same little town in the Appalachian Mountains with the same people and the same traditions his entire life. Gossip travels fast. When Jared realizes he is trans, everything changes. Naming herself Claire, she tries to come out to her family and is shattered when she is rejected by everyone besides her twin sister. Her family was her entire life, and feeling she had lost everything, she throws herself into the local cave pool. Hours later, she wakes up in the cave in a new body—one near identical to her sister. Confused and soaked, she realizes her house keys are missing and turns to her business partner and life-long friend, Gabe. Together, they figure out what her next steps should be. Claire knows she should leave town. Why would she want to stay anyway? But things get complicated when Claire realizes she has feelings for Gabe. It gets even more complicated when the community starts searching for her old, missing self... As circumstances push her closer and closer to revealing the truth of her transformation and risking the rejection of a lifetime yet again, Claire will be forced to make a life-changing decision in the name of love... if she can only find the courage to do so.
